LOT SPLIT STAFF REPORT

Lots 1-5, Norman Park Subdivision

NW A Street

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-05000029
Applicant / Current Owner	Bowser Shattuck Group, LLC 1402 SW Susanna Street Bentonville, AR 72712
Site Area	0.94+/- acres
Current Zoning	DN-2, Downtown Medium-Density Residential
Future Land Use Map Designation	Downtown Medium-Density Residential (D-MDR)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

This property is the location of two DN-2, Downtown Medium Density Residential, zoned lots that face onto NW A Street. Adjacent zonings include R-1, Single Family Residential on all adjacent sides and R-3, Medium Family Residential to the northeast and east.

Project Details

The applicant has submitted a proposal for a lot split that will create five new lots from two un-platted parcels. The new lots will be known as Lot 1 (0.18 acres), Lot 2 (0.16 acres), Lot 3 (0.19 acres), Lot 4 (0.23 acres) and Lot 5 (0.18 acres) of Norman Park Subdivision. Per the requirements of the Master Street Plan, right-of-way will be dedicated along NW A Street. A private cross access easement will be provided for each lot to access NW A Street at a single location. None of the new lots will have direct access to NW A Street. All lots have access to public utilities and a public street.

Projected Traffic Impact

The proposed lot split will not adversely impact traffic in the area. The property is located within the downtown area where the existing street grid network will provide adequate options for ingress and egress.

Utility Infrastructure

Per the GIS website, water and sewer are available to this site.

Drainage Report

A drainage report is not required.

Waivers

No waivers requested.

Conclusion

In conclusion, this lot split does meet the minimum requirements of the subdivision regulations.

Standard Conditions of Approval

1. Provide a digital copy of the plat.
2. All technical review comments before requesting a building permit.

NOTES

- **Sidewalks.** Sidewalk installation will be the responsibility of individual lot owners at the time of building permit.

LOT SPLIT STAFF REPORT

Drainage Easement Note:
There may not be fences or any other structures built in any drainage easements.

Surveyor's Certification to Accuracy:

By affixing my seal and signature to this survey plat I do hereby certify that the legal description shown hereon is true and accurate and furthermore that this plat and survey depicted herein meets the minimum requirements for Land Surveys as put forth in the Arkansas Standards of Practice for Property Boundary Surveys and Plats, Revised August 8, 1982 Rev. May 8 1992 Rev. March 14, 1996 Rev. (May 21, 2009) Updated 1-24-08 Updated 8-25-08 by Everett Rowland, State Surveyor, Land Surveys Division.

Notes:

- Except as specifically stated or shown on this plat, the survey does not purport to reflect any of the following which may be applicable to the subject real estate:
Easements, other than possible easements which were visible at the time of making of this survey; building setback lines; restrictive covenants; subdivision restrictions; zoning or other land-use regulations, or any other facts which an accurate and current title search may disclose.

- This plat represents a Lot Split survey of the parcel recorded in Deed Records, Book 2017, Page 37522 & Book 2017, Page 37375 at the courthouse in Benton County, Arkansas.

- The contractor must determine that proposed structures are clear of all boundary lines, easements, and meet building setback requirements before construction begins.

- Basis of Bearings: Arkansas State Plane

- System North Zone (NAD 83).

- This survey is valid only if the drawing includes the seal and signature of the surveyor.

- No abstract of title, nor title commitment, nor results of title searches were furnished the surveyor. There may exist other documents of record which would affect this parcel.

- This property is zoned DN-2.

- (BY GRAPHICAL PLOTTING ONLY)
This property shown hereon lies within FLOOD ZONE "X" as shown on FEMA Flood Insurance Rate Map number 05007C0001 with an effective date of September 28, 2007 areas determined to be outside the 500 year Flood Plain.

Applicant / Current Owner	Bathke Investments, LLLP (Ann Standley) 2300 SE 28 th Street Bentonville, AR 72712
Site Area	4.41 & 3.45 acres
Current Zoning	C-1, Neighborhood Commercial and R-3, Medium Density Residential
Future Land Use Map Designation	Commercial (C)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

The property is the location of The Meadows Assisted Living Facility at 2300 SE 28th Street.

Project Details

The applicant has submitted a property line adjustment that will adjust the common lot of existing lots 12 & 14 to remove the floodway from the existing lot 12. The new lots will be known as Lot 20 (4.29 acres) and Lot 21 (3.55 acres) of Medlin Meadows Subdivision. Per the Master Street Plan requirements, additional right-of-way will be dedicated along SE 28th Street. Both of the new lots will have access to public utilities and a public street.

Utility Infrastructure

Per the GIS website, water and sewer are available to this site.

Drainage Report

A drainage report is not required for this property line adjustment.

Waivers

No waivers requested.

Standard Conditions of Approval

1. Provide digital copy of the plat.
2. Address all technical review comments before requesting a building permit.

Conclusion

In conclusion, this property line adjustment does meet the minimum requirements of the subdivision regulations.

NOTES

- **Sidewalks.** Sidewalk installation will be the responsibility of individual lot owners at the time of building permit.

Site Area	0.28 acres
Current Zoning	R-1, Single Family Residential
Future Land Use Map Designation	Low Density Residential (LDR)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

The property is the location of a single family residence at #7 Churchwell Drive and a portion of common property, both located in the McClain Ridge @ Woods Creek Subdivision, Phase 1.

Project Details

The applicant has submitted a property line adjustment that will adjust the lot lines between existing lot 4 and the adjacent common property lot. The new lots will be known as Lot 9 (0.33 acres) and Lot 10 (0.75 acres), Block 3 of McClain Ridge @ Woods Creek Subdivision, Phase 1. A 20' wide public utility easement is being dedicated along Churchwell Drive, existing right-of-way is adequate. Both of the new lots will have access to public utilities and a public street. The Woods Creek POA has approved this proposed property line adjustment.

