

Note – Due to health concerns related to COVID-19, and the current Federal recommendations to avoid gatherings of 10 or more people, some of the members of the Planning Commission, as well as City staff members, may attend this meeting by phone or other remote means. That being said, the Community Development Building will be open for the public to attend. Those that do attend will be asked to watch the meeting from the building’s lobby. Attendees will only be allowed into chambers to make a public comment or to speak during any public hearing on the agenda. Those who do attend should observe the CDC recommendations concerning hygiene and social distancing (keeping at least 6 feet away from other persons present at the meeting). Moreover, no one should attend this meeting if they are experiencing any type of illness involving a fever, sneezing or coughing. Those wishing to make public comments who do not want to attend the meeting may do so in written form, submitted to planning@bentonvillear.com before 3:00 p.m. on the day of the meeting. Those comments will be communicated to the members of the Planning Commission. While email comments are encouraged, accommodation has also been made to allow Bentonville citizens to make “live” public comments orally in the event they cannot or do not feel comfortable attending the meeting in person. To do so, please send an email indicating a desire to make “live” oral public comments to planning@bentonvillear.com by at least 3:00pm on the day of the meeting and a reply email will be sent with instructions about how your comments can be made. Making comments will require you to register with your name, address, phone number, and email address. Procedures with respect to oral public comments still apply.

**Planning Commission
Tech Review Agenda
February 23, 2021**

Registration Link: <https://us02web.zoom.us/j/86140371178>

**I. Call to Order
II. Old Business**

- 1. Bentonville Planning Commission** **General Plan Amendment***
Medium-Density Residential to Low-Density Residential
SW D Street and SW E Street ([GPA21-0001](#))
- 2. Crystal Bridges Museum of American Art** **Rezoning***
A-1, Agricultural to C-3, Mixed-Use Commercial
600 Museum Way ([RZ20-0074](#))
 - Currently zoned A-1, Agricultural.
 - This property is located at 600 Museum Way, interior to the Crystal Bridges Museum of American Art Site, and west of the existing “Bucky Ball” parking lot. Adjacent zoning districts are A-1, Agricultural, on all sides.
 - The Future Land Use Plan currently depicts this property as Public/Semi-public. Public/Semi-public land uses include government offices, community facilities, and museums that are open to the public and provide community services and amenities. The current land use of Crystal Bridges is in line with this land-use category.
 - According to the applicant’s narrative, the intent of the rezoning request is to provide an area that allows for people to meet and utilize additional services within vicinity of their residences.

To see a full list of all pending Planning Commission items, please visit: <https://arcg.is/08HvK8>

- 3. Vaishno Group, LLC** **Rezoning***
A-1, Agriculture to C-1, Neighborhood Comm & C-2, General Comm
SW 14th Street ([RZ21-0001](#))
- Currently zoned A-1, Agricultural.
 - Adjacent zoning districts are C-2, General Commercial and R-3, Medium-Density Residential to the east, R-ZL, Zero Lot Line Residential, R-2, Duplex & Patio Home Residential to the south, and Benton County to the north and west.
 - The Future Land Use Plan depicts this property as Residential Estate. These areas include large, detached single-family residential properties at least one acre in size. These areas may also include public uses that support residents. The Future Land Use designation of Residential Estate is not consistent with development patterns that have occurred in this area of the city.
 - The property is within Priority Area 3, Edge Growth as identified in Chapter 4 of the Land Use Plan. This area focuses on development in areas proximate to existing infrastructure to capitalize on municipal investments that have already taken place. (p. 44). Also, this area is noted for its potential to support mixed-use development.
 - Per the applicant's narrative, there are currently no development plans for the property. They are requesting the rezoning to market the property for future development.
- 4. Hufford** **Rezoning***
R-1, Single-Family Residential to DE, Downtown Edge
302 NW A Street ([RZ21-0002](#))
- Located at the northeast corner of NW A Street and NW 3rd Street. Adjacent zoning districts are R-1, Single-Family Residential to the north, DE, Downtown Edge to the east and west, and DC, Downtown Core.
 - The Future Land Use Plan currently depicts this property as High-Density Residential. High-Density Residential areas typically include apartments, condominium buildings, and resident-oriented commercial uses.
 - The DE, Downtown Edge zoning district definition cites its potential as a transitional zone between the downtown core and adjacent residential areas. The form and character of structures in the DE district are meant to provide a service-oriented character for surrounding neighborhoods.
- 5. Bentonville City Center** **Conditional Use Permit***
Noise Ordinance
226 & 240 South Main Street ([CU21-0001](#))
- Currently zoned DC, Downtown Core. Variations from the City of Bentonville's Noise Ordinance require a Conditional Use Permit regardless of zoning district.
 - A request to allow for early morning and late night construction activity in association with the previously approved Bentonville City Center large scale development.
 - According to the applicant's narrative, due to the timing and scope of concrete pours affiliated with the project, they need the ability to pour overnight. These pours may require temporary lighting, concrete trucks, and machinery be located on site for their duration. The work is scheduled to begin February 16th and end August 16th.

