8th Street Gateway Park

A donation of 100 acres will be finalized in the spring of 2020 which is located at 8th and SW I Streets. We are working on a Master Plan for this property. If the contract is approved, there will be a public meeting at the beginning of February. The public will be able to meet PORT Urbanism, who is the selected architectural firm. Citizens have mentioned wanting something similar to The Gather Place which is in Tulsa, OK. The Trail Blazers will acquire the 100 acres in which five acres will be designated for The Walmart Family Foundation to use as a pet resource center.

Master Plan Quilt of Parks Update / Input

David Wright presented a presentation sharing the update of the Quilt of Parks project. The presentation included some of the following amenities that have been proposed.

Flexible Streetscape for Events
Storm-Water Management
Landform and Forestry

Prioritize Pedestrians
Preserving Local Character
Children's Play Focus

Lighting
Safety
Flexibility Focus

Walk-ability
Providing Parking
Alley Opportunities

A consulting firm for lighting will be hired to assist with this project. There was discussion about the possibility of the road in front of the five and dime being closed. There are options in the project of how roads can be closed temporary with drop down landscape poles. There will be more non-traditional playground equipment used in these areas. The area will remain a community playground of type. There is discussion
