AMENDMENT TO WORK ORDER NO. 09
City of Bentonville
VB T East Taxiway Extension (South)
Construction Phase Services (CPS)
Project No. 19A13192

WORK ORDER AMENDMENT NO. 01

This Work Order Amendment No. 01 ("Amendment"), effective on the date last written below, shall amend the original work order between the **City of Bentonville** (Owner) and **Garver, LLC** (Garver), dated June 25, 2020 referred to in the following paragraphs as the "Agreement."

This Amendment adds professional services for the following improvements:

Construct a new parallel taxiway from the east terminal apron to the Runway 36 end. Install taxiway signage for the full east parallel taxiway (Taxiway B).

The Agreement is hereby modified as follows:

SECTION 1 – SCOPE OF SERVICES

This Amendment adds additional construction administration and construction observation services required due to construction time exceeding contract time.

SECTION 2 – PAYMENT

The table below presents a summary of the fee amounts and fee types modified by this Amendment:

WORK DESCRIPTION	FEE AMOUNT	FEE TYPE
Additional Construction Administration Services	\$4,500	Lump Sum
Additional On-Site Construction Observation Services	\$22,500	Cost + FF
TOTAL FEE	\$27,000	

Additional Construction Administration Services:

The lump sum amount to be paid under this agreement is **\$4,500**. For informational purposes, a breakdown of GARVER's estimated costs is included in Exhibit A-1 with approximate current hourly rates for each employee classification.

Additional On-Site Construction Observation Services:

For cost plus fixed fee services, the Owner will pay GARVER, for time spent on the project, at the unburdened hourly payroll rate of each of GARVER's personnel during the performance of these services for work time directly connected with the project, plus payroll and general overhead costs of 191.01% of the unburdened hourly rate, plus direct reimbursable expenses normal and necessary for the completion of the project, plus a fixed fee. The cost of these services, including the fixed fee is

\$22,500. For informational purposes, a breakdown of GARVER's estimated costs is included in Exhibit A-1 with approximate current hourly rates for each employee classification.

Expenses other than salary costs that are directly attributable to performance of our professional services will be billed as follows:

1. Direct cost for travel, long distance and wireless communications, outside reproduction and presentation material preparation, and mail/courier expenses.
2. Charges similar to commercial rates for reports, plan sheets, presentation materials, etc.
3. The amount allowed by the federal government for mileage with an additional \$0.05 for survey trucks/vans.

SECTION 3 – APPENDICES AND EXHIBITS

- 3.1 The following Appendices and/or Exhibits are attached to and made a part of this Agreement:
3.1.1 Appendix A-1 – Manhour Tables

Terms and conditions of the Agreement not modified herein remain unchanged and in full force and effect.

This Amendment may be executed in two (2) or more counterparts each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, Owner and Garver have executed this Amendment effective as of the date last written below.

RESOLUTION NO. _____

**A RESOLUTION AUTHORIZING THE MAYOR AND THE CITY CLERK
TO ENTER INTO AMENDMENT NO. 1 TO WORK ORDER NO. 9 WITH
GARVER ENGINEERING, IN THE AMOUNT OF TWENTY-SEVEN
THOUSAND DOLLARS (\$27,000.00), FOR CONSTRUCTION
OBSERVATION SERVICES ON THE SOUTHEAST TAXIWAY B
PROJECT; AND FOR OTHER PURPOSES.**

WHEREAS, an additional twenty-seven thousand dollars (\$27,000.00) was charged for construction observation, due to the construction time exceeding the contract time; and

WHEREAS, a reduction in the September invoice brings the project total under the allocated budget amount; therefore, no budget adjustment is needed.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY
OF BENTONVILLE, ARKANSAS THAT:**

Section 1: The Mayor and City Clerk are hereby authorized to enter into Amendment No. 1 to Work Order No. 9, in the amount of twenty-seven thousand dollars (\$27,000.00), with Garver Engineering, for professional services administered for the Southeast Taxiway B Project;

Section 2 - Severability Provision: If any part of this Resolution is held invalid, the remainder of this Resolution shall continue in effect as if such invalid portion never existed; and

Section 3 - Repeal of Conflicting Resolutions: All Ordinances, Resolutions, or Orders of the City Council, or parts of the same, in conflict with this Resolution are repealed to the extent of such conflict.

**WORK ORDER NO. 04
CITY OF BENTONVILLE
HANGAR ACCESS ROAD
DESIGN AND CONSTRUCTION PHASE SERVICES
Garver Project No. 2302223**

This WORK ORDER ("Work Order") is made by and between the **City of Bentonville** (hereinafter referred to as "**Owner**") and **Garver, LLC**, (hereinafter referred to as "**Garver**" or "**Engineer**") in accordance with the provisions of the MASTER AGREEMENT FOR PROFESSIONAL SERVICES executed on October 14, 2021 (the "Agreement").

Under this Work Order, the Owner intends to make the following improvements at Bentonville Municipal Airport (VBT):

Construct an access road from the south Fieldhouse parking lot to the recently constructed hangar development area adjacent to I Street.

Garver will provide professional services related to these improvements as described herein. Terms not defined herein shall have the meaning assigned to them in the Agreement.

SECTION 1 - SCOPE OF SERVICES

1.1 Garver shall provide the following Services:

1.1.1 See Exhibit A-04, attached.

1.2 In addition to those obligations set forth in the Agreement, Owner shall:

1.2.1 Give thorough consideration to all documents and other information presented by Garver and informing Garver of all decisions within a reasonable time so as not to delay the Services.

1.2.2 Make provision for the Personnel of Garver to enter public and private lands as required for Garver to perform necessary preliminary surveys and other investigations required under the applicable Work Order.

1.2.3 Obtain the necessary lands, easements and right-of-way for the construction of the work. All costs associated with securing the necessary land interests, including property acquisition and/or easement document preparation, surveys, appraisals, and abstract work, shall be borne by the Owner outside of this Agreement, except as otherwise described in the Services under Section 1.1.

1.2.4 Furnish Garver such plans and records of construction and operation of existing facilities, available aerial photography, reports, surveys, or copies of the same, related to or bearing on the proposed work as may be in the possession of Owner. Such documents or data will be returned upon completion of the Services or at the request of Owner.

1.2.5 Furnish Garver a current boundary survey with easements of record plotted for the project property.

1.2.6 Pay all plan review and advertising costs in connection with the project.

1.2.7 Provide legal, accounting, and insurance counseling services necessary for the project and such auditing services as Owner may require.

1.2.8 Furnish permits, permit fees, and approvals from all governmental authorities having jurisdiction over the project and others as may be necessary for completion of the project.

1.2.9 Furnishing Garver a current geotechnical report for the proposed site of construction. Garver will coordinate with the geotechnical consultant, Owner has contracted with, on Owner's behalf for the project specific requested information.

SECTION 2 – PAYMENT

For the Services set forth above, Owner will pay Garver on a lump sum and cost plus fixed fee basis as shown in the following table.

The table below presents a summary of the fee amounts and fee types for this Work Order.

WORK DESCRIPTION	FEE AMOUNT	FEE TYPE
Surveying Services	\$4,700	LUMP SUM
Geotechnical Services	\$4,300	LUMP SUM
Design Services	\$36,600	LUMP SUM
Construction Phase Services	\$25,500	LUMP SUM
Materials Testing Services	\$8,550	COST+FF
TOTAL FEE	\$79,650	

Surveying, Geotechnical, Design, and Construction Phase Services

The lump sum amount to be paid under this Work Order is **\$71,100**. For informational purposes, a breakdown of Garver's estimated costs is included herein with approximate current hourly rates for each employee classification.

Materials Testing Services

The Owner will pay Garver an amount submitted by Garver calculated as follows: The actual fee for materials testing services negotiated with Grubbs, Hoskyn, Barton, and Wyatt, as a subconsultant to Garver, which is estimated to be approximately \$7,400, plus an administrative markup of \$1,150 for a total fee of **\$8,550**.

Additional Services (Extra Work). For services not described or included in Section 1, but requested by the Owner in writing, the Owner will pay Garver as expressly set forth in the applicable Amendment.

SECTION 3 – EXHIBITS

- 3.1 The following Appendices are attached to and made a part of this Work Order:
 - 3.1.1 Exhibit A-04 – Scope of Services
 - 3.1.2 Exhibit B-04 – Manhour Tables
 - 3.1.3 Exhibit C-04 – Project Exhibit

This Work Order may be executed in two (2) or more counterparts each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Approval and acceptance of this Work Order, including attachments listed in SECTION 3 – EXHIBITS, shall incorporate this document as part of the Agreement. Garver is authorized to begin performance upon receipt of a copy of this Work Order signed by the Owner. The effective date of this Work Order shall be the last date written below.

EXHIBIT A-04 (SCOPE OF SERVICES)

Generally, the Scope of Services includes the following professional services for improvements to the westside hangar access at Bentonville Municipal Airport. Improvements will consist primarily of a new access road extending from the south Fieldhouse parking lot to the recently constructed hangar development area adjacent to I Street as shown in Exhibit C-04. More specifically, this Scope of Services includes the following professional engineering and surveying services:

- Surveying Services
- Geotechnical Services
- Design Services
 - 90% Final Design
 - 100% Issued for Bid
- Construction Phase Services
- Materials Testing Services

1. SURVEYING SERVICES

- 1.1. Design Surveys. Garver will provide field survey data from field work for designing the project, and this survey will be tied to the Owner's control network.
- 1.2. Garver will conduct field surveys, utilizing radial topography methods, at intervals and for distances at and/or along the project site as appropriate for modeling the existing ground, including locations of pertinent features or improvements. Buildings and other structures, airfield pavements, streets, drainage features, airfield lights and signs, fences, trees over eight inches in diameter, visible utilities as well as those underground utilities marked by their owners and/or representatives, and any other pertinent topographic features that may be present at and/or along the project site, will be located. Control points will be established for use during construction. All surveys shall be conducted during normal working hours.
- 1.3. Garver will assemble data obtained during the performance of the field surveys in an AutoCAD Civil3D base map drawing to be utilized for design of the project.

2. GEOTECHNICAL SERVICES

- 2.1. Grubbs, Hoskyn, Barton & Wyatt, as a subconsultant to Garver, will be responsible for obtaining, interpreting, and evaluating geotechnical data necessary for the design of this project. The following is a summary of the geotechnical services provided under this Scope of Services.
- 2.2. Geotechnical services will include a review of the existing geotechnical report dated May 12, 2021. Review of all previous recommendations included in this report, in addition to any necessary revisions and consultation with Garver, will be included with these services. Additional recommendations for light and heavy duty vehicular traffic will be provided.

3. DESIGN SERVICES

- 3.1. General: Garver will prepare detailed construction drawings, specifications, instructions to bidders, and general provisions and special provisions, all based on guides furnished to Garver by the Owner and FAA, ARDOT, or internally developed by Garver. Contract Documents (Plans, Specifications, and Estimates) will be prepared for award of one (1)

construction contract. These designs shall conform to the standards of practice ordinarily used by members of Garver's profession practicing under similar conditions and shall be submitted to the Owner from which approval must be obtained.

- 3.2. Owner / Agency Coordination: Garver's project manager and/or design team will coordinate with the Owner as necessary to coordinate design decisions, site visits, document procurement, or other design needs.

- 3.3. Project Management Plan / Quality Control Procedures

- 5.3.1 Garver will develop a project specific project management plan. The project management plan will include the project background, scope of work, stakeholder contact information, project team organization and roles, design criteria, project schedule, deliverables, and quality control procedures.

- 5.3.2 Garver will complete quality control reviews for each deliverable prior to any design submission to Owner and/or FAA. Quality control reviews will be completed by qualified project managers, project engineers, and/or senior construction observers who are experienced in the relevant discipline and design elements under review. Weekly internal progress meetings will be held during all design phases to ensure adequate quality control throughout the design phases.

- 3.4. Environmental Coordination

- 3.4.1. Garver will develop a Stormwater Pollution Prevention Plan (SWPPP), including erosion control plans and details. Upon Owner review, the SWPPP and NOI shall be submitted to the Arkansas Division of Environmental Quality (ADEQ) for review. Garver will incorporate comments from the review agency.

- 3.4.2. Garver will coordinate and complete documentation for submission to FAA to receive environmental clearance for the project. Documentation will include that required by the documented CATEX questionnaire of FAA SOP 5.0.

- 3.5. Airspace Analysis: Garver will prepare and submit the project to the FAA for permanent airspace clearance on the Obstruction Evaluation and Airport Airspace Analysis (OE/AAA) website and coordinate with FAA representatives.

- 3.6. Construction Safety and Phasing Plan

- 3.6.1. Garver will develop a construction safety and phasing plan (CSPP) for the project. During development of the CSPP, Garver will hold a meeting with Airport staff and other stakeholders at the Airport's request to obtain feedback regarding operations during each proposed phase of construction.

- 3.6.2. After receiving comments from the meeting, Garver will develop a preliminary CSPP for the Owner's review prior to submission to the FAA. After incorporating Owner comments, the CSPP will be submitted to FAA for review through the OE/AAA website.

3.7. Existing Conditions Review

3.7.1. Record Document Review: Garver will review record document data from the vicinity of the construction site to evaluate existing conditions. Record document data may include record drawings, record surveys, utility maps, GIS data, and previous design reports.

3.7.2. Site Visits: Garver's civil and electrical engineers will perform up to two (2) site visits to the project site to review existing conditions and evaluate survey and record document data.

3.8. Grading and Drainage: Grading and drainage design shall be completed in accordance with FAA AC 150/5300-13 (Airport Design), FAA AC 150-5320-5 (Airport Drainage Design), and applicable local drainage codes.

3.8.1. Garver will develop hydrologic and hydraulic models of the airfield drainage system within the project limits for the 1, 2, 5, 10, 25, 50, and 100 year storms. Autodesk Storm and Sanitary Analysis will be utilized to complete interconnected pond analysis for all drainage areas. Modeling methodology and parameters will be selected in accordance with standard engineering practice and Owner standards. Modeling parameters, such as areas, slopes, drainage paths, distances, etc. will be obtained from surveys, planimetric contour maps and aerial photos and verified by field investigation.

3.8.2. A pre-development model will be developed to include drainage infrastructure that is known to be functional. Damaged or non-functional drainage infrastructure will not be included in the pre-development model. Garver will also develop a post-development model to manage runoff from the project site. The post-development model may include the expansion of the existing detention areas as well as potential onsite mitigation options.

3.8.3. Garver will develop a brief drainage analysis report which will be submitted to the City of Bentonville for review. The drainage analysis report will include the following:

- Pre-development Drainage Methodology and Results
- Conceptual Post-development Drainage Methodology and Results
- Overall Drainage Recommendations

3.9. Block Retaining Wall Design: Through a Subconsultant, block retaining wall redesign will be completed to facilitate the relocation of the existing retaining wall east of the proposed access road alignment.

3.10. Utility Design and Coordination: It is expected that the following utilities will require relocation / modification as part of the project. Garver will coordinate with the Owner and applicable utility owners for utility relocation design. In addition to the utilities listed below, Garver will also design infrastructure for future utility extensions.

- Water
- Sewer
- Natural Gas
- Electric
- Telecommunications

Garver will furnish plans to all known utility owners potentially affected by the project at each stage of development. Garver shall conduct coordination meetings among all known affected utility owners to enable them to coordinate efforts for any necessary utility relocations. Garver will include the surveyed locations of the observable and marked utilities in the construction plans. Garver will also include proposed and/or relocated utility information in the construction plans as provided by the utility companies.

3.11. Plan Set Development

The following matrix details the plan drawings to be included in each design submittal.

3.12. Specifications and Contract Documents

3.12.1. Technical Specifications: Detailed specifications shall be developed using FAA "Standards for Specifying Construction for Airports" AC 150/5370-10 (latest edition) or other appropriate standards approved for use by the FAA. Additional supplementary specifications will be developed for project requirements not covered by FAA AC150/5370-10 or when state or local standards are approved by the FAA.

3.12.2. Construction Contract Documents: Garver will develop construction contract documents based on EJCDC standards. A specimen copy of the General Provisions and applicable prevailing wage rates will be obtained by Garver from the FAA and/or Department of Labor as appropriate for incorporation into the specifications for the proposed project. Final construction contract documents will be submitted to the Owner for final review and approval.

3.13. Quantities and Engineer's Opinion of Probable Cost: Garver will develop detailed quantities in PDF format for use in construction cost estimating for each design phase. Quantities will be completed by pay item. Upon the completion of quantity development, Garver will review previous cost data and market conditions and complete an Engineer's Opinion of Probable Cost.

3.14. Design Services Submission and Meeting Summary: The following design submittal phases shall be included in the fee summary. A summary of each design phase and the associated review meetings is included below.

3.14.1. Conceptual Planning Meeting

3.14.1.1. Garver will attend a conceptual meeting with the City's planning department to review the project scope and schedule.

3.14.2. 90% Preliminary Design

3.14.2.1. Garver will develop 90% design plans and drainage report and submit these to the Owner for review. Garver will attend a Pre-Application meeting with the City to review the project plans. Garver will then coordinate the submission of the preliminary plans for official City review through eTrakit.

3.14.2.2. At the completion of the Owner review period, Garver will meet with the Owner to review the 90% final design plans to receive Owner comments and direction.

3.14.3. 100% Issued for Bid (IFB): Garver will develop 100% IFB plans and specifications and submit these to the Owner for review.

4. **CONSTRUCTION PHASE SERVICES**

4.1. During the construction phase of work, Garver will accomplish the tasks below.

4.2. Issued for Construction (IFC) Documents

4.2.1. Garver will compile bid addendums and any other necessary plan changes due to post-bid project updates and/or funding changes into a final Issued for Construction (IFC) set of plans and specifications.

4.3. Submittals

- 4.3.1. Garver will evaluate and respond to construction material submittals and shop drawings. Corrections or comments made by Garver on the shop drawings during this review will not relieve Contractor from compliance with requirements of the drawings and specifications. The check will be for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The Contractor will be responsible for confirming and correlating all quantities and dimensions, selecting fabrication processes and techniques of construction, coordinating his work with that of all other trades, and performing his work in a safe and satisfactory manner. Garver's review shall not constitute approval of safety precautions or constitute approval of construction means, methods, techniques, sequences, procedures, or assembly of various components. When certification of performance characteristics of materials, systems or equipment is required by the Contract Documents, either directly or implied for a complete and workable system, Garver shall be entitled to rely upon such submittal or implied certification to establish that the materials, systems or equipment will meet the performance criteria required by the Contract Documents.

4.4. Notice to Proceed & Preconstruction Meeting

- 4.4.1. Garver will issue a Notice to Proceed letter to the Contractor and attend preconstruction meeting. Garver will provide meeting minutes for submission to all parties at the conclusion of the meeting.

4.5. Progress Meetings

- 4.5.1. As a minimum, Garver's Project Manager, Project Engineer, and Resident Project Representative (RPR) will attend weekly progress meetings with the Owner and Contractor. It is expected that 7 meetings will be held via conference call. To the extent possible, progress meetings and visits to the site of the work should be scheduled to coincide with each new phase of construction, scheduled FAA inspections, and other times when Garver's presence is desirable. Garver's project engineer or his qualified representative will be available at all times work is in progress for telephone contact by the RPR. Garver's project engineer shall direct, supervise, advise, and counsel the Resident Project Representative and construction observation personnel in the accomplishment of Garver's duties. Garver will prepare for and attend any utility preconstruction meetings as required.

4.6. Owner Coordination

- 4.6.1. Garver will consult with and advise the Owner during the construction period. Garver will submit, when requested by the Owner, written reports to the Owner on the progress of the construction including any problem areas that have developed or are anticipated to develop.

4.7. RFIs

- 4.7.1. Garver will issue instructions to the Contractor on behalf of the Owner and issue necessary clarifications (respond to RFIs) regarding the construction contract documents.

4.8. Progress Payments

4.8.1. Garver will prepare Contractor's progress payment requests based on the actual quantities of contract items completed and accepted and will make a recommendation to the Owner regarding payment. Garver's recommendation for payment shall not be a representation that Garver has made exhaustive or continuous inspections to (1) check the quality or exact quantities of the Work; (2) to review billings from Subcontractors and material suppliers to substantiate the Contractor's right to payment; or (3) to ascertain how the Contractor has used money previously paid to the Contractor.

4.9. Record Drawings

4.9.1. Garver will maintain a set of working drawings and provide information for preparation of record drawings of the completed project. This information will be incorporated into final record drawings completed as part of Grant Closeout Services and final record drawings will be provided to the Owner after project completion. Garver shall prepare a set of utility record drawings and prepare and furnish record drawings to local utilities as required.

4.10. Change Orders

4.10.1. When authorized by the Owner, Garver will prepare change orders or supplemental agreements for changes in the work from that originally provided for in the construction contract documents. If redesign or substantial engineering or surveying is required in the preparation of these change order documents, the Owner will pay Garver an additional fee to be agreed upon by the Owner and Garver.

4.11. Final Inspection

4.11.1. Garver will participate in a pre-final walkthrough with the Owner. Garver will also participate in a final project inspection with the Owner and Contractor, prepare a punch list, review final project closeout documents, and submit the final pay request.

4.12. On-Site Resident Project Representative Services

4.12.1. Garver will provide part-time Resident Project Representative (RPR) services for the 45-calendar-day construction contract performance time. The proposed fee is based on approximately 4 hours per week during the construction contract performance time for the RPR, plus an additional one (1) weeks for weather and other delays beyond the Contractor's control. If the construction time extends beyond the time established in this agreement or if the Owner wishes to increase the time or frequency of the observation, the Owner will pay Garver an additional fee agreed to by the Owner and Garver. All RPR personnel shall have the appropriate experience and qualifications. Garver will provide additional observation services for post-construction City inspections and punch list reviews (approximately 12 hours).

4.12.2. During the construction period, Garver's RPR will provide or accomplish the following:

- Consult with and advise the Owner during the construction period. Garver will submit, when requested by the Owner, written reports to the Owner on the progress of the construction including any problem areas that have developed or are anticipated to develop. In addition, Garver shall supply to the Owner such periodic reports and information as may be required by the FAA
- As necessary, conduct safety meetings with the Contractor.

- Coordinate with the firm providing construction materials quality assurance testing. Coordinate with this firm to ensure that all material tests required for construction are scheduled and accomplished in a manner that will not delay the Contractor unnecessarily and will meet specification requirements as to location and frequency.
- Perform intermediate inspections in advance of the final inspection.
- Maintain a file of quantities incorporated into the work, test reports, certifications, shop drawings and submittals, and other appropriate information.
- In accordance with FAA AC 150/5370-12A, maintain a project diary which will contain information pertinent to each site visit.
- Monitor the contractor's conformance to the approved construction safety and phasing plan.
- Provide up to 6 hours of survey crew time for as-built verification, etc.

4.12.3. In performing construction observation services, Garver will endeavor to protect the Owner against defects and deficiencies in the work of the Contractor(s); but Garver does not guarantee the performance of the Contractor(s), nor is Garver responsible for the actual supervision of construction operations. Garver does not guarantee the performance of the contracts by the Contractors nor assume any duty to supervise safety procedures followed by any Contractor or subcontractor or their respective employees or by any other person at the job site. However, if at any time during construction Garver observes that the Contractor's work does not comply with the construction contract documents, Garver will notify the Contractor of such non-compliance and instruct him to correct the deficiency and/or stop work, as appropriate for the situation. Garver will also record the observance, the discussion, and the actions taken. If the Contractor continues without satisfactory corrective action, Garver will notify the Owner immediately, so that appropriate action under the Owner's contract with the Contractor can be taken.

4.13. Grant Closeout Services

4.13.1. At the conclusion of construction, Garver will assist the Owner in submission of state grant closeout documents for the project.

5. MATERIALS TESTING SERVICES

5.1. Through a Subconsultant, Garver shall provide the quality assurance testing for the project as required by the Plans and Specifications in accordance with the Owner's requirements.

6. PROJECT DELIVERABLES

6.1. The following deliverables will be submitted to the parties identified below. Unless otherwise noted below, all deliverables shall be electronic.

- 90% Preliminary Design Plans and Specifications to the Owner.
- 100% Issued for Bid Plans and Specifications to the Owner.
- Issued for Construction Plans and Specifications to the Owner and Contractor.
 - Three hard copies to the Contractor
- Reviewed submittals to the Contractor.
- Record Plans and Specifications to the Owner.
 - One hard copy to the Owner.
- Other electronic files as requested.

7. ADDITIONAL SERVICES

- 7.1. The following items are not included under this agreement but will be considered as additional services to be added under Amendment if requested by the Owner.
- Redesign for the Owner's convenience or due to changed conditions after previous alternate direction and/or approval.
 - Deliverables beyond those listed herein.
 - Pavement Design beyond that furnished in the Geotechnical Report.
 - Design of any utility relocation not specifically stated in the Design Services.
 - Bidding Services
 - Engineering, architectural, or other professional services beyond those listed herein.
 - Retaining walls or other significant structural design not specifically stated in the Design Services.
 - Environmental Handling and Documentation, including wetlands identification or mitigation plans or other work related to environmentally or historically (culturally) significant items.
 - Coordination with FEMA and preparation/submittal of a CLOMR and/or LOMR.
 - Services after construction, such as warranty follow-up, operations support, and Part 139 inspection support.

8. SCHEDULE

- 8.1. Garver shall begin work under this Agreement upon execution of this Agreement and shall complete the work within a mutually agreeable schedule with the Owner.

Project Overview

This Statement of Work (“SOW”) reflects the services and material to be provided by Heartland Business Systems, LLC, (hereinafter referred to as “HBS”) for City of Bentonville (hereinafter referred to as “Customer Abrv.” or “Customer”).

The City of Bentonville has reached out to HBS for assistance with installing/configuring 1 new Dell-EMC Unity Array as well as migrating data off the old storage array and onto the new.

The objectives of the project are:

- To replace the existing Unity 450f with newer hardware.
- To migrate data from the Unity 450f to newer hardware.

Project Scope

HBS will provide the following services (hereinafter referred to as the “Scope”):

This project is expected to take less than 2 weeks to complete from the project kick-off. In the event that an extension to the project timeline is required, the parties shall utilize the Change Order process.

In Scope

- Assist customer with data gathering for Pre-Engagement Questionnaire (PEQ)
- Unity NIC Configuration (mgmt and data)
- Unity System Configuration
- Update Unity to latest GA code level if needed
- Create Unity LUNS to be presented as VMware VMFS Datastores
- Map new Unity LUNS to ESXi Hosts
- Perform Storage Re-scan in vCenter to ensure new Datastores are present
- Create 1 test VM on Datastore01. vMotion Test VM from Datastore01 to Datastore02
- Move Test VM back to Datastore01 from Datastore02
- Migrate up to 5 VMs from the Unity 450f to the Unity 480f leveraging VMware Storage vMotion
- Create 5 LUNS/Datastores on the Unity 480f to be used by the Windows File Server Failover Cluster Manager
- Map new LUNS to ESXi Hosts
- Perform Storage Re-scan in vCenter to ensure new Datastores are present
- Attach new LUNS/Datastores to the VM named Data01 as RDM type and assign Drive Letters within the Windows OS
- Attach new LUNS/Datastores to the VM named Data02 as RDM type and assign Drive Letters within the Windows OS
- Attach new LUNS/Datastores to the VM named Data03 as RDM type and assign Drive Letters within the Windows OS
- Make sure newly created LUNS for WFCS are present in Windows Server Failover Clustering (WSFC)
- Create ESXi Host Affinity Rules to keep Data01, Data02 and Data03 on different Hosts for WFCS Configuration
- Use Robocopy tool to copy User/Department Shares and User Profiles from the Unity 450f to the Unity 480f

- Two 1 hour 1 on 1 Knowledge Transfer Sessions with the City of Bentonville IT Staff

Out of Scope

-
- Project management is not included for this project.
- Any work or material not specifically identified in this document is not included in this Agreement. The out-of-scope items shall include the following: Deployment of any additional equipment not specifically listed in this SOW or Quote for the project.
- Dependent applications issues not caused by migration
- Firewall changes – Heartland Business Systems will advise on any necessary changes
- Any work or material not specifically identified in this document is not included in this Agreement.

Additional Requirements and Conditions

- HBS and Customer will both ensure that adequate resources, for which each respective party is responsible, are available when needed throughout the duration of this engagement. The timely completion of this engagement will depend on the availability of the necessary Customer personnel.
- HBS Engineering shall provide updates to Customer regarding the project. The Solutions Consultant shall be the Customer's primary contact for any questions regarding billing.
- The timely completion of this engagement will also depend on the availability and delivery of the product(s) associated with this SOW from other vendors. Any shipping and delivery dates are approximate and are not guaranteed and are subject to the current availability of products from third party vendors, production schedules of third party vendors, and supply chain delays and shortages, all of which are outside the control of HBS. Such delays may extend the duration of the project and may result in budget impacts and increased time to manage resources against the estimated product delivery. In the event that a delay may impact the project, the parties shall utilize the change order process in order to address the impacts of such delay.
- Any potential dependencies discovered prior to or during implementation will be communicated to Customer and HBS to determine impact to the timing, scope and pricing for the project, and the parties shall utilize the Change Order process as necessary.

Customer Responsibilities

Site and System(s) Readiness

The items listed below shall be the responsibility of the customer:

- Customer to provide remote access prior to and throughout the project
- Customer will do the initial Racking/Cabling/IP Config of the new Unity 480f
- Customer will provide sufficient ports and connections for 1Gb (1x for mgmt.) and 10Gb (4x for data traffic) as well as 2 NEMA 515 for Unity 450f connectivity
- Customer will provide enough Rack Space for installing the new equipment (Unity 450f)

Working Conditions and Access

The items listed below shall apply to the extent applicable:

- Customer will provide a Single Point of Contact with decision making ability to interface with HBS. This person is responsible for signing off on Scope of Work and Change Order documents throughout the project.
- Customer will provide Subject Matter Experts (SMEs) when required by project personnel and/or project activities. If delays in the project timeline are a result of delayed access to SME personnel or any other Customer delays, Customer may be subject to additional charges.
- Customer will provide HBS with access, including all password and logins, to required existing network or system assets listed in the scope.
- Customer will provide HBS with proper access and workspace areas at Customer locations that includes internet, physical and remote access to in scope infrastructure or systems.
- Customer will allow the HBS engineer to connect their computer to Customer network in order to perform their duties. HBS will allow Customer to examine said notebook for current anti-virus software, if needed.
- Customer will allow HBS unescorted access to computer rooms, equipment closets and the general facility. If unescorted access is not available, Customer shall assign access levels appropriately and coordinate escorts.
- Customer will provide adequate access and credentials required for the assessment of all components or systems listed in the scope.
- Customer will provide remote access prior to, and throughout, the project if required.
- Customer will have working Internet access available where the work will be performed.
- Customer is responsible for resolving problems outside the SOW that are beyond the control of HBS. These shall include but not be limited to software/firmware bugs, vendor engineering support cases, hardware failures, telecommunication circuits, server issues, desktop issues, the acts or omissions of any third party, or any other occurrence not caused by HBS. HBS can assist with these out-of-scope issues through the Change Order process or on a time and materials basis.

