Describe the issue or problem and what you are requesting:

On May 20th and 21st the Momentary is having the Fresh Grass music festival. To help manage traffic flow, and allow for safer flow of pedestrian traffic. We are proposing a closure of E Street between 8th Street and 5th Street, and closing 7th Street between E Street and D Street. We will be using movable fence panels, and have each entry to the Streets staffed. Residents and Buisness will be able to access E Street from the intersection of E and 5th. The Closures would need to begin on Friday May 20st at 8:00AM and Run through 12:00 AM on Sunday May 22nd. At the end of the event each night we would remove the fence on E Street until the 8:00 the next morning.

Request modification of NE A Street temporary closure to include signage and crosswalk. The attached drawing includes a plan for a temporary crosswalk for trail users to access a temporary soft-surface trail west of NE A Street. The crosswalk would be at the intersection with the NE A Street Park driveway at the southern end of the NE A Street temporary closure. All permitted vehicle and trail movements would be controlled by stop signs.
