**I. Call to Order
II. Old Business**

- 1. Article 500 Amendments** **Ordinance***
- 2. Zoning and Land Development Code Update** **Ordinance***
- 3. Donation Boxes** **Ordinance***
- 4. Table at the Station** **Conditional Use Permit***
Amendment to Approved CUP
409 SE 6th Street ([CU19-0014](#))
 - An amendment to the previously approved Conditional Use Permit for Table at the Station. The intent of the original conditional use was for the existing restaurant and temporary gravel parking to remain, while the applicant designed and constructed a building addition and converted the existing gravel parking to hard surface parking. The project was approved in January of 2020 for one year. The applicant amended their Conditional Use Permit to allow for phasing in July of 2020.
 - The applicant has submitted a revised phasing plan exempting certain items from Phase 1 of the development. If the phasing plan and amended Conditional Use Permit are approved, the applicant can complete and final Phase 1 of the project.
 - The conditions of approval for the Conditional Use Permit from July of 2020 include a provision that the temporary gravel parking area would be allowed for one year following the completion of the restaurant addition.
- 5. Table at the Station** **Large Scale Development**
409 SE 6th Street ([LSD20-0040](#))
 - Currently zoned DN-4, Downtown Mixed-Use Residential.
 - An amendment to a previously approved Large Scale Development for Table at the Station.
 - The applicant has submitted a revised phasing plan for review by the Planning Commission and staff.

To see a full list of all pending Planning Commission items, please visit: <https://arcg.is/08HvK8>

6. Dollar Tree

Large-Scale Development

2900 SW 14th Street ([LSD21-0024](#))

- The subject property is currently zoned C-2, General Commercial.
- A large-scale development proposing the construction of a Dollar Tree retail store. The building is approximately 10,000 square feet.
- The development provides a total of forty parking spaces.
- The development provides landscaping in accordance with the requirements of the Land Development Code.
- The primary materials on the exterior of the building include 24-gauge architectural metal panels and split-faced CMU.

III. New Business

1. 1003 North Main Street, LLC

Rezoning*

R-1, Low-Density Single-Family Residential to DN-2, Downtown Medium-Density Residential

1003 North Main Street ([RZ21-0071](#))

- Currently zoned R-1, Low Density Single-Family Residential.
- Adjacent zoning districts are R-1, Low Density Single-Family Residential to the northeast and west, and R-3, Medium-High Density Multifamily Residential to the south.
- The Future Land Use Plan currently depicts this property as Medium Density Residential. These areas include townhouse or duplex residential properties with a typical density of 8-12 units per acre. These areas are found both near Downtown and in some recent growth areas. These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.
- At the time of writing these Tech Review Notes, staff has not received public comments.

2. Westwood Development Lot B, LLC

Future Land Use Map Amendment*

2a. Low Density Residential to Mixed-Use Commercial

801-809 SW 3rd Street ([RZ21-0072](#))

- The Future Land Use Plan currently depicts this property as Low Density Residential. The applicant requests a change in the Future Land Use Plan to Mixed-Use Commercial. These areas include uses that provide goods and services to nearby residents. Local retail, day-to-day services, and small offices are appropriate in these areas. Vertical mixed-use developments are encouraged in mixed-use commercial areas, with upper floors including offices, services, or residential uses. Parking may be more prominent in these areas than in Downtown commercial areas but should be sited and designed to not be detrimental to the character of the area.

2b. R-1, Low Density Single Family Residential and R-3, Medium-High Density Multifamily Residential to C-3, Mixed-Use Commercial **Rezoning***

801-809 SW 3rd Street ([RZ21-0072](#))

- Currently zoned R-1, Low Density Single Family Residential and R-3, Medium-High Density Multifamily Residential.
- Adjacent zoning districts are R-1, Low Density Single Family Residential to the north, east, and west, and C-3, Mixed-Use Commercial to the south.
- At the time of writing this staff report, staff [has/has not] received public comment on this item.

3. Walmart Store 100 Drone-Up Building **Conditional Use Extension***
Long-Term Temporary Uses or Structures

406 S Walton Boulevard ([CU21-0022](#))

- Currently zoned C-2, General Commercial. Long-term temporary uses or structures require a Conditional Use Permit and shall only be allowed in a non-residential zoning district.
- According to the applicant's narrative, they intend to construct a modular structure for drone delivery.
- The site would be accessed through the Walmart parking lot on S Walton Boulevard.
- No new parking lot lighting is being proposed.
- The hours of operation will be 9 AM – 5 PM, 5 days a week. The facility anticipates the need for 9-15 employees to operate the DroneUp facility.
- Staff recommends the use be allowed for one year, at which time the need for the temporary use shall be reassessed.

4. Lots 1 and 2 of Gerber Subdivision **Lot Split**
SW 14th Street ([LS21-0053](#))

- The property is currently zoned C-1, Neighborhood Commercial, and C-2, General Commercial.
- A lot split of previously unplatted land, creating new Lot 1 (+/- 2.32 acres) and Lot 2 (+/-31.27 acres), of Gerber Subdivision.
- The plat dedicates a shared public access easement between new Lots 1 & 2.

5. Lot 39, Block J of Orchard Addition **Lot Split**
527 SE 6th Street ([LS21-0054](#))

- The property is currently zoned DE, Downtown Edge.
- A lot split of part of existing Lots 12 and 13, creating new Lot 39 (+/- 2.53 acres), Block J of Orchards Addition.
- The plat dedicates right-of-way along SE 6th Street per the Master Street Plan requirements.
- All outstanding department comments shall be addressed on or before October 29th at noon to proceed to Planning Commission on November 2nd.

- 6. Lots 56 and 57 of Whiteoak Trails Subdivision** **Property Line Adjustment**
208 and 210 SW Highlands Road ([PLA21-0041](#))
- The property is currently zoned R-1, Low Density Single-Family Residential.
 - A property line adjustment of existing Lots 2 and 3, creating new Lot 56 (+/- 2.53 acres) and Lot 57 (+/- 0.74 acres) of Whiteoak Trails Subdivision Phase 2.
 - The plat dedicates right-of-way along SW 2nd Street per the Master Street Plan requirements.
 - All outstanding department comments shall be addressed on or before October 29th at noon to proceed to Planning Commission on November 2nd.
- 7. Gator District Subdivision** **Preliminary Plat**
SW Gator Blvd. & SW Dundee Drive ([PP21-0005](#))
- Currently zoned R-1, Low Density Single-Family Residential and C-1, Neighborhood Commercial.
 - A preliminary plat proposing the development of a 59-lot single-family subdivision with two common area lots. The preliminary plat proposes street improvements to SW Gator Boulevard per the Master Street Plan and cross-connection to SW Dundee to the north with a future cross-connection stub to the east.
 - The plat includes a portion of the neighborhood trail section that will traverse the new subdivision from north to south and east to west.
 - Sidewalks, landscaping, grading/drainage, and cross-connection are in accordance with the requirements of the Land Development Code.
 - One Waiver requested: Stormwater Management and Drainage Manual - Section VIII per Sec. 8.4.1, *“the maximum elevation of the hydraulic gradient is two feet (2’) below the ground surface” for the design storm event (10-year)*. Please refer to the applicant’s narrative for additional information regarding this waiver request to these requirements.
 - All non-bondable items and guarantees of improvements must be complete, and a final inspection performed and approved, before final platting.
 - At the time of this report, all City of Bentonville reviewing departments have “Approved” statuses. This Preliminary Plat can proceed to Planning Commission on November 2nd.
- 8. Glen Arbor Subdivision** **Final Plat**
Featherston Road and Glen Road ([FP21-0006](#))
- Zoned PRD, Planned Residential Development.
 - The subdivision consists of 137 total lots. One-hundred nineteen (119) are single-family residential lots and 18 lots will be utilized as common lots.
 - The applicant must dedicate all private access easements before this plat can be filed with the County. Are they public or private alleys built to what spec?
 - All non-bondable items and guarantees of improvements must be complete and a final inspection performed and approved before Planning Commission approval.
 - At the time of this report, all City of Bentonville reviewing departments have “Approved” statuses. This Preliminary Plat can proceed to Planning Commission on November 2nd.

**9. 3302 SE L Street
Parking Count**

Waiver

3302 SE L Street [\(WAV21-0022\)](#)

- The applicant requests a waiver from Article 501, Section 501.06(f), which requires 3 off-street parking spaces for each two dwelling units, or 1.5 spaces per dwelling unit.
- Per the applicant's narrative, the applicant proposes 66 parking spaces, which is a ratio of 1.3 spaces per dwelling unit. By ordinance, the applicant would be required to provide 77 parking spaces. A wavier request of 11 parking spaces.
- After the previous waiver request, the applicant has reduced the overall unit count by 4 and added 8 on site parking spaces.
- The applicant cites a parking study that they completed . Please see the attached narrative fro more information regarding this wavier request.

ORDINANCE STAFF REPORT

Final Plat Regulation Amendments

PC Date: 11/2/2021

Reviewer: Tyler Overstreet, AICP, Planning Services Manager

Type	Amendment
Code Impacted	Land Development Code
Section(s)	Article 500, Final Plats

<http://www.bentonvillear.com/198/Code-Amendments>

Issue

Current City of Bentonville ordinance and policy requires a final plat to be filed prior to the issuance of any building permits, except for a single model home permit. Section 500.07, Application for Building Permit currently states: “No building permits may be issued until proof of the recording of the approved final plat has been presented to the appropriate City department, with the exception of model homes as provided for in Section 400.08.” At the Planning Commission and City Council Joint Work Session on April 12, 2021, there was significant discussion on the time from pre-design and application to site and building Certificate of Occupancy on preliminary plats. Based upon these discussions, staff found that the average time to site completion on a preliminary plat was 633 days.

Planning Commission granted waiver requests on two separate projects, Been Road Villas (LSD20-0033) and Glen Arbor (PP19-0005), on May 18, 2021 and June 15, 2021, to allow for structures to be issued building permits prior to Final Plat acceptance and filing.

Research

Staff from the Planning, Engineering, Water/Sewer, Electric, Building and Fire Safety, and Mayor’s Departments met on April 30, 2021 to discuss the prospects of “design-build” subdivisions. Design-Build Subdivisions were conceptualized as subdivisions where the developer of the site and the builder of homes are one and the same entity. The initial thought process was that staff could permit this unique situation similar to a Large Scale Development. Design-build subdivisions were concerning for two primary reasons:

1. Potential conflicts between site development work and building construction work, and conflicts between site and building inspections.
2. The benefits of a design-build subdivision ordinance would only be afforded to developers who are also builders. A streamlined process should be available to all who develop in the City of Bentonville.

Staff reconvened on July 7, 2021 to investigate ways to streamline the preliminary and final platting processes. The discussions resulted in a revised process and ordinance.

ORDINANCE STAFF REPORT

Proposal

It is critical to increase the number of homes available for purchase or rent in the City of Bentonville. Increased density and supply can help support housing affordability (Bentonville Community Plan, p. 55). The changes summarized below could save approximately 45 days in the permitting process, as applicants will no longer be pressed to file the final plat before permit issuance.

Staff recommend revising the final plat process as follows:

- Applications for final plats may only be accepted after submission of a Certificate of Completion and a final inspection is performed and approved.
- Building permits may be issued after final inspection approval as opposed to after final plat filing.

Recommendation

Staff recommends approval of the proposed ordinance.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING BENTONVILLE MUNICIPAL CODE
APPENDIX B LAND DEVELOPMENT CODE TO AMEND THE FINAL
PLAT PROCESS**

WHEREAS, Bentonville City Council wishes to promote a streamlined development process and additional housing opportunities; and,

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY
OF BENTONVILLE, ARKANSAS:**

Section 1. That the Bentonville Municipal Code, *Appendix B Land Development Code* should be and the same is hereby amended with the following *Attachment A: Article 500, Final Plats*, an electronic copy and paper copy of which is on file with the City Clerk, is hereby referred to, adopted and made a part hereof as though it were copied herein fully.