Testing, Notification and Change Control

- Customer will provide advanced notification of any network outages or changes during the implementation period.
- Customer will assist with the creation of and perform user acceptance testing and post-migration end-point validations.
- HBS and Customer will provide 48-hour notification of any schedule changes.
- Customer will assist with the design, testing and validation of the project Deliverables .
- Customer and HBS agree that work shall progress when Customer staff is not available to participate.

Deliverables

The following are the deliverables HBS will provide to Customer (hereinafter referred to as “Deliverables”) for this project:

Any change to the Deliverables listed below will require a Change Order.

#	Deliverables
1	Implementation of one new Unity 480f Storage Array
2	Migration of VM's, File Data and User Profiles from the old Storage Array to the new Storage Array
3	KT Session with IT Staff to go over the New Environment Components

Fixed Fee Pricing

- This SOW is fixed fee. Any additional work required under a Change Order will also be billed to City of Bentonville

Service and equipment identified in this SOW do not include any taxes that may be applicable. Any such taxes shall be specified on an invoice as a separate line item.

Project Completion

Project will be complete when all Deliverables have been provided to Customer.

Customer will have seven (7) business days to review the Deliverables for the project. If HBS does not receive a written notice of rejection describing the basis for rejection within this period, the Deliverables will be considered accepted.

After the completion of the project, support may be obtained by contacting the HBS Account Manager. Support will be billed at an agreed upon rate for services rendered.

Change Management

Additional products and services beyond the In-Scope deliverables listed above are considered out of scope and require a Change Order executed by the parties before any such work can be performed. Any additions, deletions, or modifications to the Agreement, regardless of change to project value, require a Change Order.

Terms

Binding Agreement. This SOW describes the professional services and/or products, and results to be provided by HBS. Upon execution, this SOW shall be contractually binding on the parties. The HBS Standard Terms and Conditions are also made part of this Agreement.

Order of Precedence. Any ambiguity or inconsistency between or among the statements of this SOW and the Standard Terms and Conditions shall be resolved by giving priority and precedence in the following order:

- Statement of Work
- Standard Terms and Conditions

Work Hours. All professional services work will be completed during the normal business hours of 8:00 am – 5:00 pm Monday - Friday Central Time. Any work occurring after 5:00 pm or before 8:00 am or on weekends is subject to a bill rate of 1.5 times the normal rate, unless the parties agree otherwise in writing. In the event that any change to the above-stated work hours is required, whether due to shipping or delivery delays or any other reason, the parties shall utilize the Change Order process.

General. No other promises have been made related to this SOW except for those stated in this SOW. This SOW supersedes all other agreements or promises related to this project and SOW. HBS shall not be responsible for any delay caused by the Customer or its vendors or contractors, equipment or shipping delays, or any other occurrence not caused by HBS.

Confidentiality. Each party may have access to confidential information concerning the methodologies, pricing, and business practices of the other. Neither party shall make any use of such information of the other party except in connection with the exercise of its rights and responsibilities under this SOW.

Approval

An authorized signature below indicates acceptance of all terms of this SOW. The individual signing warrants and represents that the individual is a duly authorized representative with full authority to enter into this Agreement on behalf of the individual's organization.

TIPS VENDOR AGREEMENT

Between Heartland Business Systems, LLC and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
TIPS RFP 220105 Technology Solutions, Products and Services

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company.

Disclosures

- Vendor and TIPS affirm that he/she, or any authorized employees or agents, has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately five (5) years with an option for renewal for an additional one (1) consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term. TIPS may or may not exercise the available extension(s) provided in the original solicitation beyond the base five-year term. Whether or not to offer the extension is at the sole discretion of TIPS.

“Start Date” for Term Calculation Purposes Only: Regardless of actual award/effective date of Contract, for Agreement “term” calculation purposes only, the Agreement “start date” is the last day of the month that

Award Notifications are anticipated as published in the Solicitation.

Example: If the anticipated award date published in the Solicitation is May 22, 2020 but extended negotiations delay award until June 27, 2020 the end date of the resulting initial “five-year” term Agreement, (which is subject to an extension(s)) will still be May 31, 2025 in this example.

“Termination Date”: The scheduled Agreement “termination date” shall be the last day of the month of the month of the Original Solicitation’s Anticipated Award Date plus five years.

Example: If the original term is approximately five years, and the solicitation provides an anticipated award date of May 22, 2020, the expiration date of the original five-year term shall be May 31, 2025 in this example.

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires.

Example Following the Previous Example: If TIPS offers a one-year extension, the expiration of the extended term shall be May 31, 2026 in this example.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

TIPS reserves the right to solicit proposals at any time it is in the best interest of TIPS and/or its members.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.

- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Site Requirements (*only when applicable to service or job*)

Cleanup: When performing work on site at a TIPS Member's property, awarded Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Awarded Vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered sex offender restrictions: For work to be performed at schools, awarded Vendor agrees that no employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Awarded Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member's discretion. Awarded Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge. **Safety measures:** Awarded Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Awarded Vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Safety Measures

Awarded Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Awarded vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public

and existing structures from injury or damage.

Smoking

Persons working under Agreement shall adhere to the TIPS Member's or local smoking statutes, codes or policies.

Marketing

Awarded Vendor agrees to allow TIPS to use their name and logo within TIPS website, marketing materials and advertisement subject to any reasonable restrictions provided to TIPS in the Proposal to the Solicitation. The Vendor may submit an acceptable use directive for Vendor's names and logos with which TIPS agrees to comply. Any use of TIPS name and logo or any form of publicity, inclusive of press release, regarding this Agreement by awarded vendor must have prior approval from TIPS which will not be unreasonably withheld. Request may be made by email to TIPS@TIPS-USA.COM.

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

Survival Clause

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

Legal obligations

It is the responding Vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in the applicable Solicitation that resulted in this Vendor Agreement and any awarded Agreement thereof. Applicable laws and regulations must be followed even if not specifically identified herein.

Audit rights

Due to transparency statutes and public accountability requirements of TIPS and TIPS Members', the awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by

TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting of TIPS related purchases for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

Choice of Law

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

Venue, Jurisdiction and Service of Process

Any Proceeding arising out of or relating to this procurement process or any contract issued by TIPS resulting from or any contemplated transaction shall be brought in a court of competent jurisdiction in Camp County, Texas and each of the parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or any contemplated transaction in any other court. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. Venue for any dispute resolution process, other than litigation, between TIPS and the Vendor shall be located in Camp or Titus County, Texas.

Project Delivery Order Procedures

The TIPS Member having approved and signed an interlocal agreement, or other TIPS Membership document, may make a request of the awarded Vendor under this Agreement when the TIPS Member desires goods or services awarded to the Vendor. Notification may occur via phone, the web, courier, email, fax, or

in person. Upon notification of a pending request, the awarded Vendor shall acknowledge the TIPS Member's request as soon as possible, but must make contact with the TIPS Member within two working days.

Status of TIPS Members as Related to This Agreement

TIPS Members stand in the place of TIPS as related to this agreement and have the same access to the proposal information and all related documents. TIPS Members have all the same rights under the awarded Agreement as TIPS.

Vendor's Resellers as Related to This Agreement

Vendor's Named Resellers ("Resellers") under this Agreement shall comply with all terms and conditions of this agreement and all addenda or incorporated documents. All actions related to sales by Authorized Vendor's Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller.

Support Requirements

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserves the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor's response to same and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

SECTION HEADERS OR TITLES

THE SECTION HEADERS OR TITLES WITHIN THIS DOCUMENT ARE MERELY GUIDES FOR CONVENIENCE AND ARE NOT FOR CLASSIFICATION OR LIMITING OF THE RESPONSIBILITIES OF THE PARTIES TO THIS DOCUMENT.

STATUTORY REQUIREMENTS

Texas governmental entities are prohibited from doing business with companies that fail to certify to this condition as required by Texas Government Code Sec. 2270.

By executing this agreement, you certify that you are authorized to bind the undersigned Vendor and that your company (1) does not boycott Israel; and (2) will not boycott Israel during the term of the Agreement.

You certify that your company is not listed on and does not and will not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations per Texas Gov't Code 2270.0153 found at <https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf>

You certify that if the certified statements above become untrue at any time during the life of this Agreement that the Vendor will notify TIPS within three (3) business day of the change by a letter on Vendor's letterhead from and signed by an authorized representative of the Vendor stating the non-compliance decision and the

TIPS Agreement number and description at:

Attention: General Counsel
ESC Region 8/The Interlocal Purchasing System (TIPS)
4845 Highway 271 North
Pittsburg, TX, 75686
And by an email sent to bids@tips-usa.com

Insurance Requirements

The undersigned Vendor agrees to maintain the below minimum insurance requirements for TIPS Contract Holders:

General Liability	\$1,000,000 each Occurrence/ Aggregate
Automobile Liability	\$300,000 Includes owned, hired & non-owned
Workers' Compensation	Statutory limits for the jurisdiction in which the Vendor performs under this Agreement.
Umbrella Liability	\$1,000,000

When the Vendor or its subcontractors are liable for any damages or claims, the Vendor's policy, when the Vendor is responsible for the claim, must be primary over any other valid and collectible insurance carried by the Member. Any immunity available to TIPS or TIPS Members shall not be used as a defense by the contractor's insurance policy. The coverages and limits are to be considered minimum requirements and in no way limit the liability of the Vendor(s). Insurance shall be written by a carrier with an A-; VII or better rating in accordance with current A.M. Best Key Rating Guide. Only deductibles applicable to property damage are acceptable, unless proof of retention funds to cover said deductibles is provided. "Claims made" policies will not be accepted. Vendor's required minimum coverage shall not be suspended, voided, cancelled, non-renewed or reduced in coverage or in limits unless replaced by a policy that provides the minimum required coverage except after thirty (30) days prior written notice by certified mail, return receipt requested has been given to TIPS or the TIPS Member if a project or pending delivery of an order is ongoing. Upon request, certified copies of all insurance policies shall be furnished to the TIPS or the TIPS Member.

Special Terms and Conditions

- **Orders:** All Vendor orders received from TIPS Members must be emailed to TIPS at tipspo@tips-usa.com. Should a TIPS Member send an order directly to the Vendor, it is the Vendor's responsibility to forward a copy of the order to TIPS at the email above within 3 business days and confirm its receipt with TIPS.
- **Vendor Encouraging Members to bypass TIPS agreement:** Encouraging TIPS Members to purchase directly from the Vendor or through another agreement, when the Member has requested using the TIPS cooperative Agreement or price, and thereby bypassing the TIPS Agreement is a violation of the terms and conditions of this Agreement and will result in removal of the Vendor from the TIPS Program.
- **Order Confirmation:** All TIPS Member Agreement orders are approved daily by TIPS and sent to the Vendor. The Vendor should confirm receipt of orders to the TIPS Member (customer) within 3 business days.
- **Vendor custom website for TIPS:** If Vendor is hosting a custom TIPS website, updated pricing when

effective. TIPS shall be notified when prices change in accordance with the award.

- **Back Ordered Products:** If product is not expected to ship within the time provided to the TIPS Member by the Vendor, the Member is to be notified within 3 business days and appropriate action taken based on customer request.

0**Search Words:**

Please list search words to be posted in the TIPS database about your company that TIPS website users might search. Words may be product names, manufacturers, or other words associated with the category of award. YOU MAY NOT LIST NON-CATEGORY ITEMS. (Limit 500 words) (Format: product, paper, construction, manufacturer name, etc.)

3
1**Do you want TIPS Members to be able to spend Federal grant funds with you if awarded? Is it your intent to be able to sell to our members regardless of the fund source, whether it be local, state or federal?**

Most of our members receive Federal Government grants or other funding and they make up a significant portion of their budgets. The Members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. There are attributes that follow that include provisions from the federal regulations in 2 CFR part 200, etc. Your answers will determine if your award will be designated as eligible for TIPS Members to utilize federal funds with your company.

Do you want TIPS Members to be able to spend Federal funds, at the Member's discretion, with you?

3
2 **Yes - No**

Certification of Residency (Required by the State of Texas) The vendor's ultimate parent company or majority owner:

(A) has its principal place of business in Texas;

OR

(B) employs at least 500 persons in Texas?

This question is required as a data gathering function for information to our members making purchases with awarded vendors. It does not affect scoring with TIPS.

3
3 **Company Residence (City)**

Vendor's principal place of business is in the city of?

3
4 **Company Residence (State)**

Vendor's principal place of business is in the state of?

3
5 **Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION**

Remember this is a **MINIMUM** discount percentage. So, be sure that the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGHOUT THE LIFE OF THE CONTRACT.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Must answer with a number between 0% and 100%.

3
6**MINIMUM Discount Term**

Does the vendor agree to at least offer, for the life of the Agreement, the Minimum Discount Percentage off list or catalog proposed by Vendor in response to the Attribute entitled "Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION"? TIPS will utilize this response to satisfy the Long Term Cost scoring evaluation criteria. A "YES" answer will be awarded the maximum 10 points for this criterion out of the 100 total points and a "NO" answer is awarded 0 points.

3
7**Yes - No**

If awarded on this TIPS Contract, for the duration of the Contract, Vendor agrees to provide, upon request, their then current catalog pricing, as defined in the solicitation and below, to TIPS upon request for any goods and services offered on Vendor's TIPS Contract.

"Catalog" means the available list of tangible personal property or services, in the most current listing, regardless of date, during the life of the contract, that takes the form of a catalog, price list, schedule, shelf price or other form that:

- A. is regularly maintained by the manufacturer or Vendor of an item; and
- B. is either published or otherwise available for inspection by a customer during the purchase process;
- C. to which the minimum discount proposed by the proposing Vendor may be applied.

3
8**TIPS Administration Fee**

By submitting a proposal, I agree that all pricing submitted to TIPS shall include the Administration Fee, as designated in the solicitation or as otherwise agreed in writing which shall be remitted to TIPS by the Vendor, or the vendor's named resellers, and as agreed to in the Vendor Agreement. I agree that the fee shall not and will not be added by the Vendor as a separate line item on a TIPS member invoice, quote, proposal or any other written communications with the TIPS member.

3
9**Yes - No**

Vendor agrees to remit to TIPS the required administration fee or, if resellers are named, Vendor agrees to guarantee the fee remittance by or for the reseller named by the vendor?

TIPS/ESC Region 8 is required by Texas Government Code § 791 to be compensated for its work and thus, failure to agree shall render your response void and it will not be considered.

4
0**TIPS Administration Fee Paid by Vendor - Not Charged to Customer**

Vendor understands and agrees that it owes TIPS a TIPS Administration Fee (published in the RFP/RCSP document) on every TIPS sale made under an awarded TIPS Contract. Vendor further understands and agrees that Vendor shall submit pricing with this proposal which includes and accounts for the TIPS Administration Fee and **shall never** separately charge the TIPS Member Customer the TIPS fee or add the TIPS Administration Fee line item to an invoice or similar purchase document. Submission of this proposal is Vendor's certification that Vendor agrees to this mandatory term.

4
1**Additional Discounts?**

Do you offer additional discounts to TIPS members for large order quantities or large scope of work?

4
2**Years in Business as Proposing Company**

Years in business as proposing company?

4
3**Resellers:**

Does the vendor have resellers that it will name under this contract? Resellers are defined as other companies that sell your products under an agreement with you, the awarded vendor of TIPS.

EXAMPLE: BIGmart is a reseller of ACME brand televisions. If ACME were a TIPS awarded vendor, then ACME would list BIGmart as a reseller.

(If applicable, Vendor should add all Authorized Resellers within the TIPS Vendor Portal upon award).

4
4**Right of Refusal**

The proposing vendor has the right not to sell under the awarded agreement with a TIPS member at vendor's discretion unless required by law.

4
5**NON-COLLUSIVE BIDDING CERTIFICATE**

By submission of this bid or proposal, the Bidder certifies that:

- 1) This bid or proposal has been independently arrived at without collusion with any other Bidder or with any Competitor;
- 2) This bid or proposal has not been knowingly disclosed and will not be knowingly disclosed, prior to the opening of bids, or proposals for this project, to any other Bidder, Competitor or potential competitor;
- 3) No attempt has been or will be made to induce any other person, partnership or corporation to submit or not to submit a bid or proposal;
- 4) The person signing this bid or proposal certifies that he has fully informed himself regarding the accuracy of the statements contained in this certification, and under the penalties being applicable to the Bidder as well as to the person signing in its behalf.

Not a negotiable term. Failure to agree will render your proposal non-responsive and it will not be considered.

4
6**CONFLICT OF INTEREST QUESTIONNAIRE - FORM CIQ - Do you have any CONFLICT OF INTEREST TO REPORT OR DISCLOSE under this statutory requirement?**

Do you have any CONFLICT OF INTEREST TO REPORT OR DISCLOSE under this statutory requirement? YES or NO

If you have a conflict of interest as described in this form or the Local Government Code Chapter 176, cited therein- you are required to complete and file with TIPS.

The Form CIQ is one of the attachments to this solicitation.

There is an optional upload for this form provided if you have a conflict and must file the form

Antitrust Certification Statements (Tex. Government Code § 2155.005)

By submission of this bid or proposal, the Bidder certifies that:

I affirm under penalty of perjury of the laws of the State of Texas that:

(1) I am duly authorized to execute this contract on my own behalf or on behalf of the company, corporation, firm, partnership or individual (Company) listed below;

(2) In connection with this bid, neither I nor any representative of the Company has violated any provision of the Texas Free Enterprise and Antitrust Act, Tex. Bus. & Comm. Code Chapter 15;

(3) In connection with this bid, neither I nor any representative of the Company has violated any federal antitrust law;

(4) Neither I nor any representative of the Company has directly or indirectly communicated any of the contents of this bid to a competitor of the Company or any other company, corporation, firm, partnership or individual engaged in the same line of business as the Company.

Suspension or Debarment Instructions

Instructions for Certification:

1. By answering yes to the next Attribute question below, the vendor and prospective lower tier participant is providing the certification set out herein in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and / or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participants," "person," "primary covered transaction," "principal," "proposal" and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and / or debarment.

Suspension or Debarment Certification

By answering yes, you certify that no federal suspension or debarment is in place, which would preclude receiving a federally funded contract as described above.

Non-Discrimination Statement and Certification

In accordance with Federal civil rights law, all U.S. Departments, including the U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

(Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR Parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-1, Civil Rights Compliance and Enforcement – Nutrition Programs and Activities)

All U.S. Departments, including the USDA are equal opportunity provider, employer, and lender.

Not a negotiable term. Failure to agree by answering YES will render your proposal non-responsive and it will not be considered. I certify that in the performance of a contract with TIPS or its members, that our company will conform to the foregoing anti-discrimination statement and comply with the cited and all other applicable laws and regulations.

2 CFR PART 200 Contract Provisions Explanation

Required Federal contract provisions of Federal Regulations for Contracts for contracts with ESC Region 8 and TIPS Members:

The following provisions are required to be in place and agreed if the procurement is funded in any part with federal funds.

The ESC Region 8 and TIPS Members are the subgrantee or Subrecipient by definition. Most of the provisions are located in 2 CFR PART 200 - Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards at 2 CFR PART 200. Others are included within 2 CFR part 200 et al.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

5
5**2 CFR PART 200 Contracts**

Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Notice: Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does vendor agree?

5
6**2 CFR PART 200 Termination**

Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process for cause after giving the vendor an appropriate opportunity and up to 30 days, to cure the causal breach of terms and conditions. ESC Region 8 and TIPS Members reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process for convenience with 30 days notice in writing to the awarded vendor. The vendor would be compensated for work performed and goods procured as of the termination date if for convenience of the ESC Region 8 and TIPS Members. Any award under this procurement process is not exclusive and the ESC Region 8 and TIPS reserves the right to purchase goods and services from other vendors when it is in the best interest of the ESC Region 8 and TIPS.

Does vendor agree?

5
7**2 CFR PART 200 Clean Air Act**

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

Pursuant to the Clean Air Act, et al above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members requires that the proposer certify that during the term of an award by the ESC Region 8 and TIPS Members resulting from this procurement process the vendor agrees to comply with all of the above regulations, including all of the terms listed and referenced therein.

Does vendor agree?

58

2 CFR PART 200 Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members requires the proposer certify that during the term and during the life of any contract with ESC Region 8 and TIPS Members resulting from this procurement process the vendor certifies to the terms included or referenced herein.

Does vendor agree?

59

2 CFR PART 200 Federal Rule

Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$250,000)

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members requires the proposer certify that in performance of the contracts, subcontracts, and subgrants of amounts in excess of \$250,000, the vendor will be in compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).

Does vendor certify that it is in compliance with the Clean Air Act?

60

2 CFR PART 200 Procurement of Recovered Materials

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Does vendor certify that it is in compliance with the Solid Waste Disposal Act as described above?

6
1

2 CFR PART 200 Rights to Inventions

If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Pursuant to the above, when the foregoing applies to ESC Region 8 and TIPS Members, Vendor certifies that during the term of an award resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in the Federal rule above.

Does vendor agree?

6
2

2 CFR PART 200 Domestic Preferences for Procurements

As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of 2 CFR Part 200.322, “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Moreover, for purposes of 2 CFR Part 200.322, “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum, plastics and polymer-based products such as polyvinyl chloride pipe, aggregates such as concrete, glass, including optical fiber, and lumber.

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, Vendor certifies that to the greatest extent practicable Vendor will provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

Does vendor agree?

6
3

2 CFR PART 200 Ban on Foreign Telecommunications

Federal grant funds may not be used to purchase equipment, services, or systems that use “covered telecommunications” equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. “Covered telecommunications” means purchases from Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities), and video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, Vendor certifies that Vendor will not purchase equipment, services, or systems that use “covered telecommunications”, as defined by 2 CFR §200.216 equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

Does vendor agree?

6
4

2 CFR PART 200 Contract Cost & Price

For contracts more than the simplified acquisition threshold currently set at \$250,000, a TIPS Member may, in very rare circumstances, be required to negotiate profit as a separate element of the price pursuant to 2 C.F.R. 200.324(b). Under those circumstances, Vendor agrees to provide information and negotiate with the TIPS Member regarding profit as a separate element of the price. However, Vendor certifies that the total price charged by the Vendor shall not exceed the Vendor's TIPS pricing and pricing terms proposed.

Does Vendor Agree?

Yes

FEMA Fund Certifications

Submission of this proposal is Vendor's certification that Vendor agrees to this term. Vendor certifies that **IF and when** Vendor accepts a TIPS purchase paid for in full or part with FEMA funds, Vendor certifies that:

(1) Vendor agrees to provide the TIPS Member, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to and rights to reproduce any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. The Vendor agrees to provide the FEMA Administrator or an authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. Vendor acknowledges and agrees that no language in this contract or the contract with the TIPS Member is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

(2) The Vendor shall not use the Department of Homeland Security's seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.

(3) The Vendor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.

(4) The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

(5) The Vendor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Vendor's actions pertaining to this contract.

7**Certification Regarding Lobbying**

Applicable to Grants, Subgrants, Cooperative Agreements, and Contracts Exceeding \$100,000 in Federal Funds

Submission of this certification is a prerequisite for making or entering into this transaction and is imposed by section 1352, Title 31, U.S. Code. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with the awarding of a Federal contract, the making of a Federal grant, the making of a Federal loan, the entering into a cooperative agreement, and the extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all covered subawards exceeding \$100,000 in Federal funds at all appropriate tiers and that all subrecipients shall certify and disclose accordingly.

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

Not a negotiable term. Failure to agree will render your proposal non-responsive and it will not be considered. Do you agree

to these terms?

2**Remedies**

The parties shall be entitled to exercise any right or remedy available to it either at law or in equity, subject to the choice of law, venue and service of process clauses limitations agreed herein. Nothing in this agreement shall commit the TIPS to an arbitration resolution of any disagreement under any circumstances. Any Claim arising out of or related to the Contract, except for those specifically waived under the terms of the Contract, may, after denial of the Board of Directors, be subject to mediation at the request of either party. Any issues not resolved hereunder MAY be referred to non-binding mediation to be conducted by a mutually agreed upon mediator as a prerequisite to the filing of any lawsuit over such issue(s). The parties shall share the mediator's fee and any associated filing fee equally. Mediation shall be held in Camp or Titus County, Texas. Agreements reached in mediation shall be reduced to writing, and will be subject to the approval by the District's Board of Directors, signed by the Parties if approved by the Board of Directors, and, if signed, shall thereafter be enforceable as provided by the laws of the State of Texas.

4**Choice of Law**

The agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles. THIS DOES NOT APPLY to a vendor's agreement entered into with a TIPS Member, as the Member may be located outside Texas.

Do you agree to these terms?

7
5**Venue, Jurisdiction and Service of Process**

Any proceeding, involving Region 8 ESC or TIPS, arising out of or relating to this procurement process or any contract issued by TIPS resulting from or any contemplated transaction shall be brought in a court of competent jurisdiction in Camp County, Texas and each of the parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or any contemplated transaction in any other court. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. Any dispute resolution process other than litigation shall have venue in Camp County or Titus County Texas.

80 Insurance and Fingerprint Requirements Information

Insurance

If applicable and your staff will be on TIPS member premises for delivery, training or installation etc. and/or with an automobile, you must carry automobile insurance as required by law. You may be asked to provide proof of insurance.

Fingerprint

It is possible that a vendor may be subject to Chapter 22 of the Texas Education Code. The Texas Education Code, Chapter 22, Section 22.0834 & 22.08341. Statutory language may be found at: <http://www.statutes.legis.state.tx.us/>

If the vendor has staff that meet both of these criterion:

- (1) will have continuing duties related to the contracted services; and
- (2) has or will have direct contact with students

Then you have "covered" employees for purposes of completing the attached form.

TIPS recommends all vendors consult their legal counsel for guidance in compliance with this law. If you have questions on how to comply, see below. If you have questions on compliance with this code section, contact the Texas Department of Public Safety Non-Criminal Justice Unit, Access and Dissemination Bureau, FAST-FACT at NCJU@txdps.state.tx.us and you should send an email identifying you as a contractor to a Texas Independent School District or ESC Region 8 and TIPS. Texas DPS phone number is (512) 424-2474.

See form in the next attribute to complete entitled:
Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

2**Texas Business and Commerce Code § 272 Requirements as of 9-1-2017**

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

3**Texas Government Code 2270 & 2271 Verification Form**

Texas Government Code 2270 & 2271 Verification Form

If (a) Vendor is not a sole proprietorship; (b) Vendor has ten (10) or more full-time employees; and (c) this Agreement has a value of \$100,000 or more, the following certification shall apply; otherwise, this certification is not required. Pursuant to Chapter 2271 of the Texas Government Code, the Vendor hereby certifies and verifies that neither the Vendor, nor any affiliate, subsidiary, or parent company of the Vendor, if any (the "Vendor Companies"), boycotts Israel, and the Vendor agrees that the Vendor and Vendor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

Our entity further certifies that it is is not listed on and we do not do business with companies prohibited by Texas Government Code 2270 or that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations per Texas Gov't Code 2270.0153 found at <https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf>

I swear and affirm that the above is true and correct.

9**Felony Conviction Notice**

Texas Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states "a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony." Subsection (b) states "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract." (c) This section does not apply to a publicly held corporation. The person completing this proposal certifies that they are authorized to provide the answer to this question.

Select A., B. or C.

Required Confidentiality Claim Form

Required Confidentiality Claim Form

This completed form is required by TIPS. By submitting a response to this solicitation you agree to download from the "Attachments" section, complete according to the instructions on the form, then upload the completed form, with any confidential attachments, if applicable, to the "Response Attachments" section titled "Confidentiality Form" in order to provide to TIPS the completed form titled, "CONFIDENTIALITY CLAIM FORM". **THIS REQUIRED PROCESS IS THE ONLY WAY TO DEEM PROPOSAL DOCUMENTATION CONFIDENTIAL ANY OTHER CONFIDENTIAL DESIGNATION WILL BE DISREGARDED UNLESS THE DOCUMENT IS IDENTIFIED BY AND ATTACHED TO THE REQUIRED FORM.** By completing this process, you provide us with the information we require to comply with the open record laws of the State of Texas as they may apply to your proposal submission. If you do not provide the form with your proposal, an award will not be made if your proposal is qualified for an award, until TIPS has an accurate, completed form from you.

Read the form carefully before completing and if you have any questions, email bids@tips-usa.com.

92

Member Access to Vendor Proposal

Notwithstanding any other information provided in this solicitation or Vendor designation of certain documentation as confidential or proprietary, Vendor's acceptance of this TIPS Contract constitutes Vendor's consent to the disclosure of Vendor's comprehensive proposal, including any information deemed confidential or proprietary, **to TIPS Members**. The proposing Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or any other party. By submitting this proposal, Vendor certifies the foregoing.

93

Choice of Law clauses with TIPS Members

If the vendor is awarded a contract with TIPS under this solicitation, the vendor agrees to make any Choice of Law clauses in any contract or agreement entered into between the awarded vendor and with a TIPS member entity to read as follows: "Choice of law shall be the laws of the state where the customer resides" or words to that effect.

Agreed

94

Venue of dispute resolution with a TIPS Member

In the event of litigation or use of any dispute resolution model when resolving disputes with a TIPS member entity as a result of a transaction between the vendor and TIPS or the TIPS member entity, the Venue for any litigation or other agreed upon model shall be in the state and county where the customer resides unless otherwise agreed by the parties at the time the dispute resolution model is decided by the parties.

Agreed

95

Automatic renewal of contracts or agreements with TIPS or a TIPS member entity

This clause **DOES NOT** prohibit multiyear contracts or agreements with TIPS member entities. Because TIPS and TIPS members are governmental entities subject to laws that control appropriations of funds during their fiscal years for contracts and agreements to provide goods and services, does the Vendor agree to limit any automatic renewal clauses of a contract or agreement executed as a result of this TIPS solicitation award to not longer than "month to month" and at the TIPS contracted rate.

Agreed

9
6**Indemnity Limitation with TIPS Members**

Texas and other states restrict by law or state Constitution the ability of a governmental entity to indemnify others. TIPS requires that any contract entered into between a vendor and TIPS or a TIPS Member as a result of an award under this Solicitation limit the requirement that the Customer indemnify the Vendor by either eliminating any such indemnity requirement clauses in any agreements, contracts or other binding documents **OR** by prefacing all indemnity clauses required of TIPS or the TIPS Member entity with the following: "To the extent permitted by the laws or the Constitution of the state where the customer resides, ".