- 6. Gateway Park North** **Conditional Use Permit***
Noise Ordinance
 4700 SW Regional Airport Blvd. ([CU21-0002](#))
- Currently zoned I-1, Light Industrial. Variations from the City of Bentonville's Noise Ordinance require a Conditional Use Permit regardless of zoning district.
 - A request to allow for early morning and late night construction activity in association with the previously approved Gateway Park North large scale development.
 - According to the applicant's narrative, due to the timing and scope of concrete pours affiliated with the project, they need the ability to pour overnight. These pours may require temporary lighting, concrete trucks, and machinery be located on site for their duration. The work is scheduled to begin Feb 16th and continue through the end of May.
- 7. Belle Journee Spa** **Conditional Use Permit***
Personal Services
 1732 SE Moberly Lane, Suite 14 ([CU21-0004](#))
- Currently zoned R-O, Residential Office. Personal services (such as spas) require a Conditional Use Permit in the R-O zoning district.
 - The spa has operated out of the same building since 2014, before proposing to move to a new suite within the same building.
 - According to the applicant's narrative, the hours of operation will be Mondays, Tuesdays, Wednesday, and Fridays from 10am to 8pm and Saturdays from 11am to 6pm. There is one employee and an estimated two customers per day. No other changes are anticipated with the move.
- 8. Lot 1, 7 Brew Subdivision** **Lot Split**
 2811 & 2813 SW 14th Street ([PLA21-0002](#))
- Zoned C-2, General Commercial
 - A Lot Split of previously unplatted land creating new Lot 1 (+/- 1.67 acres) of 7 Brew Subdivision.
 - The plat dedicates additional utility easements along SW Stagecoach Road and SW 14th Street.
- 9. VBT Game Composites** **Large Scale Development**
 3201 SW I Street ([LSD21-0003](#))
- Currently zoned I-1, Light Industrial.
 - A large scale development proposing the construction of an expansion to the existing Game Composites Facility and an additional parking area to the south.
 - The development provides landscaping in accordance with the requirements of the Land Development Code.
 - The primary materials on the exterior of the building include nichiha panels, glass, and architectural metal panel along the SW I Street frontage.

III. New Business

1. LaRose Development, LLC

Rezoning*

C-2, General Commercial to C-3, Mixed Use Commercial

South Walton Blvd. ([RZ21-0004](#))

- An approximately seven acre lot that is currently zoned C-2, General Commercial.
- Adjacent zoning districts are all C-2, General Commercial with some C-3, Mixed-Use Commercial located nearby to the northeast.
- The Future Land Use Plan depicts this property as General Commercial. These areas include uses that serve both nearby residents and those coming from other parts of the city or region. Appropriate uses in these areas include retail, restaurants, services, and offices. Vertical mixed-use developments are encouraged, but are not as high a priority as in mixed-use or downtown commercial areas. General commercial uses should balance access between pedestrians and vehicles, though the impacts of parking should be minimized through site design and landscaping.
- The property is within Priority Area 2, Infill, as identified in Chapter 4 of the Land Use Plan. This area supports the development of vacant properties already served by infrastructure within the context of existing development (pg. 45).
- Per the applicant's narrative, the intent of the requested rezoning is to “allow the developer a greater variety of uses for this parcel. Notably, the C-2 does not allow for residential uses either conditionally or by right. The developer has requested the C-3 so that it may build a mix of commercial and residential uses on this parcel...”
- Staff has received one public comment in opposition to this rezoning request.

2. Tailor Family Development, LLC

Rezoning*

SE 30th and SE John Rollow Drive ([RZ21-0005](#))

- *The incorrect Notice of Intent to Rezoning form was sent to surrounding property owners. This item will need to be moved to the 3-16-21 Agenda.*
- Surrounding zoning districts are C-2, General Commercial to the north, south, and west, and C-1, Neighborhood Commercial to the east.
- The Future Land Use Plan currently depicts this property as Commercial.
- According to the applicant's narrative, the intent of the rezoning request is to develop a mixed-use/residential development.

- 3. Wayne Alexander Trust** **Rezoning***
R-2, Duplex & Patio Home Residential to DN-2, Downtown Medium Density Residential
406 SW Glover Street ([RZ21-0006](#))
- An approximately 0.17 acre lot that is currently zoned R-2, Duplex and Patio Home Residential.
 - Adjacent zoning districts are R-2 to the west and south, DN-2 to the north and R-1, Single Family Residential to the east.
 - The Future Land Use Plan depicts this property as Medium Density Residential. These areas include townhouse or duplex residential properties with a typical density of 8-12 units per acre. These areas are found both near Downtown and in some recent growth areas. These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.
 - The property is within Priority Area 1, Downtown Intensification Infill, as identified in Chapter 4 of the Land Use Plan. This area highlights reinvestment in urban neighborhoods in and around Downtown Bentonville (pg. 45).
- 4. Lots 1-4 of Allen Subdivision South** **Lot Split**
3301 SW 2nd Street ([LS20-0044](#))
- Zoned A-1, Agriculture and expired PUD.
 - A lot split of existing Lot 19 Hardcastle Estates and Tract 8 of Allen Subdivision eating new Lot 1, (+/-17.51 acres), Lot 2, (+/- 15.16 acres), Lot 3 (+/- 6.26 acres) & Lot 4 (4.79 acres) of Allen Subdivision South.
 - Per the requirements of the Master Street Plan, right-of-way is adequate along both SW 89th Street and Mellissa Drive.
 - The plat dedicates utility easements to serve the lot with public utilities.
 - Note: This lot split is associated with the Pet Resource Center Large Scale Development project that was approved by Planning Commission on January 19, 2021.
 - All staff departmental comments have been addressed.
- 5. Lots 17 and 18, Block 19, Deming's 2nd Addition** **Property Line Adjustment**
601 and 605 NW B Street ([LS21-0006](#))
- Zoned R-1, Single-Family Residential
 - A Property Line Adjustment of Lots 13, 14, and 15, Block 19 of Deming's 2nd Addition, creating new Lots 17 (+/- .168 acres) and 18 (+/- .198 acres).
 - The plat dedicates a ten foot utility easement along NW B Street.
- 6. Lot 44, Oakwood Heights** **Property Line Adjustment**
2104 Almand Drive ([PLA21-0003](#))
- Zoned R-1, Single-Family Residential
 - A Property Line Adjustment of Lots 23 and 24 of Oakwood Heights, creating new Lot 44 (+/- .526 acres)
 - The plat dedicates additional right-of-way along Almand Drive.