Section 2. That this ordinance shall be in full force and effect 30 days from the date of its passage and approval.

PASSED and APPROVED this ____ day of _____, 2021.

APPROVED:

Mayor Stephanie Orman

ATTEST:

City Clerk

Attachment A
Article 500, Final Plats Amendments

Underlined red text to be added. Red strikethrough text to be removed.

Sec 500.01 Applicability Of Final Plat Regulations

An application for final plat approval may be submitted for planning commission approval when one of the following requirements are met:

1. *Improvements complete.* The Final Plat of the proposed subdivision or an approved phase shall be submitted to the Planning Commission for final approval at time of completion of improvements shown on preliminary plat. Applications for final plat approval will only be accepted after completion of the following:
 1. *Certificate of completion.* The owner/developer's engineer of record submits a statement certifying that all improvements and installations to the subdivision required for its approval under the terms of these regulations have been made, added, or installed in accordance with city specifications.
 2. *Final inspection.* The City Engineer conducts and certifies a Final Inspection.
2. *Improvements substantially complete.* When the subdivision is substantially complete, as provided for in Section 500.07, Criteria for Substantial Completion, the owner/developer shall guarantee completion of the remaining items, as provided for in Section 500.08, Criteria for Guarantees, in accordance with Section 300.09, Guarantees.

Sec 500.02 Application For Final Plat Approval

When the requirements of these regulations have been satisfied and ~~while the Preliminary Plat Approval is~~ after approval of a final inspection as outlined in ~~effect~~ Section 500.05, the owner/developer may submit to the Planning Commission an Application for Review and Approval of the Final Plat. The owner/developer shall submit an application in accordance with current planning department policies and procedures which shall consist of:

1. *Application.* A completed application requesting review and approval of the Final Plat.
2. *Plat.* The Final Plat in the number of prints as indicated on the application form, with all items required for a final plat as provided for in Article 900 Plat and Plan Requirements, and other documents as specified in the application packet.
3. *Fee.* Payment of the filing fee as specified in final plat application packet.
4. *Digital copy.* The owner/developer must submit with an application for final plat approval, the proposed final plat in digital form with all information in AutoCAD. Information shall include property boundary, lot lines, easements, building setbacks, rights-of-way, street widths, pre-addresses, street names, arc radius, arc distance, etc. Line and curve data shall have bearing and distance chords. Questions concerning this requirement may be directed to the Planning Department.
5. *Donated assets.* Approved estimate of donated assets, broken down by improvement type (streets, water, electric, sewer, drainage, and sidewalks), as prepared by the engineer-of-record.

Sec 500.07 Application For Building Permit

Applicants for building permits may be accepted and issued after final inspection approval. There shall be no Certificate of Occupancy issued for any home until proof of the recording of the approved final plat has been presented to per the appropriate City Department, with the exception requirements of model home permits as provided for in Section 400.08 500.06.

DRAFT

ORDINANCE STAFF REPORT

Code Update - 2021

Original PC Date: 10/5/2021

2nd PC Date: 11/02/2021

Reviewer: Shelli Kerr, AICP, Comprehensive Planning Mngr

Type	Amendment
Code Impacted	Zoning Code & Land Development Code
Section(s)	Zoning Article 201 Definitions

<http://www.bentonvillear.com/198/Code-Amendments>

Proposal History

Staff presented the proposed code amendments to Planning Commission on Tuesday, Oct. 5, 2021. Planning Commission tabled the item and requested staff to provide a map showing the location of current C-2 zoning to assist in making a decision regarding the proposal to add multifamily and condominiums as an allowed use in C2. They also requested staff to provide the definitions and allowed zoning districts for *convenience store* and *retail*. Staff presented the requested information to Planning Commission at the Oct. 12 Technical Review Meeting.

The proposal regarding C-2 zoning remains as originally presented on Oct. 5. Several amendments regarding convenience store and retail uses have been added to the original proposal. Please see the attached *Staff Report Addendum: Summary Report for Proposed Amendments for convenience store and Retail Use* for details on these additions

Orange text are the items added or changed since the original Planning Commission meeting.

Issue

From time to time, staff reviews the existing development code for clarification, corrections, or updates to meet current conditions. The following outline is a summary of the key issues and the recommended changes. Staff requests approval of the proposed ordinance to Appendix A Zoning Code and Appendix B Land Development Code. * = Code Diagnostic Recommendation

Appendix A ZONING CODE

A. Sec. 201.02 Definitions

Att. A, pg. 1-4

The following definitions are proposed for amendment.

- (1) *Alley* - consistency between both codes. *
- (2) *Alternative Tower Structure* – remove to eliminate confusion with wireless communication tower.
- (3) *Auto and Vehicle Sale and Rental* to amend from *mobile home* to *manufactured home*.
- (4) *Basement* - consistency with Building Code.
- (5) *Buffer* - eliminate regulatory language. *
- (6) *Building* - consistency with Building Code.

ORDINANCE STAFF REPORT

- (7) *Child care* - consistency with the state and federal regulations. *
- (8) *Convenience store* – Eliminate for consistency with retail uses. (See Staff Report Addendum)
- (9) *Dwelling, Manufactured* - consistency with state and federal regulations. *
- (10) *Dwelling, Modular* - consistency with state and federal regulations. *
- (11) *Easement* - consistency between both codes. *
- (12) *Garage, private* - differentiate it from a service garage.
- (13) *Home occupation* – consistency with state regulations for home-based work. *
- (14) *Lot, corner* - consistency between both codes. *
- (15) *Medical Services, Hospital* – add abortion clinics for consistency with state statutes.
- (16) *Mini-warehouse storage* – clarify that it includes a self-storage facility.
- (17) *Mobile home* - consistency with state and federal regulations.
- (18) *Office, large scale* – remove definition to have only one definition of office that is not based on size.
- (19) *Office, small scale* – remove “small scale” from title and remove the maximum size requirement.
- (20) *Open space* - consistency between both codes. *
- (21) *Packaged liquor store* – remove reference to “convenience store.” (See Staff Report Addendum)
- (22) *Packaged sale of beer and/or light wine* – add new definition. (See Staff Report Addendum)
- (23) *Packaged sale of beer, light wine and/or spirits* – add new definition. (See Staff Report Addendum)
- (24) *Private garage* – eliminate regulatory language. *
- (25) *Reclassification* - align with rezoning regulations.
- (26) *Retail, large scale* – remove definition to have only one definition for retail that is not based on size.
- (27) *Retail, small scale* – remove “small scale” from title and remove maximum size requirement.
- (28) *Street* - consistency between both codes. *
- (29) *Setback* - consistency between both codes. *
- (30) *Story* - eliminate since it is not used in the code.
- (31) *Street* – consistency between both codes.
- (32) *Structure* - consistency with Building Code.
- (33) *Wireless communications facility, small cell* - add to accommodate new technology. *
- (34) *Yard* - consistency between both codes. *
- (35) *Yard, front* - consistency between both codes. *
- (36) *Yard, rear* - consistency between both codes. *
- (37) *Yard, side* - consistency between both codes. *

B. Sec. 401.02 Classification of Districts

Att. A, Pg. 5

- (a) *C-3 Central Commercial* - correction to C-3, Mixed-Use Commercial

ORDINANCE STAFF REPORT

C. Sec. 401.05 Table of Uses

Att. A, pg. 5

- (a) *Child care* - revise for consistency with state and federal regulations. *
- (b) *Convenience store* – remove all categories of convenience store. (See Staff Report Addendum)
- (c) *Packaged sale of beer and/or wine* – add as a use and allow by right in C1, C2 and C3, and conditional use in DC, DN3 and DN4. This is the same as what is currently allowed for a convenience store that sells beer and light wine, except now requiring a conditional use in DN4.
- (d) *Packaged sale of liquor* – add as a use and allow by right in C2 and C3 and require a conditional use in C1 and DN4. This is similar to a convenience store that sells liquor, except requiring a conditional use in C1 and DN4.
- (e) *Multifamily residential and condominiums* – add as an allowed use in the C-2 district.
- (f) *Retail and Office* – eliminate the 4,000 square foot size limitations.

D. Sec. 401.07-B Downtown Neighborhood (DN) districts regulations & Sec. 401.08-B Downtown (D) districts regulations

Att. A, pg. 6

- (a) DN-1 lot size – reduce lot area from 6,000 sq. ft. to 5,000 sq. ft. and lot width from 60' to 50' to allow for smaller, single family downtown lots.

E. Sec. 401.10 PUD, Planned Unit Development

Att A, pg. 6

- (a) Eliminate the minimum area requirement for PUD districts. Currently requires 10 acres.

F. Article 601 Use Regulations

Att. A, pg. 7-8

- (a) *Child Care* (601.07) for consistency with state regulations.
- (b) *Outdoor and Mobile Food Vendors* (601.16) allowing for outdoor vendors in city parks upon authorization by the Parks and Recreation Director.
- (c) *Wireless Communication Facilities* (601.27) – eliminate Subsection (d)(4) regarding leasing space on water towers, which is not allowed.

G. Article 801 Signs

Att. A, pg. 8-9

- (a) Clarify language for “property under construction” vs. “subdivision under construction.”
- (b) Allow walls signs for non-residential uses in the R-O, Residential Office district.

APPENDIX B LAND DEVELOPMENT CODE

H. Sec. 200.01 Definitions

Att. B, pg. 1-2

The following definitions are proposed for amendment.

- (a) *Access* - consistency between both codes. *
- (b) *Alley* - consistency between both codes. *
- (c) *Basement* - consistency with the Building Code.
- (d) *Building* - add for consistency with the Building Code.
- (e) *Buffer, perimeter landscape* – eliminate since it is explained in the regulations
- (f) *Lot, reverse frontage* – eliminate since it is not used in the code.

ORDINANCE STAFF REPORT

- (g) *Manufactured home* - consistency with state and federal regulations.*
- (h) *Manufactured home park* - consistency with the state and federal regulations. *
- (i) *Open space* - consistency between both codes.*
- (j) *Setback* - consistency between both codes.*
- (k) *Structure* - consistency with Building Code.
- (l) *Variance* - consistency between both codes. *
- (m) *Yard* - consistency between both codes. *
- (n) *Yard, front* - consistency between both codes. *
- (o) *Yard, rear* - consistency between both codes. *
- (p) *Yard, side* - consistency between both codes. *

I. Sec. 300.04 Waivers

Att. B, pg. 3

- *Review criteria* – revise to change from a negative to a positive. *

J. Sec. 500.06 Recording

Att. B, pg. 3

- *Copies of final plat* – change from 10 to 1.

K. Sec. 900.02 Items to be Shown on Plat or Plan

Att. B, pg. 4

- When a project is to be phased, a phasing plan is required at the time of large scale development submittal.

L. Sec. 1100.22 Downtown Neighborhood (DN) Districts Design Standards

Att. B, pg. 4

- *Parking* – remove statement that garages, parking lots or designated parking spaces are prohibited in a corner side yard. This conflicts with (d)(2)(a) that establishes the setback for a corner side yard garage.

M. Sec. 1100.23 Downtown (D) Districts Design Standards

Att. B, pg. 4

- *Parking* – require that the residential garage and parking requirements of the DN districts also apply to residential uses in the DC and DE districts.

N. Sec. 1100.24 Bentonville Municipal Airport Design Standards.

Att. B, pg. 5

- *Architectural approval* - require Airport Advisory Board approval of building materials and colors.