Utility Infrastructure

Per the GIS website, water and sewer are available to this site.

Drainage Report

A drainage report is not required for this property line adjustment.

Waivers

No waivers requested.

Standard Conditions of Approval

1. Provide digital copy of the plat.
2. Address all technical review comments before requesting a building permit.

Conclusion

In conclusion, this property line adjustment does meet the minimum requirements of the subdivision regulations.

NOTES

- **Sidewalks.** Sidewalk installation will be the responsibility of individual lot owners at the time of building permit.

LANDSCAPE NOTES:

GENERAL NOTES:

- EXISTING SURVEY DATA WAS OBTAINED FROM A TOPOGRAPHIC & BOUNDARY SURVEY PERFORMED BY CASTER & ASSOCIATES LAND SURVEYING, INC. AND DATED JANUARY 4, 2017.
- SURVEY DATA IS BASED UPON NAD 83, STATE PLANE, ARKANSAS NORTH FEET COORDINATE SYSTEM.
- ELEVATIONS ARE BASED UPON NATIONAL GEODETIC VERTICAL DATUM.
- ALL WORK AND MATERIALS SHALL COMPLY WITH ALL CITY, COUNTY, STATE, AND FEDERAL REGULATIONS AND CODES AS WELL AS OSHA STANDARDS. SITE CONTRACTOR SHALL MEET OR EXCEED ALL LOCAL, STATE, AND FEDERAL EROSION CONTROL MEASURES
- THE APPROXIMATE LOCATION OF KNOWN UTILITIES & SUBSTRUCTURE STRUCTURES AS SHOWN HEREON ARE BASED ON ABOVEGROUND VISIBLE STRUCTURES & RECORD DRAWINGS PROVIDED. LOCATIONS OF UNDERGROUND UTILITIES/STRUCTURES THAT ARE KNOWN FROM ENCOUNTERED FIELD REVISIONS SHALL BE RESPONSIBLE FOR VERIFYING THE ACTUAL LOCATION OF THESE & ALL OTHER, SUBSURFACE AND/OR LATENT FACILITIES PRIOR TO BEGINNING WORK. ALL REPAIRS OR RELOCATIONS NECESSARY SHALL BE MADE AS REQUIRED BY THE OWNER OR THE UTILITY OR STRUCTURE & THE COST OF SUCH REPAIRS NECESSARY SHALL BE BORNE BY THE CONTRACTOR.
- ALL WORK PERFORMED WITHIN THE RIGHT-OF-WAY SHALL BE COORDINATED WITH THE CITY OF BENTONVILLE ENGINEERING DEPARTMENT AND TRAFFIC DEPARTMENT.
- ALL STREETS, DRIVES, WALKS, DRAINAGE STRUCTURES, FENCES, ETC., THAT ARE DISTURBED SHALL BE RESTORED TO THEIR ORIGINAL OR BETTER CONDITION USING LIKE MATERIALS. COST OF SUCH REPAIRS SHALL BE BORNE BY THE CONTRACTOR UNLESS PROVISION FOR PAYMENT IS MADE IN THE PROPOSAL.
- THE CONTRACTOR IS REQUIRED TO NOTIFY THE ONE CALL CENTER AT 1-800-482-8998 48 HOURS PRIOR TO DIGGING IN ORDER THAT UNDERGROUND UTILITIES IN THE AREA CAN BE LOCATED.
- THE CONTRACTOR SHALL NOT BEGIN WORK UNTIL THE STORMWATER POLLUTION PREVENTION PLAN (SWPPP) HAS BEEN IMPLEMENTED AND THE SWPPP EROSION CONTROL PLAN, AND SIGNED AUTOMATIC NOTICE OF COVERAGE IS POSTED ON SITE.
- CONTRACTOR IS RESPONSIBLE FOR ALL FIELD TESTING AS DESCRIBED IN THE SPECIFICATIONS (INCLUDING BUT NOT LIMITED TO COMPACTION DENSITY TESTING, ETC.), AND SHALL PROVIDE RESULTS TO ENGINEER, AND MAINTAIN RECORDS AND RESULTS OF ALL TESTS PERFORMED DURING CONSTRUCTION. TESTING BY THE CONTRACTOR SHALL BE INCLUDED IN THE BID.
- EXISTING FACILITIES AND FEATURES ARE SHOWN, LIGHT-LINED AND/OR SCREENED. NEW FACILITIES AND FEATURES ARE SHOWN SOLID AND HEAVY-LINED.
- SLOPES AND GRADES SHOWN ARE IN UNITS OF FT/FT UNLESS OTHERWISE NOTED.
- ALL PAVEMENT AND CURB MEASUREMENTS ARE TAKEN FROM FACE OF CURB OR EDGE OF PAVEMENT.
- ALL WORK SHALL BE PERFORMED IN ACCORDANCE WITH THE PROJECT SPECIFICATIONS.
- ONCE INSTALLED, LANDSCAPING SHALL BE MAINTAINED IN HEALTHY LIVING CONDITION AND ALL PLANT MATERIAL THAT DIES SHALL BE REPLACED. (SEC 1400.5.C-10)
- TREES SHALL NOT BE TOPPED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF ANSI A300 "STANDARDS FOR TREE CARE" SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SEC 1400.5.C-11)
- HEALTHY TREES SHALL NOT BE REMOVED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF ANSI A300 "STANDARDS FOR TREE CARE" SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SEC 1400.5.C-12)
- LIVING MATERIALS, SUCH AS LAWN, GRASS OR HERBACEOUS GROUNDCOVERS LIKE JUNIPER OR LIRIOPE ETC., SHALL COVER A MINIMUM OF EIGHTY PERCENT (80%) OF THE PLANTING ISLANDS. ONE HUNDRED PERCENT (100%) OF LIVING MATERIALS IS STRONGLY ENCOURAGED. (SEC 1400.6.A-8 & SEC 1400.8.G-7)
- ALL TREES PLANTED IN THE PUBLIC RIGHT-OF-WAY SHALL BE 4" CALIBER AND THE LOWEST LIMB SHALL BE 60" OR HIGHER FROM FINAL GRADE AT TIME OF PLANTING.
- ALL PROPOSED TREES SHALL BE A MINIMUM OF 5' FROM ALL PUBLIC UTILITIES.