7. Culvers

Large Scale Development

1003 South Walton Blvd. ([LSD21-0004](#))

- This property is zoned C-2, General Commercial. Drive through restaurants are an allowable use by right in the C-2 zoning district.
- A large scale development proposing the construction of an approximately 4,300 square foot drive through restaurant.
- 37 parking spaces are required, 48 spaces are being provided.
- The primary exterior materials of the building consist of stone, EFIS, Hardie Board siding and store front glass.
- Ingress/egress will be from a single existing shared curb cut from South Walton Blvd.
- Sidewalk, landscaping, grading/drainage, and site amenities are in accordance with the development requirements.
- One waiver requested:
 - A waiver from Article 1100, Section 1100.21.e, Building Materials, of the Land Development Code. The Code requires that a minimum of two primary materials be utilized per façade, constituting a minimum of 75% of the wall area. The applicant is requesting to allow the following:
 - West façade, 65% stone and glass primary materials combine, with 17% EFIS and 13% Hardie Board.
 - North façade, 35% stone and glass primary materials combine, with 15% EFIS and 49% Hardie Board.
 - East façade, 59% stone and glass primary materials combine, with 16% EFIS and 25% Hardie Board.
 - South façade, 38% stone and glass primary materials combine, with 17% EFIS and 43% Hardie Board.

8. Benton County

Waiver

Building Materials Waiver

1210 SW 14th Street ([WAV21-0005](#))

- Waiver from Section 1100.21.e, Building Material, of the Land Development Code
- According to the applicant's narrative, they are proposing the expansion of their shop building be constructed using similar materials to match the existing building.
- The proposed material consists of a prefinished metal building wall panel.

IV. Other Business

1. Ben Grissom – Potential rezoning discussion with PC members for parcel number 18-08668-000 located south of the intersection of SW 14th Street and SW Elm Tree Road.

NOTICE OF GENERAL PLAN AMENDMENT

Members of the Planning Commission have requested to amend the Future Land Use Map from Medium Density Residential to Low Density Residential. The legal description of the property is as follows:

See Attached Legal Description and Vicinity Map

The common description of the property is:

The area consists of parcels adjacent to SW E Street and SW D Street, between SW 2nd Street and SW 5th Street

The public hearing will be held February 16, 2021 at 4:00 p.m. It will be held at the Bentonville Community Center, 1101 SW Citizens Circle.

If you wish to express any comments about the requested General Plan Amendment, you may respond by the following methods:

1. Attend the public hearing and express your views. You can attend in person or virtually. *(If you would like to virtually participate in the public hearing, please email planning@bentonvillear.com no later than 2pm on February 16, 2021 to register.)*
2. Express your opinion in writing to the Planning Commission. You may mail or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. *(This may also be delivered or mailed to the above address.)*
4. Email your comments to planning@bentonvillear.com.

For more information, you may call the Planning Department at 479-271-3122 or email planning@bentonvillear.com.

I/We have received notice of the General Plan Amendment for the above described property and:

- ☐ I/We have no objections to the General Plan Amendment.
- ☐ I/We object to the General Plan Amendment because:

Future Land Use and Zoning Code

FUTURE LAND USE

Description

The Future Land Use Plan and Map is a planning tool required by state statutes to enact zoning. It is adopted by resolution as part of the city's Community Plan. It does not carry the weight of law, but is to be used as a guide when making land use decisions. The Future Land Use Plan and Map is general in nature and describes preferred land use categories and locations.

Land Use Plan Map

ZONING CODE

Description

Zoning is the regulatory tool to implement the plan. It is adopted by ordinance and is an enforceable law. Zoning establishes districts with specific regulations for land uses, lot sizes, setbacks and heights.

Future Land Use and Zoning Code

FUTURE LAND USE

Example of Land Use Category Descriptions

Low Density Residential

Low density residential areas include detached single-family residential properties with a typical density of 3 to 8 units per acre. While lot size and overall density may vary from one part of the city to another, these areas represent the predominant form of residential development in Bentonville. These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.

ZONING CODE

Example of Zoning District Regulations

R-1, Single-family Residential

Lot and Area Standards:

District	Type	Lot Area	Lot Width	Coverage
R-1	All	6,000 sq. ft.	60'	40%

Min. Setback Standards:

District	Type	Front	Side	Rear
R-1	All	20'	7'	25'

Max. Height Allowed: 36'

Future Land Resources

- [Bentonville Community Plan](#)
- [Future Land Use Map Categories](#)

Zoning Resources

- [Article 401 Zoning Regulations](#)
- [Zoning Resources webpage](#)

Primary Differences

FUTURE LAND USE

Adopted by resolution.

Serves as a guide for land use decision making.

Is a planning tool.

Establishes land use categories.

Does not regulate.

Land use classification can be amended with a resolution.

Includes a Future Land Use Map and policy text in the Community Plan.

Land use categories shown on the map are desired or preferred land uses.

Does not require compliance. Used in the decision making process for rezonings.

ZONING CODE

Adopted by ordinance.

Is the law regarding land use.

Is a regulatory tool.

Establishes zoning districts.

Regulates land use, lot size, setbacks, height, lot coverage, and parking by zoning district.

Zoning district can only be changed with a rezoning ordinance.

Includes an official zoning map and the regulatory text in the Zoning Code.

Zoning districts shown on the map are the land uses allowed by law.

Rezoning, conditional use permit, and variance are tools used to achieve compliance with the Zoning Code.

Low Density Residential

Future Land Use Plan Category Description

Res. No. 10-23-18A

Description

Low-density residential areas include detached single-family residential properties with a typical density of 3-8 units per acre. While lot size and overall density may vary from one part of the city to another, these areas represent the predominant form of residential development in Bentonville. These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.

Medium Density Residential

Future Land Use Plan Category Description

Res. No. 10-23-18A

Description

Medium-density residential areas include townhouse or duplex residential properties with a typical density of 8-12 units per acre. These areas are found both near Downtown and in some recent growth areas. These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.