Agreement is a required condition to award of a contract resulting from this Solicitation.

9
7**Arbitration Clauses**

Except for certain circumstances, TIPS forbids a mandatory arbitration clause in any contract or agreement entered into between the awarded vendor with TIPS or a TIPS member entity. Does the vendor agree to exclude any arbitration requirement in any contracts or agreement entered into between TIPS or a TIPS member entity through an awarded contract with TIPS?

9
8**Required Vendor Sales Reporting**

By responding to this Solicitation, you agree to report to TIPS all sales made under any awarded Agreement with TIPS. Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. If awarded, you will be provided access to the Vendor Portal. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the Vendor Portal User Guide will walk you through the process of reporting sales to TIPS. Please refer to the TIPS Accounting FAQ's for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.

9
9**Upload of Current W-9 Required**

Please note that you are required by TIPS to upload a current W-9 Internal Revenue Service (IRS) Tax Form for your entity. This form will be utilized by TIPS to properly identify your entity.

0**CERTIFICATION REGARDING BOYCOTTING CERTAIN ENERGY COMPANIES (Texas law as of September 1, 2021)**

By submitting a proposal to this Solicitation, you certify that you agree, when it is applicable, to the following required by Texas law as of September 1, 2021:

If (a) company is not a sole proprietorship; (b) company has ten (10) or more full-time employees; and (c) this contract has a value of \$100,000 or more that is to be paid wholly or partly from public funds, the following certification shall apply; otherwise, this certification is not required. Pursuant to Tex. Gov't Code Ch. 2274 of SB 13 (87th session), the company hereby certifies and verifies that the company, or any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of these entities or business associations, if any, does not boycott energy companies and will not boycott energy companies during the term of the contract. For purposes of this contract, the term "company" shall mean an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, that exists to make a profit. The term "boycott energy company" shall mean "without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (a) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law, or (b) does business with a company described by paragraph (a)." See Tex. Gov't Code § 809.001(1).

101

CERTIFICATION PROHIBITING DISCRIMINATION AGAINST FIREARM AND AMMUNITION INDUSTRIES (Texas law as of September 1, 2021)

By submitting a proposal to this Solicitation, you certify that you agree, when it is applicable, to the following required by Texas law as of September 1, 2021:

If (a) company is not a sole proprietorship; (b) company has at least ten (10) full-time employees; (c) this contract has a value of at least \$100,000 that is paid wholly or partly from public funds; (d) the contract is not excepted under Tex. Gov't Code § 2274.003 of SB 19 (87th leg.); and (e) governmental entity has determined that company is not a sole-source provider or governmental entity has not received any bids from a company that is able to provide this written verification, the following certification shall apply; otherwise, this certification is not required.

Pursuant to Tex. Gov't Code Ch. 2274 of SB 19 (87th session), the company hereby certifies and verifies that the company, or association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary parent company, or affiliate of these entities or associations, that exists to make a profit, does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this contract against a firearm entity or firearm trade association. For purposes of this contract, "discriminate against a firearm entity or firearm trade association" shall mean, with respect to the entity or association, to: "(1) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (2) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (3) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association. See Tex. Gov't Code § 2274.001(3) of SB 19. "Discrimination against a firearm entity or firearm trade association" does not include: "(1) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (2) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency, or for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association." See Tex. Gov't Code § 2274.001(3) of SB 19.

102

CERTIFICATION REGARDING CERTAIN FOREIGN-OWNED COMPANIES IN CONNECTION WITH CRITICAL INFRASTRUCTURE (Texas law as of September 1, 2021)

By submitting a proposal to this Solicitation, you certify that you agree to the following required by Texas law as of September 1, 2021:

Proposing Company is prohibited from entering into a contract or other agreement relating to critical infrastructure that would grant to the company direct or remote access to or control of critical infrastructure in this state, excluding access specifically allowed by the Proposing Company for product warranty and support purposes. Company, certifies that neither it nor its parent company nor any affiliate of company or its parent company, is (1) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or a designated country; (2) a company or other entity, including governmental entity, that is owned or controlled by citizens of or is directly controlled by the government of China, Iran, North Korea, Russia, or a designated country; or (3) headquartered in China, Iran, North Korea, Russia, or a designated country. For purposes of this contract, "critical infrastructure" means "a communication infrastructure system, cybersecurity system, electric grid, hazardous waste treatment system, or water treatment facility." See Tex. Gov't Code § 2274.0101(2) of SB 1226 (87th leg.). The company verifies and certifies that company will not grant direct or remote access to or control of critical infrastructure, except for product warranty and support purposes, to prohibited individuals, companies, or entities, including governmental entities, owned, controlled, or headquartered in China, Iran, North Korea, Russia, or a designated country, as determined by the Governor.

Acknowledgement

By submitting this proposal, Vendor certifies that it has read, examined, and understands all portions of this solicitation including but not limited to all attribute questions, attachments, solicitation documents, bid notes, and the Vendor Agreement(s). Vendor certifies that, if found to be necessary by the proposing vendor, vendor has sought the advice of counsel in understanding all portions of the solicitation.

ADDENDUM NO. 1 TIPS 220105 TECHNOLOGY SOLUTIONS, PRODUCTS AND SERVICES

This Addendum #1 ***does not*** require action from responding Vendors and ***does not*** require resubmission for Vendors who have already submitted. It is only to correct a misstatement originally included in Page 7 of the solicitation attachment entitled "220105 RFP Specifications." The original Page 7 of the solicitation attachment entitled "220105 RFP Specifications" mistakenly stated at the top of the page that, "This solicitation is seeking providers for: Safety Equipment, Supplies and Services." This Addendum No. 1 corrects it to properly state, "This solicitation is seeking providers for: Technology Solutions, Products and Services."

CONFIDENTIAL INFORMATION SUBMITTED IN RESPONSE TO COMPETITIVE PROCUREMENT REQUESTS OF EDUCATION SERVICE CENTER REGION 8 AND TIPS (ESC8) IS GOVERNED BY TEXAS GOVERNMENT CODE, CHAPTER 552

If you consider any portion of your proposal to be confidential and not subject to public disclosure pursuant to Chapter 552 Texas Gov't Code or other law(s), you must attach a copy of all claimed confidential materials to this COMPLETED form, name the combined PDF documents "CONFIDENTIAL", and upload the combined, confidential documents with your proposal submission. If a document is not attached, it will not be considered confidential. The copy uploaded will be the sole indicator of which material in your proposal, if any, you deem confidential in the event TIPS/ESC 8 receives a Public Information Request. If ESC 8 receives a request, any responsive documentation not deemed confidential by you in this manner will be automatically released. For documents deemed confidential by you in this manner, ESC8 and TIPS will follow procedures of controlling statute(s) regarding any claim of confidentiality and shall not be liable for any release of information required by law, including Attorney General determination. Notwithstanding any other information provided in this solicitation or Vendor designation of certain documentation as confidential or proprietary, Vendor's acceptance of this TIPS Vendor Agreement constitutes Vendor's consent to the disclosure of Vendor's comprehensive proposal, including any information deemed confidential or proprietary, to TIPS Members. The proposing Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or any other party.

ALL VENDORS MUST COMPLETE ONE OF THE TWO OPTIONS BELOW

OPTION 1:

I **DO CLAIM** parts of my proposal to be confidential and **DO NOT** desire to expressly waive a claim of confidentiality of all information contained within our response to the solicitation. The attached contains material from our proposal that I classify and deem confidential under Texas Gov't Code Sec. 552 or other law(s) and I invoke my statutory rights to confidential treatment of the enclosed materials.

IF CLAIMING PARTS OF YOUR PROPOSAL CONFIDENTIAL, YOU MUST ATTACH THE SHEETS TO THIS FORM AND LIST THE NUMBER OF TOTAL PAGES THAT ARE CONFIDENTIAL.

ATTACHED ARE COPIES OF _____ PAGES OF CLAIMED CONFIDENTIAL MATERIAL FROM OUR PROPOSAL THAT WE DEEM TO BE NOT PUBLIC INFORMATION AND WILL DEFEND THAT CLAIM TO THE TEXAS ATTORNEY GENERAL IF REQUESTED WHEN A PUBLIC INFORMATION REQUEST IS MADE FOR OUR PROPOSAL.

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO AN AGREEMENT WITH HEARTLAND BUSINESS SYSTEMS, LLC, FOR DATA STORAGE UPGRADES, IN AN AMOUNT NOT TO EXCEED TWO HUNDRED TWENTY-TWO THOUSAND THREE HUNDRED FIFTY-TWO DOLLARS AND FIFTY-NINE CENTS (\$222,352.59); AND FOR OTHER PURPOSES.

WHEREAS, the City of Bentonville Information Technology Department requests to enter into an agreement with Heartland Business Systems, LLC to replace an existing Unity 450f with newer hardware and to migrate data to said newer hardware;

WHEREAS, the City procures this service under The Interlocal Purchasing System (TIPS) contract #220105 which has been approved by the Purchasing Manager; and

WHEREAS, this is a budgeted item.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL FOR THE CITY OF BENTONVILLE, ARKANSAS.

Section 1: That the Mayor and City Clerk are hereby authorized to enter into an agreement with Heartland Business Systems, LLC for the purchase of data storage upgrades, in an amount not to exceed two hundred twenty-two thousand three hundred fifty-two dollars and fifty-nine cents (\$222,352.59);

Section 2: Due to this purchase being procured under TIPS contract which has already been bid and is allowable by State law and the City's Purchasing Policy, the requirements of competitive bidding do not apply;

Section 3 - Severability Provision: If any part of this Ordinance is held invalid, the remainder of this Ordinance shall continue in effect as if such invalid portion never existed; and

Section 4 - Repeal of Conflicting Ordinances: All Ordinances of the City Council, or parts of Ordinances of the City Council, in conflict herewith are hereby repealed to the extent of such conflict.

TIPS VENDOR AGREEMENT

Between Advantage Security Technologies and
(Company Name)

THE INTERLOCAL PURCHASING SYSTEM (TIPS),
a Department of Texas Education Service Center Region 8 for
**TIPS RFP 220605 MRO (Maintenance, Repair and Operations of Facilities
and Grounds) Supplies, Equipment, Tool Rental, Sales
and Services**

General Information

The Vendor Agreement ("Agreement") made and entered into by and between The Interlocal Purchasing System (hereinafter "TIPS") a government cooperative purchasing program authorized by the Region 8 Education Service Center, having its principal place of business at 4845 US Hwy 271 North, Pittsburg, Texas 75686 and the TIPS Vendor. This Agreement consists of the provisions set forth below, including provisions of all attachments referenced herein. In the event of a conflict between the provisions set forth below and those contained in any attachment, the provisions set forth shall control unless otherwise agreed by the parties in writing and by signature and date on the attachment.

A Purchase Order ("PO"), Agreement or Contract is the TIPS Member's approval providing the authority to proceed with the negotiated delivery order under the Agreement. Special terms and conditions as agreed between the Vendor and TIPS Member should be added as addendums to the Purchase Order, Agreement or Contract. Items such as certificate of insurance, bonding requirements, small or disadvantaged business goals are some, but not all, of the possible addendums.

Terms and Conditions

Freight

All quotes to Members shall provide a line item for cost for freight or shipping regardless if there is a charge or not. If no charge for freight or shipping, indicate by stating "No Charge", "\$0", "included in price" or other similar indication. Otherwise, all shipping, freight or delivery charges shall be passed through to the TIPS Member at cost with no markup and said charges shall be agreed by the TIPS Member unless alternative shipping terms are agreed by TIPS as a result of the proposal award. Shipping method is determined by the vendor and the Member/Customer at the time of the quote/purchase by the Member/Customer and satisfactory shipping methods and costs are agreed upon at that time.

Warranty Conditions

All new supplies equipment and services shall include manufacturer's minimum standard warranty unless otherwise agreed to in writing. Vendor shall be legally permitted to sell all products offered for sale to TIPS Members if the offering is included in the Request for Proposal ("RFP") category. All goods proposed and sold shall be new unless clearly stated in writing.

Customer Support

The Vendor shall provide timely and accurate customer support for orders to TIPS Members as agreed by the Parties. Vendors shall respond to such requests within a commercially reasonable time after receipt of the request. If support and/or training is a line item sold or packaged with a sale, support shall be as agreed with the TIPS Member.

Agreements

Agreements for purchase will normally be put into effect by means of a contract, agreement, or purchase order(s) executed by authorized agents of the TIPS Member participating government entities, but other means of placing an order may be used at the Member's discretion. Vendor accepts and understands that when a purchase order or similar purchase document is sent from a customer through TIPS to the Vendor, TIPS is recording the purchase and verifying whether the purchase is within the parameters of the TIPS Contract only. Vendor agrees that TIPS is not a legal party to the purchase order or similar purchase document and TIPS is not responsible for identifying fraud, mistakes, or misrepresentations for the specific order. Vendor agrees that any purchase order or similar purchase document issued from a customer to Vendor, even when processed through TIPS, constitutes a legal contract between the customer and Vendor only. A Vendor that accepts a purchase order or similar purchase document and fulfills an order, even when processed through TIPS, is representing that the vendor has carefully reviewed the purchase order or similar purchase document for legality, authenticity, and accuracy.

Tax exempt status

Most TIPS Members are tax exempt and the related laws and/or regulations of the controlling jurisdiction(s) of the TIPS Member shall apply.

Assignments of Agreements

No assignment of this Agreement may be made without the prior notification of TIPS. Written approval of TIPS shall not be unreasonably withheld. Payment for delivered goods and services can only be made to the awarded Vendor, Vendor designated reseller or vendor assigned company, where permitted by TIPS.

Disclosures

- Vendor and TIPS affirm that they, or any authorized employees or agents, have not given, offered to give, nor intend to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Agreement.
- Vendor shall attach, in writing, a complete description of any and all relationships that might be considered a conflict of interest in doing business with the TIPS program.
- The Vendor affirms that, to the best of his/her knowledge, the offer has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give an unfair advantage over other vendors in the award of this Agreement.

Term of Agreement and Renewals

The Agreement with TIPS is for approximately four years and eleven months ending on July 31, 2027 with an option for renewal for an additional one consecutive year. If TIPS offers the renewal extension year, the Vendor will be notified by email to the primary contact of the awarded Vendor and shall be deemed accepted by the

Vendor unless the awarded Vendor notifies TIPS of its objection to the additional term in writing. TIPS may or may not exercise some or all of the available extension(s) provided in the original solicitation beyond the base term. Whether or not to offer some or all of the extension is at the sole discretion of TIPS.

“Termination Date”: The scheduled Agreement “termination date” shall be July 31, 2027.

Extensions: Any extensions of the original term shall begin on the next day after the day the original term expires unless otherwise specified.

TIPS may offer to extend Vendor Agreements to the fullest extent the original Solicitation permits.

Automatic Renewal Clauses Incorporated in Awarded Vendor Agreements with TIPS Members Resulting from the Solicitation and with the Vendor Named in this Agreement.

No Agreement for goods or services with a TIPS Member by the awarded vendor named in this Agreement that results from the solicitation award named in this Agreement, may incorporate an automatic renewal clause that exceeds month to month terms with which the TIPS Member must comply. All renewal terms incorporated in an Agreement by the vendor with the TIPS Member shall only be valid and enforceable when the vendor receives written confirmation by purchase order, executed Agreement or other written instruction issued by the TIPS Member for any renewal period. The purpose of this clause is to avoid a TIPS Member inadvertently renewing an Agreement during a period in which the governing body of the TIPS Member has not properly appropriated and budgeted the funds to satisfy the Agreement renewal. This term is not negotiable and any Agreement between a TIPS Member and a TIPS awarded vendor with an automatic renewal clause that conflicts with these terms is rendered void and unenforceable.

Shipments

The Vendor shall ship, deliver or provide ordered products or services within a commercially reasonable time after the receipt of the order from the TIPS Member. If a delay in said delivery is anticipated, the Vendor shall notify TIPS Member as to why delivery is delayed and shall provide an estimated time for completion of the order. TIPS or the requesting entity may cancel the order if estimated delivery time is not acceptable or not as agreed by the parties.

Invoices

Each invoice or pay request shall include the Vendor’s TIPS Contract number, the TIPS Member’s purchase order number or other identifying designation as provided in the order by the TIPS Member. If applicable, the shipment tracking number or pertinent information for verification of TIPS Member receipt shall be made available upon request.

Payments

The TIPS Member will make payments directly to the Vendor, the Vendor Assigned Dealer or as agreed by the Vendor and the TIPS Member after receiving invoice and in compliance with applicable payment statute(s), whichever is the greater time or as otherwise provided by an agreement of the parties.

Pricing

Price increases will be honored according to the terms of the solicitation and vendor proposal. All pricing submitted to TIPS shall include the participation fee, as provided in the solicitation, to be remitted to TIPS by the Vendor. Vendor will not show adding the fee to the invoice presented to TIPS Member customer.

Participation Fees and Reporting of Sales to TIPS by Vendor

The Participation Fee that was published as part of the Solicitation and the fee published is the legally effective fee, along with any fee conditions stated in the Solicitation. Collection of the fees by TIPS is required under Texas Government Code §791.011 Et seq. Fees are due on all TIPS purchases reported by either Vendor or Member. Fees are due to TIPS upon payment by the Member to the Vendor, Reseller or Vendor Assigned Dealer. Vendor, Reseller, or Vendor Assigned Dealer agrees that the participation fee is due to TIPS for all Agreement sales immediately upon receipt of payment including partial payment, from the Member Entity and must be paid to TIPS at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently, or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS. Thus, when an awarded Vendor, Reseller or Vendor Assigned Dealer receives any amount of payment, even partial payment, for a TIPS sale, the legally effective fee for that amount is immediately due to TIPS from the Vendor and fees due to TIPS should be paid at least on a monthly basis, specifically within 31 calendar days of receipt of payment, if not more frequently.

Reporting of Sales to TIPS by Vendor

Vendor is required to report all sales under the TIPS contract to TIPS. When a public entity initiates a purchase with a TIPS Awarded Vendor, if the Member inquires verbally or in writing whether the Vendor holds a TIPS Contract, it is the duty of the Vendor to verify whether or not the Member is seeking a TIPS purchase. Once verified, the Vendor must include the TIPS Contract number on any communications and related sales documents exchanged with the TIPS Member entity. To report sales, the Vendor must login to the TIPS Vendor Portal online at https://www.tips-usa.com/vendors_form.cfm and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS. Failure to properly report or render the participation fee to TIPS shall constitute a breach of this agreement with our parent governmental entity, Texas Education Service Center Region 8, as established by the Texas legislature and shall be grounds for termination of this agreement and any other agreement held with TIPS and possible legal action. Any overpayment of participation fees to TIPS by a Vendor will be refunded to the Vendor within ninety (90) days of receipt of notification if TIPS receives written notification of the overpayment not later than the expiration of six (6) months from the date of overpayment and TIPS determines that the amount was not legally due to TIPS pursuant to this agreement and applicable law. It is the Vendor's responsibility to identify which sales are TIPS Agreement sales and pay the correct participation fee due for TIPS Agreement sales. Any notification of overpayment received by TIPS after the expiration of six (6) months from the date of overpayment will be non-refundable. Region 8 ESC and TIPS reserve the right to extend the six (6) month deadline to notify if approved by the Region 8 ESC Board of Directors. TIPS reserves all rights under the law to collect the fees due. Please contact TIPS at tips@tips-usa.com or call (866) 839-8477 if you have questions about paying fees.

Indemnity

The Vendor agrees to indemnify and hold harmless and defend TIPS, TIPS Member(s), officers and employees from and against all claims and suits by third parties for damages, injuries to persons (including death), property damages, losses, and expenses including court costs and reasonable attorney's fees, arising out of, or resulting from, Vendor's performance under this Agreement, including all such causes of action based upon common, constitutional, or statutory law, or based in whole or in part, upon allegations of negligent or intentional acts on the part of the Vendor, its officers, employees, agents, subcontractors, licensees, or invitees. Parties found liable shall pay their proportionate share of damages as agreed by the parties or as ordered by a court of competent jurisdiction over the case. **NO LIMITATION OF LIABILITY FOR DAMAGES FOR PERSONAL INJURY OR PROPERTY DAMAGE ARE PERMITTED OR AGREED BY TIPS/ESC REGION 8.** Per

Texas Education Code §44.032(f), and pursuant to its requirements only, reasonable Attorney's fees are recoverable by the prevailing party in any dispute resulting in litigation.

State of Texas Franchise Tax

By signature hereon, the Vendor hereby certifies that he/she is not currently delinquent in the payment of any franchise taxes owed the State of Texas under Chapter 171, Tax Code.

Miscellaneous

The Vendor acknowledges and agrees that continued participation in TIPS is subject to TIPS sole discretion and that any Vendor may be removed from the participation in the Program at any time with or without cause. Nothing in the Agreement or in any other communication between TIPS and the Vendor may be construed as a guarantee that TIPS or TIPS Members will submit any orders at any time. TIPS reserves the right to request additional proposals for items or services already on Agreement at any time.

Purchase Order Pricing/Product Deviation

If a deviation of pricing/product on a Purchase Order or contract modification occurs between the Vendor and the TIPS Member, TIPS must be notified within five (5) business days of receipt of change order.

Termination for Convenience of TIPS Agreement Only

TIPS reserves the right to terminate this agreement for cause or no cause for convenience with a thirty (30) days prior written notice. Termination for convenience is conditionally required under Federal Regulations 2 CFR part 200 if the customer is using federal funds for the procurement. All purchase orders presented to the Vendor, but not fulfilled by the Vendor, by a TIPS Member prior to the actual termination of this agreement shall be honored at the option of the TIPS Member. The awarded Vendor may terminate the agreement with ninety (90) days prior written notice to TIPS 4845 US Hwy North, Pittsburg, Texas 75686. The vendor will be paid for goods and services delivered prior to the termination provided that the goods and services were delivered in accordance with the terms and conditions of the terminated agreement. This termination clause does not affect the sales agreements executed by the Vendor and the TIPS Member customer pursuant to this agreement. TIPS Members may negotiate a termination for convenience clause that meets the needs of the transaction based on applicable factors, such as funding sources or other needs.

TIPS Member Purchasing Procedures

Usually, purchase orders or their equal are issued by participating TIPS Member to the awarded vendor and should indicate on the order that the purchase is per the applicable TIPS Agreement Number. Orders are typically emailed to TIPS at tipspo@tips-usa.com.

- Awarded Vendor delivers goods/services directly to the participating member.
- Awarded Vendor invoices the participating TIPS Member directly.
- Awarded Vendor receives payment directly from the participating member.
- Fees are due to TIPS upon payment by the Member to the Vendor. Vendor agrees to pay the participation fee to TIPS for all Agreement sales upon receipt of payment including partial payment, from the Member Entity or as otherwise agreed by TIPS in writing and signed by an authorized signatory of TIPS.

Licenses

Awarded Vendor shall maintain, in current status, all federal, state and local licenses, bonds and permits required for the operation of the business conducted by awarded Vendor. Awarded Vendor shall remain reasonably fully informed of and in compliance with all ordinances and regulations pertaining to the lawful

provision of goods or services under the Agreement. TIPS and TIPS Members reserves the right to stop work and/or cancel an order or terminate this or any other sales Agreement of any awarded Vendor whose license(s) required for performance under this Agreement have expired, lapsed, are suspended or terminated subject to a 30-day cure period unless prohibited by applicable statute or regulation.

Novation

If awarded Vendor sells or transfers all assets, rights or the entire portion of the assets or rights required to perform this Agreement, a successor in interest must guarantee to perform all obligations under this Agreement. A simple change of name agreement will not change the Agreement obligations of awarded vendor. TIPS will consider Contract Assignments on a case by case basis. TIPS must be notified within five (5) business days of the transfer of assets or rights.

Site Requirements (*only when applicable to service or job*)

Cleanup: When performing work on site at a TIPS Member’s property, awarded Vendor shall clean up and remove all debris and rubbish resulting from their work as required or directed by TIPS Member or as agreed by the parties. Upon completion of work, the premises shall be left in good repair and an orderly, neat, clean and unobstructed condition.

Preparation: Awarded Vendor shall not begin a project for which TIPS Member has not prepared the site, unless awarded Vendor does the preparation work at no cost, or until TIPS Member includes the cost of site preparation in a purchase order. Site preparation includes, but is not limited to: moving furniture, installing wiring for networks or power, and similar pre-installation requirements.

Registered sex offender restrictions: For work to be performed at schools, awarded Vendor agrees that no employee of a subcontractor who has been adjudicated to be a registered sex offender will perform work at any time when students are, or reasonably expected to be, present unless otherwise agreed by the TIPS Member. Awarded Vendor agrees that a violation of this condition shall be considered a material breach and may result in the cancellation of the purchase order at the TIPS Member’s discretion. Awarded Vendor must identify any additional costs associated with compliance of this term. If no costs are specified, compliance with this term will be provided at no additional charge.

Safety Measures

Awarded Vendor shall take all reasonable precautions for the safety of employees on the worksite, and shall erect and properly maintain all necessary safeguards for protection of workers and the public. Awarded vendor shall post warning signs against all hazards created by the operation and work in progress. Proper precautions shall be taken pursuant to state law and standard practices to protect workers, general public and existing structures from injury or damage.

Smoking

Persons working under Agreement shall adhere to the TIPS Member’s or local smoking statutes, codes or policies.

Marketing

Awarded Vendor agrees to allow TIPS to use their name and logo within TIPS website, marketing materials and advertisement subject to any reasonable restrictions provided to TIPS in the Proposal to the Solicitation. The Vendor may submit an acceptable use directive for Vendor’s names and logos with which TIPS agrees to comply. Any use of TIPS name and logo or any form of publicity, inclusive of press release, regarding this Agreement by awarded vendor must have prior approval from TIPS which will not be

unreasonably withheld. Request may be made by email to TIPS@TIPS-USA.COM.

Supplemental Agreements

The TIPS Member entity participating in the TIPS Agreement and awarded Vendor may enter into a separate Supplemental Agreement or contract to further define the level of service requirements over and above the minimum defined in this Agreement such as but not limited to, invoice requirements, ordering requirements, specialized delivery, etc. Any Supplemental Agreement or contract developed as a result of this Agreement is exclusively between the TIPS Member entity customer and the Vendor. TIPS, its agents, TIPS Members and employees not a party to the Supplemental Agreement with the TIPS Member customer, shall not be made party to any claim for breach of such agreement unless named and agreed by the Party in question in writing in the agreement. If a Vendor submitting a Proposal requires TIPS and/or TIPS Member to sign an additional agreement, those agreements shall comply with the award made by TIPS to the Vendor. Supplemental Vendor's Agreement documents may not become part of TIPS' Agreement with Vendor unless and until an authorized representative of TIPS reviews and approves it. TIPS review and approval may be at any time during the life of this Vendor Agreement. TIPS permits TIPS Members to negotiate additional terms and conditions with the Vendor for the provision of goods or services under the Vendor's TIPS Agreement so long as they do not materially conflict with this Agreement.

Survival Clause

All applicable sales, leases, Supplemental Agreements, contracts, software license agreements, warranties or service agreements that were entered into between Vendor and TIPS or the TIPS Member Customer under the terms and conditions of this Agreement shall survive the expiration or termination of this Agreement. All Orders, Purchase Orders issued or contracts executed by TIPS or a TIPS Member and accepted by the Vendor prior to the expiration or termination of this agreement, shall survive expiration or termination of the Agreement, subject to previously agreed terms and conditions agreed by the parties or as otherwise specified herein relating to termination of this agreement.

Legal obligations

It is the responding Vendor's responsibility to be aware of and comply with all local, state and federal laws governing the sale of products/services identified in the applicable Solicitation that resulted in this Vendor Agreement and any awarded Agreement thereof. Applicable laws and regulations must be followed even if not specifically identified herein.

Audit rights

Due to transparency statutes and public accountability requirements of TIPS and TIPS Members', the awarded Vendor shall, at their sole expense, maintain appropriate due diligence of all purchases made by TIPS Member that utilizes this Agreement. TIPS and Region 8 ESC each reserve the right to audit the accounting of TIPS related purchases for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. In order to ensure and confirm compliance with this agreement, TIPS shall have authority to conduct audits of Awarded Vendor's pricing or TIPS transaction documentation with TIPS Members with 30 days' notice unless the audit is ordered by a Court Order or by a Government Agency with authority to do so without notice. Notwithstanding the foregoing, in the event that TIPS is made aware of any pricing being offered to eligible entities that is materially inconsistent with the pricing under this agreement, TIPS shall have the ability to conduct the audit internally or may engage a third- party auditing firm to investigate any possible non- compliant conduct or may terminate the Agreement according to the terms of this Agreement. In the event of an audit, the requested materials shall be reasonably provided in the time, format and at the location acceptable to Region 8 ESC or TIPS. TIPS agrees not to perform a random

audit the TIPS transaction documentation more than once per calendar year, but reserves the right to audit for just cause or as required by any governmental agency or court with regulatory authority over TIPS or the TIPS Member.

Force Majeure

If by reason of Force Majeure, either party hereto shall be rendered unable wholly or in part to carry out its obligations under this Agreement then such party shall give notice and full particulars of Force Majeure in writing to the other party within a reasonable time after occurrence of the event or cause relied upon, and the obligation of the party giving such notice, so far as it is affected by such Force Majeure, shall be suspended during the continuance of the inability then claimed, except as hereinafter provided, but for no longer period, and such party shall endeavor to remove or overcome such inability with all reasonable dispatch.

Choice of Law

The Agreement between the Vendor and TIPS/ESC Region 8 and any addenda or other additions resulting from this procurement process, however described, shall be governed by, construed and enforced in accordance with the laws of the State of Texas, regardless of any conflict of laws principles.

Venue, Jurisdiction and Service of Process

Any Proceeding arising out of or relating to this procurement process or any contract issued by TIPS resulting from or any contemplated transaction shall be brought in a court of competent jurisdiction in Camp County, Texas and each of the parties irrevocably submits to the exclusive jurisdiction of said court in any such proceeding, waives any objection it may now or hereafter have to venue or to convenience of forum, agrees that all claims in respect of the Proceeding shall be heard and determined only in any such court, and agrees not to bring any proceeding arising out of or relating to this procurement process or any contract resulting from or any contemplated transaction in any other court. The parties agree that either or both of them may file a copy of this paragraph with any court as written evidence of the knowing, voluntary and freely bargained for agreement between the parties irrevocably to waive any objections to venue or to convenience of forum. Process in any Proceeding referred to in the first sentence of this Section may be served on any party anywhere in the world. Venue for any dispute resolution process, other than litigation, between TIPS and the Vendor shall be located in Camp or Titus County, Texas.