LARGE SCALE DEVELOPMENT STAFF REPORT

Red Barn

NW A Street

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-06000040
Applicant / Current Owner	C Street properties PO Box 1860 Bentonville, AR 72712
Site Area	44.9 acres
Current Zoning	PUD, Planned Unit Development
Future Land Use Map Designation	Low Density Residential (LDR)
Development Type / Use	Multi-Family Residential Units

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

This property is the location of 45+/- acres in a low density residential area. The property fronts NW A Street and lies directly north of Lincoln Junior High School. The southwest corner of the property contains a tributary to Hidden Springs Creek.

Project Details

The applicant is proposing a large scale development that consist of 16 separate buildings (13 townhome buildings & 3, three story multifamily buildings) that total 163 residential units. Two-hundred and thirty three (233) parking spaces are being provided to serve the development.

Two points of access along NW A Street and an emergency fire access from NW Leopard Lane are being proposed. Street improvements and a 10' trail will be constructed along NW A Street. A new public street extension will also be constructed to allow access to the interior of the property.

The 15% open space requirement is being met. The primary material depicted for the exterior elevations of the building include fiber cement panels, architectural metal panels, brick, fiber cement lap siding and horizontal cedar or cypress wood plank siding.

Projected Traffic Impact

The proposed development will not adversely impact traffic in the area.

Utility Infrastructure

Water and sewer are available.

Drainage Report

A drainage report

Waivers

No waivers requested.

Conclusion

This large scale development does meet the minimum requirements of the subdivision regulations.

Standard Conditions of Approval

1. All technical review comments shall be resolved prior to pre-con.

LARGE SCALE DEVELOPMENT STAFF REPORT

1 PLANTING PLAN
1" = 50'

PLANTING CONCEPT

CONSERVATION PLANNING IS ONE OF THE PRIMARY GOALS FOR RED BARN. CONSERVATION THROUGH PRESERVATION OF EXISTING WOODLANDS, SPECIMEN TREES, AND STATE-SIGNIFICANT SOILS. THESE SOILS ARE PRESERVED BY MINIMIZING GRADING IMPACTS IN CRITICAL AREAS OF THE SITE THAT ALREADY HAVE PASTURE-QUALITY VEGETATION FOR THE AGRICULTURAL PROGRAM. NEW LANDSCAPES AIM TO BUILD ON THIS THEME BY IMPLEMENTING NATURALIZED AND LOW-WATER DEMAND TURF-GROUND COVERS. THESE LANDSCAPES WILL PROVIDE AGRICULTURAL FORAGING OPPORTUNITIES AND CAN BE MANAGED THROUGH SEASONAL MOVING, IN-HIGHLY PROGRAMMED SPACES SUCH AS THE BARN AREA, TOWNHOMES LAWNS, AND ALLEYS. CONTAINERIZED ORNAMENTAL GRASSES, PERENNIALS, AND SHRUBS WILL BE USED IN CONCERT WITH USABLE LAWN SPACES.

LANDSCAPE NOTES

- 1. LANDSCAPE CONTRACTOR SHALL COMPLY WITH ALL PROVISIONS AND SECTIONS OF THE SPECIFICATIONS AND TREE LOCATIONS TO AVOID CONFLICT WITH EXISTING PLANTINGS. CONTRACTOR TO COORDINATE WITH OWNER'S REPRESENTATIVE AND LANDSCAPE ARCHITECT ON ANY NECESSARY ADJUSTMENTS PROCEEDING WITH WORK.
- 2. THE LANDSCAPE CONTRACTOR SHALL VERIFY CONTOURS AND SITE CONDITIONS BEFORE PROCEEDING WITH WORK.
- 3. LOCATIONS OF ALL PLANT MATERIALS SHALL BE STAKED IN THE FIELD AND APPROVED BY THE OWNER'S REPRESENTATIVE PRIOR TO PLANTING.
- 4. ALL PLANTS OF THE SAME SPECIES SHALL BE OBTAINED FROM A SINGLE NURSERY SOURCE.
- 5. CONTRACTOR IS RESPONSIBLE FOR VERIFYING QUANTITIES OF PLANT MATERIALS AND IMPROVEMENTS SHOWN.
- 6. THE LANDSCAPE CONTRACTOR SHALL BE RESPONSIBLE TO SEED AND RESTORE ALL DISTURBED AREAS BACK TO ORIGINAL OR FINISH GRADE ELEVATIONS, INCLUDING EQUIPMENT MATERIAL STORAGE AREA AND STAGING AREAS ADJACENT TO SITE.
- 7. THE LANDSCAPE CONTRACTOR SHALL COORDINATE WORK WITH ALL OTHER TRADES.
- 8. PLANT TREES AFTER FINAL GRADES ARE ESTABLISHED AND PRIOR TO PLANTING OF ALL OTHER PLANTS.