ORDINANCE STAFF REPORT

STAFF REPORT ADDENDUM

Summary Report for Proposed Amendments for Convenience Store and Retail Use

Current Regulations as Proposed:

Sec. 201.02 Definitions of Terms and Uses

Convenience Store: A retail commercial establishment, ~~not exceeding 2,500 square feet in gross floor area,~~ supplying a limited range of food items, magazines, toiletries, and tobacco products to meet the day-to-day needs of residents in the immediate neighborhood.

Retail, ~~Large Scale~~: A retail store ~~with a gross floor area of more than 4,000 square feet~~ for the sale of general merchandise or food. Typical general merchandise includes clothing and other apparel, equipment for hobbies and sports, gifts, flowers and household plants, dry goods, toys, furniture, antiques, books and stationery, pets, auto parts and accessories, and similar consumer goods. The term "food store" includes a grocery, delicatessen, and convenience and specialty foods stores. This use does not include other uses in this article that are specifically listed.

Packaged Liquor Store: A retail establishment with the primary purpose of selling beer, light wine and spirits for off-site consumption. This definition does not include a convenience store when the sale of beer, light wine and/or spirits for off-site consumption is not the primary retail product.

ORDINANCE STAFF REPORT

STAFF REPORT ADDENDUM

Sec 601.29 Alcohol Sales

(a) General provisions.

- (1) *Applicability.* The definitions, terms and provisions of A.C.A. Title 3 (A.C.A. § 3-1-101 et seq.) relating to beer, wine and liquors are hereby adopted and made a part of this article. Applicants for and holders of permits and other persons shall conform to the regulations set forth in A.C.A. Title 3 (A.C.A. § 3-1-101 et seq.) and to the provisions of this article. Violations of the state laws adopted by this section shall subject the offender, upon conviction, to the penalties prescribed by state law.
- (2) *Permit required.* It shall be unlawful for any person to engage in the business of manufacturing, transporting, storing, handling, receiving, distributing, selling, or dispensing, either at wholesale or retail, any controlled beverage, within the City of Bentonville without the appropriate permit issued by the Division of Alcoholic Beverage Control of the State of Arkansas.
- (3) *Exception.* The provisions of this article shall not apply to the home manufacture of wines or beer for personal use by residents of the City of Bentonville and not for sale or distribution outside of the home.

(b) Establishment types.

- (1) *Wholesale manufacture and/or distribution.* The wholesale manufacture and/or distribution of intoxicating liquors to include alcoholic beverages of every kind and type shall be allowed by right in the zoning districts as set forth in the Table of Uses in Article 401 Zoning Regulations, subject to the following additional provision:
 - a. Any business that manufactures and/or distributes intoxicating liquors to include alcoholic beverages of every kind and type, that is located within 500 feet of any city owned and maintained park or trail, measured from the nearest point of the park or trail to the nearest point of the building to be permitted, shall not be entitled to so operate unless it first obtains a Conditional Use Permit.
- (2) *Microbrewery—Restaurant.* A microbrewery-restaurant as defined by the Division of Alcoholic Beverage Control of the State of Arkansas, shall be allowed in the zoning districts as set forth in the Table of Uses in Article 401 Zoning Regulations.
- (3) *Packaged Retail Sales.*
 - a. *Beer and Light Wine—Districts Permitted.* The packaged retail sales of beer and/or light wine of every kind and type for consumption off the premises shall be allowed in the zoning districts as set forth in the Table of Uses in Article 401 Zoning Regulations, subject to the conditional use provisions as outlined below in Subsection (c). Conditions for Use.
 - b. *Beer, Wine and Spirits—Districts Permitted.* The packaged retail sales of intoxicating liquors to include alcoholic beverages of every kind and type for consumption off the premises shall be allowed in the zoning districts as set forth in the Table of Uses in Article 401 Zoning Regulations, subject to the conditional use provisions as outlined below in Subsection (c). Conditions for Use.

(c) Conditions for use.

- (1) Any business that sells at retail, beer and/or light wine of every kind and type and/or packaged intoxicating liquors to include alcoholic beverages of every kind and type for consumption off the premises that is located within 500 feet of any city owned and maintained park or trail, measured from the nearest point of the park or trail to the nearest point of the building to be permitted, shall not be entitled to so operate unless it first obtains a Conditional Use Permit.
- (2) Drive-up windows are prohibited.
- (3) It shall be unlawful to sell, offer for sale, or give away, at wholesale or retail for consumption off the premises, beer and/or light wine of every kind and type and/or packaged intoxicating liquors to include alcoholic beverages of every kind and type before the hour of 7:00 a.m. and after the hour of 10:00 p.m.

ORDINANCE STAFF REPORT

STAFF REPORT ADDENDUM

ANALYSIS

- *Convenience store* and *Retail* are both allowed in C1, C2, C3 and DC.
- *Convenience store* is not allowed in DE and I1 while *Retail* is.
- *Convenience store* is not allowed in DN3 or DN4, but *Retail* is with a conditional use in DN3 and as an accessory use in DN4.
- *Convenience store* is allowed as a conditional use in R-C3, but *Retail* is not.
- *Retail* is allowed as an accessory use in DN4 and a conditional use in DN3, but a *Convenience store* is not. However, a *Convenience store that sells beer or light wine* has the same allowances in DN3 and DN4 as *Retail*.
- The definition of *Retail* includes a *Convenience store*. The definition of a *Convenience store* refers to a smaller selection of merchandise used primarily for day-to-day needs, compared to a larger selection of merchandise defined in *Retail*.
- Convenience stores that sell beer and/or wine and those that sell beer, wine and liquor and adjacency next to a city trail brings an additional issue to the discussion. In the Table of Uses, the sale of alcoholic beverages appears to specifically apply only to *Convenience stores* and *Package liquor stores*, but not to *Retail*.
- *Package liquor store* is defined separately as alcoholic beverages being the primary product.

RECOMMENDATION

- A convenience store is essentially a smaller format of retail and should be treated equally as similar retail uses. *Recommendation*: Remove the definition and land use category of *Convenience store*.
- The regulations regarding location next to a city trail are already in Sec. 601.29 Alcohol Sales of the Use Regulations. Furthermore, there are other spacing requirements within the code that are not specifically listed in the Table of Uses. *Recommendation*: Remove from the Table of Uses the *Convenience store* and *Package liquor store* categories that reference adjacency to a city trail or park and let Use Regulations in Sec. 601.29 prevail.
- Since other retail establishments besides convenience stores, such as grocery stores, sell alcoholic beverages as part of their retail sales, the packaged alcohol sale regulations should not be limited to convenience stores. *Recommendation*: Establish and define two new categories regarding packaged sale of alcohol.
 - *Packaged sale of beer and/or light wine* and use the current zoning district allowances for a *Convenience store that sells beer or light wine*, except require a conditional use permit in DN4 (which is currently allowed by right as an accessory use) for consistency with DC.
 - *Packaged sale of beer, light wine and/or spirits* and use the current zoning district allowances for a *Convenience store that sells, beer, light wine and/or spirits*, except require a conditional use in DN-4 (currently allowed by right as an accessory use) and C1 (currently allowed by right.)

ORDINANCE NO. _____

**AN ORDINANCE AMENDING BENTONVILLE MUNICIPAL CODE
APPENDIX A ZONING CODE AND APPENDIX B LAND
DEVELOPMENT CODE.**

WHEREAS, the City of Bentonville periodically reviews the Zoning Code and Land Development code to identify needs for clarification or updates to meet current conditions.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BENTONVILLE, ARKANSAS:

Section 1. That the Bentonville Municipal Code, *Appendix A Zoning Code* should be and the same is hereby amended with the following *Attachment A: Zoning Code Amendments*, an electronic copy and paper copy of which is on file with the City Clerk, is hereby referred to, adopted and made a part hereof as though it were copied herein fully.

Section 2. That the Bentonville Municipal Code, *Appendix B Land Development Code* should be and the same is hereby amended with the following *Attachment B: Land Development Code Amendments*, an electronic copy and paper copy of which is on file with the City Clerk, is hereby referred to, adopted and made a part hereof as though it were copied herein fully.

Section 2. That this ordinance shall be in full force and effect 30 days from the date of its passage and approval.

PASSED and APPROVED this _____ day of _____, 2021.

APPROVED:

Mayor Stephanie Orman

ATTEST:

City Clerk

Attachment A
Zoning Code Amendments

Article 201 Definitions

Sec. 201.02 Definition of Terms and Uses.

Act (Wireless Communication Facilities): The Communications Act of 1934, as it has been amended from time to time, including the Telecommunications Act of 1996, and shall include any re-amendments thereto.

Alley: A ~~public~~ passage or way ~~affording a secondary means of~~ to the back or side of abutting property used for vehicular access and utility installations and not intended for general traffic circulation.

~~*Alternative Tower Structure*: Manmade trees, clock towers, bell steeples, light poles, and similar alternative design mounting structures that camouflage or conceal the presence of antennas or towers and are built for the express purpose of serving as a tower or for locating antennas.~~

Auto and Vehicle Sales and Rental: A retail or wholesale establishment selling and/or renting automobiles, trucks and vans, trailers, motorcycles, and scooters with internal combustion engines. (Bicycle sales are included under "General Retail"). Vehicles for sale may be displayed outdoors or indoors, as authorized by the required Use Permit. May also include repair shops and the sales of parts and accessories, incidental to vehicle dealerships. Does not include: the sale of auto parts/accessories separate from a vehicle dealership (see "Auto Parts Sales"); ~~mobile~~manufactured home, recreational vehicle, or watercraft sales (see "Mobile Manufactured Home, RV and Boat Sales"); tire recapping establishments (see "Vehicle Services"); businesses dealing exclusively in used parts, (see "Recycling - Scrap and Dismantling Yards"); or "Service Stations," which are separately defined.

Basement: ~~A story partly or wholly underground~~As defined by the International Building Code as adopted by the Bentonville City council. For purposes of height measurement, a basement shall be counted as a story when more than one half of its height is above the average level of the adjoining ground or when subdivided and used for ~~commercial or dwelling purposes by other than a janitor employed on the premises.~~

Buffer: A strip of land established to protect one type of land use from another with which it is incompatible. ~~A buffer strip is landscaped and kept in open space.~~ The term buffer zone may be used more broadly to describe any zone that separates two unlike zones such as a multi-family zone between a single-family zone and a commercial zone.

Building: ~~Any structure intended for shelter, housing or enclosure of persons, animals, goods or equipment that includes walls and a roof. When separated by dividing walls without openings, each portion of such structure so separated, shall be deemed a separate structure.~~ Any structure used or intended for supporting or sheltering any use or occupancy.

Child Care, ~~Commercial~~Licensed Center: ~~Any~~ child care facility ~~is considered commercial in nature when the facility that~~ cares for ~~eight (8)~~ six (6) or more children under the age of 16 years ~~; from more than one family and not of common parentage, for care apart from their natural parents, legal guardians, or custodians, when received for regular periods of time for compensation, provided,~~ however, this definition shall not include public or private schools organized, operated or approved under the laws of this state, custody of children fixed by a court of competent jurisdiction, or to children related by blood or marriage within the third degree to the custodial persons. These uses include but are not limited to: commercial day care center, nursery school, pre-school, kindergarten.

Child Care, ~~Residential~~Registered Family Home (45): A ~~single family~~ dwelling unit that regularly provides care, protection, and supervision of no more than ~~four (4)~~ five (5) children, including ~~children under the age of ten that permanently reside in the home~~the caregiver's own preschool age children, in the ~~permanent residence of the operator's home~~caregiver's own residence, for periods of less than twenty-four (24) hours per day, while parents or guardians are away.