From: [Luke wetzel](#)
To: [Planning](#)
Subject: Down-zoning Downtown
Date: Wednesday, February 17, 2021 9:31:53 AM

Good morning! I hope everyone is safe and well during this wintry week!

I am reaching out in concern of down-zoning SW D and SW E to R1, which to my understanding, has been zoned for medium density since 2018.

Downtowns are the heart of any city and Bentonville is no exception. The city invested in a master plan to guide future land use and it's working! As a business owner of a downtown location, I am realizing Bentonville's potential to be a vibrant, bustling downtown that still maintains its small town vibe.

Continuing to support higher density in Bentonville will foster economic growth, housing affordability, and encourage ethnic and social diversity.

Furthermore, downtown is the best place for density, as transportation, utility infrastructure, and access to employment/services/retail can all be more efficiently planned and funded, while avoiding sprawl which increases traffic and has adverse effects on public health and the environment.

With escalating property value comes escalated rents. Small businesses rely on foot traffic and we need as many potential customers as possible to make our required per square foot revenue.

Small retail and local restaurants are crippled from COVID and now is not the time to limit our potential for profit. Keep up the good leadership and help us all keep serving this community!

Stay well,

Luke Wetzel

NOTICE OF GENERAL PLAN AMENDMENT

Members of the Planning Commission have requested to amend the Future Land Use Map from Medium Density Residential to Low Density Residential. The legal description of the property is as follows:

See Attached Legal Description and Vicinity Map

The common description of the property is:

The area consists of parcels adjacent to SW E Street and SW D Street, between SW 2nd Street and SW 5th Street

The public hearing will be held February 16, 2021 at 4:00 p.m. It will be held at the Bentonville Community Center, 1101 SW Citizens Circle.

If you wish to express any comments about the requested General Plan Amendment, you may respond by the following methods:

1. Attend the public hearing and express your views. You can attend in person or virtually. (If you would like to virtually participate in the public hearing, please email planning@bentonvillear.com no later than 2pm on February 16, 2021 to register.)
2. Express your opinion in writing to the Planning Commission. You may mail or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. (This may also be delivered or mailed to the above address.)
4. Email your comments to planning@bentonvillear.com.

Bentonville, AR 72712

NOTICE OF GENERAL PLAN AMENDMENT

Members of the Planning Commission have requested to amend the Future Land Use Map from Medium Density Residential to Low Density Residential. The legal description of the property is as follows:

See Attached Legal Description and Vicinity Map

The common description of the property is:

The area consists of parcels adjacent to SW E Street and SW D Street, between SW 2nd Street and SW 5th Street

The public hearing will be held February 16, 2021 at 4:00 p.m. It will be held at the Bentonville Community Center, 1101 SW Citizens Circle.

If you wish to express any comments about the requested General Plan Amendment, you may respond by the following methods:

1. Attend the public hearing and express your views. You can attend in person or virtually. *(If you would like to virtually participate in the public hearing, please email planning@bentonvillear.com no later than 2pm on February 16, 2021 to register.)*
2. Express your opinion in writing to the Planning Commission. You may mail or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. *(This may also be delivered or mailed to the above address.)*
4. Email your comments to planning@bentonvillear.com.

For more information, you may call the Planning Department at 479-271-3122 or email planning@bentonvillear.com.

I/We have received notice of the General Plan Amendment for the above described property and:

- ☐ I/We have no objections to the General Plan Amendment.
- ☐ I/We object to the General Plan Amendment because:

RE: Parcel #01-15202-000 rezone to C-3

Dear Mr. Stanley:

Please accept this narrative letter for the referenced request to rezone a portion of parcel #01-15202-000 to C-3. See below for additional information on this request:

Current Zoning Designation: A-1 Agricultural District

Proposed Zoning Designation: C-3 Central Commercial

Explanation: A portion of parcel #01-15202-000 is being proposed to be rezoned from A-1 Agricultural to C-3 Central Commercial in order to develop a real estate project in compliance with C-3 development standards. The current owner is Crystal Bridges Museum of American Art Inc.

Reason to Rezone: The rezone would allow the development to establish an area that would provide an opportunity for people to meet and utilize additional services within the vicinity of their residences.

Statement of how the property will relate to surrounding properties: Being within the immediate proximity of the Amazeum and Crystal Bridges Museums, the development would be designed to complement the surrounding uses. The development would also add pedestrian walkability via new trails and encourage greater social interaction of residents through outdoor spaces for yoga or fitness groups.

Use: Offices, open office and conference space

Traffic: The development should not substantially increase the current traffic patterns on Museum Way and could potentially encourage more pedestrian activity.

Signage: None proposed

Appearance: Modern design standards will be used to enhance and compliment the surrounding area.

Water / Sewer: Water service is available via the 8" water main on site. Sewer service has a potential connection to the 24" sewer line located south of the property.

Thank you for your consideration of this request.

Should you have any further questions, please do not hesitate to call me.

Respectfully,

A handwritten signature in blue ink, appearing to read "Jason Steigerwald". The signature is fluid and cursive, with the first name "Jason" written in a smaller, more compact script than the last name "Steigerwald".

Enclosures

NOTICE OF INTENT TO REZONE

Crystal Bridges Museum of American Art Inc. has requested the Bentonville Planning

Commission to set a public hearing date to consider rezoning the following property from

A-1 (Agricultural District) to C-3 (Central Commercial District)

The legal description of the property is as follows:

See attached full legal description

The common description of the property is: 600 Museum Way

Proposed land use: Offices, open office and conference space

The public hearing will be held February 2, 20 21 at 4:00 p.m. It will be held at 305 SW A Street.

This notification is in response to the requirement that all property owners within 200 feet of said property must be notified. If you wish to express any comments about the requested rezoning, you may respond by the following methods:

1. Attend the public hearing and express your views.
2. Express your opinion in writing to the Planning Commission. You may mail this or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. (This may also be delivered or mailed to the above address.)

For more information, you may call the Planning Department at (479)271-3122 extension 2.