Project Delivery Order Procedures

The TIPS Member having approved and signed an interlocal agreement, or other TIPS Membership document, may make a request of the awarded Vendor under this Agreement when the TIPS Member desires goods or services awarded to the Vendor. Notification may occur via phone, the web, courier, email, fax, or in person. Upon notification of a pending request, the awarded Vendor shall acknowledge the TIPS Member's request as soon as possible, but must make contact with the TIPS Member within two working days.

Status of TIPS Members as Related to Vendors Contract Information

TIPS Members stand in the place of TIPS as related to this agreement and have the same access to the proposal information and all related documents. TIPS Members have all the same rights under the awarded Agreement as TIPS.

Vendor's Resellers as Related to This Agreement

Vendor's Named Resellers ("Resellers") under this Agreement shall comply with all terms and conditions of this agreement and all addenda or incorporated documents. All actions related to sales by Authorized Vendor's Resellers under this Agreement are the responsibility of the awarded Vendor. If Resellers fail to report sales to TIPS under your Agreement, the awarded Vendor is responsible for their contractual failures and shall be billed for the fees. The awarded Vendor may then recover the fees from their named reseller as the law allows.

Support Requirements

If there is a dispute between the awarded Vendor and TIPS Member, TIPS or its representatives may, at TIPS sole discretion, assist in conflict resolution if requested by either party. TIPS, or its representatives, reserve the right to inspect any project and audit the awarded Vendor's TIPS project files, documentation and correspondence related to the requesting TIPS Member's order. If there are confidentiality requirements by either party, TIPS shall comply to the extent permitted by law.

Incorporation of Solicitation

The TIPS Solicitation which resulted in this Vendor Agreement, whether a Request for Proposals, the Request for Competitive Sealed Proposals or Request for Qualifications solicitation, or other, the Vendor's response to same, and all associated documents and forms made part of the solicitation process, including any addenda, are hereby incorporated by reference into this Agreement as if copied verbatim.

SECTION HEADERS OR TITLES

THE SECTION HEADERS OR TITLES WITHIN THIS DOCUMENT ARE MERELY GUIDES FOR CONVENIENCE AND ARE NOT FOR CLASSIFICATION OR LIMITING OF THE RESPONSIBILITIES OF THE PARTIES TO THIS DOCUMENT.

STATUTORY REQUIREMENTS

Texas governmental entities are prohibited from doing business with companies that fail to certify to this condition as required by Texas Government Code Sec. 2270.

By executing this agreement, you certify that you are authorized to bind the undersigned Vendor and that your company (1) does not boycott Israel; and (2) will not boycott Israel during the term of the Agreement.

You certify that your company is not listed on and does not and will not do business with companies that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations per Texas Gov't Code 2270.0153 found at <https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf>

You certify that if the certified statements above become untrue at any time during the life of this Agreement that the Vendor will notify TIPS within three (3) business day of the change by a letter on Vendor's letterhead from and signed by an authorized representative of the Vendor stating the non-compliance decision and the TIPS Agreement number and description at:

Attention: General Counsel
ESC Region 8/The Interlocal Purchasing System (TIPS)
4845 Highway 271 North
Pittsburg, TX, 75686
And by an email sent to bids@tips-usa.com

Insurance Requirements

The undersigned Vendor agrees to maintain the below minimum insurance requirements for TIPS Contract Holders:

General Liability	\$1,000,000 each Occurrence/ Aggregate
Automobile Liability	\$300,000 Includes owned, hired & non-owned
Workers' Compensation	Statutory limits for the jurisdiction in which the Vendor performs under this Agreement.
Umbrella Liability	\$1,000,000

When the Vendor or its subcontractors are liable for any damages or claims, the Vendor's policy, when the Vendor is responsible for the claim, must be primary over any other valid and collectible insurance carried by the Member. Any immunity available to TIPS or TIPS Members shall not be used as a defense by the contractor's insurance policy. The coverages and limits are to be considered minimum requirements and in no way limit the liability of the Vendor(s). Insurance shall be written by a carrier with an A-; VII or better rating in accordance with current A.M. Best Key Rating Guide. Only deductibles applicable to property damage are acceptable, unless proof of retention funds to cover said deductibles is provided. "Claims made" policies will not be accepted. Vendor's required minimum coverage shall not be suspended, voided, cancelled, non-renewed or reduced in coverage or in limits unless replaced by a policy that provides the minimum required coverage except after thirty (30) days prior written notice by certified mail, return receipt requested has been given to TIPS or the TIPS Member if a project or pending delivery of an order is ongoing. Upon request, certified copies of all insurance policies shall be furnished to the TIPS or the TIPS Member.

Special Terms and Conditions

- **Orders:** All Vendor orders received from TIPS Members must be emailed to TIPS at tipspo@tips-usa.com. Should a TIPS Member send an order directly to the Vendor, it is the Vendor's responsibility to forward a copy of the order to TIPS at the email above within 3 business days and confirm its receipt with TIPS.
- **Vendor Encouraging Members to bypass TIPS agreement:** Encouraging TIPS Members to purchase directly from the Vendor or through another agreement, when the Member has requested using the TIPS cooperative Agreement or price, and thereby bypassing the TIPS Agreement is a violation of the terms and conditions of this Agreement and will result in removal of the Vendor from the TIPS Program.
- **Order Confirmation:** All TIPS Member Agreement orders are approved daily by TIPS and sent to the Vendor. The Vendor should confirm receipt of orders to the TIPS Member (customer) within 3 business days.
- **Vendor custom website for TIPS:** If Vendor is hosting a custom TIPS website, updated pricing when effective. TIPS shall be notified when prices change in accordance with the award.
- **Back Ordered Products:** If product is not expected to ship within the time provided to the TIPS Member by the Vendor, the Member is to be notified within 3 business days and appropriate action taken based on customer request.

1**Do you want TIPS Members to be able to spend Federal grant funds with you if awarded? Is it your intent to be able to sell to our members regardless of the fund source, whether it be local, state or federal?**

Most of our members receive Federal Government grants or other funding and they make up a significant portion of their budgets. The Members need to know if your company is willing to sell to them when they spend federal budget funds on their purchase. There are attributes that follow that include provisions from the federal regulations in 2 CFR part 200, etc. Your answers will determine if your award will be designated as eligible for TIPS Members to utilize federal funds with your company.

Do you want TIPS Members to be able to spend Federal funds, at the Member's discretion, with you?

5**Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION**

Remember this is a **MINIMUM** discount percentage. So, be sure that the discount percentage inserted here can be applied to ANY OFFERING OF GOODS OR SERVICES THROUGHOUT THE LIFE OF THE CONTRACT.

CAUTION: BE CERTAIN YOU CAN HONOR THIS **MINIMUM** DISCOUNT PERCENTAGE ON ANY OFFERED SERVICE OR GOOD NOW OR DURING THE LIFE OF THE CONTRACT.

What is the **MINIMUM** percentage discount off of any item or service you offer to TIPS Members that is in your regular catalog (as defined in the solicitation specifications document), website, store or shelf pricing or when adding new goods or services to your offerings during the life of the contract? The resulting price of any goods or services Catalog list prices after this discount is applied is a ceiling on your pricing and not a floor because, in order to be more competitive in the individual circumstance, you may offer a larger discount depending on the items or services purchased and the quantity at time of sale. Please note that any specific greater discount offered for a particular product, brand, or service listed in Vendor's proposal will control and Vendor will be required to honor that greater specific discount, in excess of the minimum discount, for that particular product, brand, or service for the life of the contract.

Must answer with a number between 0% and 100%.

3
6**MINIMUM Discount Term**

Does the vendor agree to at least offer, for the life of the Agreement, the Minimum Discount Percentage off list or catalog proposed by Vendor in response to the Attribute entitled "Discount Offered - CAUTION READ CAREFULLY BECAUSE VENDORS FREQUENTLY MAKE MISTAKES ON THIS ATTRIBUTE QUESTION"? TIPS will utilize this response to satisfy the Long Term Cost scoring evaluation criteria. A "YES" answer will be awarded the maximum 10 points for this criterion out of the 100 total points and a "NO" answer is awarded 0 points.

7**Yes - No**

If awarded on this TIPS Contract, for the duration of the Contract, Vendor agrees to provide, upon request, their then current catalog pricing, as defined in the solicitation and below, to TIPS upon request for any goods and services offered on Vendor's TIPS Contract.

"Catalog" means the available list of tangible personal property or services, in the most current listing, regardless of date, during the life of the contract, that takes the form of a catalog, price list, schedule, shelf price or other form that:

- A. is regularly maintained by the manufacturer or Vendor of an item; and
- B. is either published or otherwise available for inspection by a customer during the purchase process;
- C. to which the minimum discount proposed by the proposing Vendor may be applied.

8**TIPS Administration Fee**

By submitting a proposal, I agree that all pricing submitted to TIPS shall include the Administration Fee, as designated in the solicitation or as otherwise agreed in writing which shall be remitted to TIPS by the Vendor, or the vendor's named resellers, and as agreed to in the Vendor Agreement. I agree that the fee shall not and will not be added by the Vendor as a separate line item on a TIPS member invoice, quote, proposal or any other written communications with the TIPS member.

3
9**Yes - No**

Vendor agrees to remit to TIPS the required administration fee or, if resellers are named, Vendor agrees to guarantee the fee remittance by or for the reseller named by the vendor?

TIPS/ESC Region 8 is required by Texas Government Code § 791 to be compensated for its work and thus, failure to agree shall render your response void and it will not be considered.

4
0**TIPS Administration Fee Paid by Vendor - Not Charged to Customer**

Vendor understands and agrees that it owes TIPS a TIPS Administration Fee (published in the RFP/RCSP document) on every TIPS sale made under an awarded TIPS Contract. Vendor further understands and agrees that Vendor shall submit pricing with this proposal which includes and accounts for the TIPS Administration Fee and **shall never** separately charge the TIPS Member Customer the TIPS fee or add the TIPS Administration Fee line item to an invoice or similar purchase document. Submission of this proposal is Vendor's certification that Vendor agrees to this mandatory term.

4
1**Additional Discounts?**

Do you offer additional discounts to TIPS members for large order quantities or large scope of work?

4
2**Years in Business as Proposing Company**

Years in business as proposing company?

4
3**Resellers:**

Does the vendor have resellers that it will name under this contract? Resellers are defined as other companies that sell your products under an agreement with you, the awarded vendor of TIPS.

EXAMPLE: BIGmart is a reseller of ACME brand televisions. If ACME were a TIPS awarded vendor, then ACME would list BIGmart as a reseller.

(If applicable, Vendor should add all Authorized Resellers within the TIPS Vendor Portal upon award).

4
4**Right of Refusal**

The proposing vendor has the right not to sell under the awarded agreement with a TIPS member at vendor's discretion unless required by law.

Suspension or Debarment Instructions

Instructions for Certification:

1. By answering yes to the next Attribute question below, the vendor and prospective lower tier participant is providing the certification set out herein in accordance with these instructions.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and / or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participants," "person," "primary covered transaction," "principal," "proposal" and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction" without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension and / or debarment.

Non-Discrimination Statement and Certification

In accordance with Federal civil rights law, all U.S. Departments, including the U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

(Title VI of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; Title 7 CFR Parts 15, 15a, and 15b; the Americans with Disabilities Act; and FNS Instruction 113-1, Civil Rights Compliance and Enforcement – Nutrition Programs and Activities)

All U.S. Departments, including the USDA are equal opportunity provider, employer, and lender.

Not a negotiable term. Failure to agree by answering YES will render your proposal non-responsive and it will not be considered. I certify that in the performance of a contract with TIPS or its members, that our company will conform to the foregoing anti-discrimination statement and comply with the cited and all other applicable laws and regulations.

2 CFR PART 200 Contract Provisions Explanation

Required Federal contract provisions of Federal Regulations for Contracts for contracts with ESC Region 8 and TIPS Members:

The following provisions are required to be in place and agreed if the procurement is funded in any part with federal funds.

The ESC Region 8 and TIPS Members are the subgrantee or Subrecipient by definition. Most of the provisions are located in 2 CFR PART 200 - Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards at 2 CFR PART 200. Others are included within 2 CFR part 200 et al.

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

5
5

2 CFR PART 200 Contracts

Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Notice: Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

Does vendor agree?

5
6

2 CFR PART 200 Termination

Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process for cause after giving the vendor an appropriate opportunity and up to 30 days, to cure the causal breach of terms and conditions. ESC Region 8 and TIPS Members reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process for convenience with 30 days notice in writing to the awarded vendor. The vendor would be compensated for work performed and goods procured as of the termination date if for convenience of the ESC Region 8 and TIPS Members. Any award under this procurement process is not exclusive and the ESC Region 8 and TIPS reserves the right to purchase goods and services from other vendors when it is in the best interest of the ESC Region 8 and TIPS.

58

2 CFR PART 200 Byrd Anti-Lobbying Amendment

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members requires the proposer certify that during the term and during the life of any contract with ESC Region 8 and TIPS Members resulting from this procurement process the vendor certifies to the terms included or referenced herein.

59

2 CFR PART 200 Federal Rule

Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$250,000)

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, ESC Region 8 and TIPS Members requires the proposer certify that in performance of the contracts, subcontracts, and subgrants of amounts in excess of \$250,000, the vendor will be in compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15).

Does vendor certify that it is in compliance with the Clean Air Act?

60

2 CFR PART 200 Procurement of Recovered Materials

A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Does vendor certify that it is in compliance with the Solid Waste Disposal Act as described above?

1

2 CFR PART 200 Rights to Inventions

If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Pursuant to the above, when the foregoing applies to ESC Region 8 and TIPS Members, Vendor certifies that during the term of an award resulting from this procurement process, Vendor agrees to comply with all applicable requirements as referenced in the Federal rule above.

Does vendor agree?

Yes

6
2

2 CFR PART 200 Domestic Preferences for Procurements

As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award. For purposes of 2 CFR Part 200.322, “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Moreover, for purposes of 2 CFR Part 200.322, “Manufactured products” means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum, plastics and polymer-based products such as polyvinyl chloride pipe, aggregates such as concrete, glass, including optical fiber, and lumber.

Pursuant to the above, when federal funds are expended by ESC Region 8 and TIPS Members, Vendor certifies that to the greatest extent practicable Vendor will provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).

Does vendor agree?

Indemnification

The ESC Region 8 and TIPS is a Texas Political Subdivision and a local governmental entity; therefore, is prohibited from

indemnifying third parties pursuant to the Texas Constitution (Article 3, Section 52) except as specifically provided by law or as

ordered by a court of competent jurisdiction. A provision in a contract to indemnify or hold a party harmless is a promise to pay for

any expenses the indemnified party incurs, if a specified event occurs, such as breaching the terms of the contract or negligently

performing duties under the contract. Article III, Section 49 of the Texas Constitution states that "no debt shall be created by or on

behalf of the State ... " The Attorney General has counseled that a contractually imposed obligation of indemnity creates a "debt" in

the constitutional sense. Tex. Att'y Gen. Op. No. MW-475 (1982). Contract clauses which require the System or institutions to

indemnify must be deleted or qualified with "to the extent permitted by the Constitution and Laws of the State of Texas." Liquidated

damages, attorney's fees, waiver of vendor's liability, and waiver of statutes of limitations clauses should also be deleted or qualified

with "to the extent permitted by the Constitution and laws of State of Texas."

2 Remedies**

The parties shall be entitled to exercise any right or remedy available to it either at law or in equity, subject to the choice of law, venue and service of process clauses limitations agreed herein. Nothing in this agreement shall commit the TIPS to an arbitration resolution of any disagreement under any circumstances. Any Claim arising out of or related to the Contract, except for those specifically waived under the terms of the Contract, may, after denial of the Board of Directors, be subject to mediation at the request of either party. Any issues not resolved hereunder MAY be referred to non-binding mediation to be conducted by a mutually agreed upon mediator as a prerequisite to the filing of any lawsuit over such issue(s). The parties shall share the mediator's fee and any associated filing fee equally. Mediation shall be held in Camp or Titus County, Texas. Agreements reached in mediation shall be reduced to writing, and will be subject to the approval by the District's Board of Directors, signed by the Parties if approved by the Board of Directors, and, if signed, shall thereafter be enforceable as provided by the laws of the State of Texas.

It is possible that a vendor may be subject to Chapter 22 of the Texas Education Code. The Texas Education Code, Chapter 22, Section 22.0834 & 22.08341. Statutory language may be found at: <http://www.statutes.legis.state.tx.us/>

If the vendor has staff that meet both of these criterion:

- (1) will have continuing duties related to the contracted services; and
- (2) has or will have direct contact with students

Then you have "covered" employees for purposes of completing the attached form.

TIPS recommends all vendors consult their legal counsel for guidance in compliance with this law. If you have questions on how to comply, see below. If you have questions on compliance with this code section, contact the Texas Department of Public Safety Non-Criminal Justice Unit, Access and Dissemination Bureau, FAST-FACT at NCJU@txdps.state.tx.us and you should send an email identifying you as a contractor to a Texas Independent School District or ESC Region 8 and TIPS. Texas DPS phone number is (512) 424-2474.

See form in the next attribute to complete entitled:
Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Texas Education Code Chapter 22 Contractor Certification for Contractor Employees

Introduction: Texas Education Code Chapter 22 requires entities that contract with school districts to provide services to obtain criminal history record information regarding covered employees. Contractors must certify to the district that they have complied. Covered employees with disqualifying criminal histories are prohibited from serving at a school district.

Definitions: Covered employees: Employees of a contractor or subcontractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students. Disqualifying criminal history: Any conviction or other criminal history information designated by the District, or one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school:

(a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state.

I certify that:

NONE (Section A) of the employees of Contractor and any subcontractors are covered employees, as defined above. If this box is checked, I further certify that Contractor has taken precautions or imposed conditions to ensure that the employees of Contractor and any subcontractor will not become covered employees. Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

SOME (Section B) or all of the employees of Contractor and any subcontractor are covered employees. If this box is checked, I further certify that:

(1) Contractor has obtained all required criminal history record information regarding its covered employees. None of the covered employees has a disqualifying criminal history.

(2) If Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the District in writing within 3 business days.

(3) Upon request, Contractor will provide the District with the name and any other requested information of covered employees so that the District may obtain criminal history record information on the covered employees.

(4) If the District objects to the assignment of a covered employee on the basis of the covered employee's criminal history record information, Contractor agrees to discontinue using that covered employee to provide services at the District.

Noncompliance or misrepresentation regarding this certification may be grounds for contract termination.

Texas Business and Commerce Code § 272 Requirements as of 9-1-2017

SB 807 prohibits construction contracts to have provisions requiring the contract to be subject to the laws of another state, to be required to litigate the contract in another state, or to require arbitration in another state. A contract with such provisions is voidable. Under this new statute, a "construction contract" includes contracts, subcontracts, or agreements with (among others) architects, engineers, contractors, construction managers, equipment lessors, or materials suppliers. "Construction contracts" are for the design, construction, alteration, renovation, remodeling, or repair of any building or improvement to real property, or for furnishing materials or equipment for the project. The term also includes moving, demolition, or excavation. BY RESPONDING TO THIS SOLICITATION, AND WHEN APPLICABLE, THE PROPOSER AGREES TO COMPLY WITH THE TEXAS BUSINESS AND COMMERCE CODE § 272 WHEN EXECUTING CONTRACTS WITH TIPS MEMBERS THAT ARE TEXAS GOVERNMENT ENTITIES.

Texas Government Code 2270 & 2271 Verification Form

Texas Government Code 2270 & 2271 Verification Form

If (a) Vendor is not a sole proprietorship; (b) Vendor has ten (10) or more full-time employees; and (c) this Agreement has a value of \$100,000 or more, the following certification shall apply; otherwise, this certification is not required. Pursuant to Chapter 2271 of the Texas Government Code, the Vendor hereby certifies and verifies that neither the Vendor, nor any affiliate, subsidiary, or parent company of the Vendor, if any (the "Vendor Companies"), boycotts Israel, and the Vendor agrees that the Vendor and Vendor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes.

Our entity further certifies that it is is not listed on and we do not do business with companies prohibited by Texas Government Code 2270 or that are on the Texas Comptroller of Public Accounts list of Designated Foreign Terrorists Organizations per Texas Gov't Code 2270.0153 found at <https://comptroller.texas.gov/purchasing/docs/foreign-terrorist.pdf>

Felony Conviction Notice

Texas Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states “a person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony.” Subsection (b) states “a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract.” (c) This section does not apply to a publicly held corporation. The person completing this proposal certifies that they are authorized to provide the answer to this question.

Select A., B. or C.

A. My firm is a publicly held corporation; therefore, this reporting requirement is not applicable.

Required Confidentiality Claim Form

Required Confidentiality Claim Form

This completed form is required by TIPS. By submitting a response to this solicitation you agree to download from the “Attachments” section, complete according to the instructions on the form, then upload the completed form, with any confidential attachments, if applicable, to the “Response Attachments” section titled “Confidentiality Form” in order to provide to TIPS the completed form titled, “CONFIDENTIALITY CLAIM FORM”. **THIS REQUIRED PROCESS IS THE ONLY WAY TO DEEM PROPOSAL DOCUMENTATION CONFIDENTIAL ANY OTHER CONFIDENTIAL DESIGNATION WILL BE DISREGARDED UNLESS THE DOCUMENT IS IDENTIFIED BY AND ATTACHED TO THE REQUIRED FORM.** By completing this process, you provide us with the information we require to comply with the open record laws of the State of Texas as they may apply to your proposal submission. If you do not provide the form with your proposal, an award will not be made if your proposal is qualified for an award, until TIPS has an accurate, completed form from you.

Read the form carefully before completing and if you have any questions, email bids@tips-usa.com.

**9
2** **Member Access to Vendor Proposal**

Notwithstanding any other information provided in this solicitation or Vendor designation of certain documentation as confidential or proprietary, Vendor's acceptance of this TIPS Contract constitutes Vendor's consent to the disclosure of Vendor's comprehensive proposal, including any information deemed confidential or proprietary, **to TIPS Members**. The proposing Vendor agrees that TIPS shall not be responsible or liable for any use or distribution of information or documentation by TIPS Members or any other party. By submitting this proposal, Vendor certifies the foregoing.

**9
3** **Choice of Law clauses with TIPS Members**

If the vendor is awarded a contract with TIPS under this solicitation, the vendor agrees to make any Choice of Law clauses in any contract or agreement entered into between the awarded vendor and with a TIPS member entity to read as follows: "Choice of law shall be the laws of the state where the customer resides" or words to that effect.

**9
4** **Venue of dispute resolution with a TIPS Member**

In the event of litigation or use of any dispute resolution model when resolving disputes with a TIPS member entity as a result of a transaction between the vendor and TIPS or the TIPS member entity, the Venue for any litigation or other agreed upon model shall be in the state and county where the customer resides unless otherwise agreed by the parties at the time the dispute resolution model is decided by the parties.

**9
5** **Automatic renewal of contracts or agreements with TIPS or a TIPS member entity**

This clause **DOES NOT** prohibit multiyear contracts or agreements with TIPS member entities. Because TIPS and TIPS members are governmental entities subject to laws that control appropriations of funds during their fiscal years for contracts and agreements to provide goods and services, does the Vendor agree to limit any automatic renewal clauses of a contract or agreement executed as a result of this TIPS solicitation award to not longer than "month to month" and at the TIPS contracted rate.

**9
6** **Indemnity Limitation with TIPS Members**

Texas and other states restrict by law or state Constitution the ability of a governmental entity to indemnify others. TIPS requires that any contract entered into between a vendor and TIPS or a TIPS Member as a result of an award under this Solicitation limit the requirement that the Customer indemnify the Vendor by either eliminating any such indemnity requirement clauses in any agreements, contracts or other binding documents **OR** by prefacing all indemnity clauses required of TIPS or the TIPS Member entity with the following: "To the extent permitted by the laws or the Constitution of the state where the customer resides, ".

Agreement is a required condition to award of a contract resulting from this Solicitation.

**9
7** **Arbitration Clauses**

Except for certain circumstances, TIPS forbids a mandatory arbitration clause in any contract or agreement entered into between the awarded vendor with TIPS or a TIPS member entity. Does the vendor agree to exclude any arbitration requirement in any contracts or agreement entered into between TIPS or a TIPS member entity through an awarded contract with TIPS?

Required Vendor Sales Reporting

By responding to this Solicitation, you agree to report to TIPS all sales made under any awarded Agreement with TIPS. Vendor is required to report all sales under the TIPS contract to TIPS. If the TIPS Member entity requesting a price from the awarded Vendor requests the TIPS contract, Vendor must include the TIPS Contract number on any communications with the TIPS Member entity. If awarded, you will be provided access to the Vendor Portal. To report sales, login to the TIPS Vendor Portal and click on the PO's and Payments tab. Pages 3-7 of the [Vendor Portal User Guide](#) will walk you through the process of reporting sales to TIPS. Please refer to the TIPS [Accounting FAQ's](#) for more information about reporting sales and if you have further questions, contact the Accounting Team at accounting@tips-usa.com. The Vendor or vendor assigned dealers are responsible for keeping record of all sales that go through the TIPS Agreement and submitting same to TIPS.

CERTIFICATION REGARDING BOYCOTTING CERTAIN ENERGY COMPANIES (Texas law as of September 1, 2021)

By submitting a proposal to this Solicitation, you certify that you agree, when it is applicable, to the following required by Texas law as of September 1, 2021:

If (a) company is not a sole proprietorship; (b) company has ten (10) or more full-time employees; and (c) this contract has a value of \$100,000 or more that is to be paid wholly or partly from public funds, the following certification shall apply; otherwise, this certification is not required. Pursuant to Tex. Gov't Code Ch. 2274 of SB 13 (87th session), the company hereby certifies and verifies that the company, or any wholly owned subsidiary, majority-owned subsidiary, parent company, or affiliate of these entities or business associations, if any, does not boycott energy companies and will not boycott energy companies during the term of the contract. For purposes of this contract, the term "company" shall mean an organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, that exists to make a profit. The term "boycott energy company" shall mean "without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (a) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law, or (b) does business with a company described by paragraph (a)." See Tex. Gov't Code § 809.001(1).

CERTIFICATION PROHIBITING DISCRIMINATION AGAINST FIREARM AND AMMUNITION INDUSTRIES (Texas law as of September 1, 2021)

By submitting a proposal to this Solicitation, you certify that you agree, when it is applicable, to the following required by Texas law as of September 1, 2021:

If (a) company is not a sole proprietorship; (b) company has at least ten (10) full-time employees; (c) this contract has a value of at least \$100,000 that is paid wholly or partly from public funds; (d) the contract is not excepted under Tex. Gov't Code § 2274.003 of SB 19 (87th leg.); and (e) governmental entity has determined that company is not a sole-source provider or governmental entity has not received any bids from a company that is able to provide this written verification, the following certification shall apply; otherwise, this certification is not required.

Pursuant to Tex. Gov't Code Ch. 2274 of SB 19 (87th session), the company hereby certifies and verifies that the company, or association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or limited liability company, including a wholly owned subsidiary, majority-owned subsidiary parent company, or affiliate of these entities or associations, that exists to make a profit, does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this contract against a firearm entity or firearm trade association. For purposes of this contract, "discriminate against a firearm entity or firearm trade association" shall mean, with respect to the entity or association, to: "(1) refuse to engage in the trade of any goods or services with the entity or association based solely on its status as a firearm entity or firearm trade association; (2) refrain from continuing an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association; or (3) terminate an existing business relationship with the entity or association based solely on its status as a firearm entity or firearm trade association. See Tex. Gov't Code § 2274.001(3) of SB 19. "Discrimination against a firearm entity or firearm trade association" does not include: "(1) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories; and (2) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency, or for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association." See Tex. Gov't Code § 2274.001(3) of SB 19.

CERTIFICATION REGARDING CERTAIN FOREIGN-OWNED COMPANIES IN CONNECTION WITH CRITICAL INFRASTRUCTURE (Texas law as of September 1, 2021)

By submitting a proposal to this Solicitation, you certify that you agree to the following required by Texas law as of September 1, 2021:

Proposing Company is prohibited from entering into a contract or other agreement relating to critical infrastructure that would grant to the company direct or remote access to or control of critical infrastructure in this state, excluding access specifically allowed by the Proposing Company for product warranty and support purposes. Company, certifies that neither it nor its parent company nor any affiliate of company or its parent company, is (1) owned by or the majority of stock or other ownership interest of the company is held or controlled by individuals who are citizens of China, Iran, North Korea, Russia, or a designated country; (2) a company or other entity, including governmental entity, that is owned or controlled by citizens of or is directly controlled by the government of China, Iran, North Korea, Russia, or a designated country; or (3) headquartered in China, Iran, North Korea, Russia, or a designated country. For purposes of this contract, "critical infrastructure" means "a communication infrastructure system, cybersecurity system, electric grid, hazardous waste treatment system, or water treatment facility." See Tex. Gov't Code § 2274.0101(2) of SB 1226 (87th leg.). The company verifies and certifies that company will not grant direct or remote access to or control of critical infrastructure, except for product warranty and support purposes, to prohibited individuals, companies, or entities, including governmental entities, owned, controlled, or headquartered in China, Iran, North Korea, Russia, or a designated country, as determined by the Governor.

Title, Recommendation & Justification

Title:	Ordinance Waiving Bidding for the Purchase of Police Uniforms and Equipment from Galls, LLC
Action Recommendation & Justification:	This is a request for a waiver of bid for the purchase of police uniforms and equipment from Galls, LLC. This includes dispatch uniforms, patrol uniforms, bike team uniforms, SWAT uniforms, bomb squad uniforms, leather gear, ballistic vest and other soft uniform items such as coats, jackets, rain gear, hats, and informal uniforms. No budget adjustment is needed.
Additional Comments for Consideration (Optional):	Due to being determined the sole source provider for public safety uniforms and uniform accessories for the City's public safety departments, as explained in the attached Memos, it is impracticable to solicit bids for the purchase of these items. Being located in Springdale, this provider promotes safety and convenience by allowing local, timely and cost effective uniform measuring, fitting, alterations, and availability.
Amount for Approval:	\$ 156,550.00

MEMORANDUM

PURCHASING OFFICE

TO: ADMINISTRATION

FROM: Kelsi Frederick, Purchasing Manager

DATE: January 5, 2024

SUBJECT: The purchase of public safety uniforms and uniform accessories.