Attachment A
Zoning Code Amendments

Child Care, ~~Residential~~ Licensed Family Home (56-1016): A ~~single-family~~ dwelling unit that regularly provides care, protection, and supervision of between ~~five (5) six (6) and ten (10)~~ sixteen (16) children, including ~~children under the age of ten that permanently reside in the home~~ the caregiver's own preschool age children, in the ~~permanent residence of the operator's home~~ caregiver's own residence, for periods of less than twenty-four (24) hours per day, while parents or guardians are away.

~~Convenience Store:~~ ~~A retail commercial establishment, not exceeding 2,500 square feet in gross floor area, supplying a limited range of food items, magazines, toiletries, and tobacco products to meet the day-to-day needs of residents in the immediate neighborhood.~~

Dwelling, Manufactured: A ~~detached single-family dwelling unit fabricated on or after June 15, 1976, in an off-site manufacturing facility for installation or assembly at the building site as a permanent structure with transport features removed, bearing a seal certifying that it is built in compliance with the Federal Manufactured Housing Construction and Safety Standards Code. This Code means the standard for construction, design and performance of a manufactured home as set forth in the Code of Federal Regulations, Title 24, Part 3280, 3282, 3283, and 42 USC 5401, ET SEQ., as mandated in the United States of America and as administered by the United States Department of Housing and Urban Development~~ dwelling unit constructed in a factory in accordance with and meeting the definitions set forth in the Federal Manufactured Home Construction and Safety Standards, 24 C.F.R. pt. 3280, promulgated by the United States Department of Housing and Urban Development under the authority of 42 U.S.C. 5401 et seq., as it existed on January 1, 1976 and as defined in Arkansas State Statute Sec. 20-25-102.

Dwelling, Modular: A ~~dwelling unit~~ factory built structure produced ~~constructed~~ in accordance with the standards set forth in the City of Bentonville Building Code and ~~composed of components substantially assembled in a manufacturing plant and transported to the building site for final assembly on a permanent foundation~~ designed to be used as a dwelling unit with a foundation when connected to the required utilities.

Easement: ~~A right of way or parcel of land specified or set aside for a specific use, normally used for access, utilities, and other public or private usages given by the owner or land to another party, the City or the public~~ A grant by the property owner of the use, for a specific purpose or purposes, of land by the public, a corporation, or certain persons.

Garage, Private: An accessory building or part of a main building used primarily for storage ~~purposes only for not more than four (4) automobiles~~ of motor vehicles where no repair service facilities are maintain and where no motor vehicles are kept for rental or sale, or for a number of automobiles which does not exceed one and a half (1/2) times the number of families occupying the dwelling unit to which such garage is accessory whichever number is the greater. This definition shall include carports.

Guyed Towers (Wireless Communication Facilities): A communication tower that is supported, in whole or in part, by guy wires and ground anchors.

~~Home Occupation:~~ Home-based work. A nonresidential use carried on within a dwelling, which is clearly subordinate to the residential use and which does not outwardly change the residential character of the use, lot or structure. Any occupation performed or business conducted by a resident within a residence that is clearly incidental to and secondary to the principal use of the structure for residential dwelling purposes.

Lattice Tower (Wireless Communication Facilities): A guyed or self-supporting three- or four-sided, open, steel frame structure used to support telecommunications equipment.

Lot, Corner: ~~A lot which has an interior angle of less than 180 degrees at the intersection of two streets lines. A lot abutting upon a curved street shall be considered a corner lot if the tangents of the curve at the points of~~

Attachment A
Zoning Code Amendments

~~intersection of the side lot lines intersect at an interior angle of less than 135 degrees. A lot located at the intersection of and abutting two or more streets.~~

Medical Services, Hospital: Hospitals and similar facilities engaged primarily in providing in-patient diagnostic services, and extensive medical treatment, including surgical and other hospital services. These establishments have an organized medical staff, in-patient beds, and equipment and facilities to provide complete health care. May include on-site accessory clinics and laboratories, abortion clinics as authorized in A.C.A § 12-18-103 and § 20-9-302, accessory retail uses and emergency heliports, and on-site ambulance dispatch facilities.

Mini-Warehouse Storage: ~~One (1) or more permanent structures, meeting applicable City building requirements, A storage facility which w~~with separate storage units or cubicles that are intended to be leased by ~~members of~~ the public. The term includes self-storage facility.

Mobile Home: ~~A movable or portable structure built prior to June 15, 1976, the effective date for the Federal Mobile Home Construction and Safety Act of 1974, which is larger than three hundred twenty (320) square feet, and designed to be used as a year round residential dwelling unit~~A dwelling unit constructed in a factory before the enactment of the Federal Manufactured Home Construction and Safety Standards, 24 C.F.R. pt. 3280, promulgated by the United States Department of Housing and Urban Development under the authority of 42 U.S.C. Section 5401 et seq., as it existed on January 1, 1976.

Monopole Tower (Wireless Communication Facilities): A communication tower constructed without the use of guy wires and ground anchors and consisting of only a single pole. Also called a self-support tower.

~~*Office, Large Scale:* An office facility with a gross floor area of more than 4,000 square feet, characterized by high employee densities and occupied by a business engaged in information processing, providing professional services or engaged in the production of intellectual property. This definition does not include "medical services, doctor office" which is separately defined.~~

~~*Office, Small Scale:* An office facility with a gross floor area of 4,000 square feet or less, characterized by low employee densities and~~ occupied by a business engaged in information processing, providing professional services or engaged in the production of intellectual property. This definition does not include "medical services, doctor office" which is separately defined.

~~*Open Space:* Any unoccupied space on the lot that is open and unobstructed to the sky and occupied by no structures or portion of structures whatever. Open space shall be interpreted to mean:~~

1. All areas of natural plant communities or areas replanted with vegetation after construction, such as revegetated natural areas; and
2. tree, shrub, hedge, or ground cover planting areas; and
3. lawns and other areas allowed to be counted as open space per the Zoning Code and Land Development Code.

Packaged Liquor Store: A retail establishment with the primary purpose of selling beer, light wine and spirits for off-site consumption. This definition does not include ~~a convenience store when the sale of beer, light wine and/or spirits for off site consumption is not the primary retail product.~~ "packaged sale of beer and/or light wine" or "packaged sale of beer, light wine and/or spirits" which are defined separately.

Packaged sale of beer and/or light wine: The retail sale of packaged beer and/or light wine for off-site consumption when such merchandise is not the primary retail product. This definition does not include "packaged liquor store" or "packaged sale of beer, light wine and/or spirits" which are defined separately.

Attachment A
Zoning Code Amendments

Packaged sale of beer, light wine and/or spirits: The retail sale of packaged beer, light wine, and/or spirits for off-site consumptions when such merchandise is not the primary retail product. This definition does not include "packaged liquor store" or "packaged sale of beer and/or light wine" which are defined separately.

~~Reclassification zoning:~~ An amendment to or a change in the Zoning ~~Ordinance~~Code reflecting a change or revision or modification of the Zoning District Boundary Map.

~~Retail, Large Scale: A retail store with a gross floor area of more than 4,000 square feet for the sale of general merchandise or food. Typical general merchandise includes clothing and other apparel, equipment for hobbies and sports, gifts, flowers and household plants, dry goods, toys, furniture, antiques, books and stationery, pets, auto parts and accessories, and similar consumer goods. The term "food store" includes a grocery, delicatessen, and convenience and specialty foods stores. This use does not include other uses in this article that are specifically listed.~~

~~Retail, Small Scale:~~ A retail store ~~with a gross floor area of 4,000 square feet or less~~ for the sale of general merchandise or food. Typical general merchandise includes clothing and other apparel, equipment for hobbies and sports, gifts, flowers and household plants, dry goods, toys, furniture, antiques, books and stationery, pets, auto parts and accessories, and similar consumer goods. The term ~~"food store"~~sale of food includes a grocery, delicatessen, and convenience and specialty foods stores. This use does not include other uses in this article that are specifically listed.

~~Story: That portion of a building, other than a basement, included between the surface of any floor and the surface of the floor next above it, or if there is no floor above it, then the space between the floor and the ceiling next above it.~~

~~Story, Half: A space under a sloping roof which has the line of intersection of roof decking and wall face not more than three (3) feet above the top floor level, and in which space not more than two thirds (2/3) of the floor area is finished off for use. A half story containing independent apartment or living quarters shall be counted as a full story.~~

~~Street: Any public thoroughfare which affords the principal means of access to abutting property.~~ A public right-of-way, however designated, which provides vehicular access to adjacent areas.

~~Structure: Anything constructed or erected for human occupancy and/or entrance, the use of which requires location on the ground or attached to something having a location on the ground.~~ That which is built or constructed.

~~Tower or~~ Communication Tower (Wireless Communication Facilities): Any structure that is designed and constructed for the primary purpose of supporting one or more antennas, including lattice towers, guy towers, or monopole towers. The term includes radio and television transmission towers, microwave towers, common-carrier towers, cellular telephone towers, alternative tower structures, and the like. This term is not intended to describe buildings or other structures that have been constructed primarily for a purpose other than supporting one or more antennas, despite the fact that such structure may currently, or in the future, actually support one or more antennas.

~~Wireless Communications Facility - (WCF) (cell towers)~~ (Wireless Communication Facilities): A land use facility that transmits and/or receives electromagnetic signals for the purpose of transmitting analog or digital voice or data communications. It includes antennas, microwave dishes, horns and other types of monopoles, or similar structures supporting said equipment, equipment buildings, shelters or cabinets, and other accessory development. Wireless communication facility includes personal wireless services as defined in the Federal Telecommunication Act of 1996, and as subsequently amended. Wireless communication facility shall not include the following: federally licensed amateur radio stations, ~~and~~ facilities used exclusively for receive-only antennas, and small cell wireless communication facilities.

Attachment A
Zoning Code Amendments

Wireless Communications Facility - small cell: A non-tower wireless communications facility that houses an antenna and equipment designed for the purpose of wireless communications and is utilized to boost wireless communications capacity for a limited area. A small cell wireless communication facility is not considered a wireless communications facility (cell tower) regulated by the Zoning Code.

~~Yard: A required open ~~space~~ ~~area~~ at grade between a building setback line and ~~the adjoining a public right-of-way, access easement or property lot~~ line, unoccupied and unobstructed by any portion of a structure from the ground upward, except where otherwise specifically ~~provided~~ allowed in this ~~ordinance~~ code that the building or structure may be located in a portion of a yard required for main buildings. In measuring a yard for the purpose of determining the width of the side yard, the depth of the front yard, or the depth of the rear yard, the shortest horizontal distance between the lot line and the main building shall be used.~~

~~Yard, Front: The required area of open space extending across the full width of the lot, the depth of which shall be the least distance between the front lot line and the nearest point of the main building or of any open, unenclosed porch or paved terrace as measured from the exterior face of the building foundation. The portion of a lot between the front building setback line and the public right-of-way, access easement or property line, whichever is closest to the front of the building as determined by the main entry to which the lot is addressed.~~

~~Yard, Rear: The required area of open space extending across the full width of the lot between the rear most main building and the rear lot line, the depth of which shall be the least distance between the rear lot line and the rear of such building. The portion of a lot between the rear building setback line and the public right-of-way, access easement or rear property line, whichever is closest to the back of the building.~~

~~Yard, Side: The required area of open space between the main building and the side lot line, extending from the front yard or front lot line, where no front yard is required, to the rear yard, the width of which shall be the least distance between the side lot line and the nearest point of the main building. The portion of a lot between the side building setback line and the public right-of-way, access easement or side property line, whichever is closest to the side of the building.~~

Article 601 Use Regulations

Sec 601.07 Child Care

- (a) ~~Child care, residential~~ Registered child care family home: ~~Four (4)~~ Five (5) children or less. ~~Residential child care~~ A registered child care family home shall meet the provisions of Section 601.12, Home Occupations, Subsection (a), Type A, and shall also meet the following provisions:
- (1) A ~~small residential child care~~ registered child care family home shall not care for more than ~~four (4)~~ five (5) children at any given time, including the ~~children under the age of ten residing in the home or the number approved by the state's licensing board, whichever is fewer~~ caregiver's own preschool children.
 - (2) The dwelling shall meet all City, County and State Health Department requirements as to safety, design, facilities, equipment, and other features and the center shall be operated in a manner that will not adversely affect other properties and uses in the area.
 - (3) The ~~residential~~ registered child care family home shall be located in a single-family dwelling, which is ~~the permanent residence of the operator(s)~~ the caregiver's own residence and shall be operated in a manner that will not change the character of the residence.
- (b) ~~Child care, residential~~ Licensed child care family home: ~~Five (5)~~ Six (6) to ~~ten (10)~~ sixteen (16) children. ~~Residential child care~~ A licensed child care family home; shall meet the provisions of Section 601.12, Home Occupations, Subsection B, Type B; shall meet all of the provisions of a ~~small residential child care~~ registered child care family home; and the additional following provisions:
- (1) A ~~large residential child care~~ licensed child care family home shall not care for more than ten (10) children including the number of children under the age of ten that reside in the home, or the number of children approved by the state's licensing board, whichever is fewer.
 - (2) A large residential child care shall provide verification of a Fire Department inspection at the time of application submittal for a conditional use permit.
- (c) ~~Child care, commercial~~ Licensed child care center. Commercial child care, day care centers, pre-schools, kindergartens, and nurseries shall be operated from structures that are commercial in nature or operated within a religious facility. They shall be limited by the requirements of the State of Arkansas in licensing such a facility, and shall otherwise comply with all area regulations established for the district in which such facility is located.

