

Steering Committee Meeting

Thursday, September 5th

Meeting Purpose:

- To discuss public input on the draft Future Land Use Map, advancing to work on the Unified Development Code, general timelines and continued outreach

Desired Outcomes:

- Decision making on outstanding public comments
- Shared understanding of the segue in process from the Future Land Use Plan (FLUP) to the Unified Development Code (UDC)
- Shared understanding of Zoning Code and Land Development Code (LDC) revisions required to implement the FLUP
- Shared understanding of additional revision goals and transition to a UDC
- Input on the engagement process required for the UDC drafting and adoption
- List of next steps
