Describe the issue or problem and what you are requesting:

In the afternoon, Ardis Ann pick-up (1:45-3 ish) people line up on the shoulder of Hwy 72 & overflow onto the R. lane of Elm Tree. Cars repeatedly block the cross walk that is used by both schools' parents & children. When this happens, motorists making L turns cannot see. →

people who are preparing to cross. Also, I have seen cars block the entire intersection for multiple light rotations in an effort to avoid the longer line on Elm Tree. I have also watched people block the North bound lane on 72 trying to cut the pick-up line already established on the shoulder — this has happened while the turning lane was also backed up past SW Chardonway Blvd — which also happens while the back north ~~exit~~ exit of Ardis Ann has school buses trying to enter & after school dismisses — cars & busses trying to exit.

I think there needs to be signage stating you can't block the crosswalk or intersection. There are a lot of people traveling quickly who get angry & then reactive ... I worry an unseen child will be hurt.

Describe the issue or problem and what you are requesting:

I Direct Infiniti Child Care located at 305 SE 22nd St. in Bentonville. The intersection of SE 22nd St. and C street has been the site of several car accidents and near accidents over the past few years. I believe this is because of increased traffic and an unclear two-way stop. Many drivers incorrectly treat it as a 4-way stop, causing them to enter 22nd St. when they don't have the right of way. We transport children to our center daily, and our drivers have reported several near accidents. One of our vans was recently in an accident at this intersection. Staff come to me weekly and report they have almost been hit at this intersection on their way to/from work.

Describe the issue or problem and what you are requesting:

There is a serious safety issue with our neighborhood, Preston Park, being used for school drop off and pick up to avoid the school line and traffic. Families in our community walk and bike to school. With congested streets, kids getting in and out of vehicles, foot and car traffic, we have had too many close calls with kids almost hit. Our request is that signage be placed on Hampton Ave and Preston Park Ave banning parking during specific hours and requiring proper school traffic procedures be followed.

Describe the issue or problem and what you are requesting:

The Official Strider Cup® race series. We are hosting the Strider Cup event on June 18th. It is for children 2 years old to 6 years old and we want to do it on the square. They would like to do registration on Friday night on Main only. It will follow the Farmers Market on Saturday set up at 1:30 PM. Schedule and maps attached.

We have reached out to Downtown Bentonville to get times. I have sent emails to the local businesses downtown as I think this will be a great event with families for Bentonville and downtown.

Strider Cup in the Bentonville Town Square on Saturday with the packet pickup being on Friday there in the square also and just wanted to jump in now and offer up any help that I can to make this all happen. Attached you will find the layouts that we are thinking of for both that Friday (packet pickup) June 17th and Saturday (race day) June 18th.

The schedule that I'm thinking for Friday would be from 4-7pm and the following race day schedule:

1:00 - 2:30	Setup
2:00 - 6:00	Packet Pickup and Registration
2:30 - 3:00	Open track
3:15 - 4:45	2 year old class (1 1/2 hours)
4:45 - 6:15	3 year old class (1 1/2 hours)
6:15 - 7:15	4 year old class (1 hour)
7:15 - 8:15	14x Class (1 hour)
8:15 - 10:00	Load out