Sec 601.16 Outdoor and Mobile Food Vendors

- (d) *Outdoor vending*. The following requirements shall apply to outdoor vending at fixed locations:
- (2) *Public property/right-of-way*. Outdoor vending on public right-of-way and public property shall only be permitted in special outdoor vendor districts as identified herein, in public parks only as authorized by the Parks and Recreation Director, or otherwise established by City Council.
 - (3) *Location restrictions*. No outdoor vendor shall be permitted to operate in the following areas:
 - p. *City public park property*, unless authorized by the Parks and Recreation Director.

Attachment A
Zoning Code Amendments

Sec. 601.27 Wireless Communication Facilities

(d) General Guidelines.

- (4) ~~Space may be leased on city owned water towers for the purpose of constructing telecommunication towers and antennas. The addition of a tower or antenna may not add more than twenty (20) feet to the height of the existing water tower. All proposals for leasing of space upon City owned property must obtain approval by the City Council prior to construction and must meet all applicable requirements of this ordinance.~~

Sec 801.13 Signs Allowed Without A Sign Permit

- (b) *Additional signs.* In addition to any other allowed sign, the following signs may be installed, mounted and displayed without a sign permit when the current condition of the property meets any of the conditions below, subject to the corresponding rules and conditions. Maximum area is measured per sign face. Maximum height applies to freestanding signs only.

Property Condition	Land Use		Max. No.	Max. Area (sf)	Max Height (ft.)

Access: ~~A way or means of approach to provide vehicular or pedestrian entrance or exit to a property~~The way or means by which a piece of property is approached or entered.

AHTD/ARDOT: ~~Arkansas Highway and Transportation~~ Department of Transportation.

Alley: A ~~minor public right of way~~passage or way to the back or the side of abutting properties ~~y~~used for and vehicular access and utility installations ~~abutting a street~~and not intended for general traffic circulation.

Apex (Flood Damage Prevention): A point on an alluvial fan or similar landform below which the flow path or the major stream that formed the fan becomes unpredictable and alluvial fan flooding can occur.

Base Flood (Flood Damage Prevention): The flood having a one percent (1%) chance of being equaled or exceeded in any given year.

Basement: ~~Any area of the building having its floor subgrade (below ground level) on all sides~~As defined by the International Building Code as adopted by Bentonville City Council.

Building: Any structure used or intended for supporting or sheltering any use or occupancy.

Buffer, Perimeter Landscape: ~~A continuous area of land set aside along the perimeter of a lot in which landscaping is used to provide a transition between and reduce the environmental, aesthetic, and other impacts of one type of land use upon another.~~

Lot, Reverse Frontage: ~~A double frontage lot which is designed to be developed with the rear yard abutting a major street and with the primary means of ingress and egress provided on a minor street.~~

Manufactured Home: ~~A detached single family dwelling unit fabricated on or after June 15, 1976, in an off-site manufacturing facility for installation or assembly at the building site as a permanent structure with transport features removed, bearing a seal certifying that it is built in compliance with the A dwelling unit constructed in a factory in accordance with and meeting the definitions set forth in the Federal Manufactured Housing Construction and Safety Standards Code. This Code means the standard for construction, design and performance of a manufactured home as set forth in the Code of Federal Regulations, Title 24 C.F.R., Part 3280, 3282, 3283, and 42 USC 5401, ET SEQ, as mandated in the United States of America and as administered by the promulgated by the United States Department of Housing and Urban Development under authority of 42 U.S.C. 5401 et seq., as it existed on January 1, 1976 and as defined in Arkansas State Statute Sec. 20-25-102.~~

Manufactured Home Park: A parcel of land which has been designed or improved or is intended to be utilized for occupancy by one or more mobile homes and which conforms to the provisions of this ~~ordinance~~code.

Open Space: Open space shall be interpreted to mean:

1. All areas of natural plant communities ~~of~~ re areas replanted with vegetation after construction, such as re-vegetated natural areas; and
2. Tree, shrub, hedge, or ground cover planting areas; and
3. lawns and other areas allowed to be counted as open space per the Zoning Code and Land Development Code.

Attachment B
Land Development Code Amendments

Planned Residential Development (PRD): A comprehensive residential planned land development project in which the standard requirements of the Zoning Code and Land Development Code may be varied to allow design flexibility, building clustering, grouping of open space, increased density and alternatives to public facility improvements.

Planned Unit Development (PUD): A comprehensive planned land development project in which the standard requirements of the ~~Z~~oning ~~ordinance~~Code and ~~L~~and ~~d~~evelopment ~~regulations~~Code may be varied to ~~permit-allowed~~ design flexibility, building clustering, grouping of open space, increased density and alternatives to public facility improvements.

Setback Line: ~~A line or lines, established by the Zoning Ordinance, designating the area intended for future right-of-way as established by the Master Street Plan and restricting the placement of buildings therein. The required distance between every structure and any lot line on the lot which it is located as established by the Zoning Code.~~

Structure: ~~Anything inanimate constructed or erected with a fixed location on the ground, or attached to something having a fixed location on the ground, including roof overhangs, carports, garages, porches, and other similar structures. That which is built or constructed.~~

Variance: (Flood Damage Prevention) A grant of relief to a person from the requirements of this ~~ordinance~~code when specific enforcement would result in unnecessary hardship. A variance, therefore, permits construction or development in a manner otherwise prohibited by this ~~ordinance~~code. (For full requirements, See Section 60.3 of the National Flood Insurance Program regulations).

Yard: ~~That portion of a lot established by the building lines as minimum open space and intended to be unobstructed and unoccupied by any structure. Such things as fences, poles, posts, fence walls and other customary yard accessories, ornaments and furniture may be permitted in any yard subject to height and visibility limitations. A required open area at grade between a building setback line and a public right-of-way, access easement or property line, unoccupied and unobstructed by any portion of a structure from the ground upward, except where otherwise specifically allowed in this code.~~

Yard, Front: ~~That minimum required open space extending between side lot lines from the front lot line to the nearest point of any building, as set forth in the Zoning Ordinance. The portion of a lot between the front building setback line and the public right-of-way, access easement or property line, whichever is closest to the front of the building as determined by the main entry to which the lot is addressed.~~

Yard, Rear: ~~That minimum required open space extending between side lot lines measured from the rear lot line to the nearest point of any building, as set forth in the Zoning Ordinance. The portion of a lot between the rear building setback and the public right-of-way, access easement, or rear property line, whichever is closest to the back of the building.~~

Yard, Side: ~~That minimum required open space extending from the front yard line to the rear lot line on both sides of any lot, measured from the side lot line to the nearest point of any building, as set forth in the Zoning Ordinance. The portion of a lot between the side building setback line and the public right-of-way, access easement, or side property line, whichever is closest to the side of the building.~~

Attachment B
Land Development Code Amendments

Article 300 Administration and Enforcement

Sec. 300.04 Waivers.

2. No waiver shall be granted except upon written petition by the applicant when the application is filed. Under exceptional circumstances, the Planning Commission may grant waivers at the time of final plat approval. The petition shall state fully the grounds for the waiver and all the facts upon which the petition is made. In granting the waiver, the Planning Commission shall prescribe any conditions that it deems necessary to or desirable in the public interest. In considering the petition for a waiver, the Planning Commission shall take into account the nature of the proposed use of land involved, existing uses of land in the area, proximity to public utilities, the number of persons who will reside or work in the proposed subdivision, and the probable effect of such waiver upon traffic conditions and upon the public health, safety and general welfare in the vicinity. No waiver shall be granted unless the Planning Commission finds all four of the following:
 1. That there are special circumstances or conditions affecting the land involved such that the strict application of the provision of these regulations would unreasonably affect the applicant.
 2. That the waiver ~~is not in conflict with~~ supports the overall goals of the City in adopting these regulations.
 3. That the granting of the waiver ~~will not be detrimental~~ maintains to the public health, safety and welfare is consistent with ~~or injurious to~~ other property in the area.
 4. That the granting of the waiver ~~will not have the effect of preventing~~ enables the orderly subdivision of other land in the area in accord with the provision of these regulations.

Article 500 Final Plats

Sec 500.06 Recording

1. *Owner/developer responsibility.* Upon approval of the final plat and acceptance of the public dedications by the city council, the owner/developer shall submit ~~ten one~~ (10) original paper copies ~~plat~~, notarized and signed, to the Planning Department.
2. *Planning department responsibility.*
 1. The Planning Department shall have the final plat recorded in the office of the County Recorder within 30 days from the date of submittal of the required documentation. If the final plat is not filed within such time, approval shall be considered as having been abandoned.
 2. Upon recording the plat, the designated city official shall retain the ~~Mylar and two (2) copies~~ original for the ~~planning commission's files and building inspection's~~ city files.

Attachment B
Land Development Code Amendments

Sec. 900.02 Items to be Shown on Plat or Plan

The table below establishes the information and details required to be shown on all submittals for preliminary plats, final plats, large scale developments, planned developments and incidental subdivisions. The requirements for planned developments apply to planned unit developments (PUDs) and planned residential developments (PRDs). The requirement shall apply to the development type if a dot (●) is shown in the development type column.

Requirements	Preliminary Plat	Final Plat	Large-Scale Development	Planned Development	Incidental Subdivision
(e) Site specific information					
<u>(28) For phased projects, a phasing plan with phased areas outlined and labeled with a phase number shall be required at the time of original submittal.</u>			●		

Sec 1100.22 Downtown Neighborhood (DN) Districts Design Standards

(d) DN districts general site access and parking.

(1) Parking location.

- a. *Prohibited in front yards.* Garages, parking lots or designated parking spaces are prohibited in the front yard ~~and corner side yard.~~
- b. *Attached garages.* Garages may be attached to the primary structure. However, if the garage is attached, it must be located and oriented in such a way that it does not protrude from the side façade of the primary building in order to be visible from the public street.
- c. *Detached garages.* Detached garages shall be located to the rear of the primary structure.

(2) Parking setbacks.

- a. *Corner lot.* On a corner lot, the garage shall not be located closer than 20' to the corner side lot line in order to allow for outdoor vehicular parking entirely on the lot.
- b. *Detached garages.* Detached garages must be separated from the primary structure by a minimum of 10'.
- c. *Garages with alley access.* Garages with alley access must be setback 8' from the alley.

