Public Art – Temporary Display of the Multicultural Artwork to be place in Trail Station Park

Bentonville's Diversity, Equity, and Inclusion (DEI) Task Force requested proposals for an art-based civic engagement project as part of the first Bentonville Together: A Celebration of Our Multicultural Community. The Task Force asked for a public art piece that is the result of a collaborative experience between the artist and the public that expresses Bentonville's growing diversity and community unity. As a result of this request, a temporary display of the Multicultural Artwork will be placed in Train Station Park. David Wright asked for board approval.