I/we have received notice of the public hearing for the rezoning of the above described property and:

- ☒ I/we have no objections to the rezoning.
☐ I/we object to the rezoning because:

The residents of Legacy Village Garden Homes
support the rezoning requested by Crystal Bridges

RE: Rezoning of Property (Parcel #01-00828-115)

Staff,

On behalf of our clients we would like to formally request a zoning change for this project from A-1, Agricultural to C-1, Neighborhood Commercial and C-2, General Commercial District. The property is currently owned by Vaishno Groups, LLC. The adjacent properties are zoned R-3, R-2, and C-1. A proposed C-2 zoning of the north portion and C-1 along the southern portion is appropriate in this area based on access to Highway 102 and surrounding properties' zoning.

The owners of this parcel are requesting a rezone to C-1 and C-2 in order to make the property more marketable. Currently, there are not any plans for development on this property, so the proposed use would be anything allowed by right under a C-1 or C-2 zoning designation. This property is adjacent to SW 14th St (Hwy 102), but also includes access to 2 alternate points of egress (via SW 16th St and SW Mossy Stone Rd).

Since there are no plans for development on this property, plans for proposed signage are also unknown. Future LSDP's will be responsible for working with city staff when planning any proposed signage.

The site currently has large overhead electric lines crossing through the middle of the site. The land is comprised of dense grass cover with some larger trees throughout. Water and sewer are readily available on this site via neighboring properties to the south and east.

By rezoning to C-1, Neighborhood Commercial and C-2, General Commercial, this property will be an excellent place for development and will be an asset to the Bentonville community.

Thank you,

Barry R. Williams, ASLA
Project Manager

C-1, Neighborhood Commercial

The C-1 District is designed primarily to provide convenience goods and personal services for persons living in the surrounding residential areas while maintaining a character in harmony with residential development. To this end, development in the C-1 District should harmonize in terms of form, bulk, height, materials, architecture, and overall design with surrounding residential areas. Signage and lighting should be subdued while landscaping and open space should be maximized. Parking areas should be as inconspicuous as possible as should loading and trash collection areas.

Maximum Density Allowed: N/A

Maximum Height Allowed: 40 feet

Height Exception: Any structure exceeding the listed maximum height shall be set back an additional 1 foot for each foot in excess of the maximum height allowed for that district.

Bentonville, AR 72712

**RE: 302 NW 'A' STREET
REZONE
ECE PROJECT NO. 20-1066**

Dear Sirs:

The property located at 302 NW 'A' Street is now owned by Mark Hufford. It is currently zoned as R-1, Single Family Residential. The proposed zone is D-E, Downtown Edge.

Reason for rezone:

1. Setback reduction for our addition.
2. To be in keeping with the zoning on the east and west.

There will be no increase in traffic.

Direct water and sewer are currently available.

Best Regards,
EXPEDIENT CIVIL ENGINEERING, PLLC

Jason E. Ingalls, P.E.
Owner/Senior Project Manager

Cc: Burris Architecture

DE, Downtown Edge

The Downtown Edge creates an area of transition between the Downtown Core with its retail emphasis and the lower density residential neighborhoods on the outskirts of downtown. This is the area of downtown with the greatest potential for infill and redevelopment. The physical form of structures begins to shift from commercial to residential character with flexibility in use, taking on a more service-oriented character for surrounding neighborhoods. The horizontal and vertical mixed use allows retail, commercial, office and residential uses on all floors. Live/work housing, personal services and small offices are strongly evident in this district. Buildings are spaced closely, but are separated by setbacks.

Primary and Secondary Streets: Developments that face **primary streets** have specific regulations pertaining to the relationship between the building and the street. The designated **primary streets** in the downtown districts are: Central Avenue, SW A Street, SW 8th Street, and S. Main Street. All other streets in the downtown districts shall be considered **secondary streets**.

Minimum Height Required: No minimum

Maximum Height Allowed: 50 feet

Lot and Area Standards:

District	Building type	Lot area		Min. land area /dwelling unit (sq. ft.)	Lot width		Min. lot depth	Lot coverage	
		Min.	Max.		Min. lot width	Max. lot width		Min.	Max.
DE	All	None	None	-	None	None	-	None	80%

Setback Standards:

District	Building type	Front Yard		Side Yard		Rear			
		Min.	Max.	Min.	Max.	Adjacent to Residential		Adjacent to Non-residential	
						Min.	Max.	Min.	Max.
DE	Residential	-	20'	7'	-	12'	-	7'	-
	Nonresidential	-	0'	7'	-	12'	-	7'	-

Encroachment Standards:

BENTONVILLE CITY CTR NOISE ORDINANCE
226-240 S MAIN ST

January 11, 2021

Conditional Use Permit

**Re: Bentonville City Center
 240 and 226 S. Main St.
 Bentonville, AR
 LSD20-0026**

To whom it may concern:

On behalf of Nabholz Construction Company, will be performing construction activities at night as necessary to meet the attached construction schedule. This will include pouring cast-in-place concrete. The scale of the concrete pours will require late/early starts, and overnight work utilizing temporary lighting, concrete trucks, and other machinery. It is not feasible to limit construction activities to the times currently permitted due to the type and scale of construction. Their intended start date is February 8th and will continue throughout the following six months.

Nabholz intends to be the best neighbor we can be to those adjacent to the jobsite that may be affected by our activities and we will communicate those activities with those parties regularly.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Ryan Gill', is written over a green digital timestamp.

fax 479.464.7050

City of Bentonville Planning Commission
305 SW A St.; Bentonville, AR 72712
RE: Gateway North-Building 100
Conditional Use Permit Application

To Whom It May Concern,

Crossland Construction Company, Inc. will be performing the necessary construction activities as described in the attached contract plans. This will include placing large quantities of concrete for the slab on grab, tilt wall panels, and concrete paving for the loading dock area as well as the parking area. The scale of the concrete pours will require late/early starts, potentially overnight work utilizing temporary lighting, concrete trucks, and other machinery. It is not feasible to limit construction activities to the times currently permitted due to the type and scale of construction.