Sec. 1100.23 Downtown (D) districts Design Standards

(l) Parking placement. Off-street parking shall be located behind or to the side of the primary building. On corner lots, parking drive shall not be located on arterial or collector streets, unless at the intersection of any combination of arterial and collector streets. Parking drives are highly discouraged along arterial and collector streets and only allowed if there is no other option for access to parking areas. Off-site parking may be provided off-site within 600' or as shared parking. A shared parking agreement shall be provided to Planning for all residential use parking spaces. The standards for garages and parking for residential uses set forth in Sec. 1100.22 Downtown Neighborhood (DN) Districts Design Standards shall apply to residential uses in the DC and DE districts.

Attachment B
Land Development Code Amendments

Sec 1100.24 Bentonville Municipal Airport Design Standards

11. *Exterior materials.* The front, rear, and sides of all buildings and structures shall be constructed with materials approved by the ~~City of Bentonville~~ Airport Advisory Board. Builders are encouraged to use sustainable materials, when possible.
12. *Exterior colors.* Exterior colors shall utilize primarily muted, neutral, or earth tone colors. Builders must choose from a set of four (4) pre-approved color palettes, which will be made available to all prospective builders. The selected color palette shall be approved by the Airport Advisory Board and provided with all plan submittals.

DRAFT

ORDINANCE STAFF REPORT

Donation Box Regulations

PC Date: 11/2/2021

Reviewer: Shelli Kerr, AICP, Comprehensive Planning Mngr

Type	New Regulations
Code Impacted	Zoning Code
Section(s)	Sec. 401.05 Table of Uses, Art. 601 Use Regulations

<http://www.bentonvillear.com/198/Code-Amendments>

Proposal History

Staff presented the proposed ordinance to Planning Commission on Tuesday, Oct. 5, 2021. Planning Commission tabled the item and requested staff to consider a permit and ensure that items must fit inside the donation box. Staff prefers not to establish an entire permitting/registration process for the limited number of properties it would impact and recommends adopting the regulations so they can be enforced through code enforcement. Staff is recommending to add language to the proposed ordinance that the donation box include a sign stating that all donated items must fit completely inside the box.

Issue

Staff has received several complaints regarding the appearance and upkeep of donation boxes that have recently appeared on vacant properties near the public right-of-way. The donation boxes often become full and persons making donations set items outside of the box. The area surrounding the donation box creates unsightly conditions and becomes a nuisance.

Code enforcement has been working to identify the owners of the donations boxes to bring them into compliance with property maintenance codes. This has been a challenge since often the property owners are not aware the donation boxes have been placed on their property and the donation boxes themselves do provide contact information.

Research Findings

Staff used MuniPro to identify regulations for donation boxes. This included 14 municipalities primarily in the midwest and south, including Texas and Oklahoma. We did not find such regulations for any cities in Arkansas. This is a summary of those findings.

Purpose and Intent: Municipalities regulate donation boxes to maintain cleanliness and visual aesthetics.

Applicability/Exemptions: A few communities prohibit donation boxes outright. Some allow them only for 501(c)(3) nonprofits, and only on the same property as a 501(c)(3) nonprofit. Regulations are retroactive and apply to existing boxes.

Permit/Fees: Most regulations required a permit or registration with fees ranging from \$10-\$150.

ORDINANCE STAFF REPORT

Zoning Districts: Allowed in nonresidential districts only. Some go further and restrict to one specific commercial district, only.

Number Limitations: Some regulations established a limit of one per lot. Others limit the number within the community per operator, anywhere between three and five. Some require spacing from other boxes.

Location Requirements: many regulations established location requirements, including: not on public property; not on vacant property; not in a required parking space; not in a setback; not in an easement; not in a front yard; not within sight distance requirements; and not within 150'/200' of one or two family residential structure.

Box Design: A few regulations included details on design, including size, material, and signage. Maximum height allowed is between 6' and 8' with a footprint no larger than 6' x 6'.

Maintenance: Boxes must be painted, remain clean and emptied frequently. Items cannot be placed outside and around the box.

Proposal

Donation boxes are beneficial to people wishing to donate unwanted items. They also provide items and services to persons in need. However, they can pose an unsightly nuisance if not properly maintained. Adopting regulations will help ensure that the donation boxes are used as intended and are properly maintained.

The regulations recommended include location, box dimensions and maintenance:

- Donation boxes allowed as an accessory use in all zoning districts upon compliance with the use regulations.
- Donation boxes be allowed only on properties that are 501(c)(3) non-profit organizations.
- The operator of donation boxes must be a 501(c)(3) non-profit organization.
- Maximum height of 6'.
- Ground footprint of 25 square feet.
- No more than two donation boxes per parcel.
- Front setback is the same as the zoning district. Side and rear setbacks are 7' (the same as the setbacks for accessory buildings). Must be at least 200 ft. from a residential structure.
- Donation boxes cannot impede traffic flow or sight visibility, cannot be placed within a required parking space, and must be on a concrete or asphalt surface.
- Donation box must include contact information and any additional signage cannot exceed two square feet.
- Donation boxes must be maintained, serviced and emptied regularly.
- Donation boxes must contain a message that all donated items must fit completely within the donation box.

The regulations do not require a permit at this time and will be enforced through code enforcement.

Recommendation

Staff recommends approval of the proposed ordinance.

ORDINANCE NO. _____

**AN ORDINANCE AMENDING BENTONVILLE MUNICIPAL CODE
APPENDIX A ZONING CODE TO REGULATE DONATION BOXES.**

WHEREAS, Bentonville City Council wishes to promote the community's health, safety, and welfare; and,

WHEREAS, unattended donation boxes often become unsightly and create a nuisance.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BENTONVILLE, ARKANSAS:

Section 1. That the Bentonville Municipal Code, *Appendix A Zoning Code* should be and the same is hereby amended with the following *Attachment A: Donation Boxes*, an electronic copy and paper copy of which is on file with the City Clerk, is hereby referred to, adopted and made a part hereof as though it were copied herein fully.

Section 2. That this ordinance shall be in full force and effect 30 days from the date of its passage and approval.

PASSED and APPROVED this _____ day of _____, 2021.

APPROVED:

Mayor Stephanie Orman

ATTEST:

City Clerk

Attachment A
Donation Boxes
Underlined red text to be added.

Sec. 201.02 Definitions of Terms and Uses

Operator (Unattended Donation Box): Means a person, entity, association or organization who places, maintains or operates unattended donation box(es) to solicit donations of salvageable personal property.

Property owner (Unattended Donation Box): Means the person, entity, association or organization who owns the real property where the unattended donation box(es) are or are proposed to be located.

Unattended donation box: Means any unattended container, receptacle, or similar device that is located on any property, outside of a fully enclosed building, within the city used for soliciting and collecting donations including, but not limited to, clothing, books, shoes furniture, or other salvageable personal property.

Sec. 401.05 Table of uses for zoning districts.

OTHER	Use Regs	A 1	RE	R1	R2	R3	R4	R- C2	R- C3	R- MH	R- ZL	RO	DN- 1	DN- 2	DN- 3	DN- 4	C1	C2	C3	DC	DE	I1	I2
<u>Donation Box</u>	<u>601.34</u>	<u>A</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>	<u>Δ</u>

Sec. 601.34 Unattended Donation Box. No person or other legal entity shall cause or permit the installation or placement of a donation box upon any property within the city, whether public or private, except in accordance with this section.

(a) Purpose and Intent. The purpose of this section is to regulate the placement of unattended donation boxes within the city. These procedures and requirements are enacted to:

- (1) Promote the community's health, safety, and welfare by regulating unattended donation boxes for clothing or other salvageable personal property within the city;
- (2) Ensure that unattended donation boxes do not pose a hazard to pedestrian and vehicular traffic;
- (3) Ensure that material is not allowed to accumulate outside of the unattended donation boxes where it can be scattered by adverse weather conditions, animal contacts and human activities; and
- (4) Establish criteria that avoid attracting vermin, unsightliness, and a public health hazard.

(b) Applicability. The requirements of this section shall apply to all donation boxes regardless of whether said boxes were placed prior to the effective date of these regulations. No previously placed donation boxes shall be granted any inherent legal or nonconforming status. All existing donation boxes shall be removed or brought into compliance with these regulations within 30 days of the effective date of these regulations.

- (c) **Exemptions.** These regulations do not apply to recycling bins operated by the city or a waste management company or donation boxes contained wholly within an enclosed building.
- (d) **Requirements.** Donation boxes are allowed as an accessory use in all zoning districts within the city only upon compliance with the following:
- (1) **501(c)(3) required.**
 - a. All proceeds are dedicated to the use of an entity which is qualified by the Internal Revenue Service as a 501(c)(3) charitable institution, or is a governmental entity.
 - b. The donation box is located upon the premises of an entity which is qualified by the Internal Revenue Service as a 501(c)(3) charitable institution, or is a governmental entity.
 - (2) **Number.** A maximum of two (2) donation boxes may be located on any parcel.
 - (3) **Dimensions.** The donation box shall be no more than six (6) feet high, with a ground footprint of not more than twenty five (25) square feet.
 - (4) **Setbacks.**
 - a. Front: As required by the zoning district.
 - b. Side & Rear: The donation box shall be located at least 7' from the side and rear property lines.
 - c. Buildings: The donation box shall be located at least 10' from any building.
 - d. Residential Structures: The donation box shall be located at least 200' from any residential structure.
 - (5) **Surface.** The donation box shall be placed upon a concrete or asphalt surface.
 - (6) **Visibility.** The donation box shall be located so as not to interfere with any sight triangles or block the view of any business signage.
 - (7) **Parking spaces and circulation.** No unattended donation box shall be placed on or within any parking space required under Appendix A Zoning, Article 501 Parking and Loading or in any way that interferes with on-site circulation
 - (8) **Signage.** The total signage on each donation box shall not exceed two square feet. No advertising shall be allowed on the donation box. The donation box must include a message stating "All donated items must fit completely inside the donation box." An additional sign shall include the contact information: the name, address, e-mail and phone number of both the property owner/manager and operator. It too shall not exceed two square feet.
 - (9) **Locked.** Unattended donation boxes shall be locked or otherwise secured.
 - (10) **Maintenance.**
 - a. Unattended donation boxes shall be serviced and emptied as needed, or within 24 hours of a request by the director or his or her designee.
 - b. Unattended donation boxes shall be maintained in good condition and appearance with no structural damage or defects, holes, or visible rust, and shall be free of graffiti.
 - c. The area surrounding the unattended donation boxes shall be free of any junk, garbage, trash, debris or other refuse material.

Project # 19118

RE: Conditional Use Amendment Extension request (DN-4 Zone)
Station Café site – Table at the Station - CU-19-0014

Bentonville Planning Commission

Table at the Station, LLC was granted a conditional use at 409 SE 6th Street to allow for a restaurant and to be able to allow use of a gravel parking area until a Large Scale Development plan could be approved and constructed. The Conditional Use expired in July and an extension is needed to complete Phase 1 and get the site and building inspections approved to be able to use the completed kitchen and remove the cook trailer.