LANDSCAPE SCOPE

- 1. PACKAGING, DELIVERY, AND STORAGE OF ALL MATERIALS
- 2. PREPARATION OF PASTURE (GROWING MEDIUM)
- 3. FIELD LAYOUT OF PLANT MATERIAL
- 4. EXCAVATING FOR PLANT MATERIAL
- 5. SETTING AND BACKFILLING
- 6. TREE AND SHRUB PLANTING
- 7. PREPARATION OF THE GROUND SURFACE
- 8. STAKING TREES
- 9. PRUNING
- 10. PROVIDE AND APPLY PRE-EMERGENT HERBICIDE
- 11. PROVIDE AND INSTALL MULCH
- 12. CLEANUP AND ACCEPTANCE
- 13. GUARANTEE AND MAINTENANCE OF PLANT MATERIALS

CITY LANDSCAPE NOTES

- 1. ONCE INSTALLED, LANDSCAPING SHALL BE MAINTAINED IN HEALTHY LIVING CONDITION AND ALL PLANT MATERIAL THAT DIES SHALL BE REPLACED. (SPEC 1400.5 C-10)
- 2. TREES SHALL NOT BE TOPPED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF ANSI A300 STANDARDS FOR TREE CARE SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SPEC 1400.5 C-11)
- 3. HEALTHY TREES SHALL NOT BE REMOVED AT ANY TIME AND PROPER TREE PRUNING TECHNIQUES AS ESTABLISHED BY THE LATEST EDITION OF THE ANSI A300 STANDARDS FOR TREE CARE SHALL BE UTILIZED FOR MAINTENANCE PURPOSES. (SPEC 1400.5 C-12)
- 4. LIVING MATERIALS, SUCH AS LAWN, GRASS, OR HERBACEOUS GROUNDCOVERS LIKE JUNIPER OR LIRIOPE, ETC., SHALL COVER A MINIMUM OF EIGHTY PERCENT (80%) OF THE PLANTING ISLANDS. ONE-HUNDRED PERCENT (100%) OF LIVING MATERIALS IS STRONGLY ENCOURAGED. (SPEC 1400.6 A-B&1, 400.6 G-7)

MINIMUM PLANTING REQUIREMENTS

- Section 1400.4 Street Footcage Buffer Landscaping
 - 20' min. buffer zone, 1:1 slope, 20' trees required, 29' provided
 - New internal ROW 2580E = 130' trees required, 65' provided (174' existing credits)
- Section 1400.7 Perimeter Landscaping and Screening
 - 7' min. dedicated landscaped strip, screening type along entire south laneway (Type C); Broken screen, intended to create the impression of a screen without necessarily eliminating visual contact between parcels
 - Strategy: Existing trees create a strong, almost continuous, visual barrier above eye level. The new existing open grass in the existing buffer backdrop with proposed orchards and grass spaces. Pockets of ground level screening is proposed at the ends of the townhome drive lanes. Elsewhere a torii yard image is proposed with townhome patios and pocket ports framing the south green space
- Section 1400.8 Parking lot Landscaping
 - 8% green space for lots, sized 3000 sq. ft. - 4900 sq. ft. 1 tree per 125 sq. ft. Internal island every 15 spaces
 - NWA Parking lot: 4580 sq. ft. = 36 sq. ft. green space required, 3 trees required
 - NWA Parking lot: 14 spaces = No new internal islands required

FINAL PLAT STAFF REPORT

Lot 7 Prime Parc Subdivision

5806 SW Crozier Circle

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-03000003
Applicant / Current Owner	Abby Bentonville, LLC 1603 LBJ FWY, STE 300 Dallas, TX 75234
Site Area	13.26+/- acres
Current Zoning	PUD, Planned Unit Development
Future Land Use Map Designation	Industrial (I)
No. of Lots	1
Subdivision Name	Prime Parc Subdivision

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

The property is a multi-family residential apartment complex, zoned PUD and known as Prime Parc Subdivision, located at 5806 SW Crozier Circle.

Project Details

The applicant has submitted a final plat for Phase 1 of the Prime Parc Apartments project that will create Lot 7 of Prime Parc Subdivision (13.26+/- acres). This final plat dedicates right-of-way for the three public streets (SE Parc St., SW Prime Ave. & SW Lakewood Rd.) that will serve the new development. Various utility and drainage easements are also being dedicated to serve the new lot. The sections of sidewalk the developer are responsible for have been installed. A stub out for future street connections have been constructed per the approved plan. All public infrastructure has been inspected and accepted by the utility departments and all non-bondable items have been completed.

Utility Infrastructure

Per the GIS website, water and sewer are available to this site.

Drainage Report

A drainage report is not required at the time of final platting.

Waivers

No waivers requested.

Conclusion

In conclusion, this final plat does meet the minimum requirements of the subdivision regulations.

Standard Conditions of Approval

1. Provide a digital copy of the plat.
2. Address all technical review comments before requesting a building permit.

GENERAL PLAN AMENDMENT STAFF REPORT

Chambers Bank

Ginn Road & Brookside Road

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-01800007
Applicant/ Current Owner	Chambers Bank 901 Main Street Danville, AR 727833
Site Area	100+/- acres
Current Zoning	PRD, Planned Residential Development
Current Future Land Use Map Designation	Agricultural (A)
Requested Future Land Use Map Designation	Medium Density Residential (MDR)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

This property is the location of a 100+/- acre parcel that is currently being used for agricultural practices on the SE corner of Ginn Road and Brookside Road. The property was zoned PUD in 2005; that zoning has since expired.

Projected Traffic Impact

The proposed land use designation will not adversely impact traffic in the area. The development of the property is scheduled to occur in phases. As these phases come on-line and density in the area increases, additional and improved access to the area will be necessary.

Utility Infrastructure

Per GIS website, water is available however, sewer is not available at the time of this report.

Relationship to the General Plan

The Future Land Use Plan depicts this property as Agricultural (A). Policy LU-23 Housing Types within the General Plan suggest that the city should encourage the development of a mix of housing types to meet the needs of residents throughout their lives. As utilities are extended to new locations within the city, the city should reevaluate and adjust the land uses accordingly. The proposed subdivision will help to reduce the impact on city infrastructure by the extension of public utilities that will be required with the development of this land, all helping to meet the intent of the policy.