In 2019, the Purchasing Office conducted an internal review of public safety uniforms and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories. On March 13, 2020 Purchasing issued a Memo explaining the determination that Galls, LLC was the sole source provider for the City's public safety uniforms; a copy of this Memo is attached.

In January 2024, Purchasing has reviewed the information from previous years and consulted with the City's Police and Fire Departments, determining that there had been no change to sole source justification, or the information included in the original Memo/found in the original review of public safety uniforms and uniform accessory purchases. The current GSA Cooperative Contract (47QSWA21D008H) is used, when possible, by the Police and Fire Departments to obtain co-op pricing for certain items from Galls, LLC.

Purchasing will conduct this review annually, to determine if any change has been found and either communicate that change or adjust the recommendation for the purchase of these items.

Please feel free to contact me with any questions.

MEMORANDUM

PURCHASING DEPARTMENT

TO: City Council, Administration

FROM: Gladys Shoemake, Purchasing Manager

DATE: January 19, 2022

SUBJECT: The purchase of public safety uniforms and uniform accessories

In 2019, the Purchasing Office conducted an internal review of public safety uniforms and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories. On March 13, 2020 Purchasing issued a Memo explaining the determination that Galls, LLC was the sole source provider for the City's public safety uniforms; the information resulting from the original review and Memo has been included in this Memo.

In January 2022, Purchasing reviewed the information in the March 13, 2020 Memo and consulted with the City's Police and Fire Departments, determining that there had been no change to the sole source justification in the original Memo; however, there will be an upcoming change in the Government Services Administration (GSA) Cooperative (Co-Op) Contract referenced in the original Memo. This Contract is used when possible by the Police and Fire Departments to obtain co-op pricing for certain items. The updated information has been included below:

Original GSA Contract Number Utilized: GS-07F-0157M

Original GSA Contract Expiration Date: January 31, 2022

New GSA Contract Number: 47QSWA21D008H

I have reviewed the information related to this new Contract number with the GSA Government Point of Contact, and have confirmed that the new Contract has the same terms, conditions, and pricing as the original contract. Purchasing will conduct this review annually, to determine if any change has been found and either communicate that change or adjust the recommendation for the purchase of these items.

Please feel free to contact me with any questions.

Attachments: Information from the original Memo describing the review of the City's purchase of public safety uniforms and accessories (March 2020)

MEMORANDUM

PURCHASING DEPARTMENT

Information from Original Review:

In 2019, the Purchasing Office conducted an internal review of public safety uniform and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories.

The following are important factors considered during this review:

- Public safety uniforms consist of non-typical uniform types, such as police (which require expedited alterations and repairs) and fire clothing types, but also require the purchase of various small accessories. Other City Departments, not in the public safety sector, use more standardized uniforms, such as khaki pants or jeans and polo shirts and jackets.
 - Purchasing determined that the various accessories needed by public safety staff, such as holsters for various weapons, make the uniform needs for these Departments unique from other City Departments. Furthermore, these additional needs make it difficult to determine spending thresholds applicable to different procurement methods (bidding, cooperative contract use etc.) due to the different types of the items (ex. purchase of pants/shirts vs. purchase of holsters/belts) .
- Galls offers a Springdale, Arkansas location, which allows the public safety Departments to pick up/drop off uniforms according to their availability.
- Galls has consistently been acquiring other local public safety uniform providers, such as Cruise Uniforms (now a Galls company), drastically limiting the vendor pool that would be potential bidders, if bidding these uniform types was determined practical.
- According to the Police Department, Galls/Cruise is the only local provider that allows pick-up and alterations; the Police Department utilizes and relies on these services frequently.
- Some Galls items are available through the Federal Cooperative (Co-Op), GSA, via utilization of Contract GS-07F-0157M. Both Departments utilize this cooperative pricing when applicable.
 - Pursuant to §19-11-249, use of a Co-Op is permitted. When Departments request to purchase from a Co-Op, Purchasing conducts a review of the Co-Op contract to determine if the contract is in line with both Arkansas State Law and City purchasing procedures, as well as if the purchases from the contract can be accurately tracked and verified.
 - Due to the nature of how the Federal Co-Op offerings are organized, and the wide array of available options in public safety uniform accessories, Purchasing determined that it was not feasible to expect public safety departments to accurately track and confirm all pricing offered through the cooperative using solely cooperative contract participation.

Based on the above factors and the nature of public safety uniform needs, Purchasing has determined Galls, LLC to be sole source for the City's public safety uniform purchases.

Pursuant to §14-58-303, the requirements of competitive bidding in exceptional situations where this procedure is deemed not feasible or practical, may be waived by ordinance by the City's governing body. In accordance with this Statute, Purchasing recommends that the City's public safety Departments waive competitive bidding for the purchase of these uniforms and accessories from Galls, using GSA Federal Co-Op pricing and alternate cost options offered by Galls to realize cost savings when applicable.

ORDINANCE NO. _____

AN ORDINANCE WAIVING COMPETITIVE BIDDING FOR THE PURCHASE OF UNIFORMS FOR THE BENTONVILLE POLICE DEPARTMENT; AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO AN AGREEMENT, NOT TO EXCEED ONE HUNDRED FIFTY-SIX THOUSAND FIVE HUNDRED FIFTY DOLLARS (\$156,550.00), WITH GALLS LLC, FOR THIS PURCHASE; AND FOR OTHER PURPOSES.

WHEREAS, the Bentonville Police Department requires a standardized and centralized provider for uniforms and accessories;

WHEREAS, Galls LLC is the sole provider for such uniforms and accessories in the area, and bidding would not result in competitive submittals; and

WHEREAS, this agreement will be funded with budgeted monies.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BENTONVILLE, ARKANSAS THAT:

Section 1: The Mayor and City Clerk are authorized to enter into a contract with Galls LLC, for the purchase of uniforms and uniform accessories for the Bentonville Police Department, in an amount not to exceed one hundred fifty-six thousand five hundred fifty dollars (\$156,550.00);

Section 2: This purchase will be made using budgeted funds;

Title, Recommendation & Justification

Title:	Ordinance Waiving Bidding for the Purchase of Fire Department Uniforms from Galls, LLC
Action Recommendation & Justification:	This is a request for a waiver of bid to allow for the purchase of fire uniforms from Galls, LLC in Springdale, Arkansas. The 2024 budget total allotment is \$163,382.00. Emergency Clause requested due to hiring of new personnel that were given a basic a basic set of uniforms since uniform purchase was cut off in Oct. of 2023 due to shipping delays. No budget adjustment is needed.
Additional Comments for Consideration (Optional):	Due to being determined the sole source provider for public safety uniforms and uniform accessories for the City's public safety departments, as explained in the attached Memos, it is impracticable to solicit bids for the purchase of these items. Being located in Springdale, this provider promotes safety and convenience by allowing local, timely and cost effective uniform measuring, fitting, alterations, and availability. Galls also carries a GSA contract #47QSWA21D008H

PURCHASING OFFICE

TO: ADMINISTRATION

FROM: Kelsi Frederick, Purchasing Manager

DATE: January 5, 2024

SUBJECT: The purchase of public safety uniforms and uniform accessories.

In 2019, the Purchasing Office conducted an internal review of public safety uniforms and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories. On March 13, 2020 Purchasing issued a Memo explaining the determination that Galls, LLC was the sole source provider for the City's public safety uniforms; a copy of this Memo is attached.

In January 2024, Purchasing has reviewed the information from previous years and consulted with the City's Police and Fire Departments, determining that there had been no change to sole source justification, or the information included in the original Memo/found in the original review of public safety uniforms and uniform accessory purchases. The current GSA Cooperative Contract (47QSWA21D008H) is used, when possible, by the Police and Fire Departments to obtain co-op pricing for certain items from Galls, LLC.

Purchasing will conduct this review annually, to determine if any change has been found and either communicate that change or adjust the recommendation for the purchase of these items.

SUBJECT: The purchase of public safety uniforms and uniform accessories

In 2019, the Purchasing Office conducted an internal review of public safety uniforms and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories. On March 13, 2020 Purchasing issued a Memo explaining the determination that Galls, LLC was the sole source provider for the City's public safety uniforms; the information resulting from the original review and Memo has been included in this Memo.

In January 2022, Purchasing reviewed the information in the March 13, 2020 Memo and consulted with the City's Police and Fire Departments, determining that there had been no change to the sole source justification in the original Memo; however, there will be an upcoming change in the Government Services Administration (GSA) Cooperative (Co-Op) Contract referenced in the original Memo. This Contract is used when possible by the Police and Fire Departments to obtain co-op pricing for certain items. The updated information has been included below:

Original GSA Contract Number Utilized: GS-07F-0157M

Original GSA Contract Expiration Date: January 31, 2022

New GSA Contract Number: 47QSWA21D008H

I have reviewed the information related to this new Contract number with the GSA Government Point of Contact, and have confirmed that the new Contract has the same terms, conditions, and pricing as the original contract. Purchasing will conduct this review annually, to determine if any change has been found and either communicate that change or adjust the recommendation for the purchase of these items.

Attachments: Information from the original Memo describing the review of the City's purchase of public safety uniforms and accessories (March 2020)

MEMORANDUM

PURCHASING DEPARTMENT

Information from Original Review:

In 2019, the Purchasing Office conducted an internal review of public safety uniform and uniform accessory purchases, with the primary goal being to assess the practicality in inviting competitive bids for the purchase of public safety uniforms and accessories.

The following are important factors considered during this review:

- Public safety uniforms consist of non-typical uniform types, such as police (which require expedited alterations and repairs) and fire clothing types, but also require the purchase of various small accessories. Other City Departments, not in the public safety sector, use more standardized uniforms, such as khaki pants or jeans and polo shirts and jackets.
 - Purchasing determined that the various accessories needed by public safety staff, such as holsters for various weapons, make the uniform needs for these Departments unique from other City Departments. Furthermore, these additional needs make it difficult to determine spending thresholds applicable to different procurement methods (bidding, cooperative contract use etc.) due to the different types of the items (ex. purchase of pants/shirts vs. purchase of holsters/belts) .
- Galls offers a Springdale, Arkansas location, which allows the public safety Departments to pick up/drop off uniforms according to their availability.
- Galls has consistently been acquiring other local public safety uniform providers, such as Cruise Uniforms (now a Galls company), drastically limiting the vendor pool that would be potential bidders, if bidding these uniform types was determined practical.
- According to the Police Department, Galls/Cruise is the only local provider that allows pick-up and alterations; the Police Department utilizes and relies on these services frequently.
- Some Galls items are available through the Federal Cooperative (Co-Op), GSA, via utilization of Contract GS-07F-0157M. Both Departments utilize this cooperative pricing when applicable.
 - Pursuant to §19-11-249, use of a Co-Op is permitted. When Departments request to purchase from a Co-Op, Purchasing conducts a review of the Co-Op contract to determine if the contract is in line with both Arkansas State Law and City purchasing procedures, as well as if the purchases from the contract can be accurately tracked and verified.
 - Due to the nature of how the Federal Co-Op offerings are organized, and the wide array of available options in public safety uniform accessories, Purchasing determined that it was not feasible to expect public safety departments to accurately track and confirm all pricing offered through the cooperative using solely cooperative contract participation.

Based on the above factors and the nature of public safety uniform needs, Purchasing has determined Galls, LLC to be sole source for the City's public safety uniform purchases.

Pursuant to §14-58-303, the requirements of competitive bidding in exceptional situations where this procedure is deemed not feasible or practical, may be waived by ordinance by the City's governing body. In accordance with this Statute, Purchasing recommends that the City's public safety Departments waive competitive bidding for the purchase of these uniforms and accessories from Galls, using GSA Federal Co-Op pricing and alternate cost options offered by Galls to realize cost savings when applicable.

Re: Purchasing EMS supplies directly through Henry Schein & Bound Tree Medical

To ensure financial efficiency, the Fire Department closely monitors and evaluates purchasing practices for routine EMS supplies, including fluids and medications. Considerations include the ability to acquire proprietary and compatible medical supplies, individual items and bulk purchasing options, 12-month minimum medication expiration dating, and shipping & handling fees.

Recent cost analysis considered sourcing and procurement comparisons between Henry Schein and other EMS medical supply vendors such as Bound Tree, McKesson, Cardinal, Emergency Medical Products, Medical Warehouse and the MMCAP state contract. Although Henry Schein participates under the MMCAP state contract, state pricing for Henry Schein items are significantly higher and EMS supplies, under the state contract, are limited and require case purchasing. Case purchasing often leads to excessive waste, since medical supplies are packaged with expiration dates and often expire before use. Our 2024 findings confirm the most cost-effective method remains direct purchasing through Henry Schein Medical and Bound Tree Medical.

WHEREAS, the Bentonville Fire Department closely monitors and evaluates purchasing practices for routine emergency medical supplies in order to ensure availability, compatibility, validity, and related fees;

WHEREAS, it has been determined that Bound Tree Medical has the best pricing for certain medical supplies and medications while providing the ability to acquire proprietary and compatible medical supplies, individual and bulk purchasing, and critical date sensitive products without waste; and

RE: 167210-01

Dear Tony,

We are pleased to quote the following for your purchase consideration.

One (1) Used Caterpillar Model: 420 Backhoe Loader with all standard equipment in addition to the additional specifications listed below:

STOCK NUMBER: H8T3550	SERIAL NUMBER: 0H8T03550	YEAR: 2023	SMU: 210.40
SELL PRICE			\$125,000.00
CSA			Included
NET BALANCE DUE			\$125,000.00
BEFORE TAX BALANCE			\$125,000.00

ADDITIONAL CONSIDERATIONS

- Quoted pricing and finance terms are based on current available market pricing and are subject to change.
- Machine pricing is not guaranteed until Purchase Order is signed and accepted. Purchase Order will be available within 120 days of the scheduled machine ship date from manufacturer.
- Financing terms, including interest rates, residuals, and other associated items will not be guaranteed until finance documents are generated at time of machine delivery to customer.
- By signing this quote, Riggs will initiate the machine ordering process for the equipment quoted.

WARRANTY: Remainder of PT/Hyd./Tech warranty. Expires on 4/17/26

Thank you for your interest in Riggs CAT and Caterpillar products for your business needs. If there are any questions, please do not hesitate to contact me.

Sincerely,

RESOLUTION NO. _____

**A RESOLUTION AUTHORIZING THE MAYOR AND CLERK TO
ENTER INTO AGREEMENTS WITH RIGGS CAT FOR THE
PURCHASE OF TWO (2) USED BACKHOES IN THE TOTAL AMOUNT
OF TWO HUNDRED FIFTY THOUSAND DOLLARS (\$250,000.00) PLUS
APPLICABLE TAXES; AND FOR OTHER PURPOSES.**

WHEREAS, the City of Bentonville previously leased two backhoes for the Street Department;

WHEREAS, those backhoes are available for purchase as used machinery, allowing operations to continue uninterrupted by not changing equipment while saving costs; and

WHEREAS, this purchase will be made using budgeted funds.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF BENTONVILLE, ARKANSAS.

Section 1: That the Mayor and Clerk are hereby authorized to enter into agreements with Riggs Cat for the purchase of two (2) currently leased, used, backhoes in the total amount of two hundred fifty thousand dollars (\$250,000.00), plus applicable taxes;

Section 2 - Severability Provision: If any part of this Resolution is held invalid, the remainder of this Resolution shall continue in effect as if such invalid portion never existed; and

Section 3 - Repeal of Conflicting Provisions: All Ordinances, Resolutions, or Orders of the City Council, or parts of the same, in conflict with this Resolution are repealed to the extent of such conflict.

RE: Fiber Extension to North Walton SPUI

- Deliverables - Detailed Engineering Design for two miles of fiber optic cable.
 - Construction Design Package
 - Fiber Route Field Survey
 - Bill of Materials
 - Construction Cost Estimate
 - Pole Loading Analysis
 - Electric and Communications Make-Ready
 - Project Management
 - Construction Observation

VIA: todayis@bentonvillear.com

Dear Mr. Davis,

TOP Engineers Plus (TOP) is pleased to offer this proposal for Communications Engineering Services in support of the City of Bentonville.

Deliverables:

This Proposal entails the Detailed Engineering Design to extend a fiber optic cable from the intersection of Tiger Blvd. and N Walton Blvd. to the existing SPUI cabinet at the intersection of US HWY 71 and I-49.

Field Data Collection

- Survey Electric Distribution Poles: Using a survey tool call IkeGPS, obtain a scaled picture and via the Backoffice software, make notations of existing attachment heights and any make-ready recommendations needed according to the chosen placement of the proposed fiber cable per BEUD Fiber Cable Standards.
- Survey underground design utilizing Topcon GPS. Define all above ground obstacles. Depict underground utilities on construction prints per available records.

8191 Pittman Road
Adkins, Texas 78101
1-210-844-0129
www.TOPEngineersPlus.com

Detailed Engineering Design Package

- Engineer fiber route to include overhead and underground designs.
 - Coordination with Stakeholders (fiber count, splice configuration, end points transitions, etc.)
 - Coordination with third parties as needed (BEUD, Traffic, etc.)
- Develop construction work prints.
 - Develop construction drawings.
 - Develop construction drawings per BEUD standard.
 - Define fiber route.
 - Define type of construction per pole.
 - Define location of slack storage and splices
 - Develop bill of materials for ordering prior to bid process.
- Determine pole make-ready.
 - BEUD to prepare electrical design once electrical make-ready is determined.
- Provide Construction Cost Estimates.

Pole Loading Analysis

- Perform Pole Loading Analysis (PLA) per criteria established by BEUD.

Bid Administration

- This project will utilize cable installers currently under contract with COB.

Construction Observation

- Due to the short length of the project Construction Observation will consist of the following.
 - Support via phone conversation.
 - One visit to inspect completed project.

Approach to Service Delivery:

TOP Engineers step by step approach is as follows:

- Utilize COB GIS data to prepare for field data collection.
- Deploy field crews to collect pole and underground data.
- Review planned route with COB.
- Develop detailed construction drawings for overhead and underground designs.
- Prepare Bill Of Materials.
- Final review with COB to incorporate any comments or changes.
- Issue Detail Design package to COB for construction.
- Inspection of completed installation and close-out.

2	Pole Loading Analysis as needed (\$60/pole) must be identified at the time of field survey or there may be additional mobilization costs as the process is more complex.	\$2,710	Fixed as needed per unit
3	Construction Observation	\$5,477	T&M
4	TOTAL	\$50,357	

Billing:

Billing will be submitted Monthly on a Time & Materials basis as listed. TOP Engineers Plus is grateful to be able to serve the engineering design needs of the City of Bentonville. Please let me know if there are any questions related to the above estimate and/or any additional services that may be needed.

Re: Quality Management Plan

In willingness to participate in the EPA Grant for Assessment of Urban Streams in the Ozark Highlands Ecoregion and Stream Restoration of McKissic Creek in Bentonville, Arkansas, and conformance with Part A requirements of ANSI/ASQC E4-1994, a Quality Management Plan (QMP) must be established and implemented.

A QMP documents how an organization structures its quality system and describes its quality policies and procedures, criteria for and areas of application, and roles, responsibilities, and authorities. It also describes an organization's policies and procedures for implementing and assessing the effectiveness of the quality system.

The QMP may be viewed as the 'umbrella' document under which individual projects are conducted. If another EPA grant is applied for and awarded, the project specific Quality Assurance Project Plan (QAPP) will fall under this QMP. Once the QMP is approved, it will be valid for a period of up to five years. After this period has expired, the plan will either be reissued without change, revised, or withdrawn from the EPA Quality System.

Within the QMP, the Quality Assurance Team defined will perform a yearly audit of the document and make changes as necessary to meet compliance with the EPA QMP guidelines. The QMP will be approved on a yearly basis, either with revisions or without, and submitted to EPA as an update.

If you have any questions regarding this item, please call me at 479.464.7275 or email dwright@bentonvillear.com.

Attachment 1 - Project Description

The City of Bentonville, AR in partnership with the Watershed Conservation Resource Center (WCRC) proposes to conduct an inventory and assess the condition of riparian, wetland areas, other natural features and streambanks for 5 miles of urban streams in the Ozark Highlands Ecoregion. The assessment will focus on McKissic Creek and its tributaries and Little Sugar Creek near its confluence with McKissic in the City. 1. Develop an inventory of streambanks, riparian condition, wetlands and other and include a GIS assessment for 5 miles of urban stream in the McKissic and Little Sugar watersheds.

a. The data will be provided in a suitable format to the City's Parks, Engineering and Planning Departments and environmental groups for City and watershed planning.

b. Baseline data will be collected on native plant species, plant communities and habitats, and amphibian and reptiles. Data will be reported to AR Natural Heritage Commission.

2. A restoration plan will be developed for unstable sections of McKissic Creek and Little Sugar Creek and associated wetlands using natural channel design principles. Wetland benefits of flood attenuation while creating wildlife will be a focal point. The restoration plan covers 800ft. of channel, 1600ft of riparian, and 1 acre of wetlands. Initial streambank condition monitoring will be conducted.

3. The City and WCRC will work with an array of partners to conduct a workshop and present project information to states, tribal government agencies, developer, environmental professionals and residents.

a. Considering natural features in site design of residential and commercial development.

b. Selection and establishment of native plants and removal of invasive plants in riparian and wetland areas to protect water quality and create wildlife habitat. The expected environmental outcomes from this project are: 1) improve the decision making ability of the City and watershed planner in conducting restoration of streams, wetlands and riparian areas; preservation of healthy streams, wetlands and other natural features; and reduction of sediment and nutrients from streambank erosion to improve water quality within the watershed. 2) improve City's staff ability to evaluate proposed development, zoning and other activities that can impact streams and wetlands. 3) reduce invasive species of plants in the treated riparian areas. 4) increase percentage of native plants along the riparian. 5) increase quality of wetlands, riparian, and other natural features on the site. 6) increase understanding and change behavior among state/tribe/local government, residents, decision makers, urban developers and their designers and environmental professions that protection and restoration of existing wetlands and stream protects and improves both water quality and habitat and provides a healthier environment and urban development should consider a. existing stream channel, riparian areas, wetlands, and other natural features, b. native vegetation establishment and long-term monitoring and maintenance are part of the design and budget. 1. The terms and conditions of this agreement require the submittal of reports, specific requests for approval, or notifications to EPA. Unless otherwise noted, all such correspondence should be sent to the following email addresses:

- Federal Financial Reports (SF-425): rtpfc-grants@epa.gov and R6_EPA_Grants_Programs@epa.gov
- MBE/WBE reports (EPA Form 5700-52A): Debora Bradford, DBE Coordinator bradford.debora@epa.gov and R6_EPA_Grants_Programs@epa.gov
- All other forms/certifications/assurances, Indirect Cost Rate Agreements, Requests for Extensions of the Budget and Project Period, Amendment Requests, Requests for other Prior Approvals, updates to recipient information (including email addresses, changes in contact information or changes in authorized representatives) and other notifications: R6_EPA_Grants_Programs@epa.gov
- Payment requests (if applicable): Sondra McDonald, Project Officer mcdonald.sondra@epa.gov and R6_EPA_Grants_Programs@epa.gov
- Quality Assurance documents, workplan revisions, equipment lists, programmatic reports and deliverables: Sondra McDonald, Project Officer mcdonald.sondra@epa.gov

Programmatic Conditions

B. PERFORMANCE REPORTING AND FINAL PERFORMANCE REPORT

Performance Reports – Content

In accordance with 2 CFR 200.328, the recipient agrees to submit performance reports that

include brief information on each of the following areas: 1) A comparison of actual accomplishments to the outputs/outcomes established in the assistance agreement work plan for the period; 2) The reasons why established outputs/outcomes were not met; and 3) Additional pertinent information, including, when appropriate, analysis and explanation of cost overruns or high-unit costs. Additionally, the recipient agrees to inform EPA as soon as problems, delays, or adverse conditions which will materially impair the ability to meet the outputs/outcomes specified in the assistance agreement work plan are known.

Performance Reports - Frequency

The recipient agrees to submit semi-annual performance reports electronically to the EPA Project Officer within 30 days of every six-month period. The recipient will provide to the EPA Project Officer within 90 days of the budget/project period end date, electronic copies of final technical outputs of the project, including: a 1-2 page summary of the project, presentation(s), journal article(s) and any other materials relevant to the project results.

Subaward Performance Reporting

The recipient must report on its subaward monitoring activities under 2 CFR 200.331(d). Examples of items that must be reported if the pass-through entity has the information available are:

1. Summaries of results of reviews of financial and programmatic reports.
2. Summaries of findings from site visits and/or desk reviews to ensure effective subrecipient performance.
3. Environmental results the subrecipient achieved.
4. Summaries of audit findings and related pass-through entity management decisions.
5. Actions the pass-through entity has taken to correct deficiencies such as those specified at 2 CFR

200.331(e), 2 CFR 200.207 and the 2 CFR Part 200.338 Remedies for Noncompliance.

C. Cybersecurity Condition

(a) The recipient agrees that when collecting and managing environmental data under this assistance agreement, it will protect the data by following all applicable State law cybersecurity requirements.

(b) (1) EPA must ensure that any connections between the recipient's network or information system and EPA networks used by the recipient to transfer data under this agreement, are secure.

For purposes of this Section, a connection is defined as a dedicated persistent interface between an Agency IT system and an external IT system for the purpose of transferring information. Transitory, user-controlled connections such as website browsing are excluded from this definition. If the recipient's connections as defined above do not go through the Environmental Information Exchange Network or EPA's Central Data Exchange, the recipient agrees to contact the EPA Project Officer (PO) and work with the designated Regional/Headquarters Information Security Officer to ensure that the connections meet EPA security requirements, including entering into Interconnection Service Agreements as appropriate. This condition does not apply to manual entry of data by the recipient

into systems operated and used by EPA's regulatory programs for the submission of reporting and/or compliance data.

(2) The recipient agrees that any subawards it makes under this agreement will require the subrecipient to comply with the requirements in (b)(1) if the subrecipient's network or information system is connected to EPA networks to transfer data to the Agency using systems other than the Environmental Information Exchange Network or EPA's Central Data Exchange. The recipient will be in compliance with this condition: by including this requirement in subaward agreements; and during subrecipient monitoring deemed necessary by the recipient under 2 CFR 200.331(d), by inquiring whether the subrecipient has

contacted the EPA Project Officer. Nothing in this condition requires the recipient to contact the EPA Project Officer on behalf of a subrecipient or to be involved in the negotiation of an Interconnection Service Agreement between the subrecipient and EPA.

D. Quality Management Plan

In accordance with 2 CFR 1500.11, the recipient shall continue to implement and adhere to the Quality Management Plan (QMP) submitted to EPA. The QMP should be updated annually or as necessary based on the EPA QA/R-2: EPA Requirements for Quality Management Plans. This quality assurance requirement applies to all grants, cooperative agreements, contracts and interagency agreements that involve the use of environmental data. If not included under the approved QMP, a stand-alone QAPP is required for those projects/activities that result in the collection, production and/or use of environmental information, metrics or data. The recipient agrees to ensure that an approved site specific QAPP is completed for each project. No environmental data collection, production, or use may occur until the QAPP is reviewed and approved by the EPA Project Officer and Quality Assurance Regional Manager or through authorized delegation under an EPA approved recipient QMP based on procedures documented in the QMP. A copy of the approved QAPPs must be retained with the recipient's official records for this Agreement.

The Quality Management Plan must be submitted to the EPA Project Officer no later than 30 days after receipt of cooperative agreement award document.

E. Quality Assurance Project Plan

In accordance with 2 CFR 1500.11, the recipient must develop and implement quality assurance and quality control procedures, specifications and documentation that are sufficient to produce data of adequate quality to meet project objectives. Recipients implementing environmental programs within the scope of the assistance agreement must submit to the EPA Project Officer an approvable Quality Assurance Project Plan (QAPP) at least 60 days prior to the initiating of data collection or data compilation. The Quality Assurance Project Plan (QAPP) is the document that provides comprehensive details about the quality assurance, quality control, and technical activities that must be implemented to ensure that project objectives are met. Environmental programs include direct measurements or data generation, environmental modeling, compilation of data from literature or electronic media, and data supporting the

design, construction, and operation of environmental technology.

The QAPP should be prepared in accordance with EPA QA/R-5: EPA Requirements for Quality Assurance Project Plans.

No environmental data collection or data compilation may occur until the QAPP is approved by the EPA Project Officer and Quality Assurance Regional Manager. When the recipient is delegating the responsibility for an environmental data collection or data compilation activity to another organization, the EPA Regional Quality Assurance Manager may allow the recipient to review and approve that organization's QAPP. Additional information on these requirements can be found at the EPA Office of Grants and Debarment Web Site: <https://www.epa.gov/grants/implementation-quality-assurance-requirements-organizations-receivingepa-financial>

F. Substantial Involvement

EPA will be substantially involved in this agreement. Substantial involvement by the EPA Project Officer may include but not limited to:

- 1.) monthly telephone calls and other monitoring,
- 2.) reviewing project phases and providing approval to continue to the next phase,
- 3.) reviewing and commenting on any documents, web content, or other materials developed under this agreement,
- 4.) reviewing and commenting on the programmatic progress reports and final deliverables.

G. Geospatial Data Standards

All geospatial data created must be consistent with Federal Geographic Data Committee (FGDC) endorsed standards. Information on these standards may be found at www.fgdc.gov. All geospatial wetlands mapping must comply with the FGDC Wetlands Mapping Standard which can be found at: http://www.fgdc.gov/standards/projects/FGDC-standards-projects/wetlands-mapping/2009-08FGDCWetlandsMappingStandard_final.pdf. To facilitate accurate data production and inclusion into the National Wetlands Database it is recommended that you visit the U.S. Fish and Wildlife

Service's, National Wetlands Inventory, Contributed Data page at: <http://www.fws.gov/wetlands/Data/Contributed-Data.html> or contact them at Wetlands_Team@fws.gov.

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO A GRANT AGREEMENT WITH THE U.S. ENVIRONMENTAL PROTECTION AGENCY (EPA) IN THE AMOUNT OF ONE HUNDRED FIFTY-ONE THOUSAND FOUR HUNDRED SIXTY-ONE DOLLARS (\$151,461.00); ADJUSTING THE 2024 BUDGET TO RECOGNIZE AND APPROPRIATE SAID GRANT FUNDS; AND FOR OTHER PURPOSES.