Phase one is listed below with the status of each item:

PHASE 1 -

- STREET IMPROVEMENTS, SE 6TH AND SE D, ON STREET PARKING, AND STREET SIDEWALKS **Done, except for that section for the alley on 6th Street**
- LANDSCAPING ALONG STREET RIGHTS-OF-WAY, AMENITIES **Trees along D Street are ordered and planting should be in the next few weeks.**
- BUILDING EXPANSION, GREASE TRAP, WEST BUILDING SIDEWALK AND COOLER **Cooler pad is done, awaiting the cooler to attach to the pad**
- OBTAIN A TEMPORARY CERTIFICATE OF OCCUPANCY TO BE ABLE TO OPERATE THE NEW KITCHEN AND REMOVE THE MOBILE UNIT. **Working to complete items to schedule the inspection of Phase 1**

PHASE 2 -

- DETENTION SYSTEM, PIPES, STRUCTURES, PUMP AND OUTFALL SYSTEM
- ALLEY AND PARKING LOT CONSTRUCTION
- DUMPSTER AREA AND ENCLOSURE
- INTERIOR LANDSCAPING
- Proposed Use – Restaurant
- The LSD was approved, however a revised phase plan is attached to reflect necessary changes in the phases due to concrete and storm box availability.
- Hours of operation - closed Monday's, 11am to 8pm Tuesday through Friday, 8am to 8pm on Saturdays and 10am to 2:30pm on Sunday's.

- Planned structural changes is the addition of an attached kitchen and additional seating, and remodel of the existing building. Architectural plans are under review by Building and Fire staff.
- Parking needs will remain the same and the gravel area continue until the Phase 1 activities are complete and Phase 2 can start.
- No outdoor lighting changes are planned.
- Anticipated patrons – Avg. 50-60 quests per day, 5 days a week.
- Number of employees, 5 daily
- No Covenants exists for this site.

Carl Garrett, the owner, hereby requests that the Conditional Use #CU-19-0014 be extended for a period of 10 Months to allow for phase 2 to be completed as described above.

We appreciate your consideration.

Sincerely,

Ken Booth
Project Manager

CITY OF BENTONVILLE GENERAL NOTES:

- A. THE CITY OF BENTONVILLE STREET STANDARDS, DRAINAGE CRITERIA MANUAL, SUBDIVISION ORDINANCE, WATER, SEWER, ELECTRIC UTILITY SPECIFICATIONS, AND STATE CODE SHALL GOVERN THESE PLANS. IF THERE ARE DISCREPANCIES IN THE PLANS OR INFORMATION CONTAINED WITHIN, CITY OF BENTONVILLE ORDINANCES, STANDARDS, AND SPECIFICATIONS SHALL RULE, UNLESS APPROVED IN WRITING BY THE CITY ENGINEER.
- B. TO SCHEDULE AN INSPECTION OR TEST WITH THE CITY OF BENTONVILLE ENGINEERING DEPARTMENT, INSPECTIONS MUST BE CALLED IN (479-271-3168) BY THE ENGINEER OF RECORD 24 HOURS IN ADVANCE BEFORE 10AM FOR AN INSPECTION THE FOLLOWING DAY.
- C. THE ENGINEER OF RECORD MUST CERTIFY THE SITE AND THE PROJECT MUST PASS A DEVELOPMENT FINAL INSPECTION BEFORE REQUESTING A FINAL INSPECTION.
- D. BEUD DESIGN LAYOUT DRAWING TAKES PRECEDENCE OVER ANY INFORMATION SHOWN ON THE SITE UTILITY PLAN. CONTRACTOR SHALL FOLLOW DESIGN ON BEUD'S DRAWING WHEN INSTALLING FACILITIES.
- E. ALL MECHANICAL EQUIPMENT (ROOF AND GROUND MOUNTED) SHALL BE SCREENED ON ALL EXPOSED TO VIEW SIDES BY SIMILAR MATERIALS AS THE BUILDING.
- F. ANY NEW LIGHTING WILL REQUIRE THAT IT CUTOFF OR B-U-G (WITH A 'U' RATING OF 0 AND APPROVED BY THE PLANNING DEPARTMENT).

CITY OF BENTONVILLE LANDSCAPE NOTES

ONCE INSTALLED, LANDSCAPING SHALL BE MAINTAINED IN HEALTHY LIVING CONDITION AND ALL PLANT MATERIAL THAT DIES SHALL BE REPLACED. (SEC 1400.5.C-10)

TREES SHALL NOT BE TOPPED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF ANSI A300 "STANDARDS FOR TREE CARE" SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SEC 1400.5.C-11)

HEALTHY TREES SHALL NOT BE REMOVED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF THE ANSI A300 "STANDARDS FOR TREE CARE" SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SEC 1400.5.C-12)

LIVING MATERIALS, SUCH AS LAWN, GRASS OR HERBACEOUS GROUNDCOVERS LIKE JUNIPER OR LIRIOPE, ETC., SHALL COVER A MINIMUM OF EIGHTY PERCENT (80%) OF THE PLANTING ISLANDS. ONE HUNDRED PERCENT (100%) OF LIVING MATERIALS IS STRONGLY ENCOURAGED. (SEC 1400.6.A-8 & 1400.8.G-7)

WHERE POTENTIAL UTILITY CONFLICTS WITH LANDSCAPING OCCUR, UTILITY LOCATIONS SHALL BE FIELD VERIFIED.

ALL LANDSCAPING IS REQUIRED TO MAINTAIN FIVE FEET OF SEPARATION FROM ANY PUBLIC UTILITY.

ALL TREES PLANTED IN THE PUBLIC RIGHT-OF-WAY SHALL BE 4" CALIBER AND THE LOWEST LIMB SHALL BE 96" OR HIGHER FROM FINAL GRADE AT TIME OF PLANTING.

All information contained in this document is confidential and may not be reproduced without permission.

The current land use is R1 Residential and requesting to rezone to DN2 Medium Density Residential. The current owner is 1003 N Main, LLC and there are not any planned or proposed sales. The zoning request is to allow for increased density, setback allowances, lot width differences.

1003 N Main will relate to the adjacent DN2 properties that have been built around it. There have been numerous properties built around the property that have already been rezoned DN2. It will also relate to the city's allowable land use that has designated the area Downtown Medium Density and has alley and main street access.

The plan is to build 2 single family homes or a single family attached home.

The property is located on N Main Street with access from Main Street and alley access via Park St.

There will not be any signage on the property.

The appearance of the property is a vacant lot. There was a single family home on the land but it was torn down due to the condition of the home.

6" Water and sewer are available for access on the east side of the property running along N Main St.

RE: Rezoning of Property (Parcel #01-04650-000, #01-04649-000)

Staff,

On behalf of our clients we would like to formally request a zoning change for this project from R-1, Single Family Residential and R-3 Medium Density Residential to C-3, Central Commercial. The property is currently owned by Westwood Development Lot B, LLC. The adjacent properties are zoned R-1 and C-3. A proposed C-3 zoning is appropriate in this area based on the proposed large scale development plans for Lumen Multi-Family, as well as proximity to other residential and commercial parcels.

The owner of this parcel is requesting a rezone to C-3 in order to develop a multi-family residential project. Currently, the proposed plans for development on this property are to build multi-family units with associated infrastructure, storm water retention, and onsite amenities. This property has access to 2 points of ingress/egress (via SW 3rd St and S Walton Blvd).

There are no plans for proposed signage on this property. Owner/developer will work with city staff when planning any proposed signage.

The site currently has two townhome buildings. The land is comprised of hay/grass cover with some larger trees throughout. Water and sewer are readily available on this site.

By rezoning to C-3, Central Commercial, this property will be an excellent place for development and will be an asset to the Bentonville community.

Thank you,

Elizabeth Topping, E.I.

RE: Change in Future Land Use Plan (Parcel #1-04650-000, #01-04649-000)

Staff,

On behalf of our clients we would like to formally request a change in the Future Land Use Plan for this project from Low Density Residential to Mixed-Use Commercial. The property is currently owned by Westwood Development Lot B LLC. The adjacent properties are noted as Low Density Residential and Mixed Use Commercial. A proposed change to Mixed Use Commercial Land Use is appropriate in this area based on the proposed large scale development plans for Lumen Multi Family, as well as proximity to other residential and commercial parcels.

The owners of this parcel are requesting a change to Mixed Use Commercial Land Use in order to develop a multi-family residential project with some commercial areas. There are proposed plans currently under review that show development plans with associated infrastructure, storm water retention, and onsite amenities. This property has access to 2 points of ingress/egress (via SW 3rd St and S Walton Blvd).

There are no plans for proposed signage on this property. Owner/developer will work with city staff when planning any proposed signage.

The site currently has two townhome buildings. The land is comprised of hay/grass cover with some larger trees throughout. Water and sewer are readily available on this site.

By changing the Future Land Use to Mixed Use Commercial, this property will be an excellent place for development and will be an asset to the Bentonville community.

Thank you,

Elizabeth Topping, E.I.

Mixed-Use Commercial

Future Land Use Plan Category Description

Res. No. 10-23-18A

Description

Mixed-use commercial areas include uses that provide goods and services to nearby residents. Local retail, day-to-day services, and small offices are appropriate in these areas. Vertical mixed-use developments are encouraged in mixed-use commercial areas, with upper floors including offices, services, or residential uses. Parking may be more prominent in these areas than in Downtown commercial areas, but should be sited and designed to not be detrimental to the character of the area.

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

C-3, Mixed-Use Commercial

The C-3 District is established for areas outside of downtown to provide an opportunity for people to live, work, meet, shop and utilize services within the vicinity of their residences. The C-3 district allows for a mix of neighborhood commercial and personal services, offices and medium density residential uses. Development in this district should be designed with an urban, walkable character that encourages physical activity, alternative transportation and greater social interaction to benefit the health and wellbeing of residents.

Maximum Height Allowed: 60 feet

Height Exception: Any structure exceeding the listed maximum height shall be set back an additional 1 foot for each foot in excess of the maximum height allowed for that district.

Lot and Area Standards:

District	Building type	Min. lot area (sq. ft.)	Min. land area / dwelling unit (sq. ft.)	Lot width		Max. lot coverage	
				Min. lot width	Max. lot width	Interior lot	Exterior lot
C-3	All	None	-	-	-	100%	100%

Minimum Setback Standards:

District	Front		Side		Rear	
	Parking in front	No parking in front	Adjacent to non-residential district	Adjacent to residential district	Adjacent to non-residential district	Adjacent to residential district
C-3	0'	0'	0'	10'	0'	0'

Sidewalk Setback: No building in the C-3 district, regardless of the location of the lot lines of the property on which it is to be built, shall be built closer than 8 ft. from the back of the curb line of any public street abutting the property on which the building is located. This spacing shall be maintained in order to provide adequate space for the required sidewalk to be built along that street frontage.

Canopy Standards: Canopies may project over the street right-of-way if they terminate no less than 2 ft. horizontally from the outside edge of the street curb and are no less than 8 ft. above the surface of a new or existing sidewalk.

Disclaimer: FOR INFORMATIONAL PURPOSES ONLY.

In cases of discrepancy between the information presented here and a city ordinance, the city ordinance will prevail.

**RE: Walmart Store #100
Drone-Up Building
Conditional Use Request**

To the City of Bentonville Planning Commission:

This is a Conditional Use request for parcel 01-01133-000, described below, owned by Wal-Mart Real Estate Business Trust.

The proposed use of this site is to construct a modular structure for Drone Delivery operations for the Bentonville Walmart Store #100 at 406 South Walton Blvd. The modular structure is defined as Long-term temporary uses or structures in Article 601.25 of the Zoning Code. Therefore, requires a Conditional Use Permit. The structure is planned to be in place for as long as DroneUp is delivering product from this location.

A Site Plan is included with this narrative along with photos of the property. The hours of operation will be during the hours of 9AM - 5PM, 5 days a week. The modular structure, defined as DroneUp, indoor space will be used to store/maintain drone aircraft, DroneUp employees, package / parcel handling, drone battery charging, and maintaining FAA compliance while operating Drone Aircraft on the ground and in the air. The close proximity of outdoor space surrounding the structure will be used to allow for safe takeoff and landing of drone aircraft to be compliant with FAA regulations.