Analysis

In conclusion, the requested Future Land Use Map designation of Medium Density Residential (MDR) will offer a variety of two-family housing types and opportunities in a rapidly developing sector of the city. The proposed land use designation will promote future growth in the area and create opportunities for commercial, mixed-use and industrial development that will ultimately provide goods and services to residences in and near this area. **Error! **Re: Requested Narrative, Medium-Density Residential
General Plan Amendment- Chambers Bank (Osage Hills 2)
(parcels 01-00828-500) & a portion of 01-00828-550)**

Dear Jon:

Please accept this narrative, as required, for the subject properties. Listed below are the application-required questions, each of which is followed by our response.

1. Reasons for initiation of this proposal. Has information become available that was not available at the time of adoption of the Future Land Use Map? Or, since the adoption of the map has land use in the area changed?

The owner is proposing to develop the subject property as single-family residential. As you know, the General Plan shows the future land use of this property as agriculture.

Information has changed since adoption of the map, and that consists of a growing demand for single-family housing. At the time, this map was adopted, no infrastructure was available nearby. There are now plans to extend these nearby.

2. How will this change impact the land use and character of the property in question and surrounding areas?

The character of the property will change in that it will receive water, sewer, and electric extensions that future residents on this land will then pay in utility bills to the city.

The map amendment would allow more surrounding properties to develop and also provide improvements to Rainbow Farm Road and Adams Road – which would benefit the city's overall infrastructure.

3. How is the property more suitable for the proposed land use designation than for the current land use classification presented on the Future Land Use Map?

The proposed single-family designation is more suitable because development on this land would provide a greater benefit to more people than if it is left agricultural. The benefits come in the way of more housing, and revenue for construction workers and city employees (taxes, utility bills, etc).

4. Would the uses permitted by the proposed change be detrimental in any way to the surrounding property?

The only two negatives are that the land won't be left as it is, and the traffic count would increase. However, the proposed improvements on Rainbow Farm Road and Adams Road will help mitigate the increased traffic load.

5. What are the alternative courses of action if the proposed land use change is not approved?

If the land use is not changed, other lands will be found to develop single-family, and the land will go for years before homes are built (if ever).

6. What are your plans for the property if the proposed land use change is approved?

The current proposal is a medium density residential subdivision that will comply with all city zoning and development requirements.

7. What alternatives other than changing the land use designation have been discussed?

There is no alternative to this request other than to do nothing, and leave the property as-is.

8. Additional information that is pertinent to support this request.

Regarding the request to convert land to single-family, please keep in mind the natural pressures of housing that the city encounters now in this time of growth. While the current economic cycle has seen a focus on apartment construction, the supply of single-family housing is not keeping up.

The market needs to provide for this demand. Your support of this request will bring needed housing to an area that is a great fit.

Please let me know if you have any questions or concerns.

JACOBS GROUP

Specializing in Downtown Housing

June 13, 2017

City of Bentonville
305 SW A Street
Bentonville, Arkansas 72712

RE: Property at 208 SE 7th Street – Rezoning Request

Dear Mr. Stanley,

In keeping with the Bentonville Downtown Master Plan to increase residential housing opportunities and have a vibrant downtown, we are requesting that the property located at 208 SE 7th Street, which is currently zoned R-1, to be rezoned to Downtown Edge. This zoning change will allow for new housing to be built on this property. The properties directly abutting this parcel are already zoned DE and we believe it best to keep the surrounding zonings consistent.

The property will only be used for residential purposes, and will be rear loaded to limit the impact vehicles can have along the streetscape. Minimal traffic increase is expected and no signage is proposed for the infill housing. The new housing will be served by existing water and sewer lines which run along the length of SE 7th street.

Sincerely,

Todd Jacobs

REZONING STAFF REPORT

First Baptist Church

200 SW A Street

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-09000041
Applicant / Current Owner	First Baptist Church of Bentonville 220 S. Main Street Bentonville, AR 72712
Site Area	0.36 acres
Current Zoning	DE, Downtown Edge and DN-2, Downtown Medium Density Residential
Requested Zoning	DC, Downtown Core
Future Land Use Map Designation	Mixed Use (MU)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

This property is the location of the western 25'+/- of recently vacated public right-of-way along what was SW B Street between SW 2nd and SW 3rd Street.

Projected Traffic Impact

The proposed zoning designation will not adversely impact traffic in the area. The property is located within the downtown area where the existing street grid network will provide adequate options for ingress and egress.

Utility Infrastructure

Per the City's GIS website, public water and sewer are available at this location.

Relationship to the General Plan

The Future Land Use Plan depicts this property as Mixed Use (MU). The DC, Downtown Core zoning district is an appropriate zoning district for this land use designation.

Conclusion

In conclusion, the DC, Downtown Core zoning designation is an appropriate zoning district for this property and will serve as a transition from the more intense uses allowed along SW A Street to the east and the single-family residential neighborhoods to the west.

REZONING STAFF REPORT

Rezone Narrative

Owner: First Baptist Church
Address: 220 S Main St
Bentonville, AR 72712

Current Zoning: R-1, Single Family Residential

Proposed Zoning: DC, Downtown Core

Owner: First Baptist Church

Reason for rezone: To adopt the new zoning classification for the downtown and surrounding area.

How will property relate to surrounding properties: With the areas designation of Downtown Core and Downtown Edge the change would better fit with the coming development, and provide needed buffers to the adjoining residential uses. The current surrounding properties are older single family residences.

Proposed Use: Continued Church use

Traffic: The current city infrastructure is adequate to accommodate the use.

Signage: Any signage to comply with city ordinances and regulations.

Appearance: There are no immediate proposed changes

Water and Sewer Availability: Water and Sewer mains are available to serve the property.

LOT SPLIT STAFF REPORT

Lots 23, 24 & 25 Huffman Addition

211 NW D Street

PC Date: 9/5/2017

Project Number	17-05000032
Applicant / Current Owner	Ryan Hardin 802 N. Park Ave. Fayetteville, AR 72701
Site Area	0.42+/- acres
Current Zoning	R-1, Single Family Residential
Future Land Use Map Designation	Downtown Low-Density Residential (D-LDR)

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Property Description

This property is the location of an existing single family lot located at 211 NW D Street in an established single-family residential neighborhood.

