Fall Recreation Programs Update – Square to Square/Bentonville Half Marathon

Josh Stacey shared with board member information about the fall Square to Square bike ride. The Square to Square team met twice with Dan Skoff, a local meteorologist, the day before the event. We wanted to be prepared for the incoming weather Josh shared. There was a lot of concern with the safety of the bike riders due to the timing of the race and incoming weather, which eventually concluded with cancelling the event. The event has been rescheduled for October 16, 2021. The vendors, pit stops and shuttles etc., will also move to the new date. There were originally 1,500 people signed up for the race, we want to make sure they can still have the experience of an in person race.

Bentonville Half Marathon

The Bentonville Half Marathon will be held on October 9, 2021 Josh Stacey reported. There is a lot of work that goes into planning this event. The Half Marathon Expo will be held on October 8, 2021 at the Hanger on I Street. There are currently 2,000 signed up. This race is taking place in October, due to the original event planning on April 10, 2021 which was rescheduled due to COVID restrictions. We are currently planning the Bentonville Half Marathon race for April 2, 2022 to get back on schedule of having the race in April. Both races in 2021 and 2022 will include the half marathon, a 5K and a marathon relay.

Proposal to amend the Park Closing Hours for select parks and amenities in the city.

Bentonville Parks and Recreation has heard from several concerned citizens about the use of select parks and playgrounds after dark. Many complaints from residents relate to loud noise levels and improper use of the park space. Due to these concerns, Bentonville Parks and Recreation is recommending an adjustment in park closing hours for specific parks and amenities.

City Ordinance states that all public parks are closed between the hours of 11:00pm and 6:00am (see below for the full decree). However, the ordinance also allows the Director to adjust designated hours if the need arises to best serve the community.

Sec 62-32 Park Closing Hours

Public parks shall be closed between the hours of 11:00 p.m. and 6:00 a.m. Any public park or any section or part of any public park may be closed to the public by the director or the chief of police during designated hours as the director or chief of police shall find necessary pursuant to uniform city standards.

Bentonville Parks and Recreation recommends the following parks amenities be closed from Sunset to Sunrise daily. Notifications regarding these sites will be posted at each individual park amenity:

1. Austin-Baggett Park Playground
2. Citizens Park Playground
3. Durham Place Park Playground
4. Gilmore Park Playground