WHEREAS, the City is awarded an EPA grant, in the amount of one hundred fifty-one thousand four hundred sixty-one dollars (\$151,461.00) to assess and plan development for stream banks at McKissic Creek and Little Sugar Creek; and

WHEREAS, there is no matching provision in this grant.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BENTONVILLE, ARKANSAS THAT:

Section 1: The Mayor and City Clerk are hereby authorized to enter into a grant agreement with the EPA receiving grant funds in the amount of one hundred fifty-one thousand four hundred sixty-one dollars (\$151,461.00);

Section 2: The 2024 Budget is hereby adjusted to recognize said grant funds into Account #105030-33110 – Federal Direct Grant;

Section 3: The 2024 Budget is further adjusted to appropriate said grant funds into Account #105030-47390 – Improvements Other than Bldg/Other;

Section 4 - Severability Provision: If any part of this Resolution is held invalid, the remainder of this Resolution shall continue in effect as if such invalid portion never existed; and

Section 5 - Repeal of Conflicting Resolutions: All Ordinances, Resolutions, or Orders of the City Council, or parts of the same, in conflict with this Resolution are repealed to the extent of such conflict.

Memo

To: City Council, Mayor Orman
From: J. Wade Tomlinson, Parks Planner
Thru: David Wright, Parks and Recreation Director
Date: January 23, 2024
Re: Resolution for the City to contract with WCRC for stream bank study and design associated with the awarded EPA grant.

A Resolution authorizing the Mayor and City Clerk to enter into an agreement with Water Conservations Resource Center (WCRC) in the total fee not to exceed of \$151,461.00 including reimbursable expenses for a stream restoration design services for associated with the EPA grant award.

The total cost break down for the proposal includes: The development of a quality assurance project plan (QAPP), riparian inventory, invasive plant removal and repairs, technology transfer and reporting. +

The assessment will focus on McKissic Creek and its tributaries and the Little Sugar Creek near its confluence with the McKisic Creek in the City.

Agreement with WCRC

Attachment 1 Workplan

CONTRACT FOR SERVICES

This Contract is entered into by and between the City of Bentonville, 305 SW A Street, Bentonville, AR, 72712 ("CITY"), and Watershed Conservation Resource Center, 380 W. Rock Street, Fayetteville, AR 72701 ("WCRC").

1. **Services.** WCRC agrees to perform the services described in Task 1, Task2, Task 4, Task 5, and Task 6 of the **Workplan (Attachment 1)** (Grant No. CD-02F12201-0), including any deliverables cited (collectively, the "Services"), in accordance with the terms set forth below and any other exhibits or attachments to this Contract, all of which are incorporated by reference into this Contract. Unless otherwise noted, in the event of a conflict between the terms of the **Workplan** and any other terms of this Contract, including any other Exhibit, such other terms will control. If any of the Services are to be performed on land that is not owned by the WCRC or CITY, WCRC must obtain the landowner's prior permission before entering upon such land.
2. **Payments.** The CITY will compensate WCRC for the Services as follows:
 - a) **Contract Fee.** The WCRC will be responsible for completion of Tasks 1, 2, 4, 5, and 6 as well as production of all project deliverables associated with those tasks as described in the **Workplan**. For these Services, the CITY will pay WCRC based on WCRC estimated percentage of contracted **Workplan** Tasks completed, multiplied by the **Workplan** Task Total Cost as presented below.

Task Number	Task Description	Worplan Task Cost
1	Develop QAPP	\$5,000
2	Riparian Inventory	\$31,000
4	Invasive Removal & Flood Repairs	\$61,461
5	Technology Transfer	\$29,000
6	Reporting	\$25,000
	Total	\$151,461

- (b) **Invoices and Payments.** Requests for payment of the Contract Fees and any authorized reimbursements must be submitted to the CITY in the form of an invoice summarizing the work performed and an itemized list of **Workplan** tasks, percent completed, amount previously billed, amount due, and amount remaining. Any expenses authorized for reimbursement by the CITY must be:
 - (i) substantiated by proper and adequate documentation (such as written progress reports), if requested by the CITY;
 - (ii) reasonable in amount; and
 - (iii) related to and in furtherance of the Contract purposes.
 Invoices will be subject to review and approval by the CITY. The CITY may deny payment if any of the Services are found by the CITY to be unsatisfactory, or in the case of payment requests received more than sixty (60) days after the final deadline for completion of the Services. The CITY will make all payments by check, subject to CITY's receipt from the Contractor of a properly completed IRS Form W-9.
3. **Contract Commencement, Expiration, and Termination.** Unless otherwise indicated in the **Workplan**, WCRC must begin performing the Services promptly after this Contract has been signed by both parties and must complete all of the Services no later than December 31, 2026 or, as to specific tasks, such earlier date(s) as may be specified in **Workplan** (provided that no work may commence before the later signature date below). Any deadline(s) set forth in **Workplan** may be extended only with the CITY's prior written consent. This Contract will expire automatically once all the Services have been completed and final payment by the CITY has been made. Upon such expiration, the parties will have no further rights or obligations under this Contract, except as otherwise provided below. The CITY may terminate this Contract at any time upon two weeks' notice to WCRC. Should this occur, WCRC must cease all work immediately upon receipt of the termination notice and the CITY will pay WCRC for the Services that have been satisfactorily completed, as determined by the CITY, as of the termination date.

Attachment 1 Workplan

4. **Independent Contractor; Taxes.** The parties intend this Contract to create an independent contractor-client relationship and WCRC is solely responsible for the conduct and control of the Services and fulfilling its duties and obligations under this Contract. WCRC is not to be considered an agent or employee of the CITY for any purpose, and no joint venture or principal-agent relationship exists. WCRC is responsible for complying with the requirements of all applicable tax laws.
5. **Liability and Indemnification.** WCRC acknowledges and agrees that it is performing the Services entirely at its own risk, and agrees to indemnify, defend, and hold the CITY and its directors, officers, employees, and agents harmless from and against any and all liabilities, demands, damages, claims, losses, costs, or expenses, including reasonable attorneys' fees, to the extent that they arise out of or result, directly or indirectly, from the negligence, misconduct, breach of warranty, representation, or covenant, or any act or omission by Contactor or any of its employees or agents (including any permitted subcontractors) in performing the Services. WCRC's indemnity and defense obligations under this Contract will survive for a period of three (3) years after the expiration or earlier termination of this Contract with respect to any matters that occurred, or rights that accrued, prior to such expiration or earlier termination.
6. **Compliance with Laws.** WCRC represents, warrants and agrees that (a) WCRC can lawfully work in the United States, (b) WCRC has or will obtain at its expense any required permits or licenses, and (c) WCRC will comply with all statutes, laws, ordinances, rules, regulations, court orders, and other governmental requirements that may apply to the work performed.
7. **Compliance with Anti-Terrorism Laws.** WCRC must not use any funds received under this Contract in violation of any applicable antiterrorist financing and asset control laws, regulations, rules and executive orders, including, but not limited to the USA Patriot Act of 2001 and Executive Order 13224.
8. **Miscellaneous Terms and Conditions.** WCRC must not, without THE CITY's prior written consent, which may be withheld at the CITY's sole discretion: (a) assign this Contract or subcontract any portion of the Services, except for construction services, or (b) use The CITY's name or logo (except to the extent reasonably necessary in order to perform the Services). This Contract and claims relating to this Contract will be interpreted, construed and governed by the laws of the state of Arkansas. If two or more persons or entities are identified as WCRC in this Contract, their obligations under this Contract are and will be joint and several. Facsimile or scanned signatures on this Contract and any related documents, and digital or electronic signatures where authorized under applicable law, will be fully binding for all purposes under this Contract. This Contract supersedes all prior or contemporaneous communications, both oral and written, and constitutes the entire Contract between the parties relating to the Services. No amendment will be effective unless it is in writing and signed by both parties.

8. Abstract/Project Summary: Assessing stream systems within our urban areas provides important information to help conserve natural resources, protect water quality, and plan for urban development. Restoring natural resources starts with the development of restoration designs that include stream, riparian, and wetland areas within the McKisic Creek watershed to protect water quality and expand and improve ecosystem services. The City of Bentonville in partnership with the Watershed Conservation Resource Center proposes to complete an inventory of the riparian condition of 5 miles of urban streams that will include identifying streambanks with accelerated erosion, wetlands, karst features, prairies, and springs within the stream corridor. In addition, stream and wetland restoration designs will be developed that use innovative techniques to restore the hydrology, wetlands, and native vegetation in McKisic Creek watershed, a tributary of Little Sugar Creek. Existing restoration projects within the Little Sugar Creek watershed will be inspected and repairs and invasive vegetation removal will be conducted. Partners will work together on technology transfer on wetland protection in urban areas and removal of invasive vegetation while establishing native plants.

Section B: Project Description

1. Project Description

The City of Bentonville (City) in partnership with the Watershed Conservation Resource Center (WCRC) proposes to conduct an inventory and assess the condition of riparian, wetland areas, other natural features, and streambanks for 5 miles of urban streams in the Ozark Highlands Ecoregion and demonstrate innovative techniques to restore stream channels, wetlands, and riparian. Historically, this area has remained relatively undeveloped and known for its cold springs, unique karst features, and sensitive aquatic species. Northwest Arkansas is one of the fastest growing regions in the United States and this rapid growth has put tremendous development pressure on these natural resources. The assessment will focus on McKisic Creek

and its tributaries and Little Sugar Creek near its confluence with McKisic in the City. Little Sugar Creek flows through Bentonville and eventually crosses the Arkansas-Missouri border and joins the Elk River. Little Sugar Creek is important to the region, because in the past, the state of Missouri has considered Little Sugar Creek to be a sediment and nutrient source.

An on-the-ground inventory and GIS-based assessment of portions of McKisic Creek, Town Branch, Hidden Springs Creek, and Little Sugar Creek will be conducted and includes 5 miles of stream channel and 8 miles of riparian. The inventory will identify and document unstable streambanks and channel. Natural areas, such as, springs, wetlands, unique karst features, and prairies will be identified to be considered for preservation. The inventory will also prioritize areas in need of restoration. The data collected will be provided to the City's Engineering, Planning, and Parks Divisions, state government, and watershed groups for evaluating proposed developments, zoning, and watershed planning.

A restoration design for McKisic Creek and Little Sugar Creek in the area of their confluence will be developed to address stream instability and erosion from the impacts of urbanization. Innovative restoration techniques will be presented in the plan that include: 1) natural channel design principles to restore channel hydrology and stabilize streambanks, while creating aquatic habitat, 2) restoration of riverine wetlands to create wildlife habitat and help attenuate the impacts of flooding, and 3) native vegetation establishment for riparian and wetland areas and removal/control of invasive plant species. On-going monitoring and maintenance will be conducted at existing restoration projects to ensure long-term success.

Urban stream channels and riparian in Northwest Arkansas are overwhelmed with invasive vegetation, including bush honeysuckle, privet, and winter creeper. Their dense understory can completely block the sunlight, preventing native grasses and wildflowers from growing in the forest or wetland plants from growing in seeps or wet depressions along streams. Technical

outreach will be conducted to train professionals and local residents on the importance of restoring riparian and wetland areas with native plants and follow-up monitoring and maintenance as a critical component of successful restoration projects.

The following assessment, restoration-planning, and outreach activities will be conducted:

- 1) Develop an inventory of streambanks, riparian condition, wetlands, and other and include a GIS assessment for 5 miles of urban stream in the McKisic and Little Sugar watersheds.
 - a. The data will be provided in a usable format to the City's Parks, Engineering, and Planning Departments and environmental groups for City and watershed planning.
 - b. Baseline data will be collected on native plant species, plant communities & habitats, and amphibian & reptiles. Data will be reported to AR Natural Heritage Commission.
- 2) A restoration plan will be developed for unstable sections of McKisic Creek and Little Sugar Creek and associated wetlands using natural channel design principles. Wetland benefits of flood attenuation while creating wildlife habitat will be a focal point. The restoration plan covers 800 ft of channel, 1,600 ft of riparian, and 1-acre of wetlands. Initial streambank condition monitoring will be conducted.
- 3) The City and the WCRC will work with an array of partners to conduct a workshop and present project information to states-tribal-government agencies, developers, environmental professionals and residents.
 - a. Considering natural features in site design of residential & commercial development.
 - b. Selection and establishment of native plants and removal of invasive plants in riparian and wetland areas to protect water quality and create wildlife habitat.

2. Description of Need

Northwest Arkansas is considered the 22nd fastest growing metropolitan areas in the United States. With 525,032 people in 2016, the population is projected to reach over 800,000 by 2040.

As the population grows, both forested and agricultural lands are being converted to urban areas, resulting in the loss of wetlands & other natural features and wildlife habitat. Development results in increased impervious surfaces, which increases stormwater runoff and intensifies the magnitude and frequency of high flow events in streams, resulting in severe streambank erosion.

The City is also experiencing an accelerated growth rate and is the 5th fastest growing City in the United State. Located in the northwest corner of the state, the City lies in the Ozark Highlands Ecoregion. The Ozark Highlands Ecoregion is known for its cold, spring-fed perennial streams, its rich karst features, high habitat diversity and species richness, and preponderance of sensitive aquatic species. Prior to the intense urban growth, this corner of the state remained mostly rural sprinkled with small towns. Historically, land uses were housing, logging, livestock farming, quarrying, and recreation. The Arkansas Wildlife Action Plan indicates that converting rural farmlands and established forest to urban areas is the greatest threat to these natural resources and habitat restoration and protection is their greatest need.

Identification and assessment of wetlands, high quality spring-fed streams and riparian areas, prairie, and other natural features is critical for the City to protect these resources. Assessing stream conditions and restoring aquatic and terrestrial habitat will help to address the impacts from the accelerated urban development. The 5-mile inventory along sections of McKisic and Little Sugar Creek will provide data needed for the City to make decisions on where to restore disturbed sites and to preserve high quality natural features.

Traditional methods of hardening stream channels with concrete and rip-rap, diverting flow from impervious surfaces to stream systems, clearing riparian vegetation and filling wet depressions continue to be common urban development practices for decades and have resulted in environmental degradation of urban streams and wetlands. This project will demonstrate innovative alternatives to these traditional methods to the local community including City

employees, developers, architects, landscape architects and others professionals. Demonstrating stream, wetland, and riparian restoration approaches using natural channel design techniques, native-ecoregion based revegetation, and ongoing restoration establishment and maintenance practices can prevent stream and wetland degradation and help to resolve the effects of existing channel enlargement, while improving water quality and the local ecology.

This project is important on a regional scale in that Little Sugar Creek is has been considered by the state of Missouri a source of sediment and nutrients in the Elk River watershed. The project will result in a high quality restoration plan for McKisic that includes channel, riparian, and riverine wetland features with an emphasis on reducing both sediment and phosphorus in the Little Sugar Creek watershed. Local residents, state/tribe/local government, and environmental professionals will be trained on how to safely remove invasive species of plants and establish native species for streams and wetlands.

The Track II project supports ***Core Element I. Monitoring and Assessment and Activity Set 1: Goals a.*** The results will be used by Northwest Arkansas cities and State agencies to assess areas that need restoration and encourage techniques that result in water quality and habitat improvement including natural channel design, native plant establishment, and long-term maintenance to create high-quality stream and wetland restorations. The project supports ***Core Element III. Voluntary Restoration and Protection and the following Activities: Set 1 Goals: b.*** The project is based on watershed planning that promotes the protection of water quality and plans to restore both aquatic and terrestrial habitat in the Elk River watershed and helps to protect waters in Missouri and Oklahoma. ***CE III. Set 1: Goals c.*** Training will be provided on the demonstrated innovative techniques to local residents, state/tribes/local government, and environmental professionals. ***CE III. Set 3. Develop Strategy for Restoration a.*** The project will result in a plan to restore a minimum of 850 feet of stream, 1,600 feet, and one –acre of

riverine wetlands. ***CE III. Set 3. Develop Strategy for Restoration c.:*** An array of partners including cities, tribes, and state governments will work together to transfer results to conservation organizations, environmental professionals, developers, and government to encourage similar restoration and protection measures. ***CE III. Set 4: Refine Protection and Restoration Strategies b.:*** The restoration plan will include monitoring and data collection that can be used to implement adaptive management strategies once the project is constructed to help improve restoration techniques for the area, and to evaluate the success. Through the partners, information will be incorporated into local watershed planning.

3. Project Tasks - The project tasks are summarized as follows:

Task 1: Development of Quality Assurance Project Plan (QAPP). A QAPP plan will be developed to assure quality data collection. Responsible: WCRC ***Deliverable:*** *Approved QAPP*

Task 2: Conduct Inventory of Riparian, Streambank, Wetland, and other Natural Features and Prioritize Streambank Sites. Assessment of McKisic Creek, Little Sugar Creek, and select tributaries within the city limits including Town Branch and Hidden Springs will be completed.

1) Conduct 5-mile inventory of riparian and streambank conditions including a) riparian area information - presence of wetland features, springs, prairie, forest coverage, and vegetation composition; b) evaluate streambanks showing signs of accelerated erosion using Bank Erosion Hazard Index (BEHI) method and Near Bank Shear Stress (NBSS); c) measure streambank height and length; and d) evaluate riparian area width using GIS,. 2) Conduct a GIS review of natural features to help identify important habitat types. 3) Conduct reptile/amphibian data base review and collect baseline data. 4) Create GIS data layer of stream, riparian, and natural features data. ***Responsibilities:*** 1) WCRC with applicant assisting with landowner access permission. 2) ANHC, 3) Dr. J.D. Willson. 4) Applicant, WCRC, City of Fayetteville. ***Deliverables:*** *A summary of the inventory results with maps and prioritization results*

Task 3: Develop Restoration Plan for McKisic Creek and Little Sugar Creek at their

Confluence. 1) Collect supplemental survey data to account for changes from severe streambank erosion and estimate pre-restoration sediment and phosphorus loadings from streambank erosion.

2) Develop stream, riparian, and wetland design. 3) Develop site re-vegetation plan.

Responsibility: 1), 2), & 3) **WCRC Deliverables:** Restoration plan

Task 4: Conduct Invasive Removal and Flood Repairs. At existing restoration sites 1)

Inspect and treat for invasive vegetation. 2) Inspect and repair flood damage. 3) Coordinate

volunteers to assist with invasive removal and native seed collection. **Responsibility:** 1) & 2)

WCRC, 3) Applicant and WCRC. Deliverables: Summary of activities.

Task 5: Technology Transfer - Training and Outreach. 1) Provide training session on use of

GIS data to City staff, local decision makers, watershed groups, and state/tribe/local government.

2) Develop presentation for residential and commercial development professionals including architects on ‘considering natural feature and green infrastructure in the initial site design’ and present at two professional meetings. 3) Provide a hands-on training workshops on invasive

5. Detailed Budget - If the applicant receives an award, the sub-award/sub-grant will be awarded consistent with the applicable regulations in 40 CFR Parts 30 or 31. The applicant will follow all appropriate procurement standards as required by EPA. The project budget is shown in the table below. The award recipient will administer the grant and procure the construction contractor. The sub-award recipient, the WCRC, will execute major project tasks associated with this proposal, because of their unique expertise in the area of natural channel design restoration,

stream assessment, and native riparian vegetation management. Their budget is shown on line “h. and detailed under “Other” Budget and their primary responsibilities are shown in Section B.3.

The federal, non-federal, and total cost for each project task identified in Section B.3 are:

Task 1. Develop QAPP (F-\$5,000, NF-\$0, T-\$5,000); Task 2. Riparian Inventory (F-\$22,000, NF-\$0 T-\$22,000); Task 3. Develop Restoration Plan (F-\$0, NF-\$72,000, T-\$72,000); Task 4. Site Monitoring (F-\$17,000 NF-\$0, T-\$17,000); Task 5. Invasive Removal & Flood Repairs (F-\$53,461, NF-\$0, T-\$53,461). Task 6. Technology Transfer (F-\$29,000, NF-\$10,000 T-\$39,000), and Task 7. Reporting (F-\$25,000, NF-\$0, T-\$25,000).

k. Totals	\$151,461	\$82,000	\$233,461	\$151,461	\$10,000	\$161,461

Match for this project is \$82,000 in the form of \$72,000 cash from the applicant and \$10,000 in-kind services documented by the WCRC. Applicant’s funding will be used towards the development of the restoration design for McKisic and Little Sugar Creek. The WCRC’s in-kind match will be from workshop participation and Dr. Willson’s time to conduct reptile/amphibian research and data.

6. Transfer of Results - Technology and information gained from this project will be transferred through the following mechanisms. Data on native plant and herpetofauna species will be provided to the ANHC for their state-wide tracking system. Training workshop and presentations will focus on innovative restoration techniques including ecoregion-based native plant establishment, safe invasive vegetation removal, and natural channel design principles. State/tribes/local government wetland programs in surrounding area will be invited to participate, specifically, the Wyandotte Nation will coordinate with tribes in the Elk River watershed. Site tours will be given to individuals from local organizations, government offices, contractors, environmental professionals, developers, community leaders, city planners, and engineers. The applicant and WCRC will engage with developers and their professionals and provide information on natural features and how to minimize impacts in their site development designs.

7. Outputs, Outcomes, and Tracking

i. Link to EPA Strategic Plan – These outputs and outcomes are directly linked to the EPA Strategic Plan’s Goal 1 – A Cleaner, Healthier Environment:...,Objective 1.2 – Provide for Clean Safe Water:...because environmental data and information will be collected in the Ozark Highlands Ecoregion and analyzed to provide information on the condition of streams and wetlands to local & state government and watershed planners to restore and protect urban streams, wetlands, riparian, and other unique natural features identified. This information will be used to help prevent the destruction of healthy sections of stream and wetlands from urban development. Restoration efforts through the demonstration of stream channel, wetland, riparian, and natural feature restoration will improve water infrastructure by placing an emphasize on maximizing sediment and nutrient load reductions from streambank erosion to improve the water quality of streams within the McKisic Creek, Little Sugar Creek and Elk River watersheds, while restoring aquatic and terrestrial habitat in an urban environment. The City is

committed to long-term success of these types of project and will continue to support ongoing maintenance of the sites, so native vegetation is established and a sustainable channel restoration is created. The workshops supported by partnerships, on invasive removal, native vegetation establishment, and natural channel design will provide training and demonstrate the project's innovative techniques to state/tribes/local governments in the area.

ii. Outputs - The expected environmental outputs are 1) Identification, for 5 miles of urban streams: a) sites needing streambank, riparian, and/or wetland restoration and b) areas of stream corridor that have unique environmental attributes, such as healthy riparian forest, wetlands, springs, karst features, and/or prairie; 2) Maps and GIS data layer showing high priority sites for restoration or preservation to be used as a planning tool for the City, local watershed planning, and state government; 3) Development of restoration strategies for the McKisic Creek watershed to integrate channel, riparian, and wetland features, water quality protection, habitat improvement, ecoregion-based native plant establishment, and long-term monitoring and maintenance of restoration sites to ensure longevity and healthy ecosystems will be established; 4) Increase ecological services through the development of restoration plan for 800 ft of stream, one-acre of wetlands, and 1,600 ft of riparian to demonstrate new and innovative approaches that include the importance of invasive vegetation removal, methods for native vegetation establishment, needed long-term vegetation management strategies, and natural channel design principles to restore channel stability. 5) Restoration plan will include one-acre of riverine wetlands in adjacent floodplains to help retain and filter runoff and attenuate flood waters; and 6) Conduct training and materials for states/tribes/local government and residents that utilize innovative techniques and provide information that contributes to a broader understanding of streams and wetlands as ecosystems, incorporating and protecting wetlands and streams in residential & commercial site development, and the importance of native plants establishment

and maintenance as critical components of stream and wetland restoration; 7) Development of monitoring data to demonstrate the effectiveness of restoration projects. Outputs are linked to the EPA Strategic Plan because waters are cleaned through improved water infrastructure in partnerships that support drinking water, aquatic ecosystems, & recreation.

iii. Outcomes – The expected environmental outcomes from this project are 1) Improve the decision making ability of the City and watershed planners in conducting restoration of streams, wetlands, and riparian areas; preservation of healthy streams, wetlands, and other natural features; and reduction of sediment and nutrients from streambank erosion to improve water quality within the Elk River watershed; 2) Improve City staff's ability to evaluate proposed developments, zoning, and other activities that can impact streams and wetlands; 3) Reduce invasive species of plants in the treated riparian areas; 4) Increase percentage of native plants along the riparian; 5) Increase quality of wetlands, riparian, and other natural features on the site; and 6) Increase understanding and change behavior among state/tribe/local government, residents, decision makers, urban developers and their designers, and environmental professionals that protection and restoration of existing wetlands and streams protects and improves both water quality and habitat and provides a healthier environment and urban development should consider a) existing stream channel, riparian areas, wetlands, and other natural features, b) native vegetation establishment and long-term monitoring and maintenance are part of the design and budget. These outcomes are linked to the EPA Strategic Plan because the results will contribute to aquatic ecosystems and water resources being restored.

iv. Tracking Outputs & Outcomes: Outcomes 1) and 2) will be tracked by providing users of the GIS data layer with a form in which they will described how they used the streambank and natural feature inventory data. Outcomes 3) through 6) will be tracked using the project

monitoring with baseline conditions established prior to restoration. Outcome 7) will be tracked by providing questionnaires to workshop participants before and after and comparing results.

8. Programmatic Capability/Technical Experience/Qualifications

i. Organizational Experience: The *City of Bentonville* is a regional leader in increasing public parks and open space. The Parks and Recreation Department has added over 110 acres of parkland and by way of a city ordinance requiring land developers to set aside parkland or pay in lieu fees (to be used to enhance open space.) The City also partners with local foundations to promote and encourage preserving open space for parkland. The City partnered with the WCRC on ecological restoration projects that have restored both stream channel, riparian, and wetlands. They also encourage the use of native plants and LID principles at their sites.

The *Watershed Conservation Resource Center (WCRC)* is a 501(c) (3) non-profit organization whose mission is to protect, conserve, and restore natural resources. The co-founders and principals of the WCRC, Sandi J. Formica and Matthew Van Eps, have extensive backgrounds and are leading regional experts in watershed management, watershed assessment, stream stability analysis, natural channel restoration design and the utilization of GIS for inventory and evaluation of natural resource condition. The staff has a broad range of experience with the watershed approach and has spent many years working throughout Arkansas on a variety of watershed issues. The WCRC has 12 staff persons and is housed in Fayetteville, AR.

The WCRC is engaged in several watershed assessment and stream restoration projects in Northwest Arkansas in which they've received funding and successfully designed and constructed (Section F, Attachment i). Through follow-up monitoring and assessment, the WCRC has developed their own innovative methods for vegetation establishment and long-term maintenance of restorations using natural channel design principles in the Ozark Mountain region where there are flashy, incised, steep-gradient streams. The WCRC is engaged in projects

that assess stream stability, assess streambank erosion, and develop streambank erosion prediction curves to estimate pollutant loadings and reductions. In April of 2019, the Arkansas Game & Fish Commission awarded the WCRC a “Conservation Award” in recognition of extraordinary dedication and contributions to the conservation of Arkansas’s fish, wildlife, and natural resources and as a conservation leader in Northwest, Arkansas.

ii. Staffing Experience & Qualifications- The key personnel for this project are (See Section F. Attachment ii for Resumes):

- ***Wade Tomlinson, PLA, MBA, Park Planner, City of Bentonville*** – will serve as Project Coordinator. Wade works as the parks planner for the City and has a professional background as a landscape architect with 20 years municipal experience in park planning, design and development. In this critical role Wade plans, designs and develops municipal landscapes. In all of Wade’s projects he is true to the profession and works to balance the needs of the community without exceeding the capacity of the natural environment.
- ***Sandi Formica, Executive Director, Watershed Conservation Resource Center***, will serve as Project Manager. Sandi manages the WCRC, a 501 (c) (3), and conducts project development, design, and management, provides technical oversight, develops grants, and carries-out watershed-based projects. She is a regional expert in watershed assessment and planning, river stability, stream and wetland restoration design, and innovative methods to establish native vegetation. She is project manager of 19 successful stream restoration projects in NW AR.
- ***Matthew Van Eps, P.E., Associate Director, Watershed Conservation Resource Center***, will serve as Project Engineer. He is the lead design and project engineer for 19 successful stream restoration projects that include watershed-based assessments and evaluation of the impacts of various land-use activities on sediment and nutrient loading.

9. Partnership Information - The following organizations have agreed to partner (See Section F, Attachment iii for Letters of Commitments):

- 1) ***Arkansas Natural Heritage Commission (ANHC)*** will provide technical assistance on vegetation monitoring, plant species identification, and native plant selection and sources.
- 2) ***Dr. John D. Wilson, Associate Professor, Department of Biological Sciences, University of Arkansas*** will focus on the applied ecology and conservation of amphibians and reptiles and provide technical expertise to inventory and guide habitat management for native herpetofauna. Historical records will be queried from the focal project areas and will conduct field surveys to develop baseline species lists for the focal sites with a particular focus on Species of Greatest Conservation Need such as species in the Grotto Salamander Complex (*Eurycea spaleus*) and Ringed Salamander (*Ambystoma annulatum*).
- 3) ***Wyandotte Nation*** will assist with the workshops and help to advertise the training opportunities to tribes in the Elk River watershed in Oklahoma.
- 4) ***City of Fayetteville*** will provide technical assistance on developing a data base of the assessment data for the City of Bentonville and assist with the workshop on ‘urban development site planning to protect wetlands and stream.’

10. Past Performance – Completed in 2020, the City in partnership with the WCRC successfully managed and met commitments for EPA Wetlands Program Development Grant # CD-01F10801 in which 1,500 feet of Little Sugar Creek was restored in Bentonville, Arkansas that included the restoration of herbaceous and riverine wetlands and the riparian. A final report was submitted to and approved by EPA. Recently, the site withstood record flooding.

In 2019, the WCRC in partnership with the City successfully completed a Walton Family Foundation grant in which 2,000 feet of Town Branch and riverine wetlands were restored using natural channel design principles and establishing a healthy native plant community.

Completed in 2018, the WCRC provided the technical expertise and was a partner to the City of Fayetteville, who successfully managed and met the commitments of an EPA Wetlands Program Development Grants: FY14, an “Inventory of Riparian & Streambank Conditions of Urban Streams” was successfully completed in which streambank and riparian conditions of over 28 miles of urban streams was evaluated, streambank erosion prediction curves were developed that estimate sediment and nutrient loadings from streambank erosion, wetlands, prairies, springs, and streambanks in need of restoration were identified. The WCRC worked with the City’s GIS staff to create a data layer so the information is available to the City’s departments, watershed groups, and state/local government. Outputs from this project are being used to improve decision-making ability concerning proposed developments, protection of natural features, priorities when restoring streams, wetlands, and riparian areas, and estimates of the reduction of sediment and nutrients from streambank erosion to improve water quality within the Illinois River and Beaver Lake watersheds. Outcomes met include 1) a redesign of a section of Cato Springs Branch in which approximately 800 feet of channel was going to be destroyed and replaced with a shorter, straight, trapezoidal channel and 2) natural feature information led to the discovery of new locations of aquatic species of greatest conservation concern and rare plants.

