

TRAFFIC SAFETY AND SIGNAGE COMMITTEE

Monday, March 1, 2021 – 2:00pm (*Via Zoom*)
Bentonville, AR 72712

AGENDA

I. OLD BUSINESS/TABLED ITEMS:

- A. W.R. Randy Ross – 4302 SW Chasestone Ave., Mgr. Unit 1, Bentonville, AR**
Phone: (479) 685-6675 Email: rross92@gmail.com

Drivers are going too fast in Stonegate Subdivision. There are kids riding their bikes and playing in the street. He requested speed limit signs for Broadstone, Quartz, Chasestone, Chapelstone and Limestone. Three (3) signs were installed at one end of these streets, but the residents of Stonegate Subdivision feel like they should be at both ends of the street. Additionally, they would also like to see yellow painted speed limits on the pavement. The construction on Tater Black and SW 14th have made the problem even worse.

February Action: David went out and all the signage is standard. He does not see it as a cut-through subdivision. He proposes that we get some traffic counts on Broadstone and table to next month. The Chief did also. He and Mr. Ross agreed. However, Mr. Ross suggested that Chapelstone would be the street to take counts on. Tony Davis said that they could take counts on both streets.

David Mills made the motion to table this until March, 2021, so that they can get some traffic counts for Chapelstone and Broadstone. Tony Davis gave a second. Motion approved. Mr. Ross said before school and after school are the worst times.

- B. Adam Osweiler – 1580 E. Stearns Street, Fayetteville AR 72703**
Phone: (479) 443-2377 Email: aosweiler@mce.us.com

Per Planning Commission review process, the Engineering, Planning and Fire departments have requested the design of a traffic calming device (raised crosswalk) installed in a residential subdivision off of North Rainbow Farm Road be approved by the TSS Committee.

February Action: This is regard to a raised crosswalk. Per Planning, Mr. Osweiler is before the Committee seeing their approval of a raised crosswalk. There was some discussion. Dennis suggested looking at other options. David Mills said that raised crosswalks is not a compliant MUTCD device, and are off the table. Chief Simpson said that they should return to Planning and look at other options, and that if we need to revisit this later, he can notify us. Tabled the matter until March 1, 2021. No formal vote.

- C. **Mia Standard, The Peel Compton Foundation (PCF) – 312 N. Main Street,
Bentonville, AR – Phone: (479) 254-3870
Email: mia.standard@peelcompton.org**

Request for additional signage in Coler Mountain Bike Preserve for directions to additional parking areas:

- Sign 1: Additional Coler Parking 0.2 mi. (with an arrow pointing west)
Sign 2: Coler Parking (with arrow pointing north toward the lot)

February Action: Mia Standard appeared for the Peel Compton Foundation representing Coler Mountain Bike Preserve. There was quite a bit of discussion and was quite involved. Chief Simpson suggested tabling this item to the March 2021 meeting. It was acceptable to the Committee. Camille Thompson said that she did not think the logo was going to be doable. We will look at all this and discuss at next meeting.

II. NEW BUSINESS:

- A. **Anna Lawson, 5835 W. Sunset, Springdale, AR 72762 – Phone: (479) 361-5847
Email: anna.lawson@hopecancerresources.org**

Regarding the 17th Annual Heather Ridley-Fleeman Battle for Hope race. This is a 10k/5k run and a 5k Walk with options of virtual or in-person participation. The date is May 1, 2021, at Old Tiger Stadium in Bentonville. Runners start at 7:30 am and Walkers start at 7:35 am. Approval from Lt. Michael Martin has been given, as well as Parks and Recreation. We are aware of the possible construction in Old Tiger. Josh Stacey with Parks and Recreation has reviewed our layout for race day and does not think it will be a problem.

- B. **Lauren Hildreth, Bike NWA – Phone: (262) 308-6542, Email: lauren@bikenwa.org**

Requesting to discuss the Slow Streets Program for 2021.

- C. **Layne Hyatt, Bentonville Parks & Recreation, 215 SW “A” Street, Bentonville, AR
Phone: (479) 271-3395 Email: lhayatt@bentonvillear.com**

1. Requesting temporary street closure of NE “A” Street from SE 2nd Street to East Central Avenue, on May 1, 2021, for the Square 2 Square Bike Ride. Approximate time: 7:00 am to 2:00 pm. BPR has discussed this closure with DBI, who will be hosting the Farmers Market on the Square that morning, as well as Tusk & Trotter, who support this closure.
2. Requesting for approval of a date change for the Bentonville Half Marathon event from April 10th to October 9th.