Project Details

The applicant has submitted a proposal for a lot split that will create three new lots from one existing lot. The new lots will be known as Lot 23 (0.14 acres), Lot 24 (0.14 acres) and Lot 25 (0.14 acres) of Huffman Addition. Per the requirements of the Master Street Plan, right-of-way will be dedicated along Jefferson Street and NW D Street. A private cross access easement will be provided to allow rear access to each of the new lots. All lots have access to public utilities and a public street.

Projected Traffic Impact

The proposed lot split will not adversely impact traffic in the area. The property is located within the downtown area where the existing street grid network will provide adequate options for ingress and egress.

Utility Infrastructure

Per the GIS website, water and sewer are available to this site.

Drainage Report

A drainage report is not required.

Waivers

1 waiver request

- o Waiver to Article 1100, Design Standards, Section 1100.5.B, Streets, Master Street Plan Requirements, Right-of-way for a Local Street. 26' r/w required from centerline along NW 'D' Street, proposing 22' of right-of-way.

Conclusion

In conclusion, this lot split does not meet the minimum requirements of the subdivision regulations due to the waiver request.

Standard Conditions of Approval

1. Provide a digital copy of the plat.
2. Address all technical review comments before requesting a building permit.

NOTES

- **Sidewalks.** Sidewalk installation will be the responsibility of individual lot owners at the time of building permit.

SUBJECT: NW D Street Right of Way Dedication Waiver

Mr. Stanley,

On behalf of Ryan Hardin and Brenda Compton (Owners), I am requesting a waiver to Article 1100, Streets, Section 1100.5B, Right-of-Way Dedication, of the subdivision code for the creation of three new lots. The code states that 26' of Right of Way will be required per the City of Bentonville Master Street Plan, measured from centerline of NW D Street. This would require the owners to provide 10 feet of property to be dedicated for city Right-of-Way. However, the owners would like to propose a 6 foot dedication of their property to be used for city Right-of-Way measured from the center of the right of way lines instead of the required centerline of roadway. The reason this proposal was pursued was because of the assessment of the entire NW D Street corridor. The roadway alignment veers to the west as you travel south of NW 3rd Street. As the alignment of NW D Street shifts west, the property lines do not shift west in a consistent manner. If this waiver is approved it will allow the property to the east to also dedicate 6 feet of their property to achieve the necessary 52 feet of planned Right-of-Way. The proposed dedication will still allow for the appropriate green space, curb installation and buffer dimensions that the City of Bentonville requires.

For the reasons above, I formally request that the waiver for a reduction of Right-of-Way Dedication from 10 feet to 6 feet be approved for this project. If you have any questions or need any more information, do not hesitate to get in touch with me. Thank you.

Respectfully submitted,

WAIVER REQUEST STAFF REPORT

Stracener

9084 Lee Harris Road

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	N/A
Applicant / Current Owner	Tommy Stracener 9084 Lee Harris Road Bentonville, AR 72712
Site Area	4.17+/- acres
Current Zoning	Benton County
Future Land Use Map Designation	Agricultural (A)
Waiver Request	Sidewalk

Property Description

This property is the location of an agricultural parcel, located in the county but with the city's planning jurisdiction.

Reason for Waiver Request

The applicant is requesting a waiver to the sidewalk requirements of the subdivision code, stating a lack of improvements along the east side of Lee Harris Road and topographic constraints.

Analysis

The applicant has submitted a waiver to the sidewalk section of the Design Standards within the City of Bentonville subdivision regulations. Section 11.6 states all new residential construction must construct a sidewalk when abutting a public street and shall construct the sidewalk per the street standards. The proposed single family home is located in an undeveloped agricultural area where sidewalk exists along the western side of the street. Currently, the pedestrian traffic in this area is extremely low or non-existent.

Dear Mr. Stanley,

We are requesting a waiver to Article 1100, Design Standards, Section 1100.6, Sidewalks of the subdivision code for a new residence that will be accessed from the east side of Lee Harris Road.

Per the submitted plat the distance is approximately 260' along the west property line and within the dedicated public right-of-way. The reason for our request is the lack of connectivity and/or future potential for connectivity to an existing sidewalk system. Such potential connectivity in this location would be highly unlikely due to the feasibility of construction (30' drop off to a ravine) and the lack of any existing sidewalk system south and north of the east side of Lee Harris Road. Please see attached pictures for reference.

Thank you,

Tommy Stracener

Re: New construction at 805 Kings Drive

Greetings:

This letter is to request a waiver of the requirement for including a sidewalk in connection with the construction of our new home at 805 Kings Drive. The reason that we are making this request is in part that building a sidewalk at this particular property is contrary to the overall character of the neighborhood. This neighborhood has already been built out more than thirty years ago (including our property – we are replacing an existing house which was torn down). Within the defined borders of the subdivision, which includes at least fifty homes on three different main streets and a couple cul-de-sacs, there are no sidewalks. In fact, the closest sidewalk to our home site is on "J" Street, approximately 2,300 feet away. While we understand that sidewalks are a welcome amenity for a neighborhood, they are not as necessary in this one due to the limitations on traffic because of the subdivision's isolated nature, and the fact that that isolated nature is not going to change (at least not anytime soon) due to existing infrastructure. A sidewalk in front of our house would be completely out of place, and with that, an unnecessary expense.

Accordingly, we ask that waiver of this requirement be put before the appropriate body for consideration.

Sincerely,

A handwritten signature in black ink, reading "Mark O'Brate". The signature is written in a cursive, flowing style with a prominent loop at the end of the last name.

