Title, Recommendation Justification

Title:	Request for speed bump installation for neighborhood safety.
Action Recommendation & Justification:	Speed bumps installed on NW Alberta, in the Orchards neighborhood. (72712) For neighborhood safety, due to increased traffic & speeding, safety concerns, etc.
Additional Comments for Consideration (Optional):	Our neighborhood, and especially our street, NW Alberta, is a bustling family friendly street. During and throughout the year we always have kids playing and riding their bikes (+10 kids on avg.) Recently over the past year the street has turned into a "pass/cut through" street. Cars are speeding even with kids playing. One dog has been hit and killed due to a speeding driver.

Title, Recommendation Justification

Title:	Request the City construct missing sections of sidewalk
Action Recommendation & Justification:	On the west side of SE A Street, between SE 3rd Street and the Bentonville Library there are two sections of missing sidewalk. The two sections are less than 200ft that would make the sidewalk continuous from the Bentonville Square to the Library. People walk from the Bentonville Square and once the sidewalk ends at SE 3rd Street they walk in the street. This happens every day and during local events it is massive.
Additional Comments for Consideration (Optional):	This is a big safety hazard that can be remedied in a short time and minimum expense. When the new addition at the Library is completed the public leaving and heading north will not be greeted by no sidewalk to walk safely. Two photos of the missing sections are included in this request.

Title:	Signage Request for Angel Falls, Bentonville
Action Recommendation & Justification:	1. A directional sign located on Peach Orchard Rd, prior to NW Angel Falls Rd, advising drivers to follow Peach Orchard Rd to access Coler Bike Trail. 2. A directional sign located on Peach Orchard Rd, prior to Camp Rd, advising drivers to follow Peach Orchard Rd to depart Coler Bike Trail. 3. Two (2) "NO THROUGH TRAFFIC" signs located at the entrance of NW Angel Falls Rd at Peach Orchard Rd, and another at NW Angel Falls Rd at Palisades Rd.
Additional Comments for Consideration (Optional):	Angel Falls Bentonville is a family community with many children at play. The streets are narrow and drivers routinely exceed the posted speed limit, even passing other cars. NW Angel Falls Rd is intended for Angel Falls residents, but it has now become a cut through street for transient commuters and Coler visitors from south Peach Orchard Rd (near Coler) to north Peach Orchard Rd enroute to Bentonville and Hwy 72. Also, citizens and Coler visitors also use NW Angel Falls enroute to Coler Bike Trailhead and Hwy 71 to Bella Vista.