- D. **Dan Weese, Bentonville City Engineer, 3200 SW Municipal Dr., Bentonville, AR 72712
Phone: (479) 254-2024 Email: dweese@bentonvillear.com**

Planning and Engineering are requesting approval of a plan to install 4-way stops at specific locations in the southeastern portion of downtown. This will allow us to guide development to take advantage of these intersections for on-street parking. We currently review these as “one-offs” with a comprehensive strategy. The goal is to have at least 4 blocks between stop signs on collectors and 2 blocks on local streets. *See Attached Map*

Next Proposed Meeting Date: Monday, April 5, 2021 at 2:00 pm

###

Traffic and Signage Committee Neighborhood Traffic Management Request Form

The Committee Meets the First Monday of Every Month at 2 p.m. (Unless a Holiday)
at the Community Development Building, 305 SW A St. in the Planning Com. Chambers

Send form to Beverly Shepherd at bshepherd@bentonvillear.com
For any other information contact, Beverly at 479-271-3131

Name: W. R. Randy Ross Home Phone: 479-685-6675
Address: 4302 SW Chasestone Ave., Mgr Unit 1, Bentonville, Ar. Work Phone: _____
E-mail: rross92@gmail.com

Reason for application to agenda:

- Signage or traffic calming (Must have 3 signatures)
- Temporary Street Closure (Include Map showing the location of the closure, all signage and any applicable info.)
- Other

For Temporary Street Closures for Special Events: (prior to application)

Contact:

CPT Ray Shaskid phone: (479) 271-3180
LT Michael Martin phone: (479) 271-5967
email: michael.martin@bentonville.arkansas.gov
Please see RUN RULES located on the Transportation Page
@ www.bentonvillear.com

Describe the issue or problem and what you are requesting:

drivers driving too fast in the neighborhood, especially when kids are riding bikes and playing in the street. I requested speed limit signs for Broadstone, Quartz, Chasestone, Chapelstone and Limestone. Three signs were installed at one end of these streets, but we, all the residents in Stonegate Subdivision, feel that we need them at both ends of each street. I would like to see yellow painted speed limits on the pavement in addition to the signs. One day, one these children will be killed by a speeder and it will be too late. Increased traffic because of the construction on Tater Black & SW 14 have made the problem even worse. I myself have almost been run down three times while walking my dogs.

Please see **RUN RULES** located on the Transportation Page
@ www.bentonvillear.com

Describe the issue or problem and what you are requesting:

Our firm is designing a residential subdivision in Bentonville off of N. Rainbow Farm Road. We have one road internal to the subdivision that is required to have a traffic calming device installed. We currently have a raised crosswalk at the mid-block crossing to act as a traffic calming device. This design was taken from City of Bentonville's Traffic Calming Guidebook. During the Planning Commission review process, the engineering, planning, and fire departments have all requested that this design be reviewed and approved by this committee. I would appreciate the committee reviewing the attached design, and allowing the raised crosswalk. This design should both reduce traffic speeds and allow larger trucks to pass without damaging the truck, as well as increase pedestrian safety.

Illustration or Photo (Attach to Application if Necessary)

See attached for plan, detail, and example of raised crosswalk being proposed.

Please see **RUN RULES** located on the Transportation Page

@ www.bentonvillear.com

Describe the issue or problem and what you are requesting:

PCF operates Coler Mountain Bike Preserve, the demand for Coler parking spaces exceeds what is currently available. Coler Grove parking lot at 2500 Grove Ln off NW 3rd Street is underutilized, less known, and less visible from the road. The Coler South Gate parking lot at 304 NW 3rd Street is overflowing and often has cars parked along the fire lane. We're requesting 2 signs to help direct overflow to the lesser known Grove lot only 0.2 miles west on NW 3rd St. Sign 1 - Additional Coler parking 0.2 mi. with arrow point west, Sign 2 - Coler parking with arrow pointing north toward the lot. We'd like the official Coler logo used.