SUBJECT: Adair Residential Sidewalk Waiver

Mr. Stanley,

On behalf of Ed and Marinell Adair, I am requesting a waiver to Article 1100, Design Standards, Section 1100.6, Sidewalk, of the subdivision code for a new residence that will be located along NW Park Drive. Mr. Adair is constructing a new house on a newly split lot, that was approved by the City of Bentonville on June 27th, 2017. NW Park Drive is a dead end street that serves 7 residences, with the Adair's residence located at the dead end section of the street. Currently there are no sidewalks along NW Park Drive and no sidewalks in the neighborhoods adjacent to this location. The proposed sidewalk would be 80' long and only serve Mr. Adair on the south side of the roadway. No pedestrians would use this sidewalk and the future connectivity with this sidewalk is improbable. Also, the maintenance alone over the years would be more than the construction of the sidewalk itself.

To help with your decision, I have attached a few pictures of the site and surrounding area for your reference. I have also attached two emails from Mr. Adair's neighbors that state they have reservations to a sidewalk being built. For the reasons above, I formally request that the waiver for no sidewalk be approved. If you have any questions or need any more information, do not hesitate to get in touch with me. Thank you.

BENTONVILLE, ARKANSAS 72712

August 11, 2017

VIA EMAIL

Dear Mr. Aaron Boehmler,

Our house is across Park Drive from the property owned by Dr. and Mrs. Edward Adair. We understand the Adairs may be required to construct a sidewalk in front of their lot on which they are constructing a new home.

Please know we would prefer to maintain the drainage as it currently exists and accordingly would prefer that a sidewalk not be required. There are no sidewalks in our entire subdivision that adjoin the Adairs' property, so any sidewalk on the Adairs' property would not be connected to another sidewalk and is unlikely to ever connect to another sidewalk.

Thank you for your consideration.

Regards,

David and Anne George

LARGE SCALE DEVELOPMENT EXTENSION STAFF REPORT

I Street Luxury Apartments

SW 41st Street and SW I Street

PC Date: 9/5/2017

Reviewer: Jon Stanley, Planner

Project Number	17-06000009
Applicant / Current Owner	BC Center LLC 2144 E Republic Suite 8300 Springfield, MO 65804
Site Area	11.61 acres
Current Zoning	R-4, High Density Residential
Future Land Use Map Designation	Mixed Use (MU)
Development Type / Use	Multi-family Residential (Apartments)
Date of First Approval	3/21/17

Property Description

This property is currently vacant in a mixed-use area. It is directly west of the Eversole property owned by the City of Bentonville and east of the Bentonville Community Center located on SW 41st Street.

Project Details

The applicant is requesting the extension of a large scale development approval from 4/4/2017. The large-scale development consists of six three-story buildings, divided between three phases, totaling 236 units. The applicant has proposed 91 one-bedroom units, 121 two-bedroom units and 24 three-bedroom units. 378 parking spaces are being provided. The primary ingress/egress will be from one proposed curb cut onto SW I Street and one existing curb cut onto SW 41st Street. The exterior elevations depict brick, fiber cement siding and manufactured stone. The applicant is proposing funding 25% of the cost for a traffic signal at the intersection of SW 41st Street & SW I Street

<http://geo.bentonvillear.com/mgweb/PZpending/>

Location Map

Projected Traffic Impact

Multi-family projects add approximately nine trips per day per unit. SW I Street and SW 41st Street currently carry 12,000 vehicles per day (vpd). SW I Street is an arterial street section and is designed to carry from 6,000 -35,000 vpd.

Utility Infrastructure

There is an 8" water main along the east side of the property and an 8" sewer main is located at the southwest corner of the property. All services will be extended to serve this multi-family development.

Drainage Report

A drainage report was submitted and tentatively approved by the city engineer.

Waivers

No waivers requested.

Conclusion

In conclusion, this large scale development extension does meet the minimum requirements of the subdivision regulations.

Zoning Amendment for Medical Marijuana Dispensaries & Cultivation Facilities

PC Date: 9/5/2017

Reviewer: Shelli Kerr, AICP, Planning Services Mngr

Type	Amendment
Code Impacted	Zoning Code
Section(s)	Art. 201 Definitions Art. 401 Zoning Regulations

<http://www.bentonvillear.com/departments/planning-department/codes/code-changes/>

Purpose

The purpose for this amendment is to bring the City of Bentonville zoning regulations into compliance with Amendment 98 of the Arkansas Constitution regarding zoning for medical marijuana dispensaries and cultivation facilities.

Background

On November 8, 2016, the voters of the State of Arkansas passed The Arkansas Medical Marijuana Amendment of 2016, Amendment 98 of the Arkansas Constitution. Several sections of the amendment address local regulation of dispensaries and cultivation facilities.

- "This amendment does not prohibit a city, incorporated town, or county of this state from enacting reasonable zoning regulations applicable to dispensaries or cultivation facilities, provided that those zoning regulations are the same as those for a licensed retail pharmacy." - § 14(a)
- "Dispensaries may not be located within 1,500 feet of a public or private school, church, or daycare center." - § 8(g)(2)(C)(i)
- "A cultivation facility may not be within 3,000 feet of a public or private school, church or daycare center. - § 8(g)(2)(C)(ii)

Code Review

The code does not specifically list or define "pharmacy" as a land use. However, it does define "retail" as the "sale of general merchandise or food...that includes....drugs....and similar consumer goods." Based on this definition, a pharmacy would be regulated as a retail use. Because Amendment 98 indicates that the zoning regulations for dispensaries and cultivation facilities are to be the same as pharmacies, these facilities would be considered a retail use.