C. Restoration Demonstration Project Information. This project has a demonstration component. Headwater streams in McKisic Creek and Little Sugar Creek watersheds within the City have enlarged as a response to watershed changes, predominately the conversion of forest and pasture to residential and commercial development sites with large areas of impervious surfaces. Accelerated streambank erosion is found throughout the City and it contributes both sediment and nutrients to McKisic Creek and Little Sugar Creek. A plan will be developed that will stabilize the channel and restore wetlands using natural channel design principles once it is implemented. Removal of invasive vegetation and establishment of native vegetation will be

Attachment 1 Workplan

included in the restoration design. Existing restoration sites will be improved and protected through the removal of invasive vegetation, establishment of native vegetation, and conducting needed flood repairs to ensure these projects continue to provide habitat and protect water quality into the future.

D. Quality Assurance / Quality Control -The applicant will be collecting environmental data to determine streambank erosion rates and sediment and nutrient delivery, monitor plant communities, and to develop the restoration design. In order to comply with Quality Assurance and Quality Control (QAQC) requirements, the applicant will develop and submit within the first three months of the project period, a Quality Assurance Project Plan (QAPP).

E. Invasive Species Control - The applicant will monitor and work towards the elimination of invasive species from the site and will not introduce any to the site. Experienced project partners will provide assistance in developing invasive species control plan. If invasive species are detected or populations promoted in any way, the recipient will respond

Action Recommendation & Justification:	Resolution adopting the Quality Management Plan to be used for EPA funded projects. No budget adjustment is needed.
Additional Comments for Consideration (Optional):	In 2016, Council approved a QMP for stream bank repair at Little Sugar Creek. Since that project has closed out and no EPA grants have been active within the City of Bentonville, that QMP was not maintained and it expired. This reactivation of the QMP will be necessary to fulfill EPA requirements for the current grant award. This Quality Management Plan will be in effect for five years, requiring yearly audits and submissions.

Re: City of Bentonville Quality Management Plan

Dear Johnson:

The City of Bentonville, Arkansas respectfully submits the Quality Management Plan to be in effect for the next five years. Annual reviews will be conducted and submitted to the above-referenced address.

Currently, the City of Bentonville has approved funding from EPA for a Demonstration of Stream and Wetland Restoration at the confluence of Little Sugar Creek and McKissic Creek in Bentonville, Arkansas.

Please find enclosed the Quality Management Plan and two signed Concurrences and Approvals” pages. Please feel free to contact me if there are any questions or if any additional information is needed.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 1 - MANAGEMENT AND ORGANIZATION

1.1 PURPOSE

The purpose of this section is to document the overall policy, scope, applicability, and management responsibilities of the City of Bentonville Quality Management System.

1.2 ABOUT THE CITY OF BENTONVILLE

The City of Bentonville is a municipality located in the State of Arkansas. According to the US Census as of July 21, 2022 has a population of approximately 56,868 residents. The City of Bentonville operates under a Mayor-Council form of government in which the Mayor acts as the Chief Executive of the City and the City Council is the legislative and policy-making body of city government. City Council sets city policy by passing ordinances and resolutions. The City Council also determines the city budget and appoints and removes certain board and commission members. See the attached Organizational Chart – Appendix A.

1.3 CITY OF BENTONVILLE MISSION

The City of Bentonville follows a strategic plan called *City of Bentonville Community Plan* that was adopted in 2018. This plan is intended to be a roadmap for the community as it evolves, and serves the following 7 key functions:

Telling Bentonville’s Story and Sharing Its Vision: serve as a powerful statement of the community’s vision for how it grows and changes in the coming years. **Community Design:** Maintain the small town environment that is Bentonville's hallmark while recognizing the unique characteristics of existing neighborhoods, continuing to develop the cultural amenities that draw residents / visitors to the City.

Evaluate and Inform Development Proposals: guide and assist in the evaluation of development proposals and help ensure support for the city’s long term objectives. **Public Facilities:** Ensure that public services, facilities, and utilities support community life in a safe, effective, and efficient manner, while justly allocating the costs of providing these public goods.

Regulatory Framework: serve as a foundation for zoning and subdivision regulations, water planning and policy, annexations, and other decisions guided by these regulations. **Intergovernmental Coordination:** Work cooperatively to protect the region's natural assets, support regional planning efforts, and improve the quality of life throughout the region.

Local and Regional Coordination: inform and coordinate local and regional planning initiatives at the city, county and regional levels.

CIP and Budgeting: inform the development of the city’s capital improvement program and budgeting process.

Identify Future Studies: help identify additional studies and future action steps to address specific needs.

CITY OF BENTONVILLE QUALITY MANAGEMENT PLAN

Inform and Educate: provide important information for policy makers, local boards and commissions, organizations, businesses, and residents.

1.4 QUALITY POLICY

The City of Bentonville regards quality assurance and quality control activities as essential to the integrity of work processes and services. Services and products provided by the City of Bentonville or its affiliated consultants and contractors, are expected to meet established standards, methods, and ordinances. Additionally, data collected through projects managed by the City of Bentonville or its affiliated consultants and contractors are expected to meet the same standards in order for the data to be deemed acceptable for use by others and included in projects and data products.

The goal of this Quality Management Plan (QMP) is to assure that all work involving the collection, inventory, monitoring, assessment, and management of information, and the development of information products, data management tools, and environmental services are based on sound science. Quality control procedures, both at the City of Bentonville administration level and within individual departments and divisions, are described in the QMP to ensure that this goal is achieved, specifically through addressing the following:

- Objectives must be clearly defined for each project.
- City of Bentonville methodologies for data collection, management and analyses must be clearly defined to assure they conform to generally accepted standards and approaches within the relevant scientific discipline for each project prior to the beginning of each project.
- Peer review is an important element of the City of Bentonville's Quality Assurance (QA) process, and must be carried out prior to publication or public release of the results from EPA-funded projects.
- Methodologies, standards, and requirements defined for a project must ensure that the types of data collected and the procedures for collecting, managing, evaluating, and analyzing these data will provide scientifically accurate results for interpretation.
- City of Bentonville policies and procedures must ensure that grant funds are handled appropriately and according to all federal laws and regulations.

To achieve the objectives enumerated above, the City of Bentonville is committed to providing sufficient resources, including budget, staff, expertise, and time, for quality control procedures, thus ensuring a consistent approach to all EPA-funded projects involving the collection and assessment of environmental data.

1.5 AUTHORITY OF QUALITY ASSURANCE MANAGERS

The implementation of quality control procedures within the City of Bentonville requires that a number of individuals implement QA procedures to ensure that data at all levels – from data collection through the development of data products and analyses – meet the QMP. Appendix A provides specific details on the City of Bentonville departments and staff responsible for these processes.

CITY OF BENTONVILLE QUALITY MANAGEMENT PLAN

This Quality Management Plan designates the City of Bentonville Parks and Recreation Director as the Quality Assurance Manager (QA Manager) to ensure that these procedures are utilized for all City of Bentonville projects. The Parks and Recreation Director supervises subordinate department and coordinates activities with all other departments and divisions. The Parks and Recreation Director reports directly to the Mayor, City Council and Citizens.

Each City of Bentonville EPA-funded project requires a Quality Assurance Team (QA Team) consisting of the QA Manager listed above, the Finance Director, the City Engineer, and the Project Manager. For example, the QA Team for the “Little Sugar Creek and McKissic Creek confluence Design in Bentonville, Arkansas” project would consist of the Parks and Recreation Director (QA Manager); the Finance Director, the City Engineer, and the Project Manager.

Implementation of quality assurance processes for work processes and assessments developed for a specific City of Bentonville project is the responsibility of the Project Manager of that project. Quality control processes utilized during the exchange of data between the City of Bentonville and its affiliated consultants and contractors are implemented by the Project Manager of each project. Additionally, ensuring that quality control procedures are implemented in the collection and management of data for a specific City of Bentonville project is the responsibility of the Project Manager of that project.

QA responsibilities at different levels are described below:

City of Bentonville Parks and Recreation Director (QA Manager)

- Oversees the preparation of the QMP.
- Assures the QMP is updated annually.
- Supervises and coordinates activities with the Quality Assurance Team.
- Updates the Directors, Mayor, City Council, and Citizens of project progress and changes.
- Conduct internal audits of all items pertaining to the project.

City of Bentonville Finance Director

- Coordinates the development, management, and planning of the annual budget and work program for each EPA-funded project within the relevant department or division.
- Monitors the purchasing, internal accounting and work order system for each EPA-funded project within the relevant department or division.
- Audits and approves procurement card purchase requests and reconciliations for accuracy and compliance with policy.
- Oversees budget for EPA-funded projects.
- Reviews and monitors financing documents to ensure each project expenditure is funded with the appropriate resource.
- Reviews payroll time sheets to minimize errors and ensure compliance with city policy and FLSA regulations.
- Provides financial guidance to the staff to ensure that each employee operates smoothly and efficiently, within budgetary limitations, and in compliance with city policy.
- Prepares contracts and lease schedules relating to grants for the city’s external auditors.

CITY OF BENTONVILLE QUALITY MANAGEMENT PLAN

- Works with the city's external auditors to ensure compliance with the federal Single Audit requirements.

City of Bentonville City Engineer

- Provides guidance to Project Managers on complying with the QMP and, where necessary, preparing Quality Assurance Project Plans (QAPPs).
- Provides QA review of project design and/or project data as required.
- Provides guidance to Project Managers on procurement and budget compliance and management.
- Assists Project Managers with contract information, project billing review and project reimbursement review.
- Makes recommendations for process improvement, cost savings and internal controls. Provides assistance as needed in developing processes and enhancing controls, facilitating training and developing policies and procedures.
- Provides guidance to Project Managers on compliance with city, state and federal laws, ordinances and regulations.

City of Bentonville Project Manager

- Prepares or oversees the preparation of the QAPP for EPA-funded projects which includes a description of the methodologies to be used and indicates project milestones that will require a QA review.
- Disseminates all documents pertaining to the specific project.
- Oversees data collection, assessments, analyses and interpretation of the project results.
- Prepares procurement documents and City Council agenda requests for contract approvals.
- Prepares or oversees the preparation of construction documents and specifications for EPA-funded projects.
- Manages project construction and conducts field checks for compliance with codes and regulations.
- Manages budget for EPA-funded projects.
- Submits products to peer review as appropriate and coordinates responses to reviewers' comments.
- Oversees the quality assurance processes utilized in data collection, entry, and management by the City of Bentonville.
- Oversees the quality assurance processes utilized in data collection, entry, and management by engineers and other program staff.
- Implements quality control procedures in the exchange of data between the City of Bentonville and its affiliated consultants and contractors.
- Monitors construction values, project contingency values, consultant contract values and land acquisition costs to develop a comprehensive project budget and cash flow for EPA-funded projects.
- Maintains all contract files, reviews and approves all contract payments and change orders for compliance with contract documents.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

1.6 TECHNICAL ACTIVITIES AND PROGRAMS SUPPORTED

The QMP described in this document is utilized for EPA-funded projects involving the collection, inventory, monitoring, assessment, and management of information, and the development of information products, data management tools, and environmental services. The QA Manager and/or City Engineer shall periodically review any project schedule changes that may affect Quality Assurance (QA) review with Project Managers. When a project milestone is reached that requires a QA review, the Project Manager for that project has the responsibility of discussing the review with the QA Manager and/or City Engineer. Any substantive findings of the QA review shall be resolved by consultation between the Project Manager, City Engineer and the QA Manager before work on the project proceeds.

1.7 MANAGEMENT COMMITMENT

The Quality Assurance program for EPA-funded projects shall be supported by the City of Bentonville QA Manager and the Mayor. Sufficient resources shall be budgeted within the project to ensure that the QA Manager, City Engineer and individual Project Managers are able to fulfill their responsibilities under this plan. Project Managers will assure that the quality system is understood and implemented by developing QAPPs, providing them to staff working on the projects, and overseeing implementation of the plans.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 2 - QUALITY SYSTEM

2.1 PURPOSE

The purpose of this section is to document how the City of Bentonville manages its quality system. This section defines the primary responsibilities for managing and implementing each component of the system.

2.2 CITY OF BENTONVILLE QUALITY SYSTEM DESCRIPTION

The City of Bentonville QA System consists of:

- Advice and guidance by the QA Manager and/or City Engineer to staff preparing an application for EPA funding.
- Designation of the Project Manager by the QA Manager and/or City Engineer prior to submission of a grant proposal to the EPA.
- Preparation of a QAPP for an EPA-funded project by the designated Project Manager, and independent review of the plan by the QA Manager and/or QA Team.
- Evaluation of the data needed, sources for that data, software, expertise, staff, and any training needs for the project by the Project Manager.
- Periodic review by the Project Manager of project tasks including the collection, inventory, monitoring, assessment, evaluation, analyses and management of information.
- Periodic review by the Project Manager of the development of information products, data management tools, and environmental services, as well as the release of information generated by the EPA-funded project.
- Periodic review of the overall quality management system by the QA Manager and QA Team.
- Assurance by the QA Manager that the City of Bentonville QMP is updated and submitted to the EPA QA Manager annually.

2.3 QUALITY SYSTEM COMPONENTS

Components of the City of Bentonville quality system include:

Quality System Documentation: The Quality System documentation includes the QMP and the project QAPPs. A QAPP is to be prepared for each applicable project by the designated Project Manager, and reviewed by the QA Manager and/or QA Team. QAPPs shall include a detailed description of the methodologies to be used in the project as well as schedules that provide specific project milestones requiring QA review.

Annual Reviews and Planning: The QA Manager ensures that the City of Bentonville QMP is updated and submitted to the EPA QA Manager annually. Every fifth year, the QA Manager is to submit the QMP, consisting of a signature page, letter to the EPA QA Manager and a printed copy of the current QMP per the EPA Region 6 QA policy.

For annual reviews, if the review yields no changes to the QMP, the QA Manager will submit a signature sheet accompanied by a letter to the EPA QA Manager.

CITY OF BENTONVILLE QUALITY MANAGEMENT PLAN

Management Assessments: Assessments include a periodic review, typically by the Project Manager and City Engineer, to ensure that standard methodologies and QA processes are utilized by City of Bentonville staff and its affiliated consultants and contractors.

Training: All staff undergoes general compliance training to familiarize them with the City of Bentonville's procedures. The City Administration reviews all funding proposals to ensure, among other things, that the individuals proposing projects have the necessary academic and professional background for the nature of the work. Support staff must have the appropriate training and background to enable them to participate in funded projects. Project Managers and the City Engineer periodically identify the training needs of staff to ensure familiarity with pertinent methodologies and ensure that quality control procedures are utilized. Additional training specific to the project is provided or arranged as required. The Human Resource Department maintains records of job-related and generalized training. The Project Manager shall maintain records of training pertaining to the specific project.

Systematic Planning of Projects: The Quality Assurance Project Plan (QAPP) required for EPA-funded projects includes a work plan which outlines the planning, milestones, and expected outcomes of the project that is consistent with the Guidance on Systematic Planning using the Data Quality Objectives Process (QA/G-4), February 2006 document provided by EPA.

Project-Specific Quality Documentation: The QAPPs are prepared by Project Managers for their designated projects, and each provides a description of the methods and QA procedures that will be used for each project.

Project and Data Assessments: Project Managers and the City Engineer periodically evaluate projects and data derived from the projects to ensure reliability and quality before inclusion in the City of Bentonville records. Additionally, quality control procedures are utilized prior to publication or public release of data.

2.4 QUALITY SYSTEM TOOLS

The City of Bentonville quality system tools consist of:

Quality Management Plan: The QMP provides an overall system for implementing quality assurance policies. QMP shall meet conformance with EPA QA/R-2, March 2001.

Quality System Audits: The QA Manager will monitor and review all EPA-funded projects. Additionally, the Project Manager and the City Engineer perform periodic reviews to ensure that standard methodologies and QA processes are utilized by City of Bentonville staff and its affiliated consultants and contractors.

Training Plans: The City of Bentonville maintains and utilizes established policies, procedures, specifications, ordinances, and adopted codes that regulate how city employees operate within the City of Bentonville's overall organization. The QAPP should clearly identify the Policies and Procedures and Standard Operating Procedures to be used in the EPA-funded project. All staff training provides a means of assuring familiarity with the EPA approach to Quality Assurance management and assures compliance with City of Bentonville policies.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

Quality Assurance Project Plans (QAPPs): QAPPs are prepared by Project Managers for their designated projects, and each provides a description of the methods and QA procedures that will be used in project work. QAPP shall meet conformance with EPA QA/R-5, March 2001.

Data Verification and Validation: These are specific for each project and provide the means of ensuring that data assessment, evaluation and analyses will enable scientifically valid interpretations of data. All data methodologies are subject to review by the QA Manger and/or the QA Team.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 3 - PERSONNEL QUALIFICATIONS AND TRAINING

3.1 PURPOSE

The purpose of this section is to document the procedures for assuring that all personnel performing work for the City of Bentonville have the necessary skills to effectively accomplish their work.

3.2 STATEMENT OF POLICY

The City of Bentonville endeavors to ensure that its staff and affiliated consultants and contractors have the knowledge and skills required to fulfill their job responsibilities, including the collection, inventory, monitoring, assessment, evaluation, analyses and management of information and the development of information products, data management tools, and environmental services. In addition, some staff will be required to have specialized knowledge on the use of custom software applications, distribution modeling, and various other analyses. Further, familiarity with the City of Bentonville policies, methodologies, and any special requirements associated with EPA-funded projects is also required of staff and associated consultants and contractor.

3.3 ASSURING MINIMUM TRAINING, SKILL-LEVEL AND DEMONSTRATING COMPETENCY

The Project Manager shall prepare and submit to the appropriate City of Bentonville Administration Staff a QAPP for the project that, among other things, identifies all critical staff needs. Critical staff are those individuals directly involved in the collection, inventory, monitoring, assessment, evaluation, analyses and management of information and the development of information products, data management tools, and environmental services. All awarded grants will include a statement of competency in grant work plans and in QAPPs per EPA issued FEM Competency Policy, 2012. This directive requires organizations funded by EPA and generating environmental measurement data to submit documentation of their competency before performing environmental work, and is relevant for grants of more than \$200,000. The Project Manager will work with the EPA Project Officer to include language in workplan that addresses competency.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 4 - PROCUREMENT OF ITEMS AND SERVICES

4.1 PURPOSE

The purpose of this section is to document the procedures for purchased items and services that directly affect the quality of environmental programs.

4.2 PROCUREMENT PROCEDURE

The City of Bentonville Finance Director oversees all purchases incurred through EPA-funded grants. This department is responsible for monitoring all financial activity to ensure compliance with applicable federal, state and awarding agency guidelines. Because project regulations are varied and complex, the City of Bentonville Finance Director, City Engineer and Project Manager will communicate on a regular basis regarding policies, procedures and related guidelines. The City of Bentonville requires that the Project Manager (or his/her designee) obtain a Purchase Order (P.O.) prior to purchasing any item through the City of Bentonville account.

4.3 REVIEW OF RESPONSES TO SOLICITATION

Specifications for all relevant purchases shall be prepared by the Project Manager as part of the QAPP. As such, all purchase of items and all procurement of services are subject to the review of the QA Manager and/or City Engineer to ensure that said items and services satisfy all technical and quality requirements for the project. Should purchases, other than those explicitly identified in the QAPP be proposed, review of purchase specifications should be made by the Project Manager prior to initiating the purchase.

4.4 QUALITY ASSURANCE FOR PROCURED ITEMS AND SERVICES

Once an item or service is procured, it shall be the responsibility of the Project Manager to examine the deliverables to verify that the item or service is of acceptable quality.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 5 - QUALITY DOCUMENTATION AND RECORDS

5.1 PURPOSE

The purpose of this section is to document appropriate controls for quality-related documents and records that are determined to be important to the mission of the City of Bentonville.

5.2 IDENTIFICATION OF DOCUMENTS REQUIRING CONTROL

The Project Manager, as part of the preparation of the QAPP, shall identify quality-related documents and records that require control. The QA Manager and/or City Engineer, as part of the QAPP review, may further expand the list of documents requiring control. All documents requiring control shall be listed in the QAPP and be subject to EPA review.

5.3 CONFORMANCE REVIEW AND APPROVAL

Documents and records prepared as part of quality system requirements and listed in an approved QAPP as requiring control shall be subject to a systematic procedure to ensure their conformance with all technical requirements. The QAPP shall indicate the names of individuals authorized to issue, authenticate, revise and approve such documents. Any changes in the list of individuals so authorized shall be communicated to EPA.

5.4 DOCUMENT MAINTENANCE

Duplicate copies shall be made of all quality-related documents that are required as part of a project. The Project Manager shall maintain such documents in a project file for a period of not less than three years following the completion of the project. The Project Manager will also maintain the official grant records for the project. Completion of the project shall mean the end of the grant contract. If required by EPA, copies of the quality-related documents shall be submitted to EPA as part of the final project report and other project closeout documentation.

5.5 ENSURING LEGAL COMPLIANCE

The Project Manager, in consultation with the QA Manager, the City Engineer and the Staff Attorney, shall be responsible for ensuring that the non-financial, substantive aspects of EPA-funded work are, and remain in, compliance with applicable statutory, regulatory and EPA requirements for documents and records.

5.6 DATA SHARING AND CONFIDENTIALITY PROCEDURES

The QAPP shall reference the relevant data sharing agreement(s) between City of Bentonville and any affiliated consultants or contractors that provide environmental data for use in the project. In addition, the QAPP shall describe any confidentiality procedures to be used when the project involves the assessment, aggregation, management, and analysis of sensitive data, and should specify the types of documentation to be maintained in association with data sensitivity, if appropriate.

SECTION 6 - COMPUTER HARDWARE AND SOFTWARE

6.1 PURPOSE

The purpose of this section is to document how the City of Bentonville ensures that computer hardware and software satisfy the City of Bentonville's requirements.

6.2 COMPUTER HARDWARE, SOFTWARE, AND DATA ACQUISITION

The City of Bentonville Information Technology (IT) Department provides oversight for the acquisition of computer hardware and software applications. Project Managers proposing the acquisition of computer hardware or software as specified and budgeted for the project will process their request through the IT Systems Manager. The Project Manager will be responsible for:

- Assessing and documenting any impacts of hardware and software changes.
- Evaluating and approving updated, expanded, or revised computer hardware and software to support data review and reporting activities.
- Ensuring that data and information managed and/or produced with computers will meet applicable project requirements.

6.3 TECHNICAL AND QUALITY REQUIREMENTS

The technical and quality requirements for computer hardware and software to be purchased for the project are prepared by the Project Manager and reviewed by the IT Systems Manager. The use of computer hardware and software for the project is not subject to further involvement by the IT Systems Manager unless requested by the Project Manager.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 7 - QUALITY PLANNING

7.1 PURPOSE

The purpose of this section is to document how individual data operations are planned within the City of Bentonville to ensure that data or information collected are of the needed and expected quality for the desired use.

7.2 PROJECT MANAGER INVOLVEMENT

The role of the QA Manager and/or City Engineer is limited to informing individuals preparing applications for EPA funding of the quality assurance requirements and advising Project Managers during the preparation of QAPPs of the need to incorporate systematic quality planning processes. Whenever the results of a project have the potential of directly impacting other decision-making processes, the QA Manager and/or City Engineer shall advise the Project Manager to seek the input of the affected parties during the preparation of the QAPP to ensure that the results are presented in a meaningful manner and meet the needs of the subsequent decision-makers. The QA Manager and/or City Engineer shall review the plan of work and periodic progress toward the completion of the funded project.

7.3 DETERMINING PROJECT GOALS AND OBJECTIVES

The proposal prepared for a project must identify the goals and objectives of that project. Due to the diversity of potential topics that may be proposed, no specific guidance is given to staff preparing proposals. However, all proposals are expected to include a clear statement of their purpose and, where applicable, the expected use of the information that is to be developed.

7.4 PROJECT SCHEDULING

General project schedules are to be provided as part of the proposal for project funding. More specific project schedules are to be developed as part of the QAPP for EPA-funded projects. Specific project schedules are to identify all applicable regulatory thresholds, contractual deliverables, the timing of resource needs (including staff, materials, equipment, and supplies), and any quality assurance intervals for QA Manager and/or City Engineer review.

7.5 DATA QUALITY NEEDS

The type and quantity of data needed, sources of data, means of obtaining data, methods for analyzing data, determination of how the data will be used to support project objectives, and the performance criteria to be used for measuring quality are to be identified by the Project Manager in the QAPP, and are subject to the review by the QA Manager and/or City Engineer.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 8 - IMPLEMENTATION OF WORK PROCESSES

8.1 PURPOSE

The purpose of this section is to document how work processes are implemented within the City of Bentonville to ensure that data or information collected are of the needed and expected quality for their desired use.

8.2 ENSURING WORK PERFORMANCE

The Project Manager will ensure that project work is performed according to the approved QAPP, and any other related planning and technical documents. The role of the QA Manager and/or City Engineer is that of oversight. As such, the QA Manager and/or City Engineer provides a substantive review of the QAPP and periodic technical review of the assessment, aggregations, and analytical procedures utilized for the project.

8.3 STANDARD OPERATING PROCEDURES

The City of Bentonville maintains and utilizes established policies, procedures, specifications, ordinances, and adopted codes that regulate how city employees operate within the City of Bentonville's overall organization. The QAPP should clearly identify the Policies and Procedures and Standard Operating Procedures to be used in the EPA-funded project.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 9 - QUALITY ASSESSMENT AND RESPONSE

9.1 PURPOSE

The purpose of this section is to document how the City of Bentonville determines the suitability and effectiveness of the implemented quality system and the quality performance of the environmental programs to which the quality system applies.

9.2 ANNUAL ASSESSMENT

No less than annually, an informal review of this QMP shall be performed, and the QMP revised if necessary and resubmitted to the EPA for review and reauthorization. The responsibility for ensuring the timely annual review of the QMP shall be that of the QA Manager. Comments shall be solicited from the Project Managers and/or City Engineer. The QA Manager will compile comments and make recommendations for changes to the QMP to the City Engineer or Project Manager. Please see Section 2.3, “Quality System Components”, specifically “Annual Reviews and Planning” for information pertaining to submissions.

This document shall be valid for a period of up to five years from the official date of publication. After five years, it shall either be reissued without change, revised, or withdrawn from the EPA Quality System.

9.3 CORRECTIVE ACTION

Should problems arise regarding the implementation of the QMP, or should there be changes to City of Bentonville staffing relative to the administration of the QMP, a review of the QMP will be undertaken, even if such review will occur at times other than that designated for the annual review. In such cases, comments will be solicited from persons that have direct experience with the QMP process and can provide the City of Bentonville Mayor and/or QA Manager with knowledgeable input regarding necessary changes. In the event of differences of opinion regarding aspects of the QMP, the Mayor shall ultimately determine what, if any, changes are necessary and appropriate to the QMP. Until such time as EPA has approved a modified QMP, the prior, approved QMP shall remain in effect.

CITY OF BENTONVILLE
QUALITY MANAGEMENT PLAN

SECTION 10 - QUALITY IMPROVEMENT

10.1 PURPOSE

The purpose of this section is to document how the City of Bentonville modifies and improves its quality system.

10.2 ADVERSE CONDITION IDENTIFICATION, PREVENTION, & CORRECTION

Quality system improvement is intended to be an on-going process. Project Managers as well as City of Bentonville staff working on projects may note changes, as needed, that can either prevent situations that would result in poor quality data, or improve the standard operating procedures, administrative processes, and quality assurance system. Recommendations for changes in quality systems that impact the QMP or related quality assurance/quality control systems shall be made to the QA Manager or City Engineer. All recommendations will be taken under advisement and will be discussed during the annual assessment of the QMP.

During the first annual assessment of the QMP, the QA Manager and QA Team will better define the major and minor updates/changes. As of now, the City of Bentonville will defer to the EPA to determine what constitutes major and minor updates/changes to the QMP. EPA will advise accordingly until such definitions are spelled out in the approved QMP.

10.3 PROCESS IMPROVEMENT COMMUNICATION

All users of data that are assessed, aggregated, and analyzed for EPA-funded projects shall be identified as part of a QAPP. Project Managers shall have the obligation of treating such users as “customers,” and ascertaining the types of data, form of presentation and the likely use of information by such customers. Customer feedback shall be encouraged and, where appropriate, mechanisms for soliciting such input shall be identified in the QAPP.

Memo

To: City Council, Mayor Orman
Thru: David Wright, Parks and Recreation Director
From: Jackie Bubenik
Date: December 20th 2023
Re: City Council approval of Change Order #3 to 81 Construction Inc, in the amount of \$661,139.00, for construction SW Bentonville Trail project and a budget adjustment in the same amount.

Parks and Recreation Staff is requesting Council's approval of a contract adjustment, in the amount of \$601,139.00 with 81 Construction Inc, for change order #3. This will include the additional quantities to cover construction within the gap in the trail east of Bright Field Middle School/Willowbrook Elementary school and the Bentonville Community Center. This includes a 10% contingency of the additional scope to cover most unforeseen cost the project may incur. The additional cost are outlined on the attached cost summary attachment.

As a result, the contract price is increased by \$661,139.00. The original contract amount was \$1,010,453.00. Previous changes added \$284,704.00. The total contract amount is now \$1,956,296.00. This change order is to be paid by Parks and Recreation's 2024 budget. The budget included \$500,000 for the SW Bentonville Trail project and \$400,000 for T1 Bikeway Projects. T1 stands for Tier 1 level projects as identified as by the Connect Bentonville Plan.

The 1.15-mile Southwest Bentonville Trail from Preston Park thru Bright Field Middle School/Willowbrook Elementary to the Bentonville Community Center is the next step in realizing the City's vision to connect of its residents to key destinations via an interconnected greenway. This segment of trail that CO#3 covers is the final connection between Bright Field Middle School and the BCC only. The original agreement had omitted this gap because we did not have the agreements in place to access this property that is needed to complete the trail.

Please refer to the attachments below for additional detail and history of this project.

Re: Sewer Service Lines

While performing necessary excavations for improvements being made at NE A Street and Lawrence Plaza for the Quilt of Parks Project, fragile and compromised clay sewer lines were discovered approximately 3 feet under the existing pavement. To prevent future problems associated with the old sewer lines, a plan to re route sewer services has been developed.

The cost to install the new lines is expected to cost \$25,613.00. Construction will be performed under the existing contract with Flintco.