Although the construction activities for this project will require late nights and/or early mornings, we will take every possible step to limit the noise and light intrusions to nearby residents. Lighting will be directed away from residences, and all other activities will be performed as quietly as possible. Anticipated deliveries during these non-typical hours will be primarily concrete trucks with very occasional exceptions only if the need arises.

This project is located at 4700 SW Regional Airport Blvd and is zoned I-2. Concrete activities are expected to take place from February 2021 to May 2021.

Anticipated daily workforce is to be 50-100 persons and deliveries that would require variance from the sound ordinance would be limited to concrete delivery trucks, up to 6 per hour.

Crossland intends to be the best neighbor we can be to those adjacent to the jobsite that may be affected by our activities and we will communicate all activities with those parties involved.

Thank you for your consideration,

A handwritten signature in black ink, appearing to read "Ivy Crossland".

Ivy Crossland
Project Manager

CONDITIONAL USE
BELLE JOURNEE SPA
1732 SE MOBERLY LN STE 14

Between the years of 2014 and 2020 Belle Journee Spa has operated out of the same building, moving between office suites as business grew. There has been a code of compliance active during those years for each office suite used. The use of the space has been for spa services (ie. Massage, facials, body waxing, etc.) and the proposed use for the new office suite remains the same. Hours of operation will be Mondays, Tuesdays, Wednesdays, and Fridays from 10am to 8pm and Saturdays 11am to 6pm. This is subject to change as business grows. There will be no changes to the interior or exterior of the building or outdoor areas, and the only places that will be utilized will be the parking lot, the office suite, the one communal bathroom for the building, and the kitchenette. The average of clients per day is not expected to exceed 2, though as business grows that number is subject to change. Currently there is one employee, myself, working.

REZONING C-2 TO C-3
LAROSE DEVELOPMENT LLC
MICHAEL DILL PLAZA SUB LOT 1

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

C-3, Mixed-Use Commercial

The C-3 District is established for areas outside of downtown to provide an opportunity for people to live, work, meet, shop and utilize services within the vicinity of their residences. The C-3 district allows for a mix of neighborhood commercial and personal services, offices and medium density residential uses. Development in this district should be designed with an urban, walkable character that encourages physical activity, alternative transportation and greater social interaction to benefit the health and wellbeing of residents.

Maximum Height Allowed: 60 feet

Height Exception: Any structure exceeding the listed maximum height shall be set back an additional 1 foot for each foot in excess of the maximum height allowed for that district.

Lot and Area Standards:

District	Building type	Min. lot area (sq. ft.)	Min. land area / dwelling unit (sq. ft.)	Lot width		Max. lot coverage	
				Min. lot width	Max. lot width	Interior lot	Exterior lot
C-3	All	None	-	-	-	100%	100%

Minimum Setback Standards:

District	Front		Side		Rear	
	Parking in front	No parking in front	Adjacent to non-residential district	Adjacent to residential district	Adjacent to non-residential district	Adjacent to residential district
C-3	0'	0'	0'	10'	0'	0'

Sidewalk Setback: No building in the C-3 district, regardless of the location of the lot lines of the property on which it is to be built, shall be built closer than 8 ft. from the back of the curb line of any public street abutting the property on which the building is located. This spacing shall be maintained in order to provide adequate space for the required sidewalk to be built along that street frontage.

Canopy Standards: Canopies may project over the street right-of-way if they terminate no less than 2 ft. horizontally from the outside edge of the street curb and are no less than 8 ft. above the surface of a new or existing sidewalk.

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

**RE: Rezoning Parcel No. 01-05071-000 from C-2-General Commercial
to C-3-Mixed Use Commercial**

Dear Planning Staff:

This law firm has been hired to assist the applicant, Larose Development, LLC, in obtaining a rezoning of Parcel No. 01-05071-000 from C-2, General Commercial to C-3, Mixed Use Commercial, pursuant to a proposed sale to a developer.

The primary purpose for this rezoning request is to allow the developer a greater variety of uses for this parcel. Notably, C-2 largely does not allow residential uses, either conditionally or by right. The developer has requested C-3 so that it may build a mix of commercial and residential uses on this parcel, and help to create a sense of place along S. Walton Blvd. The development will create a "live, work play" environment, and will take advantage of the close proximity to the planned Eighth Street Gateway Park currently in development. The development is expected to be designed with contemporary/modern architecture. As for signage, the developer plans to construct a monument sign on Walton Blvd.

Because all adjacent properties have commercial zonings and uses, the requested zoning and proposed use are compatible with the parcel's surroundings. Moreover, this rezoning is expected to act as a continuation of the redevelopment occurring along this stretch of S. Walton Blvd. As for traffic, the parcel sits Highway 71B, which has should have ample capacity for further development. Lastly, as for utilities, there is an 8" water line and a 8" gravity sewer line currently serving the property which run along the Eastern diagonal of the parcel along Walton Blvd.

Thank you for considering this rezoning request. If you have any questions please feel free to contact me at 479-636-2168 or at wkellstrom@watkinslawoffice.com.

Sincerely,

WATKINS, BOYER,
GRAY & CURRY, PLLC

Will A. Kellstrom

NOTICE OF INTENT TO REZONE

LAROSE DEVELOPMENT, LLC has requested the Bentonville Planning Commission to set a public hearing date to consider rezoning the following property from **C-2, General Commercial** to **C-3, Central Commercial**. The legal description of the property is as follows:

**Lot 1 Michael-Dill Plaza, to the City of Bentonville, Benton County, Arkansas,
as shown on Plat record 13, Page 380.**

The common description of the property is: **1002 S. Walton Boulevard, Bentonville, Arkansas**

The public hearing will be held on March 2nd, 2021 at 4:00 p.m. It will be held at 305 SW A Street.