Describe the issue or problem and what you are requesting:

The request concerns our 2021 Heather Ridley-Fleeman Battle for Hope race. This is our 17th Annual event and will include a 10k/5k run and a 5k walk with options of virtual or in-person participation. Our event is Saturday, May 1, 2021 at Old Tiger Stadium in Bentonville. The race leaves from Old Tiger Stadium and continues to NW Cub and hits the trail and goes North. Runners will start at 7:30 a.m. and walkers will start at 7:35 a.m. Approval from Lt. Michael Martin with Bentonville Police Department has been given. Bentonville Parks and Recreation has also approved this event. We have been made aware of the possible construction in Old Tiger. Josh Stacey with Bentonville Parks and has reviewed our layout for race day and doesn't think it will be a problem.

LETTER OF CONFIRMATION - SPECIAL EVENTS

April 7, 2020

Dear **Anna Lawson**;

Bentonville Parks and Recreation has approved your Special Event request for Heather Ridley Fleeman 5K/10K on Saturday, May 1, 2021 at Old Tiger Stadium from 5:00-11:00am. We ask that you see below for any additional requirements from us.

These are public parks and we can not prohibit anyone from using the facilities. If another group is present at your site, please inform them of the time of your event and that you are scheduled through Bentonville Parks and Recreation. Also, show them this letter as proof of your reservation. There are several Park Ordinances that we ask your group to be aware of. These ordinances are:

- Bentonville Parks are open from Sunrise to 11pm.
- Please do not tamper with park property without prior written consent from the Bentonville Parks and Recreation Manager.
- Please do not litter in our parks. If you have an event, please clean up after your event has concluded.
- Disorderly or unlawful conduct is not allowed.
- Alcohol and Drugs are strictly prohibited.
- No fires are allowed, except in fireplaces or grills.
- Weapons or Firearms are not allowed in Bentonville City Parks.
- Fireworks are not allowed in Bentonville City Parks.
- Merchandising is not permitted without written consent from the Bentonville Parks and Recreation Director.
- All Dogs must be on a leash, except at the Dog Park location. Please clean up after your pet.
- Traffic regulations must be observed at all times. Please only park in designated parking areas.

In order to keep our parks and facilities beautiful, please be sure to clean up after your event.

We wish you well in your event and we hope you enjoy using the facility.

If you have an after hour emergency, please call 479-271-9625.
If you need police assistance, please call 479-271-3170
If we can be of further assistance, please call us at 479-464-7275.

Sincerely,

Danny Bartlett

Describe the issue or problem and what you are requesting:

The purpose of Slow Streets NWA is to make streets safer to walk, bike, and explore by creating accessible spaces for safe activities outdoors and increasing connectivity. On these streets, residents can exercise, make trips to local businesses, and explore the community right from their own neighborhood. The program focuses on areas lacking complete sidewalks and bike/pedestrian-friendly infrastructure, traffic-calming measures, and low-accessibility to trails and amenities.

See attached PDF for more details.

Bentonville 2021

A pedestrian-forward program designed as a partnership with the City of Bentonville, supported by BikeNWA.

Description

The purpose of Slow Streets NWA is to make streets safer to walk, bike, and explore by creating accessible spaces for safe activities outdoors and increasing connectivity. On these streets, residents can exercise, make trips to local businesses, and explore the community right from their own neighborhood. The program focuses on areas lacking complete sidewalks and bike/pedestrian-friendly infrastructure, traffic-calming measures, and low-accessibility to trails and amenities.

Program Details

- Four months, May-June and September-October
- Ideally, more than one route or location in the year split by month or spring/fall
- Routes and program details will be established by March to begin communication
- Short, intentional routes for traffic calming and shared road use of .5 mile-1 mile in length
- Route nominations and recommendation input from city and community

Responsibilities

City responsibilities include and are not limited to:

- Message and communication sharing through all appropriate channels
- Approval of BikeNWA branded Slow Streets signage and materials
- Collaboration on planning and execution, implementation support where appropriate
- Program messaging from the City should reflect the City's full support of this partnership and encourage the community to engage in Slow Streets responsibly

Communication

BikeNWA will continue to manage signage, marketing, and communication with support from the City.

- Mailers to be distributed in late March
- Pre-program signage in April (Slow Streets Coming Soon)

Describe the issue or problem and what you are requesting:

Planning and Engineering are requesting approval of a plan to install 4 way stops at specific locations in the southeastern portion of downtown. This will allow us to guide development to take advantage of these intersection for on street parking. We currently review these as "one-offs" without a comprehensive strategy. The goal is to have at least 4 blocks between stop signs on collectors and 2 blocks on local streets.