The planned parking for this area is to utilize the existing associate parking on premises. The facility anticipates the need for 8-15 employees to operate the DroneUp facility. No anticipated change in deliveries or number of patrons to the existing supercenter. No new parking lot lighting is being proposed for this area.

We appreciate your consideration of this request. If you have any questions or need additional information, please contact me via phone at (479) 273-9472 or email at jyoull@ceieng.com.

Respectfully submitted,
CEI Engineering Associates, Inc.

John Youll
Project Manager

SURVEY DESCRIPTION:

Commencing at a Found 5/8" Rebar at the South East Corner of Lot 13, Block J, Orchard Addition, Bentonville, Benton County, Arkansas, as shown in Plat Record "A" at Pages 4 and 89, and in Plat Record "B" at Page 27, Point being on the West Right of Way of SE "E" St. and the North Right of Way of SE 6th St.; Thence along the North Right of Way of SE 6th Street, North 87°43'54" West 4.35 feet to a Set 5/8" Rebar with cap "AR1002" for the POINT OF BEGINNING. Thence continue along the North Right of Way of SE 6th Street, North 87°43'54" West 95.83 feet to a Found 1/2" Rebar; Thence departing said North Right-of-Way, North 02°19'14" East 100.00 feet to a Found 1/2" Rebar; Thence South 87°43'54" East 96.87 feet to a Set 3/4" Rebar with cap "AR1002"; Thence South 02°54'59" West 100.01 feet to the Point of Beginning, containing 9,635 Square Feet or 0.22 Acres, more or less. Subject to any restrictions, covenants, easements and rights-of-way of record or fact.

ROW DESCRIPTION:

Beginning at a Found 5/8" Rebar at the South East Corner of Lot 13, Block J, Orchard Addition, Bentonville, Benton County, Arkansas, as shown in Plat Record "A" at Pages 4 and 89, and in Plat Record "B" at Page 27, Point being on the West Right of Way of SE "E" St. and the North Right of Way of SE 6th St.; Thence along the North Right of Way of SE 6th Street, North 87°43'54" West a distance of 4.35 feet to a Set 5/8" Rebar with cap "AR1002". Thence departing said North Right-of-Way, North 02°54'59" East a distance of 100.01 feet to a Set 3/4" Rebar w/ Cap "AR1002"; Thence South 87°43'54" East a distance of 3.25 feet to a Found 1" Iron Pipe; Thence South 02°17'11" West a distance of 100.00 feet to the Point of Beginning, containing 380 Square Feet or 0.009 Acres, more or less.

cel #: 01-03593-000
ner: City of Bentonville

SURVEY NOTES:

- Except as specifically stated or shown on this plat, the survey does not purport to reflect any of the following which may be applicable to the subject real estate:

Easements, other than possible easements which were visible at the time of making of this survey; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land-use regulations, or any other facts which an accurate and current title search may disclose.
- Every document of record reviewed and considered as a part of this survey is noted hereon. Only the documents noted hereon were supplied the surveyor.
- This plat represents a boundary survey of the parcel recorded in Plat Book Records, Book 2016, Page 927 in the Official Public Records of Benton County, Arkansas.
- The contractor must determine that proposed structures are clear of all boundary lines, easements, and meet building setback requirements before construction begins.
- Basis of Bearings: NAD83, State Plane Grid Coordinates, Arkansas North Zone referencing to with Bentonville City Control Monument Number 56.

- Basis of Elevation: NAVD83, referencing to with Bentonville City Control Monument Number 56.
- This survey is valid only if the drawing includes the seal and signature of the surveyor.
- This survey meets current "Arkansas Minimum Standards for Property Boundary Surveys and Plats".
- No abstract of title, nor title commitment, nor results of title searches were furnished the surveyor. There may exist other documents of record which would affect this parcel.
- Declaration is made to the original purchaser of the survey and is not transferable to any additional institutions or subsequent owners.
- Property is currently zoned DE - Downtown Edge. Setbacks shall be per the current zoning district as stated in the most recent City of Bentonville Zoning Code. For more info visit www.bentonvilleplanning.com or call the Planning Department @ 479-271-3122.
- No attempt was made to show building setback lines graphically on the survey. Setback dimensions are based on the orientation of the building(s) to be constructed.
- Subsurface and environmental conditions were not examined nor considered a part of this survey.

- No attempt has been made as a part of this boundary survey to obtain or show data concerning existence, size, depth, condition, capacity, or location of any utility or facilities.
- All areas of asphalt and curb & gutter are in "good" condition unless otherwise noted.
- Before any work in the Right-of-Way commences, Contractor and or owner is to contact the City of Bentonville Engineering and Transportation Departments and notify said departments on the intent and type of the work that will take place within the Right-of-Way.
- Owner/Developer shall coordinate with all local utilities to insure that each lot has water, sewer and electric service.
- Sidewalks shall be the responsibility of the builder/owner at time of building permit issuance.
- There may not be fences or any other structures built in any drainage easements.

PARENT TRACT DESCRIPTION:

East 100 feet of Lots 12 and 13, Block J, Orchard Addition, Bentonville, Benton County, Arkansas, as shown in Plat Record "A" at Pages 4 and 89, and in Plat Record "B" at Page 27.

FLOOD STATEMENT:

(BY GRAPHICAL PLOTTING ONLY)
This property is not located within any presently established 100-year flood plain as determined by the National Flood Insurance Program, flood insurance rate map for Benton County, Arkansas. Map Number 05007C0255K. Revised date June 4, 2012.

CERTIFICATE OF APPROVAL:

Pursuant to the Bentonville Subdivision Regulations and all other conditions and approval having been completed, this document is hereby accepted. This certificate is hereby executed under the authority of said rules and regulations.

Bentonville, AR 72712

Re: Waiver Request – Gator District Subdivision
CTA Job No. 20107600

To Whom It May Concern,

This letter is to request a waiver from the City of Bentonville Stormwater Management and Drainage Manual in regards to the Gator District Subdivision. Per Sec. 8.4.1, “the maximum elevation of the hydraulic gradient is two feet (2') below the ground surface” for the design storm event (10-year).

The existing topography of this site is relatively flat. Because of this, the detention pond is unable to sit much lower than the main storm network discharge. When the 10-year hydraulic grade lines (HGLs) were analyzed throughout the storm pipes, the pond’s 10-year maximum water surface elevation was used as a constant tail water condition to model worst-case scenario. This resulted in Pipes 1-2 , 1-3 , 2-1, 2-2, 2-3, 2-4, 3-1 & 4-1 having HGLs closer than 2 ft. from the gutter line (2.5 ft. from top of rim). We are requesting a waiver of this requirement in the City of Bentonville Stormwater Management and Drainage Manual for the aforementioned pipes. Distances from the design HGL to gutter line are shown below in Table 1.

Table 1. Elevation Difference from 10-year HGL (up) to Inlet Gutter Line

PIPE ID	10-YR HGL (UP) (FT.)	GUTTER LINE ELEVATION (FT.)	DIFFERENCE (FT.)
1-2	1279.74	1280.03	0.29
1-3	1280.81	1281.91	1.10
2-1	1280.05	1280.61	0.56
2-2	1280.82	1282.65	1.83
2-3	1281.05	1282.75	1.70
2-4	1281.16	1282.75	1.59
3-1	1279.76	1280.03	0.27
4-1	1280.90	1281.91	1.01

Although these pipes do not explicitly meet Sec. 8.4.1, when the 100-year HGLs were analyzed and compared to the proposed grading plan, it was found that there is no risk of flooding. The highest 100-year HGLs were still a minimum of 1.67 ft. below the lowest, adjacent finished floor elevation. Additionally, if the inlets were to become completely clogged, there is an overflow from all sump inlet locations that will allow water to flow through a safe path to the northwest corner of the site and into the existing drainage ditch. The hydraulic analysis of the pond and storm sewer, we well as, the proposed grading plan allow us to feel confident in asking for the waiver of the hydraulic gradient requirement in Sec. 8.4.1.

GENERAL WAIVER
L STREET DEVELOPMENT
PARCEL 01-00149-000**

Ecological Design Group, Inc
216 W Birch Street
Rogers, AR 72756

Waiver Request

To: City of Bentonville
From: Ecological Design Group, Inc – on behalf of L Street Partners LLC
Date: October 14, 2021
Re: Multifamily Development @ 3302 L Street, Bentonville, AR

On behalf of L Street Partners LLC, Ecological Design Group, Inc. (EDG) is submitting this Waiver Request prior to the LSD Submittal.

Project Description: Proposed multifamily development includes approximately 51 one-bedroom /studio/ micro units, street widening per the Master Street Plan, on-street parking, interior parking, utility connections, and landscape improvements. A conceptual site plan is included with this waiver for reference. The property is zoned R-3 (Medium to High Density Multifamily Residential).

This Waiver Request items are listed below:

Parking Count Waiver Request

- City of Bentonville Municipal Code: Appendix A – Zoning Code – Article 501 Off Street Parking and Loading
 - Section 501.06 Number of Off-Street Parking Spaces Required
 - (f) Standards. *Off-street parking shall be provided in accordance with the following schedule, with the exception of the DC and DE district, already provided for in Section 501.6(d)(1) above:*

Number of Parking Spaces Required	
Land Use	Parking ratio
RESIDENTIAL	
Single-Family Dwelling	2 spaces per dwelling unit
Patio Home Dwelling	2 spaces per dwelling unit
Two-Family Dwelling, Duplex	2 spaces per dwelling unit
Multi-Family Dwelling	3 spaces for each two dwelling units
Hotels and Motels	1 space is required per guest room. For developments larger than twenty (20) rooms, eleven parking spaces must be provided for each ten rooms or fraction thereof for employees and non-guest users patronizing meeting rooms, and other facilities, but not including restaurants.
Manufactured Home Subdivision	2 spaces per manufactured home
Bed and Breakfast	1 space per sleeping/rental unit plus 1 space for the owner

- Per Section 501.06(f) table, the parking requirement for this development is: **3 spaces for each 2 dwellings**, otherwise **1.5 spaces per dwelling unit**.
 - Following this requirement: $51 \text{ units} * 1.5 = \underline{76.5 \text{ OR } 77 \text{ parking stalls}}$ are required for this development.
- This project is proposing **66 parking spaces**, or a ratio of **1.3 spaces per dwelling unit**. This includes 60 on site spaces and 6 on-street parking spaces. This would be a difference of 11 stalls from the amount required per code.
- From the previous parking waiver request, the development has reduced the overall unit count by 4 and added 8 interior parking stalls.
- The granting of this waiver will not be detrimental to the public health, safety and welfare or injurious to other property in the area. The proposed on street parking will add a shared amenity with surrounding property owners and general public.
- The granting of this waiver will waiver will not prevent the orderly subdivision of other land in the area in accordance with the provisions of the Subdivision Code.
- Newell Development, representative of L Street Partners LLC, has built and is currently managing (5) multi-family developments throughout the City of Bentonville city core equaling a total of 65 units. They have completed a parking study for all of their units summarizing the unit type, the number of vehicles used, and percentage the tenant was at home. Please see some of the highlights from the study below:
 - Eight (8) out of the 65 or 12% were home 50% of the time;
 - Seven (7) out of the 65 or 11% were home 75% of the time;
 - Developments were typically occupied at a 95% rate;
 - These percentages, combined the vehicles per unit recorded in the study show that a .945 space per unit is the true utilized parking ratio within these developments; meaning a 1.3 space per unit would be more than adequate for tenants.

With the findings from items listed above, the notion that the owner wants the development to be successful, which includes satisfied tenants and competitive amenities, the applicant is requesting a waiver to provide 1.3 stalls per 1 dwelling unit in lieu of 1.5 stalls per dwelling unit. This waiver is contingent that the developer only propose one-bedroom, micro or studio units.