This notification is in response to the requirement that all property owners within 200 feet of said property must be notified. If you wish to express any comments about the requested rezoning, you may respond by the following methods:

1. Attend the public hearing and express your views.
2. Express your opinion in writing to the Planning Commission. You may mail this or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. (This may also be delivered or mailed to the above address.)

For more information, you may call the Planning Department at (479) 271-3122, Extension 2.

I/We have received notice of the public hearing for the rezoning of the above described property and:

I/we have no objections to the rezoning.

2221.0004

OR

I/we object to the rezoning because:

WE OBJECT TO THE C3 BECAUSE
ALL WALTON BLVD. FRONTAGE IS
C2.

C-3, Mixed- Use Commercial

Setback Illustration

Rezoning Narrative John Rollow Road

Current Zoning Designation: C-2, General Commercial

Proposed Zoning Designation: C-3, Mixed Use Commercial

Explanation: Newell Development proposes to rezone the following parcels located at SE John Rollow road:

01-08133-003 – 357 Vacant Lot

01-08133-002 – 356 Vacant Lot

01-08133-001 – 355 Vacant Lot

01-08133-000 – 326 Vacant Lot

in order to develop a real estate project in compliance with the C-3 development standards.

The current owner is Tailor Family Development, LLC (Mailing Address: 416 Oak Manor Circle, Springdale, AR 72764) who endeavors to sell the property. Newell Development will serve as the property developer.

Reason to Rezone: The rezone would allow for owners to build a mixed-use commercial/ residential development.

Statement of how the property will relate to surrounding properties: The development proposed will blend residential and commercial space on John Rollow Road, with close proximity to Northwest Medical Center as well as The Sam's Club and new Walmart Home Offices. Surrounding properties are zoned C-1, C-2 and I-1. Per the C-3 zoning code, the project will be "designed with an urban, walkable character that encourages physical activity, alternative transportation and greater social interaction".

Use: The development will offer both commercial and residential space in an established commercial area of town. The addition of residential units in this area could provide a new housing option for community members who desire to live close to their place of employment and take advantage of the mission of the C-3 zoning district which was "established for areas outside of downtown to provide an opportunity for people to live, work, meet, shop and utilize services within the vicinity of their residences".

Traffic: Ingress and egress to the development will be available on several sides of the property. With its proximity to the Greenway as well as multiple large employers in the area, the development will encourage bike and pedestrian traffic in addition to vehicular traffic.

Signage: None proposed at this time. Commercial spaces will follow city code for sign placement and approval upon tenant infill.

Appearance: The development will fit in form and scale of C-3 zoning regulations and the Bentonville LSD design standards.

Water/ Sewer/ Electric: On-Site

NOTICE OF INTENT TO REZONE

Newell Development has requested the Bentonville Planning

Commission to set a public hearing date to consider rezoning the following property from

C2- General Commercial to C3- Mixed Use Commercial

The legal description of the property is as follows:

Lot's 27, 28, 29 & 30 Mid Cities Crossing Subdivision to Bentonville, Benton County, AR as shown on Plat

Record Book & Page L201824183, recorded in the Benton County Clerk's Office, Bentonville, Arkansas.

The common description of the property is: SE John Rollow Road Vacant Parcels - 326, 355, 356, 357

Proposed land use: Mixed Use Development Project

The public hearing will be held March 2, 20 21 at 5:00 p.m. It will be held at 305 SW A Street.

This notification is in response to the requirement that all property owners within 200 feet of said property must be notified. If you wish to express any comments about the requested rezoning, you may respond by the following methods:

1. Attend the public hearing and express your views.
2. Express your opinion in writing to the Planning Commission. You may mail this or deliver it to the City of Bentonville Planning Department, 305 SW A Street, Bentonville, AR 72712.
3. Use the bottom of this form to express your opinion by checking the appropriate box. (This may also be delivered or mailed to the above address.)

For more information, you may call the Planning Department at (479)271-3122 extension 2.

I/We have received notice of the public hearing for the rezoning of the above described property and:

☒ I/we have no objections to the rezoning.

☐ I/we object to the rezoning because:

Rezoning Narrative 406 SW Glover

Current Zoning Designation: R2- Duplex & Patio Home Residential

Proposed Zoning Designation: DN2- Downtown Medium Density Residential

Explanation: Newell Development proposes to rezone the property at 406 SW Glover (Parcel # 01-02512-000) from R2 to DN2, in order to develop a future real estate project in compliance with DN2 development standards. The current owner is Wayne Alexander Trust (Mailing Address: PO Box 698 Pineville, MO 64856) who endeavors to sell the property to 404 GLV, LLC.

Reason to Rezone: The rezone would keep the zoning consistent across all properties in development (404 and 406 Glover) .

Statement of how the property will relate to surrounding properties: The adjacent property located at 404 SW Glover is zoned DN2, with additional zoning in the surrounding area being R1 and R2.

Use: The residential development will fit into the SW Downtown development plan.

Traffic: The additional units should not impact current traffic patterns.

Signage: None proposed at this time.

Appearance: Future development will fit in form and scale of all DN2 district standards as well as adhere to all City of Bentonville development and design requirements.

Water/ Sewer/ Electric: On-Site

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

DN-2, Downtown Medium Density Residential

The intent of the DN-2 district is to allow for an increased single-family density through small lot widths where alleys and infrastructure support such development, and where small-lot single-family development provides an appropriate transition between large-lot residential areas and those of higher density. In some instances, such as the end of blocks, townhouses may be appropriate in this district.