The zoning district where the "Retail" land use category is allowed depends on the size of the facility:

Small Scale Retail (<=4,000 sq. ft.): DN-3, Downtown High Density Residential; DN-4, Downtown Mixed-Use Residential; C-1, Neighborhood Commercial; C-2, General Commercial; C-3, Central Commercial; DC, Downtown Core; DE, Downtown Edge; I-1, Light Industrial

Large Scale Retail (>4,000 sq. ft.): C-2, General Commercial and DC, Downtown Core

The definition of the "Intensive Industrial" land use includes "compounding of cosmetics, toiletries, drugs, and pharmaceutical products." Presumably, cultivation facilities would fall into this land use category. However, since the constitutional amendment states that cultivation facilities must be treated the same as a retail pharmacy, this land use category is not applicable.

Based on the interpretation above, under the current regulations, medical marijuana dispensaries and cultivation facilities would be allowed by right in the DN3, DN4, DC, C1, C2, C3, and I1 zoning districts if the facility is 4,000 square feet or less; and in the DC and C2 zoning districts if larger than 4,000 square feet.

Proposed Amendments

- Delete the word "drugs" from the definitions of Retail, Small Scale and Retail, Large Scale and "drugs and pharmaceutical products" from the definition of Industrial, Intensive.
- Define "pharmacy", "medical marijuana dispensary" and "cultivation facility" consistent with the definitions provided in the constitutional amendment.
- Establish pharmacy, medical marijuana dispensary and cultivation facility as uses allowed by right in the C2, C3, DC, I1 and I2 districts.
- Add supplemental regulations regarding the distance requirements from schools, churches and daycares consistent with the constitutional amendment.

ORDINANCE NO. _____

AN ORDINANCE AMENDING THE ZONING CODE OF THE CITY OF BENTONVILLE, ARKANSAS TO ESTABLISH ZONING REGULATIONS FOR MEDICAL MARIJUANA DISPENSARIES AND CULTIVATION FACILITIES CONSISTENT WITH THE ARKANSAS MEDICAL MARIJUANA AMENDMENT OF 2016, AMENDMENT 98 OF THE ARKANSAS CONSTITUTION, AND DECLARING AN EMERGENCY.

WHEREAS, on November 8, 2016, the voters of the State of Arkansas passed The Arkansas Medical Marijuana Amendment of 2016, Amendment 98 of the Arkansas Constitution; and

WHEREAS, section 14(a) of Amendment 98 states “This amendment does not prohibit a city, incorporated town, or county of this state from enacting reasonable zoning regulations applicable to dispensaries or cultivation facilities, provided that those zoning regulations are the same as those for a licensed retail pharmacy;” and

WHEREAS, section 2(4) of Amendment 98 defines a “cultivation facility” as an entity that (A) has been licensed by the Medical Marijuana Commission under § 8 of this amendment; and (B) cultivates, prepares, manufactures, processes, packages, sells to and delivers usable marijuana to a dispensary; and

WHEREAS, section 2(7) of Amendment 98 defines a “dispensary” as an entity that has been licensed by the Medical Marijuana Commission under § 8 of this amendment; and

WHEREAS, the Bentonville Zoning Code does not specifically list or define “pharmacy” as a land use, however, defines “retail” as the *sale of general merchandise or food...that includes....drugs....and similar consumer goods*, which would include pharmacies; and

WHEREAS, the Bentonville Zoning Code allows by right “retail, small scale” (4,000 gross square feet or less) in the DN3, DN4, DC, C1, C2, C3, and I1 zoning districts and allows by right “retail, large scale” (more than 4,000 gross square feet) in the DC and C2 zoning districts.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BENTONVILLE, ARKANSAS:

Section 1: That the Zoning Code, Article 201 Definitions shall be and is hereby amended by deleting “drugs” from the definitions of *Retail, Small Scale* and *Retail, Large Scale*.

Section 2. That the Zoning Code, Article 201 Definitions shall be and is hereby amended by deleting “drugs and pharmaceutical products” from the definition of *Industrial, Intensive*.

Section 3. That the Zoning Code, Article 201 Definitions shall be and is hereby amended by adding the following definitions:

Pharmacy: An establishment substantially devoted to the compounding and/or sale of prescription medicines and drugs, supplies and equipment. This definition does not include medical marijuana dispensaries or medical marijuana cultivation facilities,

which are defined separately and consistent with § 8 of Amendment 98 of the Arkansas Constitution.

Medical marijuana dispensary: An entity that has been licensed by the Medical Marijuana Commission under § 8 of Amendment 98 of the Arkansas Constitution.

Medical marijuana cultivation facility: An entity that (1) has been licensed by the Medical Marijuana Commission under § 8 of Amendment 98 of the Arkansas Constitution, and (2) cultivates, prepares, manufactures, processes, packages, sells to and delivers usable marijuana to a dispensary.

Section 4: That the Zoning Code, Appendix A: Table of Permitted Uses shall be and is hereby amended by adding the uses “pharmacy” and “medical marijuana dispensary” under the *Retail* category and the use “medical marijuana cultivation facility” under the *Industrial and Warehousing* category and permitting such uses in the C2, C3, DC, I1, and I2 zoning districts.

Section 5: That the Zoning Code, Article 601 Use Regulations shall be and is hereby amended by adding the following use regulations:

MEDICAL MARIJUANA DISPENSARY

As set forth in § 8 of Amendment 98 of the Arkansas Constitution, a medical marijuana dispensary may not be located within one thousand five hundred feet (1,500’) of a public or private school, church, or daycare center, existing before the date of the dispensary application.

MEDICAL MARIJUANA CULTIVATION FACILITY

As set forth in § 8 of Amendment 98 of the Arkansas Constitution, a medical marijuana cultivation facility may not be located within three thousand feet (3,000’) of a public or private school, church, or daycare center, existing before the date of the cultivation facility application.

Section 6: This ordinance is necessary to preserve the public peace, health, safety and welfare, and because of such, an emergency is declared to exist and this ordinance shall be in full force and effect from the date of its passage and approval.

PASSED and APPROVED this ____ day of _____, 2017.

APPROVED:

Mayor Bob McCaslin

ATTEST:

City Clerk
