Transportation recommendation for Committee: All-Way Stop & Crosswalk

II. New Business - Public Comment to be Heard with Agenda Item

1. **Apple Glen Elementary - Car Line** **Informational**
Tracey Wood,
trwood@bentonvillek12.org

Apple Glen Elementary made changes to their AM & PM car line due to cars blocking Martin Luther King Blvd. as they turned onto Brave Lane. Parents now must access Brave Lane by entering via Memorial Park at the 4-way stop sign. Ofc. Wong-Many #925 has recommended that we have signs placed at this intersection. We request 1 sign at each of the stop signs on MLK. The NW corner sign needs to include "No Right Turn Arrow" and state from 7-7 AM, 2:30-3 PM M-F. The NE corner sign needs to include "No Left Turn Arrow" and state from 7-7 AM, 2:30-3 PM M-F.

2. **Central Park School - Gator Run** **Informational**
Kelsey Stevenson,
kelseyandcraig@gmail.com

Central Park Elementary School's PTO is looking to host our annual "Gator Run" around SW Liberty Ave on Friday, April 4, 2025. This is a road that runs in a circle around Central Park Elementary and is primarily used for school traffic. In previous years we have kept the run to the sidewalk around the school but since our participation is growing and it is getting cramped. The race is divided into 3 time slots with the first starting at 8am, then 9am, and the last race will start at 10am. We anticipate the whole thing to be over by 10:45/11am, if not earlier. We'd like to request one police officer to be placed at the intersection of HWY 112 and SW Liberty Ave to mitigate traffic.

3. **Hometown Half** **Informational**
Maeghan Weygandt,
Admin@bodiesrc.com
Request to hold Race/Run on June 7th starting @ 7am to 10:30am. Start and Finish @ Helen R. Walton Children's Enrichment Center.
4. **2025 Walmart Shareholders Triathlon** **Informational**
Joe Falcon,
Joseph.Falcon@Walmart.com
The Walmart race committee has met with the command staff from the Bentonville Police Department for approval of the race course and staffing assignments. Likewise, we will send notifications to residents of the raceway to include local apartment complexes. The review by the Police Department command staff met approval. We will utilize our existing contract with the City of Bentonville Campus Emergency Services program to support the event. Attached is the race deck to include information, helper maps, and the location of police units during the event.
5. **Dedicated Valet Spots** **Informational**
Carl Garrett/Whitney Stone,
carl@tablemesabisstro.com /
whitney@tablemesabistro.com
We propose designating a valet parking zone in front of Table Mesa (110 E Central) during the following hours:
Valet Service: 10:00 AM – 3:00 PM and 5:00 PM – 10:00 PM
Loading Zone: 4:00 AM – 9:00 AM (for delivery vehicles)

The financing is expected to be provided by A&P, likely encompassing all downtown businesses. If this is not the case, the valet service will accommodate both Table Mesa and Tavola as part of the plan.
6. **2025 Gravelicious Race** **Informational**
Amy Springer,
amy@visitbentonville.com
Requested Police Lead-out (5 miles from start)
9AM-9:30AM
Police Awareness VMB (Visual Message Board) Sign, or orange cones along HW 72 @ Short Road Marshal Station from 10:30AM-2:30PM. Loadout requested is similar to past two years.

9AM Race start w/ SW 2nd St (HW 72) being closed for 3 min so cyclists can enter HW 72 from Applegate as a group protected by lead-out and moto brigade then immediately turning left on Tater
7. **Walmart Museum - Main Street Closure** **Informational**
Kurt Templeton,
kurt.templeton@walmart.com
On March 14th at 1pm, Walmart will celebrate the grand re-opening of the Walmart Museum, Walton's Five and Dime, and Spark Cafe. We are requesting that North Main Street be closed on March 14th from 9am to 3pm between W Central Ave and N Main Street. We anticipate large crowds, media, and would like to mitigate any risk to injury of folks attending this event.

III. Miscellaneous

1. **SW I ST & SW 8th ST Sign Request**
Jess Pearson, Bentonville Moves Coalition

Signage Request:

No Right Turn on Red Signs: Install signs at NB I St and EB 8th St

Left Turn Phasing: Reconfigure the signal phasing to eliminate permissive left-turns across active crosswalks by implementing protected, leading, or lagging left-turn phasing.

Leading Pedestrian Interval (LPI): Adjust pedestrian phasing to include a Leading Pedestrian Interval, allowing crosswalk users a 3–5 second head start into the intersection

Enforcement: Support the new signal configurations with a press release and motorcycle officer enforcement for three weeks.

IV. Next Proposed Meeting:

1. **April 7, 2025**