Building Types Allowed:

District	Single-family	Two-family	Townhouse		Multi-family		Mixed-use
			Block-end	Mid-block	Block-end	Mid-block	
DN-2	•	•	•				

Maximum Height Allowed:

District	Single-family	Two-family	Townhouse	Multi-family	Mixed-use
DN-2	36 ft.	36 ft.	36 ft.	--	--

Lot and Area Standards:

District	Building type	Min. Lot Area (sq. ft.)	Min. Land Area / Dwelling Unit (sq. ft.)	Lot Width		Max. Lot Coverage	
				Min. Lot Width	Max. Lot Width	Interior lot	Exterior lot
DN-2	Single-family, alley access	4,000	-	40'	-	50%	55%
	Single-family, no alley access	5,000	-	50'	-	50%	55%
	Single-family attached unit	2,000	-	20'		-	-
	Single-family attached structure, alley access	4,000	-	40'	-	50%	55%
	Single-family attached structure, no alley access	5,000	-	50'	-	50%	55%
	Two-family, alley access	4,000	-	40'	-	50%	55%
	Two-family, no alley access	5,000	-	50'	-	50%	55%
	Townhouse unit	2,000	-	20'	-	-	-
	Townhouse structure	7,500	2,500	75'	-	60%	65%

Minimum Setback Standards:

District	Building type	Front Yard		Side Yard				Rear Yard
				Exterior Side Yard		Interior Side Yard		
		Min.	Max.	Min.	Max.	Detached Yard	Attached Yard	
DN-2	Single-family and Two-family	12'	25'	12'	25'	7'	0'	25'
	Townhouse block-end and all others not listed	12'	25'	12'	25'	10'	0'	25'

Residential Tree Planting:

For newly constructed single and two-family residential structures: 1 shade tree planted in each yard adjacent to roadway and 1 shade tree planted in each right-of-way adjacent to roadway.

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

DN-2, Downtown Medium Density Residential

Garage Setback Standards (generally for DN districts – additional requirements may apply):

Prohibited in front yards. Garages, parking lots or designated parking spaces are prohibited in the front yard and corner side yard.

Attached garages. Garages may be attached to the primary structure. However, if the garage is attached, it must be located and oriented in such a way that it does not protrude from the side façade of the primary building in order to be visible from the public street.

Detached garages. Detached garages shall be located to the rear of the primary structure.

Corner lot. On a corner lot, the garage shall not be located closer than 20' to the corner side lot line in order to allow for outdoor vehicular parking entirely on the lot.

Detached garages. Detached garages must be separated from the primary structure by a minimum of 10'.

Garages with alley access. Garages with alley access must be setback 8' from the alley.

Accessory Structures & Uses: (i.e. garages, storage sheds, separate dwelling units)

	Detached Non-residential	Detached Accessory Dwelling	Attached Accessory Dwelling
% of floor area of primary structure	40%	50%	50%
Maximum footprint	720 sq. ft.	720 sq. ft.	-
Front setback	As required by the district	As required by the district	As required by the district
Side setback	7'	7'	As required by the district
Rear setback	7'	7'	As required by the district

On corner lots: Structure shall not project beyond the building line of the primary structure of existing primary structure on the adjacent lot

Land Uses:

ALLOWED BY RIGHT	CONDITIONAL	ACCESSORY

LSD21-0004
LARGE SCALE DEVELOPMENT
CULVERS
1003 S WALTON BLVD

Letter of Waiver for; Sec 1100.21 Large-Scale Development Design Standards (e)
Building Materials, for the New Culver's restaurant, located in the 1002 block of S.
Walton Blvd.

The owner of the Culver's restaurant would like to receive a waiver for the building material of Hardie Plank Cement board. (Sec 1100.21 Large-Scale Development Design Standards (e) Building Materials)

Culver's has a design standard that uses either a medium finish stucco, painted, with stone pilasters and base or a pre colored Hardie Plank board with the stone base and pilasters. The Hardie Plank is not the main feature of the building but is one of the main finish materials on two sides of the building due to length. The front of the building facing the road, has the least amount of Hardie Plank, (as shown in the elevations) at 13.7% of the face, with stone 66.1% and glass 11.1% making up the majority of the face.

The main features of a Culver's are the towers and blue awning, which catches the eye for the customer, whereas the Hardie Plank plays a support role in giving the sense of being in the upper mid-west of the nation. In all instances of the locations of the Hardie Plank on the building there are awnings covering vast sections of the Hardie Plank, (see Building Elevations).

Since the current use of the land is concrete slab of an old car dealership, we believe that the new look of the Culver's restaurant would improve this area of the boulevard. We believe that the strict non-use of Hardie Plank would affect the branding recognition of the Culver's concept, and further believe that the use of the Hardie Plank over the stucco would give the new building a cleaner aesthetic.

We also believe if the city allows the waiver, in this area, it will soften the over harshness of the all brick building style along the boulevard, add a sense of appeal to bring people of the city to the area further causing more expansion and new building growth, therefore not conflicting with the cities goal of revitalizing the area.

Granting this waiver in building material will not adversely affect public health in the area, nor would it be a danger to other buildings in the area or properties.

Finally, in granting this waiver will not affect, negatively, an orderly subdivision of the neighboring property, and may in fact determine a standard or professionalism, in the building standards for design in this area.

Robert Gifford

Project Manager for MRP Design

RE: Benton County Road Department Shop Building – Waiver Request

Dear Bentonville Planning Commission Members:

This letter is a formal request for a waiver for the Bentonville commercial design standards regarding the exterior material requirements for our planned expansion of an existing shop building at our Road Department located at 1210 SW 14TH Street. The property currently has an agricultural zoning designation. The waiver is specifically to allow the 26'-8"x 60' expansion to be constructed using similar materials to match the existing building that is being added on to which can be seen in the attached photo. The proposed materials for the expansion will compliment the existing building and provide a more affordable and constructible finish for this type of structure. All other design standards have been met and we feel that these improvements will provide a much more aesthetically pleasing view compared to the current site.

Thank you,

A handwritten signature in blue ink, appearing to read "J. Beam", is written over the "Thank you," text.

Josh Beam, PE
Chief Engineer