Memo

To: City Council, Mayor Orman
From: David Wright, Parks and Recreation Director
Date: December 10, 2023
Re: City Council approval of a resolution authorizing the acceptance of a Transportation Alternatives Program (TAP) grant, in the amount of \$400,000 for the SW Bentonville Trail Project.

As our team continues buildout of the Connect Bentonville Trail, one of the main focal points continues to be the SW Bentonville Trail. This trail will ultimately serve as the backbone of the trail system in this part of the community. Currently, we have constructed or are in the process of building the trail from Citizens Park, past Willow brook Elementary at Bright Road onto Morningstar Road. In 2024, we will begin working on the section from Morningstar to the Distribution Center. This trail is a Priority 1 level trail in the Connect Bentonville Plan.

This TAP Grant was awarded in November 2023 in the amount of \$400,000. This portion of the trail is currently in design by the Trailblazers and will be provided to the City to bid later this year. Once bid and we have a construction contract in place, we will request a budget adjustment for these funds as well as other funds necessary to construct the project.

Re: SW Bentonville Trail

Dear Mayor Orman:

Reference is made to the SW Bentonville Trail project in Bentonville which was awarded Transportation Alternatives Program – Attributable funding by Northwest Arkansas Regional Planning Commission.

In order to proceed with a Federal-aid project, your City Council must pass a Resolution authorizing you to enter into agreements with the Department. A sample resolution has been enclosed for your reference. Then, you and your City Attorney must sign the enclosed Agreement of Understanding. Upon receipt of a signed and sealed Resolution the signed Agreement, State and Federal-aid job numbers will be assigned and a copy of the executed Agreement of Understanding will be returned to you. When submitting the Agreement to the Department for execution, you will also need to complete Form LPA-005, Form LPA-018, and Form LPA-019. All referenced Forms are available in digital format at www.ardot.gov/LPA.

If you have any questions, please contact Carlos Meredith in our Local Programs Division at (501) 569-2562 or Carlos.Meredith@ardot.gov.

(SEAL)

**AGREEMENT OF UNDERSTANDING
BETWEEN
THE CITY OF BENTONVILLE
AND
NORTHWEST ARKANSAS REGIONAL PLANNING COMMISSION
AND
THE ARKANSAS DEPARTMENT OF TRANSPORTATION**

In Cooperation with the
U.S. Department of Transportation, Federal Highway Administration

RELATIVE TO

Implementation of SW Bentonville Trail project (hereinafter called the “Project”) as a Federal-aid Transportation Alternatives Program (TAP) Attributable project.

WHEREAS, funding in Infrastructure Investment and Jobs Act (IIJA) includes the following Federal-aid funds for certain local projects:

	<u>Maximum Federal %</u>	<u>Minimum Sponsor %</u>
Preliminary Engineering by Consultant	80	20
Right-of-Way/Utilities	80	20
Construction	80	20
Construction Engineering by Consultant	80	20
Department Administrative Costs	80	20

WHEREAS, the City of Bentonville (hereinafter called the “Sponsor”) has expressed its desire to use Federal-aid funds for the eligible Project and to provide necessary matching cash share for such funds; and

WHEREAS, the Sponsor has transmitted to the Arkansas Department of Transportation (hereinafter called the “Department”) Resolution No. _____ from the Sponsor’s governing body authorizing the Sponsor’s Chief Executive Officer (CEO) to execute agreements and contracts with the Department for the Project; and

WHEREAS, the Northwest Arkansas Regional Planning Commission (hereinafter called the “Commission”) awarded the Sponsor Federal-aid TAP Attributable funds; and

WHEREAS, funding participation will be subject to a limit of \$400,000 maximum Federal-aid TAP Attributable funds for the construction phase of the Project and obligation limitation approved; and

WHEREAS, the Sponsor knows of no legal impediments to the completion of the Project; and

WHEREAS, it is understood that the Sponsor and the Department will adhere to the General Requirements for Recipients and Sub-Recipients Concerning Disadvantaged Business Enterprises (DBEs) (Form LPA-001) and that, as part of these requirements, the Department may set goals for DBE participation in the Project, ranging from 0% to 100%, that are practical and related to the potential availability of DBEs in desired areas of expertise; and

WHEREAS, the Department has published the Arkansas Local Public Agency Project Manual (available at ARDOT.gov) which outlines procedures and requirements which must be followed during development and construction of the Project; and

WHEREAS, the parties agree, unless specifically stated otherwise, that the provisions of this agreement are not intended to create or confer a third party benefit or right in any person or entity, not a party to this agreement.

IT IS HEREBY AGREED that the Sponsor, Commission, and the Department, in cooperation with the Federal Highway Administration (FHWA), will participate in a cooperative program for implementation and will accept the responsibilities and assigned duties as described hereinafter.

THE SPONSOR WILL:

1. Notify the Department in writing who the Sponsor designates as its full-time employee to be in responsible charge of the day to day oversight of the Project (Form LPA-005). If the designated full-time employee changes, the Sponsor must notify the Department by resubmitting Form LPA-005. The duties and functions of this person are:
 - Oversee project activities, including those dealing with cost, time, adherence to contract requirements, construction quality and scope of Federal-aid projects;
 - Maintain familiarity of day to day project operations, including project safety issues;
 - Make or participate in decisions about changed conditions or scope changes that require change orders and/or supplemental agreements;
 - During construction, visit and review the project on a daily basis;
 - Review financial processes, transactions, and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse;
 - Direct project staff, Sponsor or consultant, to carry out project administration and contract oversight, including proper documentation;
 - Be aware of the qualifications, assignments and on-the-job performance of the Sponsor and consultant staff at all stages of the project.
2. Initially submit to the Department \$1,000 (20%) to be matched by \$4,000 (80%) Federal-aid funds for Department administrative costs associated with state preliminary engineering, which include but are not limited to, on site meetings, environmental review, and plan and specification review. The Sponsor's final cost for this phase will be determined by actual Department charges to preliminary engineering.
3. Be responsible for hiring a consultant engineering firm(s) in accordance with the Local Agency Consultant Selection Procedures (Form LPA-002) to provide engineering services which include environmental documentation, preliminary engineering, and construction engineering for the Project. **NOTE: FHWA authorization and Department approval must be given prior to issuing a work order to the consultant for federal funds to be allowed in this phase.**
4. Prepare plans, specifications, and a cost estimate for construction. A registered professional engineer must sign the plans and specifications for the Project. (See Form LPA-003 for items to be included in the bid proposal.)
5. Make periodic payments to the consultant for preliminary engineering for the Project and request reimbursement from the Department. Reimbursement requests should be submitted, at minimum, every three (3) months and not more than once per month.

6. Understand that **expenditures for preliminary or construction engineering performed by the Sponsor's forces are not eligible for reimbursement with federal funds.**
7. Prepare the necessary environmental documentation as required by FHWA and conduct any required public involvement meetings and public hearings.
8. Ensure that the plans and specifications are developed using the Department's standard drawings and Standard Specifications for Highway Construction (latest edition).
9. Ensure that the plans and specifications comply with the Americans with Disabilities Act (ADA), the American Association of State Highway and Transportation Officials (AASHTO) design standards, and all other applicable state and federal regulations, including airport clearance when necessary, for the type of work involved.
10. Before acquiring property or relocating utilities, contact the Department's Right of Way Division to obtain the procedures for acquiring right-of-way and adjusting utilities in compliance with federal regulations. **NOTE: Failure to notify the Department prior to initiating these phases of work may result in all project expenditures being declared non-participating in federal funds.**
11. Acquire property in accordance with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (commonly referred to as the "Uniform Act").
12. Ensure the preparation of utility adjustment and right-of-way plans are in accordance with Arkansas State Highway Commission Policy.
13. Be responsible for all non-reimbursable costs associated with the Sponsor owned utilities as defined in the Department's Utility Accommodation Policy.
14. Be responsible for the matching share for all reimbursable costs associated with the Sponsor owned utilities as defined in the Department's Utility Accommodation Policy.
15. Provide a copy of the registered deed or other approved documentation and an appropriate certification stating the Sponsor's clear and unencumbered title to any right-of-way to be used for the Project (Form LPA-007). If property has been acquired for the Project, use Form LPA-006 for certification of the right-of-way. **NOTE: Any property that is to become Department right-of-way must be acquired in the Department's name.**
16. Submit plans at 30%, 60%, and 90% completion stages for Department review.
17. Submit a certification letter (Form LPA-008), including all items noted, to the Department when requesting authority to advertise the Project for construction bids.
18. Advertise for bids in accordance with federal procedures as shown in Form LPA-010. **NOTE: FHWA authorization and Department approval must be given prior to advertising for construction bids.**
19. Forward a copy of all addenda issued for the Project during the advertisement to the Department.
20. After bids are opened and reviewed, submit a Certification Letter Requesting Concurrence in Award (Form LPA-013), including all items noted, to the Department.

21. Prior to awarding the construction contract, submit a check for \$1,000 (20%) to be matched by \$4,000 (80%) Federal-aid funds for Department administrative costs on the Project during construction. The Sponsor's final share of cost for this phase will be determined by actual Department charges to construction engineering.
22. Prior to issuing the notice to proceed to the Contractor, the Sponsor must hold a pre-construction meeting with the Contractor and **must invite the Department's Resident Engineer assigned to the Project.**
23. Ensure that all work, material testing and acceptance, and inspection is conducted in accordance with the Department's Standard Specifications for Highway Construction (latest edition), Manual of Field Sampling and Testing Procedures, and Resident Engineer's Manual and with the plans, specifications, and all other applicable FHWA and Department procedures for the Project.
24. Make periodic payments to the consultant for construction engineering for the Project and request reimbursement from the Department. Reimbursement requests should be submitted, at minimum, every three (3) months and not more than once per month.
25. Make payments to the contractor for work accomplished in accordance with the plans and specifications and then request reimbursement from the Department on the Construction Certification and Reimbursement Request (CCRR) form (Form LPA-014). Reimbursement requests should be submitted, at minimum, every three (3) months and not more than once per month.
26. Attach LPA Report of Daily Work Performed (Form LPA-015) for all days that correspond with each CCRR submittal.
27. Prior to executing the work, submit change orders (Form LPA-022) to the contract to the Department's Resident Engineer assigned to the Project for review and approval for program eligibility.
28. Upon completion of the Project, hold a final acceptance meeting for the Project and submit the LPA Final Acceptance Report form certifying that the Project was accomplished in accordance with the plans and specifications (Form LPA-016). This form must be signed by the engineer performing construction inspection on the Project, the Department's Resident Engineer assigned to the Project, the Sponsor's full-time employee in responsible charge, and the Sponsor's CEO.
29. Maintain accounting records to adequately support reimbursement with Federal-aid funds and be responsible for the inspection, measurement and documentation of pay items, and certification of all work in accordance with the plans and specifications for the Project and for monitoring the Contractor and subcontractor(s) for compliance with the provisions of FHWA-1273, Required Contract Provisions, Federal-aid Construction Contracts, and Supplements.
30. Pay all unpaid claims for all materials, labor, and supplies entered into contingent or incidental to the construction of said work or used in the course of said work including but not limited to materials, labor, and supplies described in and provided for in Act Nos. 65 and 368 of 1929, Act No. 82 of 1935, and Acts amendatory thereof.

31. Agree that any and all claims for damages to property or injury to persons caused by any act or omission, negligence, or misconduct from the performance of work by the Sponsor's contractor on the Project shall be the sole responsibility of the Sponsor's contractor and in this regard the Sponsor shall require the contractor on the Project to procure and maintain a General Public Liability Insurance Policy during the duration of the Project which shall be endorsed to include broad form general liability and complete operations coverage on the Project. The contractor shall furnish the Sponsor with documentation of proof of liability insurance coverage with submission of the signed contract.
32. Agree that any claims, liability, costs, expenses, demands, settlements, or judgments arising from misconduct or the negligent acts or omissions of the Sponsor, its employees, agents or contractors in the performance of the Project and this Agreement must be presented to the Sponsor. Further, the Sponsor by acceptance of this grant, agrees that the Department and the Arkansas State Highway Commission, as the pass-through entity, have no duty or responsibility for the design, construction, maintenance or operation of the Project that is the subject of this grant, and, therefore shall have no liability related to the design, construction, maintenance or operation of the Project. The Sponsor also agrees to assume all risks associated with the work to be performed by its agents, employees, and contractors under this grant and Agreement and the Department and the Arkansas State Highway Commission, as the pass-through entity, shall not be responsible or liable for any damages whatsoever from the actions of the Sponsor, its employees, agents and contractors.
33. Assure that its policies and practices with regard to its employees, any part of whose compensation is reimbursed from federal funds, will be without regard to race, color, religion, sex, national origin, age, or disability in compliance with the Civil Rights Act of 1964, the Age Discrimination in Employment Act of 1967, The Americans with Disabilities Act of 1990, as amended, and Title 49 of the Code of Federal Regulations Part 21 (49 CFR 21), Nondiscrimination in Federally-Assisted Programs of the Department of Transportation.
34. Retain all records relating to inspection and certification, the Contractor's billing statements, and any other files necessary to document the performance and completion of the work in accordance with requirements of 2 CFR Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Form LPA-017).
35. Grant the right of access to the Sponsor's records pertinent to the Project and the right to audit by the Department and FHWA officials.
36. Be responsible for 100% of all project costs incurred:
 - should the Project not be completed as specified;
 - should the Project be declared non-participating in federal funds, including any such award by the State Claims Commission; or
 - not provided by the FHWA.
37. Sign and transmit to the Department the Certification for Grants, Loans, and Cooperative Agreements (Form LPA-018), which is necessary for Project participation.

38. Repay to the Department the federal share of the cost of any portion of the Project if, for any reason, federal participation is removed due to actions or inactions of the Sponsor, its agents, its employees, or its assigns or the Sponsor's consultants or contractors or their agents. Such actions or inactions shall include, but are not limited to, federal non-participation arising from problems with design plans, specifications, construction, change orders, construction inspection, or contractor payment procedures.
39. Retain total, direct control over the Project throughout the life of all project improvements outside of the Department's right-of-way and **not, without prior approval from the Department:**
 - sell, transfer, or otherwise abandon any portion of the Project;
 - change the intended use of the Project;
 - make significant alterations to any improvements constructed with Federal-aid funds; or
 - cease maintenance or operation of a project due to the Project's obsolescence.
40. Be responsible for satisfactory maintenance and operation of all improvements and for adopting regulations and ordinances as necessary to ensure this. Failure to adequately maintain and operate the Project in accordance with Federal-aid requirements may result in the Sponsor's repayment of federal funds and may result in withholding all future Federal-aid.
41. Submit to the Department a Single Audit in accordance with the Office of Management and Budget (OMB) Circular A-133 each fiscal year that the Sponsor expends more than \$750,000 of Federal-aid from any federal source including, but not limited to, the U.S. Department of Transportation. The fiscal year used for the reporting is based on the Sponsor's fiscal year. The \$750,000 threshold is subject to change after OMB periodic reviews.
42. Promptly notify the Department if the Project improvements outside of the Department's right-of-way are rendered unfit for continued use by natural disaster or other cause.
43. Complete and transmit to the Department both pages of the Federal Funding Accountability and Transparency Act (FFATA) Reporting Requirements (Form LPA-019).
44. After each quarter of the calendar year, complete and transmit to the Department the LPA Project Quarterly Report Form (Form LPA-020) until the Project is complete.

THE COMMISSION WILL:

1. Provide up to \$400,000 in Federal-aid TAP Attributable funds for the construction phase of the Project as funds become available.

THE DEPARTMENT WILL:

1. Maintain an administrative file for the Project and be responsible for administering Federal-aid funds.
2. Review plans and specifications submitted by the Sponsor.
3. Notify the Sponsor when right-of-way and/or utility plans are approved and the Sponsor may proceed with right-of-way acquisition and/or utility adjustments.

4. Upon receipt of the Sponsor's certification of right-of-way (property) ownership, provide the appropriate documentation to the file.
5. Ensure substantial compliance with federal contracting requirements through review of the bidding proposal for inclusion of required federal forms, review of the administration of the DBE program provisions, and general compliance with 23 CFR 635.
6. Advise the Sponsor when to proceed with advertisement of the Project for construction bids.
7. Review bid tabulations and concur in award of the construction contract for the Project.
8. Ensure that the Sponsor and the Sponsor's consultant provide adequate supervision and inspection of the Project by performing periodic inspections with the Sponsor's representatives and their consultant to verify that the work being performed by the Sponsor's contractor, and documented and certified by the Sponsor, meets the requirements of the Project plans, specifications, and all applicable FHWA and Department procedures. The Department intends to perform these inspections, at a minimum, when the construction work is approximately 10% and 50% completed. The Department will also participate in the final inspection of the Project.
9. Review and approve any necessary change orders for project/program eligibility.
10. Reimburse the Sponsor 80% (Federal-aid share) for eligible construction costs approved in the CRRR form (Form LPA-014). This reimbursement will be limited to the maximum Federal-aid amount and to the federal amount available at the time payment is requested. If the payment requested exceeds the Federal-aid available at the time, the difference will be reimbursed as additional Federal-aid for the Project becomes available.
11. Subject to the availability of Federal-aid allocated for the Project, pay the Sponsor the remaining amount due upon completion of the Project and submittal of the certified LPA Final Acceptance Report form (Form LPA-016).
12. Provide all form updates via email to the contact as shown on Form LPA-005.
13. Be reimbursed for costs involved in performing all the services listed above.

IT IS FURTHER AGREED that the Department reserves the right to cancel the Project without liability against the Department for any reason including, but not limited to, unreasonable delay or lack of progress, the Sponsor is unable to provide an audit-worthy reason for the substantial delay in the project development or completion process, or the Sponsor is unresponsive to the Department's requests.

IT IS FURTHER AGREED that should the Sponsor fail to fulfill its responsibilities and assigned duties as related in this Agreement, such failure may disqualify the Sponsor from receiving future Federal-aid highway funds.

IT IS FURTHER AGREED that should the Sponsor fail to pay to the Department any required funds due for project implementation or fail to complete the Project as specified in this Agreement, or fail to adequately maintain or operate the Project, the Department may cause such funds as may be required to be withheld from the Sponsor's Motor Fuel Tax allotment.

Memo

To: City Council, Mayor Orman
Thru: David Wright, Parks and Recreation Director
From: Jackie Bubenik
Date: January 10, 2024
Re: City Council Resolution on a Budget Adjustment accepting a grant from the Walmart Foundation for \$250,000 for administration fees and support of the E-bike Rebate Program.

The Parks and Recreation Staff is requesting Council's approval of a grant award in the amount of \$250,000, to contribute to an -E-Bike Rebate Program.

The main purpose of this pilot program is to develop and fund a cycling infrastructure that ensures all Bentonville residents can participate in and benefit from the electric bicycle ("e-bike") transportation movement. By increasing the adoption of e-bikes, residents will see reduced vehicle miles traveled, lower transportation costs, improved health outcomes, and encourage residents to make the renewable energy transportation mode a larger element of commuting around town. We have seen elsewhere; increased usage of e-bikes will lead residents to seek increased investment in safe biking infrastructure. E-bikes have been shown to be an effective tool in reducing usage of passenger vehicles particularly for trips under three miles. However, due to the high cost to purchase e-bikes (typically >\$2k for a regular e-bike and \$3k for a cargo e-bike), adoption may be slower than hoped. To overcome this initial cost issue, cities and states across the country have begun experimenting with e-bike rebates as a policy mechanism to increase uptake by helping to reduce the cost of e-bikes.

This program will be 100% grant supported; no tax dollars other than staff time will be utilized.

This resolution is only to accept this grant. In a separate resolution request, we are asking for a bid waiver so we can move forward with contracting with a consultant.

Title, Recommendation & Justification

Title:	Resolution approving Change Order #001 to Cemetery Columbaria/Committal Shelter Project
Action Recommendation & Justification:	Staff requests approval of Change Order #001 with C.R. Crawford in the amount of \$53,910.00 for additional earthwork at the cemetery columbaria/committal shelter project site. Once site work began, it was discovered that soil conditions on the southern half of the project site were worse than original pre-construction testing showed. A budget adjustment is needed.
Additional Comments for Consideration (Optional):	The attached change order shows the quantities for removal and the additional compacted engineered fill and B-stone needed to stabilize the site for concrete pads and walkways. The unit costs used are from original contract. This project include \$20,000.00 contingency with \$15,000.00 towards the CR Crawford contract. This request maintains that level of contingency to minimize the potential of asking for additional for unforeseen issues. This request increases the contract amount from \$689,199.00 to \$743,109.00 including contingency.

RESOLUTION NO. _____

A RESOLUTION AUTHORIZING THE MAYOR AND CITY CLERK TO ENTER INTO CHANGE ORDER #001 TO THE AGREEMENT WITH CR CRAWFORD, IN THE AMOUNT OF FIFTY-THREE THOUSAND NINE HUNDRED TEN DOLLARS (\$53,910.00), FOR ADDITIONAL EARTHWORK AT THE CEMETERY COLUMBARIA; APPROVING A BUDGET ADJUSTMENT IN THE SAME AMOUNT FROM GENERAL FUND RESERVES TO ACCOUNT #105020-47210 - PLANTS AND BUILDING; AND FOR OTHER PURPOSES.

WHEREAS, CR Crawford was previously awarded the contract for the construction of the Bentonville Cemetery Columbaria and Committal Shelter Project;

WHEREAS, a change order is required to provide for additional earthwork on the site when it was discovered that the soil conditions on the southern half of the project site were worse than pre-construction testing showed; and

WHEREAS, a budget adjustment in the amount of fifty-three thousand nine hundred ten dollars (\$53,910.00) from General Fund Reserves to Account #10502-47210, Plants and Building will fund this change order.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE CITY OF BENTONVILLE, ARKANSAS.

Section 1: That the Mayor and City Clerk are hereby authorized to enter into change order #001 with CR Crawford in the amount of fifty-three thousand nine hundred ten dollars (\$53,910.00) for additional earthwork at the Cemetery Columbaria;

Section 2: The 2024 budget is adjusted to appropriate fifty-three thousand nine hundred ten dollars (\$53,910.00) from General Fund Reserves to Account #10502-47210, Plants and Building;

Section 3 - Severability Provision: If any part of this Resolution is held invalid, the remainder of this Resolution shall continue in effect as if such invalid portion never existed; and

Section 4 - Repeal of Conflicting Provisions: All Ordinances, Resolutions, or Orders of the City Council, or parts of the same, in conflict with this Resolution are repealed to the extent of such conflict.

GENERAL NOTES:

- Except as specifically stated or shown on this plat, the survey does not purport to reflect any of the following which may be applicable to the subject real estate: Easements, other than possible easements which were visible at the time of making of this survey; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land-use regulations, or any other facts which an accurate and current title search may disclose.
- Every document of record reviewed and considered as a part of this survey is noted hereon. Only the documents noted hereon were supplied to the surveyor.
- This plat represents a Final Plat of the parcel recorded in Deed Records, L201706669 & L201867031 in the public records of Benton County, Arkansas.
- The contractor must determine that proposed structures are clear of all boundary lines, easements, and meet building setback requirements before construction begins.
- Basis of Bearings: All bearings and distances shown hereon are grid based on Arkansas State Plane Coordinate System, NAD83, North Zone.
- This survey is valid only if the drawing includes the seal and signature of the surveyor.
- This survey meets current "Arkansas Standards of Practice for Property Boundary Surveys and Plats."
- This survey is based on a title commitment provided by First American Title Insurance Company, File No.: 2107728-102 countersigned by Waco Title Company, Effective Date: April 11, 2021.
- No attempt was made to show building setback lines graphically on the survey. The assignment, vacation, or orientation of setbacks that impact the usage rights of the property are determined by the local governing jurisdictional agency. Setback dimensions will be based on the orientation of the building(s) to be constructed as approved.
- Subsurface and environmental conditions were not examined nor considered a part of this survey.
- Multiple utility services are located within easements abutting or within the bounds of subject tract.
- The locations of underground utilities as shown hereon are based on above ground structures as were visible at the time of survey, and/or from record drawings provided to the surveyor. The location of underground utilities/structures may vary from locations shown hereon. No excavations were made during the progress of this survey to locate underground utilities/structures.
- Underground utilities were located by visible above ground markings as marked by utility locators and shown hereon as located by CEI Engineering Associates, Inc. survey field crews. All utility locations shown hereon are approximate. All utilities may not have been marked/located by the appropriate locators. No excavation has taken place as of this date to determine the exact location of existing underground utilities shown on this survey.
- The contractor is advised to contact the 811 One-Call Center before any construction begins, depending on the state there is a possibility of a severe penalty for not making this call. Not all utility companies are members of the One-Call Systems. Therefore the contractor is advised to contact all non-members as well as the One-Call System.
- By scaled map location and graphical plotting only. This property is located in unshaded Zone "X" which are areas determined to be outside the 0.2% annual chance floodplain determined by the National Flood Insurance Program, Flood Insurance Rate Map for Benton County, Arkansas.
Map Number: 05007C0245K
Map Revised: June 5, 2012
- No current zoning report or letter regarding zoning classification was provided to the Surveyor, the following information was obtained from the Bentonville GIS map. This property is zoned R-1 (Low Density Single Family Residential)
Building setbacks for zone R-1 are as follows:

Front:

20 Feet

Side (Interior):

07 Feet

Side (Exterior):

Relationship to the General Plan / Projected Traffic Impact

The Future Land Use Plan currently shows this property as Medium-Density Residential (MDR), in which the proposed rezoning of DN-2 is compatible.

Medium-density residential areas include townhouse or duplex residential properties with a typical density of 8-12 units per acre. These areas are found both near Downtown and in some recent growth areas.

Relationship to the General Plan / Projected Traffic Impact

These areas may also include local amenities for residents, including neighborhood parks, places of worship, etc.

This property is located within Priority Area 1, Downtown Intensification, as identified in Chapter 4 of the Bentonville Community Plan. This area highlights reinvestment in urban neighborhoods in and around Downtown Bentonville.

Public Comment

Has Staff received Public Comment at the time of this report? : **No**

Analysis / Waivers

The requested DN-2 zoning designation is to allow for an increased single-family density through small lot widths where alleys and infrastructure support such development, and where small-lot single-family development provides an appropriate transition between large-lot residential areas and those of higher density. In some instances, such as the end of blocks, townhouses may be appropriate in this district.

Conclusion

This rezoning request is consistent with the Future Land Use Plan and the vision of growth and development for this area of the city. Staff supports this rezoning request due to its compatibility with the Future Land Use Plan and the Bentonville Community Plan. The applicant states in their narrative that they wish to split the lot and construct a duplex on the newly created lot at this location.

From: Samuel & Anna Russell

Bentonville, AR 72712

To Bentonville Planning Department,

It is our intention to rezone, split the lot, and develop the lot at 1107 Fillmore St, Bentonville AR 72712 legal parcel # 01-04589-000, to the highest and best use for the land.

Currently the property is zoned R-1 and we want to rezone to DN-2 and proceed with a lot split.

After speaking with Keagan and John from Bentonville planning department we determined that the following would be the best option for this land.

The layout for the lot split is laid out below in "Exhibit A". It will be a flag lot with deeded access for utilities for the rear section of the lot on the north side of the property. The intent is to improve the city ally for access to allow for two points of access to the rear property. On the rear property our intent is to build a duplex within the constraints of DN-2 zoning.

The front lot will be developed as a primary residence with a lock off attached dwelling unit.

RESOLUTION NO. 2-12-19E

**A RESOLUTION ESTABLISHING PROCEDURES WITH
REGARD TO MEETINGS - 2019**

WHEREAS, the City Council has determined it would be appropriate to set forth desired procedures with respect to meetings,

**NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL FOR THE
CITY OF BENTONVILLE, ARKANSAS:**

The City Council shall have the following regular meetings:

Sec. 1. Committee of the Whole Meetings:

- A. The Council shall meet as a Committee of the Whole at approximately 6:00 p.m. on six dates dispersed through the year, as scheduled by the Mayor after consultation with the Council. These meetings shall be to allow the Council to meet and informally discuss matters related to the governing of the City. These meetings may also include opportunities to visit and receive education concerning current or planned city facilities.**
- B. The Council may meet from time to time as a Committee of the Whole as called by the Mayor to discuss specific matters related to the governing of the City.**
- C. If the Mayor determines that a previously scheduled Committee of the Whole meeting is not necessary, the Mayor should state such to the Council and thereafter, the Council may cancel such meeting by a majority vote of the whole Council.**

Sec. 2. Council Meetings:

- A. Council meetings shall begin at approximately 6:00 p.m. on the second and fourth Tuesdays of each month and shall generally have the following agenda:**
 - 1. Public Comments concerning the Business Items for this Meeting**

2. Council Questions/Discussion concerning the Business Items for this Meeting
3. Call Meeting to Order
4. Pledge of Allegiance and Moment of Silence
5. Roll Call
6. Consideration of the Minutes
7. Consideration of the City's Business
8. Other Business/Announcements/Comments
9. Adjournment
10. Public Comments concerning matters of City-related business

B. Meeting Agenda – The Mayor shall place items on the agenda concerning the City's business such as to promote the orderly administration of the City. Items may be added to future agendas by a majority vote of the Alderman present at a council meeting.

C. Public Comments –

1. Limited Purpose Public Forum - The Council shall hear public comments before the meeting is called to order only concerning items on that night's agenda. After the meeting is adjourned, the Council shall hear public comments concerning any item of City-related business. Any interested party is invited to make comments before a meeting on matters included in that night's agenda, but the comment period after the meeting is adjourned is limited to residents of the City of Bentonville.
2. The Council shall hear comments for up to thirty minutes before each Council meeting and for up to thirty minutes after each Council meeting. Each speaker shall be limited to a total of three minutes. No speaker shall speak twice on the same subject at a single meeting.
3. Speakers will be courteous in their language and presentation.
4. A person wishing to make a public comment shall sign up in advance providing their name, address, and the subject they plan to address in their comment. The sign-up sheet will be available for approximately twenty minutes before the meeting and an announcement will be made shortly before public comments begin at the beginning of the meeting to remind those wishing to make comments that they need to sign up to do so.
5. Those wishing to comment will be called in the order in which they have signed up.
6. Those making public comments shall do so from the podium.

7. Public comments shall be made to the Council as a whole.
8. Public comments are just that and a speaker's time is not to be used to attempt to ask questions of the Council, the Mayor, or other persons associated with City government.
9. Speakers should not expect an immediate response to their comments and Council members should not ask questions of those making public comments without seeking permission from the Chair.
10. Those wishing to comment concerning an item for which a public hearing will be held during the business portion of the meeting should do so when the public hearing is opened rather than doing so during the public comment period.
